The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- Mr. Busciano wants to build BOTH Safe Parking and Bridge Housing in Wilmington.[1]
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services[2]
- Safe Park is free overnight parking for RV's and those who live in their car.[3]
- Mr. Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area.
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)[4]
- Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what communities will benefit from the extra money.[5]
- These facilities will help LESS THAN 1/3 of the homeless population in Wilmington. There is no Plan for the other 70%[6]
- The Proposed Property has numerous environmental restrictions on it.(Methane Zone, Coastal Zone Tidelands Trust, CUGU) the City is EXEMPT from these restriction prompting several health and environmental concerns[7]
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- A conflict with regards to security to be provided. Council President Wesson states it will be L.A.P.D. United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures has been provided to ensure that guidelines are being met.
- Mr. Buscaino has failed to attend ant community meetings or send a representative to answer questions.
- **I CAN NOT SUPPORT THIS WHEN I AM NOT GIVEN AN OPPORTUNITY TO ASK QUESTIONS, VOICE MY CONCERNS OR GIVE INPUT.**

I, the undersigned stakeholder of Wilmington am against the Safe Parking and Bridge Home Project as proposed and reject this plan until the residents of Wilmington are treated in a fair, equitable and transparent manner.

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por la acción de los residentes de Wilmington, este proyecto nos sorprendería sin la debida notificación, sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones:

• El Sr. Busciano quiere construir AMBOS Estacionamientos Seguros y Viviendas del Puente en Wilmington.
• Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad.
• Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil.
• El Sr. Busciano quiere construir un GRAN parque seguro que cubrirá TODA la zona del puerto.
• El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)
• El Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué comunidades se beneficiarán con el dinero extra.
• Estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar en Wilmington. No hay un plan para el otro 70%
La Propiedad Propuesta tiene numerosas restricciones medioambientales (Zona de Metano, Zona Costera, Fideicomiso Tidelands, CUGU). La Ciudad está EXENTA de estas restricciones que provocan varias preocupaciones de salud y medioambientales.
• No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas?
• Un conflicto con respecto a la seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
• Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.
• No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas
• No se ha proporcionado una lista de medidas de seguridad para garantizar que se cumplan las directrices.
• El Sr. Buscaino no asistió a las reuniones de la comunidad de hormigas o envió un representante para responder preguntas.
• NO PUEDO APOYAR ESTO CUANDO NO ME DAN LA OPORTUNIDAD DE HACER PREGUNTAS, VOZ MIS PREOCUPACIONES O DAR ENTRADA.

Yo, el interesado abajo firmante de Wilmington, estoy en contra del Proyecto Safe Parking and Bridge Home Project, tal como lo propuse y rechazo este plan hasta que los residentes de Wilmington reciban un trato justo, equitativo y transparente.

I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:.

- Mr. Busciano wants to build BOTH Safe Parking and Bridge Housing in Wilmington.[1]
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services[2]
- Safe Park is free overnight parking for RV's and those who live in their car.[3]
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area.
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)[4]
- Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what communities will benefit from the extra money.[5]
- These facilities will help LESS THAN 1/3 of the homeless population in Wilmington. There is no Plan for the other 70%[6]
- The Proposed Property has numerous environmental restrictions on it.(Methane Zone, Coastal Zone Tidelands Trust, CUGU) the City is EXEMPT from these restriction prompting several health and environmental concerns[7]
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- A conflict with regards to security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures have been provided to insure that guidelines are being met.
- Mr. Buscaino has failed to attend ant community meetings or send a representative to answer questions.
- **I CAN NOT SUPPORT THIS WHEN I AM NOT GIVEN AN OPPORTUNITY TO ASK QUESTIONS, VOICE MY CONCERNS OR GIVE INPUT.**

I, the undersigned stakeholder of Wilmington am against the Safe Parking and Bridge Home Project as proposed and reject this plan until the residents of Wilmington are treated in a fair, equitable and transparent manner.

If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- On July 3, 2018 Councilman Joe Busciano volunteered the City of Wilmington as a potential location for Bridge Housing/Safe Parking(CF-180651) without prior community input from residents of Wilmington.
- On July 5th Mr. Busciano gave a press release of his intent. (Daily Breeze 07/05/18)
- On July 9th a meeting was held on that Monday morning at 10am in San Pedro to address this issue. A presentation was given by United Way detailing how the project will work but NOT A SINGLE REPRESENTATIVE was there from Mr. Buscaino's office.
- On July 12th, Coffee with a Cop meeting was held at Café Café in Wilmington to discuss the homeless shelter. AGAIN NO ONE from Mr. Buscaino's office was present.
- On July 18th, the Wilmington Neighborhood Council held a Special Board Meeting. NO ONE from Mr. Buscaino's office was there but we were advised Mr. Buscaino, his Chief of Staff Jacob Haik and his Field Rep for Wilmington Fernando Navarrete were ALL ON VACATION.
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services(United Way Presentation and Daily Breeze Article)

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:.

- Mr. Busciano wants to build BOTH Safe Parking and Bridge Housing in Wilmington.[1]
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services[2]
- Safe Park is free overnight parking for RV's and those who live in their car.[3]
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area.
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)[4]
- Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what communities will benefit from the extra money.[5]
- These facilities will help LESS THAN 1/3 of the homeless population in Wilmington. There is no Plan for the other 70%[6]
- The Proposed Property has numerous environmental restrictions on it.(Methane Zone, Coastal Zone Tidelands Trust, CUGU) the City is EXEMPT from these restriction prompting several health and environmental concerns[7]
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- A conflict with regards to security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures have been provided to insure that guidelines are being met.
- Mr. Buscaino has failed to attend ant community meetings or send a representative to answer questions.
- **I CAN NOT SUPPORT THIS WHEN I AM NOT GIVEN AN OPPORTUNITY TO ASK QUESTIONS, VOICE MY CONCERNS OR GIVE INPUT.**

I, the undersigned stakeholder of Wilmington am against the Safe Parking and Bridge Home Project as proposed and reject this plan until the residents of Wilmington are treated in a fair, equitable and transparent manner.

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por la acción de los residentes de Wilmington, este proyecto nos sorprendería sin la debida notificación, sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones:

• El Sr. Busciano quiere construir AMBOS Estacionamientos Seguros y Viviendas del Puente en Wilmington.
• Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad.
• Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil.
• El Sr. Busciano quiere construir un GRAN parque seguro que cubrirá TODA la zona del puerto.
• El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)
• El Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué comunidades se beneficiarán con el dinero extra.
• Estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar en Wilmington. No hay un plan para el otro 70%
La Propiedad Propuesta tiene numerosas restricciones medioambientales (Zona de Metano, Zona Costera, Fideicomiso Tidelands, CUGU). La Ciudad está EXENTA de estas restricciones que provocan varias preocupaciones de salud y medioambientales.
• No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas?
• Un conflicto con respecto a la seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
• Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.
• No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas
• No se ha proporcionado una lista de medidas de seguridad para garantizar que se cumplan las directrices.
• El Sr. Buscaino no asistió a las reuniones de la comunidad de hormigas o envió un representante para responder preguntas.
• NO PUEDO APOYAR ESTO CUANDO NO ME DAN LA OPORTUNIDAD DE HACER PREGUNTAS, VOZ MIS PREOCUPACIONES O DAR ENTRADA.

Yo, el interesado abajo firmante de Wilmington, estoy en contra del Proyecto Safe Parking and Bridge Home Project, tal como lo propuse y rechazo este plan hasta que los residentes de Wilmington reciban un trato justo, equitativo y transparente.

- **Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil.**
- **El Sr. Busciano quiere construir un GRAN parque seguro que cubrirá TODA la zona del puerto.**
- **El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)**
- **El Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué comunidades se beneficiarán con el dinero extra.**

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:.

- Mr. Busciano wants to build BOTH Safe Parking and Bridge Housing in Wilmington.[1]
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services[2]
- Safe Park is free overnight parking for RV's and those who live in their car.[3]
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area.
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)[4]
- Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what communities will benefit from the extra money.[5]
- These facilities will help LESS THAN 1/3 of the homeless population in Wilmington. There is no Plan for the other 70%[6]
- The Proposed Property has numerous environmental restrictions on it.(Methane Zone, Coastal Zone Tidelands Trust, CUGU) the City is EXEMPT from these restriction prompting several health and environmental concerns[7]
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- A conflict with regards to security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures have been provided to insure that guidelines are being met.
- Mr. Buscaino has failed to attend ant community meetings or send a representative to answer questions.
- **I CAN NOT SUPPORT THIS WHEN I AM NOT GIVEN AN OPPORTUNITY TO ASK QUESTIONS, VOICE MY CONCERNS OR GIVE INPUT.**

I, the undersigned stakeholder of Wilmington am against the Safe Parking and Bridge Home Project as proposed and reject this plan until the residents of Wilmington are treated in a fair, equitable and transparent manner.

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por la acción de los residentes de Wilmington, este proyecto nos sorprendería sin la debida notificación, sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones:

- **El Sr. Busciano quiere construir AMBOS Estacionamientos Seguros y Viviendas del Puente en Wilmington.**
- **Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad.**
- **Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil.**
- **El Sr. Busciano quiere construir un GRAN parque seguro que cubrirá TODA la zona del puerto.**
- **El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)**
- **El Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué comunidades se beneficiarán con el dinero extra.**
- **Estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar en Wilmington. No hay un plan para el otro 70%**

La Propiedad Propuesta tiene numerosas restricciones medioambientales (Zona de Metano, Zona Costera, Fideicomiso Tidelands, CUGU). La Ciudad está EXENTA de estas restricciones que provocan varias preocupaciones de salud y medioambientales.

- **No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas?**
- **Un conflicto con respecto a la seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?**
- **Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.**
- **No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas**
- **No se ha proporcionado una lista de medidas de seguridad para garantizar que se cumplan las directrices.**
- **El Sr. Buscaino no asistió a las reuniones de la comunidad de hormigas o envió un representante para responder preguntas.**
- **NO PUEDO APOYAR ESTO CUANDO NO ME DAN LA OPORTUNIDAD DE HACER PREGUNTAS, VOZ MIS PREOCUPACIONES O DAR ENTRADA.**

Yo, el interesado abajo firmante de Wilmington, estoy en contra del Proyecto Safe Parking and Bridge Home Project, tal como lo propuse y rechazo este plan hasta que los residentes de Wilmington reciban un trato justo, equitativo y transparente.

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:.

- Mr. Busciano wants to build BOTH Safe Parking and Bridge Housing in Wilmington.[1]
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services[2]
- Safe Park is free overnight parking for RV's and those who live in their car.[3]
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area.
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)[4]
- Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what communities will benefit from the extra money.[5]
- These facilities will help LESS THAN 1/3 of the homeless population in Wilmington. There is no Plan for the other 70%[6]
- The Proposed Property has numerous environmental restrictions on it.(Methane Zone, Coastal Zone Tidelands Trust, CUGU) the City is EXEMPT from these restriction prompting several health and environmental concerns[7]
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- A conflict with regards to security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures have been provided to insure that guidelines are being met.
- Mr. Buscaino has failed to attend ant community meetings or send a representative to answer questions.
- **I CAN NOT SUPPORT THIS WHEN I AM NOT GIVEN AN OPPORTUNITY TO ASK QUESTIONS, VOICE MY CONCERNS OR GIVE INPUT.**

I, the undersigned stakeholder of Wilmington am against the Safe Parking and Bridge Home Project as proposed and reject this plan until the residents of Wilmington are treated in a fair, equitable and transparent manner.

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:.

- Mr. Busciano wants to build BOTH Safe Parking and Bridge Housing in Wilmington.[1]
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services[2]
- Safe Park is free overnight parking for RV's and those who live in their car.[3]
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area.
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)[4]

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por la acción de los residentes de Wilmington, este proyecto nos sorprendería sin la debida notificación, sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones:

• El Sr. Busciano quiere construir AMBOS Estacionamientos Seguros y Viviendas del Puente en Wilmington.
• Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad.
• Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil.
• El Sr. Busciano quiere construir un GRAN parque seguro que cubrirá TODA la zona del puerto.
• El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)
• El Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué comunidades se beneficiarán con el dinero extra.
• Estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar en Wilmington. No hay un plan para el otro 70%
La Propiedad Propuesta tiene numerosas restricciones medioambientales (Zona de Metano, Zona Costera, Fideicomiso Tidelands, CUGU). La Ciudad está EXENTA de estas restricciones que provocan varias preocupaciones de salud y medioambientales.
• No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas?
• Un conflicto con respecto a la seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
• Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.
• No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas
• No se ha proporcionado una lista de medidas de seguridad para garantizar que se cumplan las directrices.
• El Sr. Buscaino no asistió a las reuniones de la comunidad de hormigas o envió un representante para responder preguntas.
• NO PUEDO APOYAR ESTO CUANDO NO ME DAN LA OPORTUNIDAD DE HACER PREGUNTAS, VOZ MIS PREOCUPACIONES O DAR ENTRADA.

Yo, el interesado abajo firmante de Wilmington, estoy en contra del Proyecto Safe Parking and Bridge Home Project, tal como lo propuse y rechazo este plan hasta que los residentes de Wilmington reciban un trato justo, equitativo y transparente.

- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- A conflict with regards to security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures have been provided to insure that guidelines are being met.
- Mr. Buscaino has failed to attend ant community meetings or send a representative to answer questions.
- **I CAN NOT SUPPORT THIS WHEN I AM NOT GIVEN AN OPPORTUNITY TO ASK QUESTIONS, VOICE MY CONCERNS OR GIVE INPUT.**

I, the undersigned stakeholder of Wilmington am against the Safe Parking and Bridge Home Project as proposed and reject this plan until the residents of Wilmington are treated in a fair, equitable and transparent manner.

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por la acción de los residentes de Wilmington, este proyecto nos sorprendería sin la debida notificación, sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones:

• El Sr. Busciano quiere construir AMBOS Estacionamientos Seguros y Viviendas del Puente en Wilmington.
• Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad.
• Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil.
• El Sr. Busciano quiere construir un GRAN parque seguro que cubrirá TODA la zona del puerto.
• El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)

• Estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar en Wilmington. No hay un plan para el otro 70%
La Propiedad Propuesta tiene numerosas restricciones medioambientales (Zona de Metano, Zona Costera, Fideicomiso Tidelands, CUGU). La Ciudad está EXENTA de estas restricciones que provocan varias preocupaciones de salud y medioambientales.
• No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas?
• Un conflicto con respecto a la seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
• Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:.

- Mr. Busciano wants to build BOTH Safe Parking and Bridge Housing in Wilmington.[1]
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services[2]
- Safe Park is free overnight parking for RV's and those who live in their car.[3]

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:.

- Mr. Busciano wants to build BOTH Safe Parking and Bridge Housing in Wilmington.[1]
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services[2]
- Safe Park is free overnight parking for RV's and those who live in their car.[3]
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area.
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)[4]
- Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what communities will benefit from the extra money.[5]
- These facilities will help LESS THAN 1/3 of the homeless population in Wilmington. There is no Plan for the other 70%[6]
- The Proposed Property has numerous environmental restrictions on it.(Methane Zone, Coastal Zone Tidelands Trust, CUGU) the City is EXEMPT from these restriction prompting several health and environmental concerns[7]
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- A conflict with regards to security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures have been provided to insure that guidelines are being met.
- Mr. Buscaino has failed to attend ant community meetings or send a representative to answer questions.
- **I CAN NOT SUPPORT THIS WHEN I AM NOT GIVEN AN OPPORTUNITY TO ASK QUESTIONS, VOICE MY CONCERNS OR GIVE INPUT.**

I, the undersigned stakeholder of Wilmington am against the Safe Parking and Bridge Home Project as proposed and reject this plan until the residents of Wilmington are treated in a fair, equitable and transparent manner.

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por la acción de los residentes de Wilmington, este proyecto nos sorprendería sin la debida notificación, sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones:

• El Sr. Busciano quiere construir AMBOS Estacionamientos Seguros y Viviendas del Puente en Wilmington.
• Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad.
• Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil.
• El Sr. Busciano quiere construir un GRAN parque seguro que cubrirá TODA la zona del puerto.
• El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)
• El Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué comunidades se beneficiarán con el dinero extra.
• Estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar en Wilmington. No hay un plan para el otro 70%
La Propiedad Propuesta tiene numerosas restricciones medioambientales (Zona de Metano, Zona Costera, Fideicomiso Tidelands, CUGU). La Ciudad está EXENTA de estas restricciones que provocan varias preocupaciones de salud y medioambientales.
• No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas?
• Un conflicto con respecto a la seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
• Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.
• No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas
• No se ha proporcionado una lista de medidas de seguridad para garantizar que se cumplan las directrices.
• El Sr. Buscaino no asistió a las reuniones de la comunidad de hormigas o envió un representante para responder preguntas.
• NO PUEDO APOYAR ESTO CUANDO NO ME DAN LA OPORTUNIDAD DE HACER PREGUNTAS, VOZ MIS PREOCUPACIONES O DAR ENTRADA.

Yo, el interesado abajo firmante de Wilmington, estoy en contra del Proyecto Safe Parking and Bridge Home Project, tal como lo propuse y rechazo este plan hasta que los residentes de Wilmington reciban un trato justo, equitativo y transparente.

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:.

- Mr. Busciano wants to build BOTH Safe Parking and Bridge Housing in Wilmington.[1]
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services[2]
- Safe Park is free overnight parking for RV's and those who live in their car.[3]
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area.
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)[4]
- Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what communities will benefit from the extra money.[5]
- These facilities will help LESS THAN 1/3 of the homeless population in Wilmington. There is no Plan for the other 70%[6]

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:.

- Mr. Busciano wants to build BOTH Safe Parking and Bridge Housing in Wilmington.[1]
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services[2]
- Safe Park is free overnight parking for RV's and those who live in their car.[3]
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area.
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)[4]
- Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what communities will benefit from the extra money.[5]
- These facilities will help LESS THAN 1/3 of the homeless population in Wilmington. There is no Plan for the other 70%[6]
- The Proposed Property has numerous environmental restrictions on it.(Methane Zone, Coastal Zone Tidelands Trust, CUGU) the City is EXEMPT from these restriction prompting several health and environmental concerns[7]
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por la acción de los residentes de Wilmington, este proyecto nos sorprendería sin la debida notificación, sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones:

• El Sr. Busciano quiere construir AMBOS Estacionamientos Seguros y Viviendas del Puente en Wilmington.
• Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad.
• Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil.
• El Sr. Busciano quiere construir un GRAN parque seguro que cubrirá TODA la zona del puerto.
• El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)
• El Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué comunidades se beneficiarán con el dinero extra.
• Estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar en Wilmington. No hay un plan para el otro 70%
La Propiedad Propuesta tiene numerosas restricciones medioambientales (Zona de Metano, Zona Costera, Fideicomiso Tidelands, CUGU). La Ciudad está EXENTA de estas restricciones que provocan varias preocupaciones de salud y medioambientales.
• No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas?
• Un conflicto con respecto a la seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
• Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.
• No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas
• No se ha proporcionado una lista de medidas de seguridad para garantizar que se cumplan las directrices.
• El Sr. Buscaino no asistió a las reuniones de la comunidad de hormigas o envió un representante para responder preguntas.
• NO PUEDO APOYAR ESTO CUANDO NO ME DAN LA OPORTUNIDAD DE HACER PREGUNTAS, VOZ MIS PREOCUPACIONES O DAR ENTRADA.

Yo, el interesado abajo firmante de Wilmington, estoy en contra del Proyecto Safe Parking and Bridge Home Project, tal como lo propuse y rechazo este plan hasta que los residentes de Wilmington reciban un trato justo, equitativo y transparente.

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por la acción de los residentes de Wilmington, este proyecto nos sorprendería sin la debida notificación, sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones:

• El Sr. Busciano quiere construir AMBOS Estacionamientos Seguros y Viviendas del Puente en Wilmington.
• Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad.
• Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil.
• El Sr. Busciano quiere construir un GRAN parque seguro que cubrirá TODA la zona del puerto.
• El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)
• El Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué comunidades se beneficiarán con el dinero extra.
• Estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar en Wilmington. No hay un plan para el otro 70%
La Propiedad Propuesta tiene numerosas restricciones medioambientales (Zona de Metano, Zona Costera, Fideicomiso Tidelands, CUGU). La Ciudad está EXENTA de estas restricciones que provocan varias preocupaciones de salud y medioambientales.
• No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas?
• Un conflicto con respecto a la seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
• Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.
• No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas
• No se ha proporcionado una lista de medidas de seguridad para garantizar que se cumplan las directrices.

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- Mr. Busciano wants to build BOTH Safe Parking and Bridge Housing in Wilmington.[1]
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services[2]
- Safe Park is free overnight parking for RV's and those who live in their car.[3]
- Mr. Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area.
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)[4]
- Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what communities will benefit from the extra money.[5]
- These facilities will help LESS THAN 1/3 of the homeless population in Wilmington. There is no Plan for the other 70%[6]
- The Proposed Property has numerous environmental restrictions on it.(Methane Zone, Coastal Zone Tidelands Trust, CUGU) the City is EXEMPT from these restriction prompting several health and environmental concerns[7]
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- A conflict with regards to security to be provided. Council President Wesson states it will be L.A.P.D. United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures has been provided to ensure that guidelines are being met.
- Mr. Buscaino has failed to attend ant community meetings or send a representative to answer questions.
- **I CAN NOT SUPPORT THIS WHEN I AM NOT GIVEN AN OPPORTUNITY TO ASK QUESTIONS, VOICE MY CONCERNS OR GIVE INPUT.**

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por la acción de los residentes de Wilmington, este proyecto nos sorprendería sin la debida notificación, sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones:

• El Sr. Busciano quiere construir AMBOS Estacionamientos Seguros y Viviendas del Puente en Wilmington.
• Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad.
• Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil.
• El Sr. Busciano quiere construir un GRAN parque seguro que cubrirá TODA la zona del puerto.
• El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)
• El Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué comunidades se beneficiarán con el dinero extra.
• Estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar en Wilmington. No hay un plan para el otro 70%
La Propiedad Propuesta tiene numerosas restricciones medioambientales (Zona de Metano, Zona Costera, Fideicomiso Tidelands, CUGU). La Ciudad está EXENTA de estas restricciones que provocan varias preocupaciones de salud y medioambientales.
• No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas?
• Un conflicto con respecto a la seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
• Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.
• No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas
• No se ha proporcionado una lista de medidas de seguridad para garantizar que se cumplan las directrices.
• El Sr. Buscaino no asistió a las reuniones de la comunidad de hormigas o envió un representante para responder preguntas.
• NO PUEDO APOYAR ESTO CUANDO NO ME DAN LA OPORTUNIDAD DE HACER PREGUNTAS, VOZ MIS PREOCUPACIONES O DAR ENTRADA.

Yo, el interesado abajo firmante de Wilmington, estoy en contra del Proyecto Safe Parking and Bridge Home Project, tal como lo propuse y rechazo este plan hasta que los residentes de Wilmington reciban un trato justo, equitativo y transparente.

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:.

- Mr. Busciano wants to build BOTH Safe Parking and Bridge Housing in Wilmington.[1]
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services[2]
- Safe Park is free overnight parking for RV's and those who live in their car.[3]
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area.
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)[4]
- Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what communities will benefit from the extra money.[5]

- The Proposed Property has numerous environmental restrictions on it.(Methane Zone, Coastal Zone Tidelands Trust, CUGU) the City is EXEMPT from these restriction prompting several health and environmental concerns[7]
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- A conflict with regards to security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures have been provided to insure that guidelines are being met.
- Mr. Buscaino has failed to attend ant community meetings or send a representative to answer questions.
- **I CAN NOT SUPPORT THIS WHEN I AM NOT GIVEN AN OPPORTUNITY TO ASK QUESTIONS, VOICE MY CONCERNS OR GIVE INPUT.**

I, the undersigned stakeholder of Wilmington am against the Safe Parking and Bridge Home Project as proposed and reject this plan until the residents of Wilmington are treated in a fair, equitable and transparent manner.

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:.

- Mr. Busciano wants to build BOTH Safe Parking and Bridge Housing in Wilmington.[1]
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services[2]
- Safe Park is free overnight parking for RV's and those who live in their car.[3]
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area.
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)[4]
- Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what communities will benefit from the extra money.[5]
- These facilities will help LESS THAN 1/3 of the homeless population in Wilmington. There is no Plan for the other 70%[6]
- The Proposed Property has numerous environmental restrictions on it.(Methane Zone, Coastal Zone Tidelands Trust, CUGU) the City is EXEMPT from these restriction prompting several health and environmental concerns[7]
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- A conflict with regards to security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures have been provided to insure that guidelines are being met.
- Mr. Buscaino has failed to attend ant community meetings or send a representative to answer questions.
- **I CAN NOT SUPPORT THIS WHEN I AM NOT GIVEN AN OPPORTUNITY TO ASK QUESTIONS, VOICE MY CONCERNS OR GIVE INPUT.**

I, the undersigned stakeholder of Wilmington am against the Safe Parking and Bridge Home Project as proposed and reject this plan until the residents of Wilmington are treated in a fair, equitable and transparent manner.

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:.

- Mr. Busciano wants to build BOTH Safe Parking and Bridge Housing in Wilmington.[1]
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services[2]
- Safe Park is free overnight parking for RV's and those who live in their car.[3]
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area.

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por la acción de los residentes de Wilmington, este proyecto nos sorprendería sin la debida notificación, sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones:

• El Sr. Busciano quiere construir AMBOS Estacionamientos Seguros y Viviendas del Puente en Wilmington.
• Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad.
• Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil.
• El Sr. Busciano quiere construir un GRAN parque seguro que cubrirá TODA la zona del puerto.
• El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)
• El Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué comunidades se beneficiarán con el dinero extra.
• Estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar en Wilmington. No hay un plan para el otro 70%
La Propiedad Propuesta tiene numerosas restricciones medioambientales (Zona de Metano, Zona Costera, Fideicomiso Tidelands, CUGU). La Ciudad está EXENTA de estas restricciones que provocan varias preocupaciones de salud y medioambientales.
• No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas?
• Un conflicto con respecto a la seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
• Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.
• No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas
• No se ha proporcionado una lista de medidas de seguridad para garantizar que se cumplan las directrices.
• El Sr. Buscaino no asistió a las reuniones de la comunidad de hormigas o envió un representante para responder preguntas.
• NO PUEDO APOYAR ESTO CUANDO NO ME DAN LA OPORTUNIDAD DE HACER PREGUNTAS, VOZ MIS PREOCUPACIONES O DAR ENTRADA.

Yo, el interesado abajo firmante de Wilmington, estoy en contra del Proyecto Safe Parking and Bridge Home Project, tal como lo propuse y rechazo este plan hasta que los residentes de Wilmington reciban un trato justo, equitativo y transparente.

If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- On July 3, 2018 Councilman Joe Busciano volunteered the City of Wilmington as a potential location for Bridge Housing/Safe Parking(CF-180651) without prior community input from residents of Wilmington.
- On July 5th Mr. Busciano gave a press release of his intent. (Daily Breeze 07/05/18)
- On July 9th a meeting was held on that Monday morning at 10am in San Pedro to address this issue. A presentation was given by United Way detailing how the project will work but NOT A SINGLE REPRESENTATIVE was there from Mr. Buscaino's office.
- On July 12th, Coffee with a Cop meeting was held at Café Café in Wilmington to discuss the homeless shelter. AGAIN NO ONE from Mr. Buscaino's office was present.
- On July 18th, the Wilmington Neighborhood Council held a Special Board Meeting. NO ONE from Mr. Buscaino's office was there but we were advised Mr. Buscaino, his Chief of Staff Jacob Haik and his Field Rep for Wilmington Fernando Navarrete were ALL ON VACATION.
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services(United Way Presentation and Daily Breeze Article)
- Safe Park is free overnight parking for RV's and those who live in their car.(Joe Buscaino SAFE PARKING YouTube Video)

If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons: wants to finalize his choice by July 31st. In doing so Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what cities will benefit from the extra money.(CSPNC Meeting 07/09/18)
- United Way Presentation in San Pedro says that these facilities will help LESS THAN 1/3 of the homeless population. There is no Plan for the other 70%.(United Way Presentation 07/09/18)
- The Proposed Property has numerous environmental restrictions on it. If this would be any other developer the property would be subject to numerous soil and ground tests, Environmental impact reports. And Subject to the restrictions of the Mayor's own ordinance for clean up green up for heavily polluted areas. The property is in a Methane zone, as well as being less than a block away from a Coastal Zone. The property is also part of the Tidelands Trust. NONE of these guidelines are being followed as the city is EXEMPT from these restrictions. This poses serious environmental and health questions.(ZIMAS)

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:.

- **Mr. Busciano wants to build BOTH Safe Parking and Bridge Housing in Wilmington.[1]**
- **Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services[2]**
- **Safe Park is free overnight parking for RV's and those who live in their car.[3]**
- **Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area.**
- **Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)[4]**
- **Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what communities will benefit from the extra money.[5]**
- **These facilities will help LESS THAN 1/3 of the homeless population in Wilmington. There is no Plan for the other 70%[6]**
- **The Proposed Property has numerous environmental restrictions on it.(Methane Zone, Coastal Zone Tidelands Trust, CUGU) the City is EXEMPT from these restriction prompting several health and environmental concerns[7]**
- **No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?**
- **A conflict with regards to security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?**
- **Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.**
- **No guidelines have been provided to detail what the qualifications are to participate in these programs**
- **No list of Security Measures have been provided to insure that guidelines are being met.**
- **Mr. Buscaino has failed to attend ant community meetings or send a representative to answer questions.**
- **I CAN NOT SUPPORT THIS WHEN I AM NOT GIVEN AN OPPORTUNITY TO ASK QUESTIONS, VOICE MY CONCERNS OR GIVE INPUT.**

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por la acción de los residentes de Wilmington, este proyecto nos sorprendería sin la debida notificación, sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones:

• El Sr. Busciano quiere construir AMBOS Estacionamientos Seguros y Viviendas del Puente en Wilmington.
• Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad.
• Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil.
• El Sr. Busciano quiere construir un GRAN parque seguro que cubrirá TODA la zona del puerto.
• El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)
• El Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué comunidades se beneficiarán con el dinero extra.
• Estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar en Wilmington. No hay un plan para el otro 70%
La Propiedad Propuesta tiene numerosas restricciones medioambientales (Zona de Metano, Zona Costera, Fideicomiso Tidelands, CUGU). La Ciudad está EXENTA de estas restricciones que provocan varias preocupaciones de salud y medioambientales.
• No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas?
• Un conflicto con respecto a la seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
• Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.
• No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas
• No se ha proporcionado una lista de medidas de seguridad para garantizar que se cumplan las directrices.
• El Sr. Buscaino no asistió a las reuniones de la comunidad de hormigas o envió un representante para responder preguntas.
• NO PUEDO APOYAR ESTO CUANDO NO ME DAN LA OPORTUNIDAD DE HACER PREGUNTAS, VOZ MIS PREOCUPACIONES O DAR ENTRADA.

Yo, el interesado abajo firmante de Wilmington, estoy en contra del Proyecto Safe Parking and Bridge Home Project, tal como lo propuse y rechazo este plan hasta que los residentes de Wilmington reciban un trato justo, equitativo y transparente.

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por la acción de los residentes de Wilmington, este proyecto nos sorprendería sin la debida notificación, sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones:

• El Sr. Busciano quiere construir AMBOS Estacionamientos Seguros y Viviendas del Puente en Wilmington.
• Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad.
• Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil.
• El Sr. Busciano quiere construir un GRAN parque seguro que cubrirá TODA la zona del puerto.
• El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)
• El Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué comunidades se beneficiarán con el dinero extra.
• Estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar en Wilmington. No hay un plan para el otro 70%
La Propiedad Propuesta tiene numerosas restricciones medioambientales (Zona de Metano, Zona Costera, Fideicomiso Tidelands, CUGU). La Ciudad está EXENTA de estas restricciones que provocan varias preocupaciones de salud y medioambientales.
• No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas?
• Un conflicto con respecto a la seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
• Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.
• No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas
• No se ha proporcionado una lista de medidas de seguridad para garantizar que se cumplan las directrices.
• El Sr. Buscaino no asistió a las reuniones de la comunidad de hormigas o envió un representante para responder preguntas.
• NO PUEDO APOYAR ESTO CUANDO NO ME DAN LA OPORTUNIDAD DE HACER PREGUNTAS, VOZ MIS PREOCUPACIONES O DAR ENTRADA.

Yo, el interesado abajo firmante de Wilmington, estoy en contra del Proyecto Safe Parking and Bridge Home Project, tal como lo propuse y rechazo este plan hasta que los residentes de Wilmington reciban un trato justo, equitativo y transparente.

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:.

- Mr. Busciano wants to build BOTH Safe Parking and Bridge Housing in Wilmington.[1]
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services[2]
- Safe Park is free overnight parking for RV's and those who live in their car.[3]
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area.
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)[4]
- Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what communities will benefit from the extra money.[5]
- These facilities will help LESS THAN 1/3 of the homeless population in Wilmington. There is no Plan for the other 70%[6]
- The Proposed Property has numerous environmental restrictions on it.(Methane Zone, Coastal Zone Tidelands Trust, CUGU) the City is EXEMPT from these restriction prompting several health and environmental concerns[7]
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- A conflict with regards to security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures have been provided to insure that guidelines are being met.
- Mr. Buscaino has failed to attend ant community meetings or send a representative to answer questions.
- **I CAN NOT SUPPORT THIS WHEN I AM NOT GIVEN AN OPPORTUNITY TO ASK QUESTIONS, VOICE MY CONCERNS OR GIVE INPUT.**

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por la acción de los residentes de Wilmington, este proyecto nos sorprendería sin la debida notificación, sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones:

• Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil.
• El Sr. Busciano quiere construir un GRAN parque seguro que cubrirá TODA la zona del puerto.
• El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)
• El Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué comunidades se beneficiarán con el dinero extra.
• Estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar en Wilmington. No hay un plan para el otro 70%
La Propiedad Propuesta tiene numerosas restricciones medioambientales (Zona de Metano, Zona Costera, Fideicomiso Tidelands, CUGU). La Ciudad está EXENTA de estas restricciones que provocan varias preocupaciones de salud y medioambientales.
• No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas?
• Un conflicto con respecto a la seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
• Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.
• No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:.

- **Mr. Busciano wants to build BOTH Safe Parking and Bridge Housing in Wilmington.[1]**
- **Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services[2]**
- **Safe Park is free overnight parking for RV's and those who live in their car.[3]**
- **Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area.**
- **Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)[4]**
- **Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what communities will benefit from the extra money.[5]**

- **No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?**
- **A conflict with regards to security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?**
- **Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.**
- **No guidelines have been provided to detail what the qualifications are to participate in these programs**
- **No list of Security Measures have been provided to insure that guidelines are being met.**
- **Mr. Buscaino has failed to attend ant community meetings or send a representative to answer questions.**
- **I CAN NOT SUPPORT THIS WHEN I AM NOT GIVEN AN OPPORTUNITY TO ASK QUESTIONS, VOICE MY CONCERNS OR GIVE INPUT.**

If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- On July 3, 2018 Councilman Joe Busciano volunteered the City of Wilmington as a potential location for Bridge Housing/Safe Parking(CF-180651) without prior community input from residents of Wilmington.
- On July 5th Mr. Busciano gave a press release of his intent. (Daily Breeze 07/05/18)
- On July 9th a meeting was held on that Monday morning at 10am in San Pedro to address this issue. A presentation was given by United Way detailing how the project will work but NOT A SINGLE REPRESENTATIVE was there from Mr. Buscaino's office.
- On July 12th, Coffee with a Cop meeting was held at Café Café in Wilmington to discuss the homeless shelter. AGAIN NO ONE from Mr. Buscaino's office was present.
- On July 18th, the Wilmington Neighborhood Council held a Special Board Meeting. NO ONE from Mr. Buscaino's office was there but we were advised Mr. Buscaino, his Chief of Staff Jacob Haik and his Field Rep for Wilmington Fernando Navarrete were ALL ON VACATION.
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services(United Way Presentation and Daily Breeze Article)

Mr. Busciano will decide what cities will benefit from the extra money.(CSPNC Meeting 07/09/18)
- United Way Presentation in San Pedro says that these facilities will help LESS THAN 1/3 of the homeless population. There is no Plan for the other 70%.(United Way Presentation 07/09/18)
- The Proposed Property has numerous environmental restrictions on it. If this would be any other developer the property would be subject to numerous soil and ground tests, Environmental impact reports. And Subject to the restrictions of the Mayor's own ordinance for clean up green up for heavily polluted areas. The property is in a Methane zone, as well as being less than a block away from a Coastal Zone. The property is also part of the Tidelands Trust. NONE of these guidelines are being followed as the city is EXEMPT from these restrictions. This poses serious environmental and health questions.(ZIMAS)

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:.

- Mr. Busciano wants to build BOTH Safe Parking and Bridge Housing in Wilmington.[1]
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services[2]
- Safe Park is free overnight parking for RV's and those who live in their car.[3]
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area.
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)[4]
- Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what communities will benefit from the extra money.[5]
- These facilities will help LESS THAN 1/3 of the homeless population in Wilmington. There is no Plan for the other 70%[6]
- The Proposed Property has numerous environmental restrictions on it.(Methane Zone, Coastal Zone Tidelands Trust, CUGU) the City is EXEMPT from these restriction prompting several health and environmental concerns[7]
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- A conflict with regards to security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures have been provided to insure that guidelines are being met.
- Mr. Buscaino has failed to attend ant community meetings or send a representative to answer questions.
- **I CAN NOT SUPPORT THIS WHEN I AM NOT GIVEN AN OPPORTUNITY TO ASK QUESTIONS, VOICE MY CONCERNS OR GIVE INPUT.**

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por la acción de los residentes de Wilmington, este proyecto nos sorprendería sin la debida notificación, sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones:

• El Sr. Busciano quiere construir AMBOS Estacionamientos Seguros y Viviendas del Puente en Wilmington.
• Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad.
• Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil.
• El Sr. Busciano quiere construir un GRAN parque seguro que cubrirá TODA la zona del puerto.
• El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)
• El Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué comunidades se beneficiarán con el dinero extra.
• Estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar en Wilmington. No hay un plan para el otro 70%
La Propiedad Propuesta tiene numerosas restricciones medioambientales (Zona de Metano, Zona Costera, Fideicomiso Tidelands, CUGU). La Ciudad está EXENTA de estas restricciones que provocan varias preocupaciones de salud y medioambientales.
• No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas?
• Un conflicto con respecto a la seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
• Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.
• No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas
• No se ha proporcionado una lista de medidas de seguridad para garantizar que se cumplan las directrices.

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- On July 3, 2018 Councilman Joe Busciano volunteered the City of Wilmington as a potential location for Bridge Housing/Safe Parking(CF-180651) without prior community input from residents of Wilmington.
- On July 5th Mr. Busciano gave a press release of his intent. (Daily Breeze 07/05/18)
- On July 9th a meeting was held on that Monday morning at 10am in San Pedro to address this issue. A presentation was given by United Way detailing how the project will work but NOT A SINGLE REPRESENTATIVE was there from Mr. Buscaino's office.
- On July 12th, Coffee with a Cop meeting was held at Café Café in Wilmington to discuss the homeless shelter. AGAIN NO ONE from Mr. Buscaino's office was present.
- On July 18th, the Wilmington Neighborhood Council held a Special Board Meeting. NO ONE from Mr. Buscaino's office was there but we were advised Mr. Buscaino, his Chief of Staff Jacob Haik and his Field Rep for Wilmington Fernando Navarrete were ALL ON VACATION.
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services(United Way Presentation and Daily Breeze Article)
- Safe Park is free overnight parking for RV's and those who live in their car.(Joe Buscaino SAFE PARKING YouTube Video)

If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons: wants to finalize his choice by July 31st. In doing so Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what cities will benefit from the extra money.(CSPNC Meeting 07/09/18)
- United Way Presentation in San Pedro says that these facilities will help LESS THAN 1/3 of the homeless population. There is no Plan for the other 70%.(United Way Presentation 07/09/18)
- The Proposed Property has numerous environmental restrictions on it. If this would be any other developer the property would be subject to numerous soil and ground tests, Environmental impact reports. And Subject to the restrictions of the Mayor's own ordinance for clean up green up for heavily polluted areas. The property is in a Methane zone, as well as being less than a block away from a Coastal Zone. The property is also part of the Tidelands Trust. NONE of these guidelines are being followed as the city is EXEMPT from these restrictions. This poses serious environmental and health questions.(ZIMAS)

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- On July 3, 2018 Councilman Joe Busciano volunteered the City of Wilmington as a potential location for Bridge Housing/Safe Parking(CF-180651) without prior community input from residents of Wilmington.
- On July 5th Mr. Busciano gave a press release of his intent. (Daily Breeze 07/05/18)
- On July 9th a meeting was held on that Monday morning at 10am in San Pedro to address this issue. A presentation was given by United Way detailing how the project will work but NOT A SINGLE REPRESENTATIVE was there from Mr. Buscaino's office.
- On July 12th, Coffee with a Cop meeting was held at Café Café in Wilmington to discuss the homeless shelter. AGAIN NO ONE from Mr. Buscaino's office was present.
- On July 18th, the Wilmington Neighborhood Council held a Special Board Meeting. NO ONE from Mr. Buscaino's office was there but we were advised Mr. Buscaino, his Chief of Staff Jacob Haik and his Field Rep for Wilmington Fernando Navarrete were ALL ON VACATION.
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services(United Way Presentation and Daily Breeze Article)
- Safe Park is free overnight parking for RV's and those who live in their car.(Joe Buscaino SAFE PARKING YouTube Video)
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area (Daily Breeze Article 07/05/18)
- Mr. Busciano wants to build BOTH Safe Park and Bridge Housing in Wilmington (Daily Breeze Article 07/05/18)
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)

If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons: wants to finalize his choice by July 31st. In doing so Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what cities will benefit from the extra money.(CSPNC Meeting 07/09/18)
- United Way Presentation in San Pedro says that these facilities will help LESS THAN 1/3 of the homeless population. There is no Plan for the other 70%.(United Way Presentation 07/09/18)
- The Proposed Property has numerous environmental restrictions on it. If this would be any other developer the property would be subject to numerous soil and ground tests, Environmental impact reports. And Subject to the restrictions of the Mayor's own ordinance for clean up green up for heavily polluted areas. The property is in a Methane zone, as well as being less than a block away from a Coastal Zone. The property is also part of the Tidelands Trust. NONE of these guidelines are being followed as the city is EXEMPT from these restrictions. This poses serious environmental and health questions.(ZIMAS)
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- There is a conflict with regards to the type of security to be provided. Council President Wesson states it will be L.A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures have been provided to insure that guidelines are being met.
- **I CAN NOT SUPPORT THIS WHEN I AM NOT GIVEN AN OPPORTUNITY TO ASK QUESTIONS, VOICE MY CONCERNSOR GIVE INPUT.**

I, the undersigned stakeholder of Wilmington am against the Safe Parking and Bridge Home Project as proposed and ask Councilman Joe Busciano, Mayor Garcetti; Gene Seroka, Executive Director Port of Los Angeles; Jamie L Lee, David Arian, Harbor Commission; Kristen Decas, California Port Authority; Michael Carley, Federal Marine Commission; Janice Hahn, LA County Supervisor; Mike Gipson, State Assemblyman; Nanette Barragon, Congresswoman; to reject this plan until the residents of Wilmington are treated in a fair, equitable and transparent manner.

I, the undersigned stakeholder of Wilmington am against the Safe Parking and Bridge Home Project as proposed and ask Councilman Joe Busciano, Mayor Garcetti; Gene Seroka, Executive Director Port of Los Angeles; Jamie L Lee, David Arian, Harbor Commission; Kristen Decas, California Port Authority; Michael Carley, Federal Marine Commission; Janice Hahn, LA County Supervisor; Mike Gipson, State Assemblyman; Nanette Barragon, Congresswoman; to reject this plan until the residents of Wilmington are treated in a fair, equitable and transparent manner.

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- On July 3, 2018 Councilman Joe Busciano volunteered the City of Wilmington as a potential location for Bridge Housing/Safe Parking(CF-180651) without prior community input from residents of Wilmington.
- On July 5th Mr. Busciano gave a press release of his intent. (Daily Breeze 07/05/18)
- On July 9th a meeting was held on that Monday morning at 10am in San Pedro to address this issue. A presentation was given by United Way detailing how the project will work but NOT A SINGLE REPRESENTATIVE was there from Mr. Buscaino's office.
- On July 12th, Coffee with a Cop meeting was held at Café Café in Wilmington to discuss the homeless shelter. AGAIN NO ONE from Mr. Buscaino's office was present.
- On July 18th, the Wilmington Neighborhood Council held a Special Board Meeting. NO ONE from Mr. Buscaino's office was there but we were advised Mr. Buscaino, his Chief of Staff Jacob Haik and his Field Rep for Wilmington Fernando Navarrete were ALL ON VACATION.
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services(United Way Presentation and Daily Breeze Article)
- Safe Park is free overnight parking for RV's and those who live in their car.(Joe Buscaino SAFE PARKING YouTube Video)
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area (Daily Breeze Article 07/05/18)
- Mr. Busciano wants to build BOTH Safe Park and Bridge Housing in Wilmington (Daily Breeze Article 07/05/18)
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)

If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons: wants to finalize his choice by July 31st. In doing so Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what cities will benefit from the extra money.(CSPNC Meeting 07/09/18)
- United Way Presentation in San Pedro says that these facilities will help LESS THAN 1/3 of the homeless population. There is no Plan for the other 70%.(United Way Presentation 07/09/18)
- The Proposed Property has numerous environmental restrictions on it. If this would be any other developer the property would be subject to numerous soil and ground tests, Environmental impact reports. And Subject to the restrictions of the Mayor's own ordinance for clean up green up for heavily polluted areas. The property is in a Methane zone, as well as being less than a block away from a Coastal Zone. The property is also part of the Tidelands Trust. NONE of these guidelines are being followed as the city is EXEMPT from these restrictions. This poses serious environmental and health questions.(ZIMAS)
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- There is a conflict with regards to the type of security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- On July 3, 2018 Councilman Joe Busciano volunteered the City of Wilmington as a potential location for Bridge Housing/Safe Parking(CF-180651) without prior community input from residents of Wilmington.
- On July 5th Mr. Busciano gave a press release of his intent. (Daily Breeze 07/05/18)
- On July 9th a meeting was held on that Monday morning at 10am in San Pedro to address this issue. A presentation was given by United Way detailing how the project will work but NOT A SINGLE REPRESENTATIVE was there from Mr. Buscaino's office.
- On July 12th, Coffee with a Cop meeting was held at Café Café in Wilmington to discuss the homeless shelter. AGAIN NO ONE from Mr. Buscaino's office was present.
- On July 18th, the Wilmington Neighborhood Council held a Special Board Meeting. NO ONE from Mr. Buscaino's office was there but we were advised Mr. Buscaino, his Chief of Staff Jacob Haik and his Field Rep for Wilmington Fernando Navarrete were ALL ON VACATION.
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services(United Way Presentation and Daily Breeze Article)
- Safe Park is free overnight parking for RV's and those who live in their car.(Joe Buscaino SAFE PARKING YouTube Video)

In doing so Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what cities will benefit from the extra money.(CSPNC Meeting 07/09/18)

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un cor onas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuer le los residentes de Wilmington, este proyecto nos sorprendería sin la debida notificación, sin ningún a unidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por las ıes:

• El Sr. Busciano quiere construir AMBOS Estacionamientos Seguros y Viviendas del Puente en Wilmington.
• Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad.
• Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil.
• El Sr. Busciano quiere construir un GRAN parque seguro que cubrirá TODA la zona del puerto.
• El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)
• El Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué comunidades se beneficiarán con el dinero extra.
• Estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar en Wilmington. No hay un plan para el otro 70%
La Propiedad Propuesta tiene numerosas restricciones medioambientales (Zona de Metano, Zona Costera, Fideicomiso Tidelands, CUGU). La Ciudad está EXENTA de estas restricciones que provocan varias preocupaciones de salud y medioambientales.
• No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas?
• Un conflicto con respecto a la seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
• Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.
• No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas
• No se ha proporcionado una lista de medidas de seguridad para garantizar que se cumplan las directrices.
• El Sr. Buscaino no asistió a las reuniones de la comunidad de hormigas o envió un representante para responder preguntas.
• NO PUEDO APOYAR ESTO CUANDO NO ME DAN LA OPORTUNIDAD DE HACER PREGUNTAS, VOZ MIS PREOCUPACIONES O DAR ENTRADA.

Yo, el interesado abajo firmante de Wilmington, estoy en contra del Proyecto Safe Parking and Bridge Home Project, tal como lo propuse y rechazo este plan hasta que los residentes de Wilmington reciban un trato justo, equitativo y transparente.

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- Mr. Busciano wants to build BOTH Safe Parking and Bridge Housing in Wilmington.[1]
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services[2]
- Safe Park is free overnight parking for RV's and those who live in their car.[3]
- Mr. Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area.
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)[4]
- Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what communities will benefit from the extra money.[5]
- These facilities will help LESS THAN 1/3 of the homeless population in Wilmington. There is no Plan for the other 70%[6]
- The Proposed Property has numerous environmental restrictions on it.(Methane Zone, Coastal Zone Tidelands Trust, CUGU) the City is EXEMPT from these restriction prompting several health and environmental concerns[7]
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- A conflict with regards to security to be provided. Council President Wesson states it will be L.A.P.D. United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures has been provided to ensure that guidelines are being met.
- Mr. Buscaino has failed to attend ant community meetings or send a representative to answer questions.
- **I CAN NOT SUPPORT THIS WHEN I AM NOT GIVEN AN OPPORTUNITY TO ASK QUESTIONS, VOICE MY CONCERNS OR GIVE INPUT.**

I, the undersigned stakeholder of Wilmington am against the Safe Parking and Bridge Home Project as proposed and reject this plan until the residents of Wilmington are treated in a fair, equitable and transparent manner.

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- On July 3, 2018 Councilman Joe Busciano volunteered the City of Wilmington as a potential location for Bridge Housing/Safe Parking(CF-180651) without prior community input from residents of Wilmington.
- On July 5th Mr. Busciano gave a press release of his intent. (Daily Breeze 07/05/18)
- On July 9th a meeting was held on that Monday morning at 10am in San Pedro to address this issue. A presentation was given by United Way detailing how the project will work but NOT A SINGLE REPRESENTATIVE was there from Mr. Buscaino's office.
- On July 12th, Coffee with a Cop meeting was held at Café Café in Wilmington to discuss the homeless shelter. AGAIN NO ONE from Mr. Buscaino's office was present.
- On July 18th, the Wilmington Neighborhood Council held a Special Board Meeting. NO ONE from Mr. Buscaino's office was there but we were advised Mr. Buscaino, his Chief of Staff Jacob Haik and his Field Rep for Wilmington Fernando Navarrete were ALL ON VACATION.
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services(United Way Presentation and Daily Breeze Article)
- Safe Park is free overnight parking for RV's and those who live in their car.(Joe Buscaino SAFE PARKING YouTube Video)
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area (Daily Breeze Article 07/05/18)
- Mr. Busciano wants to build BOTH Safe Park and Bridge Housing in Wilmington (Daily Breeze Article 07/05/18)
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)
- Mr Buscaino he deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons: wants to finalize his choice by July 31st. In doing so Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what cities will benefit from the extra money.(CSPNC Meeting 07/09/18)
- United Way Presentation in San Pedro says that these facilities will help LESS THAN 1/3 of the homeless population. There is no Plan for the other 70%.(United Way Presentation 07/09/18)
- The Proposed Property has numerous environmental restrictions on it. If this would be any other developer the property would be subject to numerous soil and ground tests, Environmental impact reports. And Subject to the restrictions of the Mayor's own ordinance for clean up green up for heavily polluted areas. The property is in a Methane zone, as well as being less than a block away from a Coastal Zone. The property is also part of the Tidelands Trust. The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wiimington have outraged many local residents. If not for the residents of Wilmington taking action we would be bUndsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons·

On July 3, 2018 Councilman Joe Busciano volunteered the City of Wilmington as a potential location for Bridge Housing/Safe Parking(CF-18C651) without prior community input from residents of Wilmington

On July 5,h Mr. Busciano gave a press release of his intent. (Daily Breeze 07/05/18)

On July 9th a meeting was held on that Monday morning at 10am in San Fedro to address this issue. A presentation was given by United Way detailing how the project will work but NOT A SINGLE REPRESENTATIVE was there from Mr. Buscaino s office.

On July 12!h, Coffee with a Cop meeting was he'd at Cafe Cafe in Wilmington to discuss the homeless shelter. AGAIN NO ONE from Mr. Buscaino's office was present.

On July 18th, the Wilmington Neighborhood Council held a Special Board Meeting NO ONE from Mr. Buscaino's office was there but we were advised Mr. Buscaino, his Chief of Staff Jacob Haik and his Field Rep for Wilmington Fernando Navarrete were ALL ON VACATION.

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por los residentes de Wilmington que están tomando medidas, este proyecto los dejaría sin la debida notificación sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por los siguientes motivos.

- El 3 de julio de 2018, el concejal Joe Busciano ofreció voluntariamente a la Ciudad de Wilmington como una ubicación potencial para la Vivienda de Puente / Estacionamiento Seguro (CF-180651) sin la participación previa de la comunidad de los residentes de Wilmington.
- El 5 de julio, el Sr. Busciano dio un comunicado de prensa de su intención. (Daily Breeze 05/07/18)
- El 9 de julio se realizó una reunión ese lunes por la mañana a las 10 a.m. en San Pedro para tratar este tema. United Way hizo una presentación que detalla cómo funcionará el proyecto, pero NO HABÍA UN SOLO REPRESENTANTE de la oficina del Sr. Buscaino.
- El 12 de julio, se llevó a cabo una reunión de Coffee with a Cop en Café Café en Wilmington para hablar sobre el refugio para personas sin hogar. OTRA VEZ, nadie de la oficina del Sr. Buscaino estaba presente.
- El 18 de julio, el Consejo Vecinal de Wilmington celebró una reunión especial de la Junta. NADIE de la oficina del Sr. Buscaino estaba allí, pero se nos informó que el Sr. Buscaino, su Jefe de Estado Mayor Jacob Haik y su Representante de Campo para Wilmington Fernando Navarrete estaban TODOS VACANTES.
- Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad (United Way Presentation y Daily Breeze Article)
- Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil. (Video de YouTube de Joe Buscaino SAFE PARKING)
- El Sr. Busciano quiere construir un GRAN parque seguro que cubra TODA la zona del puerto (Daily Breeze Article 07/05/18)
- El Sr. Busciano quiere construir TANTO Safe Park y Bridge Housing en Wilmington (Daily Breeze Article 07/05/18)
- El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)
- Sr. Buscaino las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por los residentes de Wilmington que están tomando medidas, este proyecto los dejaría sin la debida notificación sin ningún aporte de la comunidad y de manera injusta y no transparente.Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones: quiere finalizar su elección antes del 31 de julio. Al hacerlo, el Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué ciudades se beneficiarán del dinero extra. (Reunión de CSPNC 07/09/18)
- La presentación de United Way en San Pedro dice que estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar. No hay un plan para el otro 70%. (Presentación United Way 07/09/18)
- La propiedad propuesta tiene numerosas restricciones medioambientales. Si este fuera cualquier otro desarrollador, la propiedad estaría sujeta a numerosas pruebas de suelo y suelo, informes de impacto ambiental. Y Sujeto a las restricciones de la ordenanza del Alcalde para limpiar zonas verdes con mucha contaminación. La propiedad está en una zona de metano, además de estar a menos de una cuadra de una zona costera. La propiedad también es parte de Tidelands Trust. NINGUNA de estas pautas se sigue ya que la ciudad está EXENTA de estas restricciones. Esto plantea serias preguntas ambientales y de salud. (ZIMAS)
- No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas.
- Existe un conflicto con respecto al tipo de seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L.A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
- Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.
- No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas
- No se ha proporcionado una lista de medidas de seguridad para garantizar que se cumplan las directrices.

• NO PUEDO APOYAR ESTO CUANDO NO ME DAN UNA OPORTUNIDAD DE HACER PREGUNTAS, VOZ MIS PREOCUPACIONES O DAR ENTRADA

I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- On July 3, 2018 Councilman Joe Busciano volunteered the City of Wilmington as a potential location for Bridge Housing/Safe Parking(CF-180651) without prior community input from residents of Wilmington.
- On July 5th Mr. Busciano gave a press release of his intent. (Daily Breeze 07/05/18)
- On July 9th a meeting was held on that Monday morning at 10am in San Pedro to address this issue. A presentation was given by United Way detailing how the project will work but NOT A SINGLE REPRESENTATIVE was there from Mr. Buscaino's office.
- On July 12th, Coffee with a Cop meeting was held at Café Café in Wilmington to discuss the homeless shelter. AGAIN NO ONE from Mr. Buscaino's office was present.
- On July 18th, the Wilmington Neighborhood Council held a Special Board Meeting. NO ONE from Mr. Buscaino's office was there but we were advised Mr. Buscaino, his Chief of Staff Jacob Haik and his Field Rep for Wilmington Fernando Navarrete were ALL ON VACATION.
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services(United Way Presentation and Daily Breeze Article)
- Safe Park is free overnight parking for RV's and those who live in their car.(Joe Buscaino SAFE PARKING YouTube Video)
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area (Daily Breeze Article 07/05/18)
- Mr. Busciano wants to build BOTH Safe Park and Bridge Housing in Wilmington (Daily Breeze Article 07/05/18)
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)
- Mr Buscaino he deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons: wants to finalize his choice by July 31st. In doing so Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what cities will benefit from the extra money.(CSPNC Meeting 07/09/18)
- United Way Presentation in San Pedro says that these facilities will help LESS THAN 1/3 of the homeless population. There is no Plan for the other 70%.(United Way Presentation 07/09/18)
- The Proposed Property has numerous environmental restrictions on it. If this would be any other developer the property would be subject to numerous soil and ground tests, Environmental Impact reports. And Subject to the restrictions of the Mayor's own ordinance for clean up green up for heavily polluted areas. The property is in a Methane zone, as well as being less than a block away from a Coastal Zone. The property is also part of the Tidelands Trust. NONE of these guidelines are being followed as the city is EXEMPT from these restrictions. This poses serious environmental and health questions.(ZIMAS)
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- There is a conflict with regards to the type of security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures have been provided to insure that guidelines are being met.
- **I CAN NOT SUPPORT THIS WHEN I AM NOT GIVEN AN OPPORTUNITY TO ASK QUESTIONS, VOICE MY CONCERNSOR GIVE INPUT.**

I, the undersigned stakeholder of Wilmington am against the Safe Parking and Bridge Home Project as proposed and ask Councilman Joe Busciano, Mayor Garcetti; Gene Seroka, Executive Director Port of Los Angeles; Jamie L Lee, David Arian, Harbor Commission; Kristen Decas, California Port Authority; Michael Carley, Federal Marine Commission; Janice Hahn, LA County Supervisor; Mike Gipson, State Assemblyman; Nanette Barragon, Congresswoman; to reject this plan until the residents of Wilmington are treated in a fair, equitable and transparent manner.

.tion Against Bridge Housing and Safe Parking in Wilmington As Approved

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por la acción de los residentes de Wilmington, este proyecto nos sorprendería sin la debida notificación, sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones:

• El Sr. Busciano quiere construir AMBOS Estacionamientos Seguros y Viviendas del Puente en Wilmington.
• Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad.
• Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil.
• El Sr. Busciano quiere construir un GRAN parque seguro que cubrirá TODA la zona del puerto.
• El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)
• El Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué comunidades se beneficiarán con el dinero extra.
• Estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar en Wilmington. No hay un plan para el otro 70%
La Propiedad Propuesta tiene numerosas restricciones medioambientales (Zona de Metano, Zona Costera, Fideicomiso Tidelands, CUGU). La Ciudad está EXENTA de estas restricciones que provocan varias preocupaciones de salud y medioambientales.
• No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas?
• Un conflicto con respecto a la seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
• Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.
• No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas
• No se ha proporcionado una lista de medidas de seguridad para garantizar que se cumplan las directrices.
• El Sr. Buscaino no asistió a las reuniones de la comunidad de hormigas o envió un representante para responder preguntas.
• NO PUEDO APOYAR ESTO CUANDO NO ME DAN LA OPORTUNIDAD DE HACER PREGUNTAS, VOZ MIS PREOCUPACIONES O DAR ENTRADA.

Yo, el interesado abajo firmante de Wilmington, estoy en contra del Proyecto Safe Parking and Bridge Home Project, tal como lo propuse y rechazo este plan hasta que los residentes de Wilmington reciban un trato justo, equitativo y transparente.

• El Sr. Busciano quiere construir un GRAN parque seguro que cubrirá TODA la zona del puerto.
• El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)
• El Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué comunidades se beneficiarán con el dinero extra.
• Estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar en Wilmington. No hay un plan para el otro 70%
La Propiedad Propuesta tiene numerosas restricciones medioambientales (Zona de Metano, Zona Costera, Fideicomiso Tidelands, CUGU). La Ciudad está EXENTA de estas restricciones que provocan varias preocupaciones de salud y medioambientales.
• No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas?
• Un conflicto con respecto a la seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
• Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.
• No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas
• No se ha proporcionado una lista de medidas de seguridad para garantizar que se cumplan las directrices.
• El Sr. Buscaino no asistió a las reuniones de la comunidad de hormigas o envió un representante para responder preguntas.
• NO PUEDO APOYAR ESTO CUANDO NO ME DAN LA OPORTUNIDAD DE HACER PREGUNTAS, VOZ MIS PREOCUPACIONES O DAR ENTRADA.

Yo, el interesado abajo firmante de Wilmington, estoy en contra del Proyecto Safe Parking and Bridge Home Project, tal como lo propuse y rechazo este plan hasta que los residentes de Wilmington reciban un trato justo, equitativo y transparente.

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por la acción de los residentes de Wilmington, este proyecto nos sorprendería sin la debida notificación, sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones:

• El Sr. Busciano quiere construir AMBOS Estacionamientos Seguros y Viviendas del Puente en Wilmington.
• Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad.
• Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil.

Citizens for a Better Wilmington

Fighting for Proper Representation in the Heart of the Harbor"

WILMINGTON LIVES MATTER

July 27, 2018

Councilman Joe Buscanio
638 Beacon Street, Rm 552
San Pedro, CA 90731

Re: Petition Against Bridge Housing and Safe Parking in Wilmington

Enclosed please find approximately 650 signed petitions from the stakeholders of Wilmington with regards to the Bridge Housing and Safe Parking being proposed in Wilmington at 828 Eubank Avenue.

These Petitions were gathered over approximately 3 days and are still being gathered at the time of this writing. This grassroots effort was created by the stakeholders of Wilmington as we feel that we are not being represented in a just and equitable manner. Although, there are some slight variations in some of these petitions; we are not professional politicians and the message is all the same. **WE CAN NOT AND DO NOT SUPPORT BRIDGE HOUSING AND SAFE PARKING AS PROPOSED IN WILMINGTON.**

The stakeholders of Wilmington have a **right** to have our elected officials represent **our** interests, to be properly informed, to allow us to suggest alternative locations, to have our questions answered and to be a part of any decisions being made within Our Community.

Our sincerest hope is that Our Councilman work with us, not against us to reach a satisfactory resolution in this matter.

Sincerely,

Citizens for a Better Wilmington

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:.

- Mr. Busciano wants to build BOTH Safe Parking and Bridge Housing in Wilmington.[1]
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services[2]
- Safe Park is free overnight parking for RV's and those who live in their car.[3]
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area.
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)[4]
- Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what communities will benefit from the extra money.[5]
- These facilities will help LESS THAN 1/3 of the homeless population in Wilmington. There is no Plan for the other 70%[6]
- The Proposed Property has numerous environmental restrictions on it.(Methane Zone, Coastal Zone Tidelands Trust, CUGU) the City is EXEMPT from these restriction prompting several health and environmental concerns[7]
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- A conflict with regards to security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures have been provided to insure that guidelines are being met.
- Mr. Buscaino has failed to attend ant community meetings or send a representative to answer questions.
- **I CAN NOT SUPPORT THIS WHEN I AM NOT GIVEN AN OPPORTUNITY TO ASK QUESTIONS, VOICE MY CONCERNS OR GIVE INPUT.**

I, the undersigned stakeholder of Wilmington am against the Safe Parking and Bridge Home Project as proposed and reject this plan until the residents of Wilmington are treated in a fair, equitable and transparent manner.

- Safe Park is free overnight parking for RV's and those who live in their car.[3]
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area.
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)[4]
- Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what communities will benefit from the extra money.[5]
- These facilities will help LESS THAN 1/3 of the homeless population in Wilmington. There is no Plan for the other 70%[6]
- The Proposed Property has numerous environmental restrictions on it.(Methane Zone, Coastal Zone Tidelands Trust, CUGU) the City is EXEMPT from these restriction prompting several health and environmental concerns[7]
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- A conflict with regards to security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures have been provided to insure that guidelines are being met.
- Mr. Buscaino has failed to attend ant community meetings or send a representative to answer questions.
- **I CAN NOT SUPPORT THIS WHEN I AM NOT GIVEN AN OPPORTUNITY TO ASK QUESTIONS, VOICE MY CONCERNS OR GIVE INPUT.**

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por la acción de los residentes de Wilmington, este proyecto nos sorprendería sin la debida notificación, sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones:

• El Sr. Busciano quiere construir AMBOS Estacionamientos Seguros y Viviendas del Puente en Wilmington.
• Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad.
• Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil.
• El Sr. Busciano quiere construir un GRAN parque seguro que cubrirá TODA la zona del puerto.
• El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)
• El Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué comunidades se beneficiarán con el dinero extra.
• Estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar en Wilmington. No hay un plan para el otro 70%
La Propiedad Propuesta tiene numerosas restricciones medioambientales (Zona de Metano, Zona Costera, Fideicomiso Tidelands, CUGU). La Ciudad está EXENTA de estas restricciones que provocan varias preocupaciones de salud y medioambientales.
• No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas?
• Un conflicto con respecto a la seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
• Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.
• No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas
• No se ha proporcionado una lista de medidas de seguridad para garantizar que se cumplan las directrices.
• El Sr. Buscaino no asistió a las reuniones de la comunidad de hormigas o envió un representante para responder preguntas.

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:.

- Mr. Busciano wants to build BOTH Safe Parking and Bridge Housing in Wilmington.[1]
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services[2]
- Safe Park is free overnight parking for RV's and those who live in their car.[3]
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area.
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)[4]
- Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what communities will benefit from the extra money.[5]
- These facilities will help LESS THAN 1/3 of the homeless population in Wilmington. There is no Plan for the other 70%[6]
- The Proposed Property has numerous environmental restrictions on it.(Methane Zone, Coastal Zone Tidelands Trust, CUGU) the City is EXEMPT from these restriction prompting several health and environmental concerns[7]
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- A conflict with regards to security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures have been provided to insure that guidelines are being met.
- Mr. Buscaino has failed to attend ant community meetings or send a representative to answer questions.
- **I CAN NOT SUPPORT THIS WHEN I AM NOT GIVEN AN OPPORTUNITY TO ASK QUESTIONS, VOICE MY CONCERNS OR GIVE INPUT.**

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por la acción de los residentes de Wilmington, este proyecto nos sorprendería sin la debida notificación, sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones:

• El Sr. Busciano quiere construir AMBOS Estacionamientos Seguros y Viviendas del Puente en Wilmington.
• Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad.

- The Proposed Property has numerous environmental restrictions on it.(Methane Zone, Coastal Zone Tidelands Trust, CUGU) the City is EXEMPT from these restriction prompting several health and environmental concerns[7]
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- A conflict with regards to security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:.

- Mr. Busciano wants to build BOTH Safe Parking and Bridge Housing in Wilmington.[1]
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services[2]
- Safe Park is free overnight parking for RV's and those who live in their car.[3]
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area.
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)[4]

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por la acción de los residentes de Wilmington, este proyecto nos sorprendería sin la debida notificación, sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones:

• El Sr. Busciano quiere construir AMBOS Estacionamientos Seguros y Viviendas del Puente en Wilmington.
• Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad.
• Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil.
• El Sr. Busciano quiere construir un GRAN parque seguro que cubrirá TODA la zona del puerto.
• El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)
• El Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué comunidades se beneficiarán con el dinero extra.
• Estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar en Wilmington. No hay un plan para el otro 70%
La Propiedad Propuesta tiene numerosas restricciones medioambientales (Zona de Metano, Zona Costera, Fideicomiso Tidelands, CUGU). La Ciudad está EXENTA de estas restricciones que provocan varias preocupaciones de salud y medioambientales.
• No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas?
• Un conflicto con respecto a la seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
• Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.
• No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas
• No se ha proporcionado una lista de medidas de seguridad para garantizar que se cumplan las directrices.
• El Sr. Buscaino no asistió a las reuniones de la comunidad de hormigas o envió un representante para responder preguntas.
• NO PUEDO APOYAR ESTO CUANDO NO ME DAN LA OPORTUNIDAD DE HACER PREGUNTAS, VOZ MIS PREOCUPACIONES O DAR ENTRADA.

Yo, el interesado abajo firmante de Wilmington, estoy en contra del Proyecto Safe Parking and Bridge Home Project, tal como lo propuse y rechazo este plan hasta que los residentes de Wilmington reciban un trato justo, equitativo y transparente.

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:.

- Mr. Busciano wants to build BOTH Safe Parking and Bridge Housing in Wilmington.[1]
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services[2]
- Safe Park is free overnight parking for RV's and those who live in their car.[3]
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area.
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)[4]
- Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what communities will benefit from the extra money.[5]
- These facilities will help LESS THAN 1/3 of the homeless population in Wilmington. There is no Plan for the other 70%[6]

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por la acción de los residentes de Wilmington, este proyecto nos sorprendería sin la debida notificación, sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones:

• El Sr. Busciano quiere construir AMBOS Estacionamientos Seguros y Viviendas del Puente en Wilmington.
• Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad.
• Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil.
• El Sr. Busciano quiere construir un GRAN parque seguro que cubrirá TODA la zona del puerto.
• El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)
• El Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué comunidades se beneficiarán con el dinero extra.
• Estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar en Wilmington. No hay un plan para el otro 70%
La Propiedad Propuesta tiene numerosas restricciones medioambientales (Zona de Metano, Zona Costera, Fideicomiso Tidelands, CUGU). La Ciudad está EXENTA de estas restricciones que provocan varias preocupaciones de salud y medioambientales.
• No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas?
• Un conflicto con respecto a la seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
• Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.
• No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas
• No se ha proporcionado una lista de medidas de seguridad para garantizar que se cumplan las directrices.
• El Sr. Buscaino no asistió a las reuniones de la comunidad de hormigas o envió un representante para responder preguntas.
• NO PUEDO APOYAR ESTO CUANDO NO ME DAN LA OPORTUNIDAD DE HACER PREGUNTAS, VOZ MIS PREOCUPACIONES O DAR ENTRADA.

Yo, el interesado abajo firmante de Wilmington, estoy en contra del Proyecto Safe Parking and Bridge Home Project, tal como lo propuse y rechazo este plan hasta que los residentes de Wilmington reciban un trato justo, equitativo y transparente.

- A conflict with regards to security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures have been provided to insure that guidelines are being met.
- Mr. Buscaino has failed to attend ant community meetings or send a representative to answer questions.
- **I CAN NOT SUPPORT THIS WHEN I AM NOT GIVEN AN OPPORTUNITY TO ASK QUESTIONS, VOICE MY CONCERNS OR GIVE INPUT.**

I, the undersigned stakeholder of Wilmington am against the Safe Parking and Bridge Home Project as proposed and reject this plan until the residents of Wilmington are treated in a fair, equitable and transparent manner.

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por la acción de los residentes de Wilmington, este proyecto nos sorprendería sin la debida notificación, sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones:

• El Sr. Busciano quiere construir AMBOS Estacionamientos Seguros y Viviendas del Puente en Wilmington.
• Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad.
• Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil.
• El Sr. Busciano quiere construir un GRAN parque seguro que cubrirá TODA la zona del puerto.
• El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)
• El Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué comunidades se beneficiarán con el dinero extra.
• Estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar en Wilmington. No hay un plan para el otro 70%
La Propiedad Propuesta tiene numerosas restricciones medioambientales (Zona de Metano, Zona Costera, Fideicomiso Tidelands, CUGU). La Ciudad está EXENTA de estas restricciones que provocan varias preocupaciones de salud y medioambientales.
• No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas?
• Un conflicto con respecto a la seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
• Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.
• No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas
• No se ha proporcionado una lista de medidas de seguridad para garantizar que se cumplan las directrices.
• El Sr. Buscaino no asistió a las reuniones de la comunidad de hormigas o envió un representante para responder preguntas.
• NO PUEDO APOYAR ESTO CUANDO NO ME DAN LA OPORTUNIDAD DE HACER PREGUNTAS, VOZ MIS PREOCUPACIONES O DAR ENTRADA.

Yo, el interesado abajo firmante de Wilmington, estoy en contra del Proyecto Safe Parking and Bridge Home Project, tal como lo propuse y rechazo este plan hasta que los residentes de Wilmington reciban un trato justo, equitativo y transparente.

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:.

- Mr. Busciano wants to build BOTH Safe Parking and Bridge Housing in Wilmington.[1]
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services[2]
- Safe Park is free overnight parking for RV's and those who live in their car.[3]
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area.
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)[4]
- Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what communities will benefit from the extra money.[5]
- These facilities will help LESS THAN 1/3 of the homeless population in Wilmington. There is no Plan for the other 70%[6]
- The Proposed Property has numerous environmental restrictions on it.(Methane Zone, Coastal Zone Tidelands Trust, CUGU) the City is EXEMPT from these restriction prompting several health and environmental concerns[7]
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:.

- Mr. Busciano wants to build BOTH Safe Parking and Bridge Housing in Wilmington.[1]
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services[2]
- Safe Park is free overnight parking for RV's and those who live in their car.[3]
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area.
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)[4]
- Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what communities will benefit from the extra money.[5]
- These facilities will help LESS THAN 1/3 of the homeless population in Wilmington. There is no Plan for the other 70%[6]
- The Proposed Property has numerous environmental restrictions on it.(Methane Zone, Coastal Zone Tidelands Trust, CUGU) the City is EXEMPT from these restriction prompting several health and environmental concerns[7]
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- A conflict with regards to security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures have been provided to insure that guidelines are being met.
- Mr. Buscaino has failed to attend ant community meetings or send a representative to answer questions.

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por la acción de los residentes de Wilmington, este proyecto nos sorprendería sin la debida notificación, sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones:

• El Sr. Busciano quiere construir AMBOS Estacionamientos Seguros y Viviendas del Puente en Wilmington.
• Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad.
• Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil.
• El Sr. Busciano quiere construir un GRAN parque seguro que cubrirá TODA la zona del puerto.
• El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)
• El Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué comunidades se beneficiarán con el dinero extra.
• Estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar en Wilmington. No hay un plan para el otro 70%
La Propiedad Propuesta tiene numerosas restricciones medioambientales (Zona de Metano, Zona Costera, Fideicomiso Tidelands, CUGU). La Ciudad está EXENTA de estas restricciones que provocan varias preocupaciones de salud y medioambientales.
• No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas?
• Un conflicto con respecto a la seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
• Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.
• No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas
• No se ha proporcionado una lista de medidas de seguridad para garantizar que se cumplan las directrices.
• El Sr. Buscaino no asistió a las reuniones de la comunidad de hormigas o envió un representante para responder preguntas.
• NO PUEDO APOYAR ESTO CUANDO NO ME DAN LA OPORTUNIDAD DE HACER PREGUNTAS, VOZ MIS PREOCUPACIONES O DAR ENTRADA.

Yo, el interesado abajo firmante de Wilmington, estoy en contra del Proyecto Safe Parking and Bridge Home Project, tal como lo propuse y rechazo este plan hasta que los residentes de Wilmington reciban un trato justo, equitativo y transparente.

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:.

- Mr. Busciano wants to build BOTH Safe Parking and Bridge Housing in Wilmington.[1]
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services[2]
- Safe Park is free overnight parking for RV's and those who live in their car.[3]
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area.
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)[4]
- Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what communities will benefit from the extra money.[5]
- These facilities will help LESS THAN 1/3 of the homeless population in Wilmington. There is no Plan for the other 70%[6]
- The Proposed Property has numerous environmental restrictions on it.(Methane Zone, Coastal Zone Tidelands Trust, CUGU) the City is EXEMPT from these restriction prompting several health and environmental concerns[7]
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- A conflict with regards to security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures have been provided to insure that guidelines are being met.
- Mr. Buscaino has failed to attend ant community meetings or send a representative to answer questions.
- **I CAN NOT SUPPORT THIS WHEN I AM NOT GIVEN AN OPPORTUNITY TO ASK QUESTIONS, VOICE MY CONCERNS OR GIVE INPUT.**

I, the undersigned stakeholder of Wilmington am against the Safe Parking and Bridge Home Project as proposed and reject this plan until the residents of Wilmington are treated in a fair, equitable and transparent manner.

Si no fuera por la acción de los residentes de Wilmington, este proyecto nos sorprendería sin la debida notificación, sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones:

• El Sr. Busciano quiere construir AMBOS Estacionamientos Seguros y Viviendas del Puente en Wilmington.
• Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad.
• Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil.
• El Sr. Busciano quiere construir un GRAN parque seguro que cubrirá TODA la zona del puerto.
• El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)
• El Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué comunidades se beneficiarán con el dinero extra.
• Estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar en Wilmington. No hay un plan para el otro 70%
La Propiedad Propuesta tiene numerosas restricciones medioambientales (Zona de Metano, Zona Costera, Fideicomiso Tidelands, CUGU). La Ciudad está EXENTA de estas restricciones que provocan varias preocupaciones de salud y medioambientales.
• No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas?
• Un conflicto con respecto a la seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
• Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.
• No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas
• No se ha proporcionado una lista de medidas de seguridad para garantizar que se cumplan las directrices.
• El Sr. Buscaino no asistió a las reuniones de la comunidad de hormigas o envió un representante para responder preguntas.
• NO PUEDO APOYAR ESTO CUANDO NO ME DAN LA OPORTUNIDAD DE HACER PREGUNTAS, VOZ MIS PREOCUPACIONES O DAR ENTRADA.

Yo, el interesado abajo firmante de Wilmington, estoy en contra del Proyecto Safe Parking and Bridge Home Project, tal como lo propuse y rechazo este plan hasta que los residentes de Wilmington reciban un trato justo, equitativo y transparente.

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por la acción de los residentes de Wilmington, este proyecto nos sorprendería sin la debida notificación, sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones:

• El Sr. Busciano quiere construir AMBOS Estacionamientos Seguros y Viviendas del Puente en Wilmington.
• Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad.
• Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil.
• El Sr. Busciano quiere construir un GRAN parque seguro que cubrirá TODA la zona del puerto.
• El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)
• El Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué comunidades se beneficiarán con el dinero extra.
• Estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar en Wilmington. No hay un plan para el otro 70%
La Propiedad Propuesta tiene numerosas restricciones medioambientales (Zona de Metano, Zona Costera, Fideicomiso Tidelands, CUGU). La Ciudad está EXENTA de estas restricciones que provocan varias preocupaciones de salud y medioambientales.
• No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas?
• Un conflicto con respecto a la seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
• Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.
• No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas
• No se ha proporcionado una lista de medidas de seguridad para garantizar que se cumplan las directrices.
• El Sr. Buscaino no asistió a las reuniones de la comunidad de hormigas o envió un representante para responder preguntas.
• NO PUEDO APOYAR ESTO CUANDO NO ME DAN LA OPORTUNIDAD DE HACER PREGUNTAS, VOZ MIS PREOCUPACIONES O DAR ENTRADA.

Yo, el interesado abajo firmante de Wilmington, estoy en contra del Proyecto Safe Parking and Bridge Home Project, tal como lo propuse y rechazo este plan hasta que los residentes de Wilmington reciban un trato justo, equitativo y transparente.

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:.

- Mr. Busciano wants to build BOTH Safe Parking and Bridge Housing in Wilmington.[1]
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services[2]
- Safe Park is free overnight parking for RV's and those who live in their car.[3]
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area.
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)[4]
- Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what communities will benefit from the extra money.[5]
- These facilities will help LESS THAN 1/3 of the homeless population in Wilmington. There is no Plan for the other 70%[6]
- The Proposed Property has numerous environmental restrictions on it.(Methane Zone, Coastal Zone Tidelands Trust, CUGU) the City is EXEMPT from these restriction prompting several health and environmental concerns[7]
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- A conflict with regards to security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures have been provided to insure that guidelines are being met.
- Mr. Buscaino has failed to attend ant community meetings or send a representative to answer questions.
- **I CAN NOT SUPPORT THIS WHEN I AM NOT GIVEN AN OPPORTUNITY TO ASK QUESTIONS, VOICE MY CONCERNS OR GIVE INPUT.**

I, the undersigned stakeholder of Wilmington am against the Safe Parking and Bridge Home Project as proposed and reject this plan until the residents of Wilmington are treated in a fair, equitable and transparent manner.

- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services[2]
- Safe Park is free overnight parking for RV's and those who live in their car.[3]
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area.
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)[4]
- Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what communities will benefit from the extra money.[5]
- These facilities will help LESS THAN 1/3 of the homeless population in Wilmington. There is no Plan for the other 70%[6]
- The Proposed Property has numerous environmental restrictions on it.(Methane Zone, Coastal Zone Tidelands Trust, CUGU) the City is EXEMPT from these restriction prompting several health and environmental concerns[7]
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- A conflict with regards to security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures have been provided to insure that guidelines are being met.
- Mr. Buscaino has failed to attend ant community meetings or send a representative to answer questions.
- **I CAN NOT SUPPORT THIS WHEN I AM NOT GIVEN AN OPPORTUNITY TO ASK QUESTIONS, VOICE MY CONCERNS OR GIVE INPUT.**

I, the undersigned stakeholder of Wilmington am against the Safe Parking and Bridge Home Project as proposed and reject this plan until the residents of Wilmington are treated in a fair, equitable and transparent manner.

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por la acción de los residentes de Wilmington, este proyecto nos sorprendería sin la debida notificación, sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones:

• El Sr. Busciano quiere construir AMBOS Estacionamientos Seguros y Viviendas del Puente en Wilmington.
• Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad.
• Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil.
• El Sr. Busciano quiere construir un GRAN parque seguro que cubrirá TODA la zona del puerto.
• El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)
• El Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué comunidades se beneficiarán con el dinero extra.
• Estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar en Wilmington. No hay un plan para el otro 70%
La Propiedad Propuesta tiene numerosas restricciones medioambientales (Zona de Metano, Zona Costera, Fideicomiso Tidelands, CUGU). La Ciudad está EXENTA de estas restricciones que provocan varias preocupaciones de salud y medioambientales.
• No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas?
• Un conflicto con respecto a la seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
• Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.
• No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas
• No se ha proporcionado una lista de medidas de seguridad para garantizar que se cumplan las directrices.
• El Sr. Buscaino no asistió a las reuniones de la comunidad de hormigas o envió un representante para responder preguntas.
• NO PUEDO APOYAR ESTO CUANDO NO ME DAN LA OPORTUNIDAD DE HACER PREGUNTAS, VOZ MIS PREOCUPACIONES O DAR ENTRADA.

Yo, el interesado abajo firmante de Wilmington, estoy en contra del Proyecto Safe Parking and Bridge Home Project, tal como lo propuse y rechazo este plan hasta que los residentes de Wilmington reciban un trato justo, equitativo y transparente.

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:.

- Mr. Busciano wants to build BOTH Safe Parking and Bridge Housing in Wilmington.[1]
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services[2]
- Safe Park is free overnight parking for RV's and those who live in their car.[3]
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area.
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)[4]
- Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what communities will benefit from the extra money.[5]
- These facilities will help LESS THAN 1/3 of the homeless population in Wilmington. There is no Plan for the other 70%[6]
- The Proposed Property has numerous environmental restrictions on it.(Methane Zone, Coastal Zone Tidelands Trust, CUGU) the City is EXEMPT from these restriction prompting several health and environmental concerns[7]
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- A conflict with regards to security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures have been provided to insure that guidelines are being met.
- Mr. Buscaino has failed to attend ant community meetings or send a representative to answer questions.
- **I CAN NOT SUPPORT THIS WHEN I AM NOT GIVEN AN OPPORTUNITY TO ASK QUESTIONS, VOICE MY CONCERNS OR GIVE INPUT.**

I, the undersigned stakeholder of Wilmington am against the Safe Parking and Bridge Home Project as proposed and reject this plan until the residents of Wilmington are treated in a fair, equitable and transparent manner.

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:.

- Mr. Busciano wants to build BOTH Safe Parking and Bridge Housing in Wilmington.[1]
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services[2]
- Safe Park is free overnight parking for RV's and those who live in their car.[3]
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area.
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)[4]
- Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what communities will benefit from the extra money.[5]
- These facilities will help LESS THAN 1/3 of the homeless population in Wilmington. There is no Plan for the other 70%[6]
- The Proposed Property has numerous environmental restrictions on it.(Methane Zone, Coastal Zone Tidelands Trust, CUGU) the City is EXEMPT from these restriction prompting several health and environmental concerns[7]
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- A conflict with regards to security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures have been provided to insure that guidelines are being met.
- Mr. Buscaino has failed to attend ant community meetings or send a representative to answer questions.

Si no fuera por la acción de los residentes de Wilmington, este proyecto nos sorprendería sin la debida notificación, sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones:

• El Sr. Busciano quiere construir AMBOS Estacionamientos Seguros y Viviendas del Puente en Wilmington.
• Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad.
• Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil.
• El Sr. Busciano quiere construir un GRAN parque seguro que cubrirá TODA la zona del puerto.
• El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por los residentes de Wilmington que están tomando medidas, este proyecto los dejaría sin la debida notificación sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por los siguientes motivos.

- El 3 de julio de 2018, el concejal Joe Busciano ofreció voluntariamente a la Ciudad de Wilmington como una ubicación potencial para la Vivienda de Puente / Estacionamiento Seguro (CF-180651) sin la participación previa de la comunidad de los residentes de Wilmington.
- El 5 de julio, el Sr. Busciano dio un comunicado de prensa de su intención. (Daily Breeze 05/07/18)
- El 9 de julio se realizó una reunión ese lunes por la mañana a las 10 a.m. en San Pedro para tratar este tema. United Way hizo una presentación que detalla cómo funcionará el proyecto, pero NO HABÍA UN SOLO REPRESENTANTE de la oficina del Sr. Buscaino.
- El 12 de julio, se llevó a cabo una reunión de Coffee with a Cop en Café Café en Wilmington para hablar sobre el refugio para personas sin hogar. OTRA VEZ, nadie de la oficina del Sr. Buscaino estaba presente.
- El 18 de julio, el Consejo Vecinal de Wilmington celebró una reunión especial de la Junta. NADIE de la oficina del Sr. Buscaino estaba allí, pero se nos informó que el Sr. Buscaino, su Jefe de Estado Mayor Jacob Haik y su Representante de Campo para Wilmington Fernando Navarrete estaban TODOS VACANTES.
- Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad (United Way Presentation y Daily Breeze Article)
- Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil. (Video de YouTube de Joe Buscaino SAFE PARKING)

Al hacerlo, el Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué ciudades se beneficiarán del dinero extra. (Reunión de CSPNC 07/09/18)
- La presentación de United Way en San Pedro dice que estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar. No hay un plan para el otro 70%. (Presentación United Way 07/09/18)
- La propiedad propuesta tiene numerosas restricciones medioambientales. Si este fuera cualquier otro desarrollador, la propiedad estaría sujeta a numerosas pruebas de suelo y suelo, informes de impacto ambiental. Y Sujeto a las restricciones de la ordenanza del Alcalde para limpiar zonas verdes con mucha contaminación. La propiedad está en una zona de metano, además de estar a menos de una cuadra de una zona costera. La propiedad también es parte de Tidelands Trust. NINGUNA de estas pautas se sigue ya que la ciudad está EXENTA de estas restricciones. Esto plantea serias preguntas ambientales y de salud. (ZIMAS)

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- On July 3, 2018 Councilman Joe Busciano volunteered the City of Wilmington as a potential location for Bridge Housing/Safe Parking(CF-180651) without prior community input from residents of Wilmington.
- On July 5th Mr. Busciano gave a press release of his intent. (Daily Breeze 07/05/18)
- On July 9th a meeting was held on that Monday morning at 10am in San Pedro to address this issue. A presentation was given by United Way detailing how the project will work but NOT A SINGLE REPRESENTATIVE was there from Mr. Buscaino's office.
- On July 12th, Coffee with a Cop meeting was held at Café Café in Wilmington to discuss the homeless shelter. AGAIN NO ONE from Mr. Buscaino's office was present.
- On July 18th, the Wilmington Neighborhood Council held a Special Board Meeting. NO ONE from Mr. Buscaino's office was there but we were advised Mr. Buscaino, his Chief of Staff Jacob Haik and his Field Rep for Wilmington Fernando Navarrete were ALL ON VACATION.
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services(United Way Presentation and Daily Breeze Article)

- El 9 de julio se realizó una reunión ese lunes por la mañana a las 10 a.m. en San Pedro para tratar este tema. United Way hizo una presentación que detalla cómo funcionará el proyecto, pero NO HABÍA UN SOLO REPRESENTANTE de la oficina del Sr. Buscaino.
- El 12 de julio, se llevó a cabo una reunión de Coffee with a Cop en Café Café en Wilmington para hablar sobre el refugio para personas sin hogar. OTRA VEZ, nadie de la oficina del Sr. Buscaino estaba presente.
- El 18 de julio, el Consejo Vecinal de Wilmington celebró una reunión especial de la Junta. NADIE de la oficina del Sr. Buscaino estaba allí, pero se nos informó que el Sr. Buscaino, su Jefe de Estado Mayor Jacob Haik y su Representante de Campo para Wilmington Fernando Navarrete estaban TODOS VACANTES.
- Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad (United Way Presentation y Daily Breeze Article)

Si no fuera por los residentes de Wilmington que están tomando medidas, este proyecto los dejaría sin la debida notificación sin ningún aporte de la comunidad y de manera injusta y no transparente.Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones: quiere finalizar su elección antes del 31 de julio. Al hacerlo, el Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué ciudades se beneficiarán del dinero extra. (Reunión de CSPNC 07/09/18)
- La presentación de United Way en San Pedro dice que estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar. No hay un plan para el otro 70%. (Presentación United Way 07/09/18)
- La propiedad propuesta tiene numerosas restricciones medioambientales. Si este fuera cualquier otro desarrollador, la propiedad estaría sujeta a numerosas pruebas de suelo y suelo, informes de impacto ambiental. Y Sujeto a las restricciones de la ordenanza del Alcalde para limpiar zonas verdes con mucha contaminación. La propiedad está en una zona de metano, además de estar a menos de una cuadra de una zona costera. La propiedad también es parte de Tidelands Trust. NINGUNA de estas pautas se sigue ya que la ciudad está EXENTA de estas restricciones. Esto plantea serias preguntas ambientales y de salud. (ZIMAS)
- No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas.
- Existe un conflicto con respecto al tipo de seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
- Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- On July 3, 2018 Councilman Joe Busciano volunteered the City of Wilmington as a potential location for Bridge Housing/Safe Parking(CF-180651) without prior community input from residents of Wilmington.
- On July 5th Mr. Busciano gave a press release of his intent. (Daily Breeze 07/05/18)
- On July 9th a meeting was held on that Monday morning at 10am in San Pedro to address this issue. A presentation was given by United Way detailing how the project will work but NOT A SINGLE REPRESENTATIVE was there from Mr. Buscaino's office.
- On July 12th, Coffee with a Cop meeting was held at Café Café in Wilmington to discuss the homeless shelter. AGAIN NO ONE from Mr. Buscaino's office was present.
- On July 18th, the Wilmington Neighborhood Council held a Special Board Meeting. NO ONE from Mr. Buscaino's office was there but we were advised Mr. Buscaino, his Chief of Staff Jacob Haik and his Field Rep for Wilmington Fernando Navarrete were ALL ON VACATION.
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services(United Way Presentation and Daily Breeze Article)
- Safe Park is free overnight parking for RV's and those who live in their car.(Joe Buscaino SAFE PARKING YouTube Video)
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area (Daily Breeze Article 07/05/18)
- Mr. Busciano wants to build BOTH Safe Park and Bridge Housing in Wilmington (Daily Breeze Article 07/05/18)
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)

If this would be any other developer the property would be subject to numerous soil and ground tests, Environmental impact reports. And Subject to the restrictions of the Mayor's own ordinance for clean up green up for heavily polluted areas. The property is in a Methane zone, as well as being less than a block away from a Coastal Zone. The property is also part of the Tidelands Trust. NONE of these guidelines are being followed as the city is EXEMPT from these restrictions. This poses serious environmental and health questions.(ZIMAS)

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- On July 3, 2018 Councilman Joe Busciano volunteered the City of Wilmington as a potential location for Bridge Housing/Safe Parking(CF-180651) without prior community input from residents of Wilmington.
- On July 5th Mr. Busciano gave a press release of his intent. (Daily Breeze 07/05/18)
- On July 9th a meeting was held on that Monday morning at 10am in San Pedro to address this issue. A presentation was given by United Way detailing how the project will work but NOT A SINGLE REPRESENTATIVE was there from Mr. Buscaino's office.
- On July 12th, Coffee with a Cop meeting was held at Café Café in Wilmington to discuss the homeless shelter. AGAIN NO ONE from Mr. Buscaino's office was present.
- On July 18th, the Wilmington Neighborhood Council held a Special Board Meeting. NO ONE from Mr. Buscaino's office was there but we were advised Mr. Buscaino, his Chief of Staff Jacob Haik and his Field Rep for Wilmington Fernando Navarrete were ALL ON VACATION.
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services(United Way Presentation and Daily Breeze Article)

- Mr Buscaino he deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons: wants to finalize his choice by July 31st. In doing so Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what cities will benefit from the extra money.(CSPNC Meeting 07/09/18)
- United Way Presentation in San Pedro says that these facilities will help LESS THAN 1/3 of the homeless population. There is no Plan for the other 70%.(United Way Presentation 07/09/18)
- The Proposed Property has numerous environmental restrictions on it. If this would be any other developer the property would be subject to numerous soil and ground tests, Environmental impact reports. And Subject to the restrictions of the Mayor's own ordinance for clean up green up for heavily polluted areas. The property is in a Methane zone, as well as being less than a block away from a Coastal Zone. The property is also part of the Tidelands Trust. NONE of these guidelines are being followed as the city is EXEMPT from these restrictions. This poses serious environmental and health questions.(ZIMAS)
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- There is a conflict with regards to the type of security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures have been provided to insure that guidelines are being met.
- I CAN NOT SUPPORT THIS WHEN I AM NOT GIVEN AN OPPORTUNITY TO ASK QUESTIONS, VOICE MY CONCERNSOR GIVE INPUT.

I, the undersigned stakeholder of Wilmington am against the Safe Parking and Bridge Home Project as proposed and ask Councilman Joe Busciano, Mayor Garcetti; Gene Seroka, Executive Director Port of Los Angeles; Jamie L Lee, David Arian, Harbor Commission; Kristen Decas, California Port Authority; Michael Carley, Federal Marine Commission; Janice Hahn, LA County Supervisor; Mike Gipson, State Assemblyman; Nanette Barragon, Congresswoman; to reject this plan until the residents of Wilmington are treated in a fair, equitable and transparent manner.

- Mr Buscaino he deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons: wants to finalize his choice by July 31st. In doing so Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what cities will benefit from the extra money.(CSPNC Meeting 07/09/18)

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- On July 3, 2018 Councilman Joe Busciano volunteered the City of Wilmington as a potential location for Bridge Housing/Safe Parking(CF-180651) without prior community input from residents of Wilmington.
- On July 5th Mr. Busciano gave a press release of his intent. (Daily Breeze 07/05/18)
- On July 9th a meeting was held on that Monday morning at 10am in San Pedro to address this issue. A presentation was given by United Way detailing how the project will work but NOT A SINGLE REPRESENTATIVE was there from Mr. Buscaino's office.
- On July 12th, Coffee with a Cop meeting was held at Café Café in Wilmington to discuss the homeless shelter. AGAIN NO ONE from Mr. Buscaino's office was present.
- On July 18th, the Wilmington Neighborhood Council held a Special Board Meeting. NO ONE from Mr. Buscaino's office was there but we were advised Mr. Buscaino, his Chief of Staff Jacob Haik and his Field Rep for Wilmington Fernando Navarrete were ALL ON VACATION.
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services(United Way Presentation and Daily Breeze Article)
- Safe Park is free overnight parking for RV's and those who live in their car.(Joe Buscaino SAFE PARKING YouTube Video)
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area (Daily Breeze Article 07/05/18)
- Mr. Busciano wants to build BOTH Safe Park and Bridge Housing in Wilmington (Daily Breeze Article 07/05/18)
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)

I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons: wants to finalize his choice by July 31st. In doing so Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what cities will benefit from the extra money.(CSPNC Meeting 07/09/18)
- United Way Presentation in San Pedro says that these facilities will help LESS THAN 1/3 of the homeless population. There is no Plan for the other 70%.(United Way Presentation 07/09/18)
- The Proposed Property has numerous environmental restrictions on it. If this would be any other developer the property would be subject to numerous soil and ground tests, Environmental impact reports. And Subject to the restrictions of the Mayor's own ordinance for clean up green up for heavily polluted areas. The property is in a Methane zone, as well as being less than a block away from a Coastal Zone. The property is also part of the Tidelands Trust. NONE of these guidelines are being followed as the city is EXEMPT from these restrictions. This poses serious environmental and health questions.(ZIMAS)
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- There is a conflict with regards to the type of security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures have been provided to insure that guidelines are being met.

I, the undersigned stakeholder of Wilmington am against the Safe Parking and Bridge Home Project as proposed and ask Councilman Joe Busciano, Mayor Garcetti; Gene Seroka, Executive Director Port of Los Angeles; Jamie L Lee, David Arian, Harbor Commission; Kristen Decas, California Port Authority; Michael Carley, Federal Marine Commission; Janice Hahn, LA County Supervisor; Mike Gipson, State Assemblyman; Nanette Barragon, Congresswoman; to reject this plan until the residents of Wilmington are treated in a fair, equitable and transparent manner.

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por los residentes de Wilmington que están tomando medidas, este proyecto los dejaría sin la debida notificación sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por los siguientes motivos.

- El 3 de julio de 2018, el concejal Joe Busciano ofreció voluntariamente a la Ciudad de Wilmington como una ubicación potencial para la Vivienda de Puente / Estacionamiento Seguro (CF-180651) sin la participación previa de la comunidad de los residentes de Wilmington.
- El 5 de julio, el Sr. Busciano dio un comunicado de prensa de su intención. (Daily Breeze 05/07/18)
- El 9 de julio se realizó una reunión ese lunes por la mañana a las 10 a.m. en San Pedro para tratar este tema. United Way hizo una presentación que detalla cómo funcionará el proyecto, pero NO HABÍA UN SOLO REPRESENTANTE de la oficina del Sr. Buscaino.
- El 12 de julio, se llevó a cabo una reunión de Coffee with a Cop en Café Café en Wilmington para hablar sobre el refugio para personas sin hogar. OTRA VEZ, nadie de la oficina del Sr. Buscaino estaba presente.
- El 18 de julio, el Consejo Vecinal de Wilmington celebró una reunión especial de la Junta. NADIE de la oficina del Sr. Buscaino estaba allí, pero se nos informó que el Sr. Buscaino, su Jefe de Estado Mayor Jacob Haik y su Representante de Campo para Wilmington Fernando Navarrete estaban TODOS VACANTES.
- Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad (United Way Presentation y Daily Breeze Article)

La propiedad está en una zona de metano, además de estar a menos de una cuadra de una zona costera. La propiedad también es parte de Tidelands Trust. NINGUNA de estas pautas se sigue ya que la ciudad está EXENTA de estas restricciones. Esto plantea serias preguntas ambientales y de salud. (ZIMAS)

I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons: wants to finalize his choice by July 31st. In doing so Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what cities will benefit from the extra money.(CSPNC Meeting 07/09/18)
- United Way Presentation in San Pedro says that these facilities will help LESS THAN 1/3 of the homeless population. There is no Plan for the other 70%.(United Way Presentation 07/09/18)
- The Proposed Property has numerous environmental restrictions on it. If this would be any other developer the property would be subject to numerous soil and ground tests, Environmental impact reports. And Subject to the restrictions of the Mayor's own ordinance for clean up green up for heavily polluted areas. The property is in a Methane zone, as well as being less than a block away from a Coastal Zone. The property is also part of the Tidelands Trust. NONE of these guidelines are being followed as the city is EXEMPT from these restrictions. This poses serious environmental and health questions.(ZIMAS)
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- There is a conflict with regards to the type of security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures have been provided to insure that guidelines are being met.
- **I CAN NOT SUPPORT THIS WHEN I AM NOT GIVEN AN OPPORTUNITY TO ASK QUESTIONS, VOICE MY CONCERNSOR GIVE INPUT.**

I, the undersigned stakeholder of Wilmington am against the Safe Parking and Bridge Home Project as proposed and ask Councilman Joe Busciano, Mayor Garcetti; Gene Seroka, Executive Director Port of Los Angeles; Jamie L Lee, David Arian, Harbor Commission; Kristen Decas, California Port Authority; Michael Carley, Federal Marine Commission; Janice Hahn, LA County Supervisor; Mike Gipson, State Assemblyman; Nanette Barragon, Congresswoman; to reject this plan until the residents of Wilmington are treated in a fair, equitable and transparent manner.

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por los residentes de Wilmington que están tomando medidas, este proyecto los dejaría sin la debida notificación sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por los siguientes motivos.

- El 3 de julio de 2018, el concejal Joe Busciano ofreció voluntariamente a la Ciudad de Wilmington como una ubicación potencial para la Vivienda de Puente / Estacionamiento Seguro (CF-180651) sin la participación previa de la comunidad de los residentes de Wilmington.
- El 5 de julio, el Sr. Busciano dio un comunicado de prensa de su intención. (Daily Breeze 05/07/18)
- El 9 de julio se realizó una reunión ese lunes por la mañana a las 10 a.m. en San Pedro para tratar este tema. United Way hizo una presentación que detalla cómo funcionará el proyecto, pero NO HABÍA UN SOLO REPRESENTANTE de la oficina del Sr. Buscaino.
- El 12 de julio, se llevó a cabo una reunión de Coffee with a Cop en Café Café en Wilmington para hablar sobre el refugio para personas sin hogar. OTRA VEZ, nadie de la oficina del Sr. Buscaino estaba presente.
- El 18 de julio, el Consejo Vecinal de Wilmington celebró una reunión especial de la Junta. NADIE de la oficina del Sr. Buscaino estaba allí, pero se nos informó que el Sr. Buscaino, su Jefe de Estado Mayor Jacob Haik y su Representante de Campo para Wilmington Fernando Navarrete estaban TODOS VACANTES.
- Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad (United Way Presentation y Daily Breeze Article)
- Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil. (Video de YouTube de Joe Buscaino SAFE PARKING)
- El Sr. Busciano quiere construir un GRAN parque seguro que cubra TODA la zona del puerto (Daily Breeze Article 07/05/18)
- El Sr. Busciano quiere construir TANTO Safe Park y Bridge Housing en Wilmington (Daily Breeze Article 07/05/18)
- El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)
- Sr. Buscaino las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por los residentes de Wilmington que están tomando medidas, este proyecto los dejaría sin la debida notificación sin ningún aporte de la comunidad y de manera injusta y no transparente.Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones: quiere finalizar su elección antes del 31 de julio. Al hacerlo, el Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué ciudades se beneficiarán del dinero extra. (Reunión de CSPNC 07/09/18)
- La presentación de United Way en San Pedro dice que estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar. No hay un plan para el otro 70%. (Presentación United Way 07/09/18)
- La propiedad propuesta tiene numerosas restricciones medioambientales. Si este fuera cualquier otro desarrollador, la propiedad estaría sujeta a numerosas pruebas de suelo y suelo, informes de impacto ambiental. Y Sujeto a las restricciones de la ordenanza del Alcalde para limpiar zonas verdes con mucha contaminación. La propiedad está en una zona de metano, además de estar a menos de una cuadra de una zona costera. La propiedad también es parte de Tidelands Trust. NINGUNA de estas pautas se sigue ya que la ciudad está EXENTA de estas restricciones. Esto plantea serias preguntas ambientales y de salud. (ZIMAS)
- No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas.
- Existe un conflicto con respecto al tipo de seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
- Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.
- No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas
- No se ha proporcionado una lista de medidas de seguridad para garantizar que se cumplan las directrices.

• NO PUEDO APOYAR ESTO CUANDO NO ME DAN UNA OPORTUNIDAD DE HACER PREGUNTAS, VOZ MIS PREOCUPACIONES O DAR ENTRADA

Yo, la parte interesada abajo firmante de Wilmington, estoy en contra del Proyecto de Estacionamiento Seguro y Puente a Casa propuesto y le pido al Concejal Joe Busciano, Alcalde Garcetti; Gene Seroka, Director Ejecutivo Puerto de Los Ángeles; Jamie L Lee, David Arian, Comisión del puerto; Kristen Decas, Autoridad Portuaria de California; Michael Carley, Comisión Federal de Marina; Janice Hahn, Supervisora del Condado de Los Ángeles; Mike Gipson, Asambleísta del Estado; Nanette Barragon, congresista; rechazar este plan hasta que los residentes de Wilmington sean tratados de manera justa, equitativa y transparente.

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- On July 3, 2018 Councilman Joe Busciano volunteered the City of Wilmington as a potential location for Bridge Housing/Safe Parking(CF-180651) without prior community input from residents of Wilmington.
- On July 5th Mr. Busciano gave a press release of his intent. (Daily Breeze 07/05/18)
- On July 9th a meeting was held on that Monday morning at 10am in San Pedro to address this issue. A presentation was given by United Way detailing how the project will work but NOT A SINGLE REPRESENTATIVE was there from Mr. Buscaino's office.
- On July 12th, Coffee with a Cop meeting was held at Café Café in Wilmington to discuss the homeless shelter. AGAIN NO ONE from Mr. Buscaino's office was present.
- On July 18th, the Wilmington Neighborhood Council held a Special Board Meeting. NO ONE from Mr. Buscaino's office was there but we were advised Mr. Buscaino, his Chief of Staff Jacob Haik and his Field Rep for Wilmington Fernando Navarrete were ALL ON VACATION.

I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- Mr. Busciano wants to build BOTH Safe Parking and Bridge Housing in Wilmington.[1]
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services[2]
- Safe Park is free overnight parking for RV's and those who live in their car.[3]
- Mr. Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area.
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)[4]
- Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what communities will benefit from the extra money.[5]
- These facilities will help LESS THAN 1/3 of the homeless population in Wilmington. There is no Plan for the other 70%[6]
- The Proposed Property has numerous environmental restrictions on it.(Methane Zone, Coastal Zone Tidelands Trust, CUGU) the City is EXEMPT from these restriction prompting several health and environmental concerns[7]
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- A conflict with regards to security to be provided. Council President Wesson states it will be L.A.P.D. United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures has been provided to ensure that guidelines are being met.
- Mr. Buscaino has failed to attend ant community meetings or send a representative to answer questions.
- **I CAN NOT SUPPORT THIS WHEN I AM NOT GIVEN AN OPPORTUNITY TO ASK QUESTIONS, VOICE MY CONCERNS OR GIVE INPUT.**

I, the undersigned stakeholder of Wilmington am against the Safe Parking and Bridge Home Project as proposed and reject this plan until the residents of Wilmington are treated in a fair, equitable and transparent manner.

If this would be any other developer the property would De subject to numerous soil and ground tests, Environmental imoact reports. And Subject to the restrictions of the Mayor's own ordinance for clean up green up for heavily polluted areas. The property is in a Methane zone, as well as being less than a block away from a Coastal Zone. The property is aiso part of the Tidelands Trust. NONE of these guidelines are being followed as the city is EXEMPT from these restrictions. This poses serious environmental and health questiors.(ZIMAS)

Petition Against Bridge Housing and Safe Parking in Wilmington As Approved

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- Mr. Busciano wants to build BOTH Safe Parking and Bridge Housing in Wilmington.[1]
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services[2]
- Safe Park is free overnight parking for RV's and those who live in their car.[3]
- Mr. Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area.
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)[4]
- Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what communities will benefit from the extra money.[5]
- These facilities will help LESS THAN 1/3 of the homeless population in Wilmington. There is no Plan for the other 70%[6]
- The Proposed Property has numerous environmental restrictions on it.(Methane Zone, Coastal Zone Tidelands Trust, CUGU) the City is EXEMPT from these restriction prompting several health and environmental concerns[7]
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?

- United Way Presentation in San Pedro says that these facilities will help LESS THAN 1/3 of the homeless population. There is no Plan for the other 70%.(United Way Presentation 07/09/18)
- The Proposed Property has numerous environmental restrictions on it. If this would be any other developer the property would be subject to numerous soil and ground tests, Environmental impact reports. And Subject to the restrictions of the Mayor's own ordinance for clean up green up for heavily polluted areas. The property is in a Methane zone, as well as being less than a block away from a Coastal Zone. The property is also part of the Tidelands Trust. NONE of these guidelines are being followed as the city is EXEMPT from these restrictions. This poses serious environmental and health questions.(ZIMAS)

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- On July 3, 2018 Councilman Joe Busciano volunteered the City of Wilmington as a potential location for Bridge Housing/Safe Parking(CF-180651) without prior community input from residents of Wilmington.
- On July 5th Mr. Busciano gave a press release of his intent. (Daily Breeze 07/05/18)
- On July 9th a meeting was held on that Monday morning at 10am in San Pedro to address this issue. A presentation was given by United Way detailing how the project will work but NOT A SINGLE REPRESENTATIVE was there from Mr. Buscaino's office.
- On July 12th, Coffee with a Cop meeting was held at Café Café in Wilmington to discuss the homeless shelter. AGAIN NO ONE from Mr. Buscaino's office was present.
- On July 18th, the Wilmington Neighborhood Council held a Special Board Meeting. NO ONE from Mr. Buscaino's office was there but we were advised Mr. Buscaino, his Chief of Staff Jacob Haik and his Field Rep for Wilmington Fernando Navarrete were ALL ON VACATION.
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services(United Way Presentation and Daily Breeze Article)

- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area (Daily Breeze Article 07/05/18)
- Mr. Busciano wants to build BOTH Safe Park and Bridge Housing in Wilmington (Daily Breeze Article 07/05/18)
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)
- Mr Buscaino he deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons: wants to finalize his choice by July 31st. In doing so Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what cities will benefit from the extra money.(CSPNC Meeting 07/09/18)
- United Way Presentation in San Pedro says that these facilities will help LESS THAN 1/3 of the homeless population. There is no Plan for the other 70%.(United Way Presentation 07/09/18)
- The Proposed Property has numerous environmental restrictions on it. If this would be any other developer the property would be subject to numerous soil and ground tests, Environmental impact reports. And Subject to the restrictions of the Mayor's own ordinance for clean up green up for heavily polluted areas. The property is in a Methane zone, as well as being less than a block away from a Coastal Zone. The property is also part of the Tidelands Trust. NONE of these guidelines are being followed as the city is EXEMPT from these restrictions. This poses serious environmental and health questions.(ZIMAS)
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- There is a conflict with regards to the type of security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.

Petition Against Bridge Housing and Safe Parking in Wilmington As Approved

CITIZENS FOR A BETTER WILMINGTON
PETITION

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification and without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge home for the following reasons:

- On July 3, 2018 Councilman Joe Busciano volunteered the City of Wilmington as a potential location for Bridge Housing/Safe Parking(CF-180651) without prior community input from residents of Wilmington.
- On July 5th Mr. Busciano gave a press release of his intent. (Daily Breeze 07/05/18)
- On July 9th a meeting was held on that Monday morning at 10am in San Pedro to address this issue. A presentation was given by United Way detailing how the project will work but NOT A SINGLE REPRESENTATIVE was there from Mr. Buscaino's office.
- On July 12th, Coffee with a Cop meeting was held at Café Café in Wilmington to discuss the homeless shelter. AGAIN NO ONE from Mr. Buscaino's office was present.
- On July 18th, the Wilmington Neighborhood Council held a Special Board Meeting. NO ONE from Mr. Buscaino's office was there but we were advised Mr. Buscaino, his Chief of Staff Jacob Haik and his Field Rep for Wilmington Fernando Navarrete were ALL ON VACATION.
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services(United Way Presentation and Daily Breeze Article)
- Safe Park is free overnight parking for RV's and those who live in their car.(Joe Buscaino SAFE PARKING YouTube Video)
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area (Daily Breeze Article 07/05/18)
- Mr. Busciano wants to build BOTH Safe Park and Bridge Housing in Wilmington (Daily Breeze Article 07/05/18)
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)
- Mr Buscaino wants to finalize his choice by July 31st. In doing so Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what cities will benefit from the extra money.(CSPNC Meeting 07/09/18)
- United Way Presentation in San Pedro says that these facilities will help LESS THAN 1/3 of the homeless population. There is no Plan for the other 70%.(United Way Presentation 07/09/18)
- The Proposed Property has numerous environmental restrictions on it. If this would be any other developer the property would be subject to numerous soil and ground tests, Environmental impact reports. And Subject to the restrictions of the mayors own ordinance for cleanup green up for heavily polluted areas. The property is in a Methane zone, as well as being less than a block away from a Coastal Zone. The property is also Part of the Tidelands Trust. NONE of these guidelines are being followed as the city is EXEMPT from these restrictions. This poses serious environmental and health questions.(ZIMAS)
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- On July 3, 2018 Councilman Joe Busciano volunteered the City of Wilmington as a potential location for Bridge Housing/Safe Parking(CF-180651) without prior community input from residents of Wilmington.
- On July 5th Mr. Busciano gave a press release of his intent. (Daily Breeze 07/05/18)
- On July 9th a meeting was held on that Monday morning at 10am in San Pedro to address this issue. A presentation was given by United Way detailing how the project will work but NOT A SINGLE REPRESENTATIVE was there from Mr. Buscaino's office.
- On July 12th, Coffee with a Cop meeting was held at Café Café in Wilmington to discuss the homeless shelter. AGAIN NO ONE from Mr. Buscaino's office was present.
- On July 18th, the Wilmington Neighborhood Council held a Special Board Meeting. NO ONE from Mr. Buscaino's office was there but we were advised Mr. Buscaino, his Chief of Staff Jacob Haik and his Field Rep for Wilmington Fernando Navarrete were ALL ON VACATION.
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services(United Way Presentation and Daily Breeze Article)
- Safe Park is free overnight parking for RV's and those who live in their car.(Joe Buscaino SAFE PARKING YouTube Video)

Mr. Busciano will decide what cities will benefit from the extra money.(CSPNC Meeting 07/09/18)

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por la acción de los residentes de Wilmington, este proyecto nos sorprendería sin la debida notificación, sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones:

El Sr. Busciano quiere construir AMBOS Estacionamientos Seguros y Viviendas del Puente en Wilmington.
• Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad.
• Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil.
• El Sr. Busciano quiere construir un GRAN parque seguro que cubrirá TODA la zona del puerto.
• El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)
• El Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué comunidades se beneficiarán con el dinero extra.
• Estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar en Wilmington. No hay un plan para el otro 70%

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- Mr. Busciano wants to build BOTH Safe Parking and Bridge Housing in Wilmington.[1]
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services[2]
- Safe Park is free overnight parking for RV's and those who live in their car.[3]
- Mr. Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area.
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)[4]
- Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what communities will benefit from the extra money.[5]
- These facilities will help LESS THAN 1/3 of the homeless population in Wilmington. There is no Plan for the other 70%[6]
- The Proposed Property has numerous environmental restrictions on it.(Methane Zone, Coastal Zone Tidelands Trust, CUGU) the City is EXEMPT from these restriction prompting several health and environmental concerns[7]
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- A conflict with regards to security to be provided. Council President Wesson states it will be L.A.P.D. United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures has been provided to ensure that guidelines are being met.
- Mr. Buscaino has failed to attend ant community meetings or send a representative to answer questions.
- **I CAN NOT SUPPORT THIS WHEN I AM NOT GIVEN AN OPPORTUNITY TO ASK QUESTIONS, VOICE MY CONCERNS OR GIVE INPUT.**

I, the undersigned stakeholder of Wilmington am against the Safe Parking and Bridge Home Project as proposed and reject this plan until the residents of Wilmington are treated in a fair, equitable and transparent manner.

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por la acción de los residentes de Wilmington, este proyecto nos sorprendería sin la debida notificación, sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones:

• El Sr. Busciano quiere construir AMBOS Estacionamientos Seguros y Viviendas del Puente en Wilmington.
• Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad.
• Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil.
• El Sr. Busciano quiere construir un GRAN parque seguro que cubrirá TODA la zona del puerto.
• El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- Mr. Busciano wants to build BOTH Safe Parking and Bridge Housing in Wilmington.[1]
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services[2]
- Safe Park is free overnight parking for RV's and those who live in their car.[3]
- Mr. Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area.
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)[4]
- Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what communities will benefit from the extra money.[5]
- These facilities will help LESS THAN 1/3 of the homeless population in Wilmington. There is no Plan for the other 70%[6]
- The Proposed Property has numerous environmental restrictions on it.(Methane Zone, Coastal Zone Tidelands Trust, CUGU) the City is EXEMPT from these restriction prompting several health and environmental concerns[7]
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- Mr. Busciano wants to build BOTH Safe Parking and Bridge Housing in Wilmington.[1]
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services[2]
- Safe Park is free overnight parking for RV's and those who live in their car.[3]
- Mr. Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area.
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)[4]
- Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what communities will benefit from the extra money.[5]
- These facilities will help LESS THAN 1/3 of the homeless population in Wilmington. There is no Plan for the other 70%[6]
- The Proposed Property has numerous environmental restrictions on it.(Methane Zone, Coastal Zone Tidelands Trust, CUGU) the City is EXEMPT from these restriction prompting several health and environmental concerns[7]
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por la acción de los residentes de Wilmington, este proyecto nos sorprendería sin la debida notificación, sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones:

• El Sr. Busciano quiere construir AMBOS Estacionamientos Seguros y Viviendas del Puente en Wilmington.
• Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad.
• Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil.
• El Sr. Busciano quiere construir un GRAN parque seguro que cubrirá TODA la zona del puerto.
• El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)
• El Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué comunidades se beneficiarán con el dinero extra.
• Estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar en Wilmington. No hay un plan para el otro 70%
La Propiedad Propuesta tiene numerosas restricciones medioambientales (Zona de Metano, Zona Costera, Fideicomiso Tidelands, CUGU). La Ciudad está EXENTA de estas restricciones que provocan varias preocupaciones de salud y medioambientales.
• No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas?
• Un conflicto con respecto a la seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
• Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.
• No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas
• No se ha proporcionado una lista de medidas de seguridad para garantizar que se cumplan las directrices.
• El Sr. Buscaino no asistió a las reuniones de la comunidad de hormigas o envió un representante para responder preguntas.
• NO PUEDO APOYAR ESTO CUANDO NO ME DAN LA OPORTUNIDAD DE HACER PREGUNTAS, VOZ MIS PREOCUPACIONES O DAR ENTRADA.

Yo, el interesado abajo firmante de Wilmington, estoy en contra del Proyecto Safe Parking and Bridge Home Project, tal como lo propuse y rechazo este plan hasta que los residentes de Wilmington reciban un trato justo, equitativo y transparente.

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por los residentes de Wilmington que están tomando medidas, este proyecto los dejaría sin la debida notificación sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por los siguientes motivos.

- El 3 de julio de 2018, el concejal Joe Busciano ofreció voluntariamente a la Ciudad de Wilmington como una ubicación potencial para la Vivienda de Puente / Estacionamiento Seguro (CF-180651) sin la participación previa de la comunidad de los residentes de Wilmington.
- El 5 de julio, el Sr. Busciano dio un comunicado de prensa de su intención. (Daily Breeze 05/07/18)
- El 9 de julio se realizó una reunión ese lunes por la mañana a las 10 a.m. en San Pedro para tratar este tema. United Way hizo una presentación que detalla cómo funcionará el proyecto, pero NO HABÍA UN SOLO REPRESENTANTE de la oficina del Sr. Buscaino.
- El 12 de julio, se llevó a cabo una reunión de Coffee with a Cop en Café Café en Wilmington para hablar sobre el refugio para personas sin hogar. OTRA VEZ, nadie de la oficina del Sr. Buscaino estaba presente.
- El 18 de julio, el Consejo Vecinal de Wilmington celebró una reunión especial de la Junta. NADIE de la oficina del Sr. Buscaino estaba allí, pero se nos informó que el Sr. Buscaino, su Jefe de Estado Mayor Jacob Haik y su Representante de Campo para Wilmington Fernando Navarrete estaban TODOS VACANTES.

Al hacerlo, el Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué ciudades se beneficiarán del dinero extra. (Reunión de CSPNC 07/09/18)

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- On July 3, 2018 Councilman Joe Busciano volunteered the City of Wilmington as a potential location for Bridge Housing/Safe Parking(CF-180651) without prior community input from residents of Wilmington.
- On July 5th Mr. Busciano gave a press release of his intent. (Daily Breeze 07/05/18)
- On July 9th a meeting was held on that Monday morning at 10am in San Pedro to address this issue. A presentation was given by United Way detailing how the project will work but NOT A SINGLE REPRESENTATIVE was there from Mr. Buscaino's office.
- On July 12th, Coffee with a Cop meeting was held at Café Café in Wilmington to discuss the homeless shelter. AGAIN NO ONE from Mr. Buscaino's office was present.
- On July 18th, the Wilmington Neighborhood Council held a Special Board Meeting. NO ONE from Mr. Buscaino's office was there but we were advised Mr. Buscaino, his Chief of Staff Jacob Haik and his Field Rep for Wilmington Fernando Navarrete were ALL ON VACATION.
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services(United Way Presentation and Daily Breeze Article)
- Safe Park is free overnight parking for RV's and those who live in their car.(Joe Buscaino SAFE PARKING YouTube Video)

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por los residentes de Wilmington que están tomando medidas, este proyecto los dejaría sin la debida notificación sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por los siguientes motivos.

- El 3 de julio de 2018, el concejal Joe Busciano ofreció voluntariamente a la Ciudad de Wilmington como una ubicación potencial para la Vivienda de Puente / Estacionamiento Seguro (CF-180651) sin la participación previa de la comunidad de los residentes de Wilmington.
- El 5 de julio, el Sr. Busciano dio un comunicado de prensa de su intención. (Daily Breeze 05/07/18)
- El 9 de julio se realizó una reunión ese lunes por la mañana a las 10 a.m. en San Pedro para tratar este tema. United Way hizo una presentación que detalla cómo funcionará el proyecto, pero NO HABÍA UN SOLO REPRESENTANTE de la oficina del Sr. Buscaino.
- El 12 de julio, se llevó a cabo una reunión de Coffee with a Cop en Café Café en Wilmington para hablar sobre el refugio para personas sin hogar. OTRA VEZ, nadie de la oficina del Sr. Buscaino estaba presente.
- El 18 de julio, el Consejo Vecinal de Wilmington celebró una reunión especial de la Junta. The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- On July 3, 2018 Councilman Joe Busciano volunteered the City of Wilmington as a potential location for Bridge Housing/Safe Parking(CF-180651) without prior community input from residents of Wilmington.
- On July 5th Mr. Busciano gave a press release of his intent. (Daily Breeze 07/05/18)
- On July 9th a meeting was held on that Monday morning at 10am in San Pedro to address this issue. A presentation was given by United Way detailing how the project will work but NOT A SINGLE REPRESENTATIVE was there from Mr. Buscaino's office.
- On July 12th, Coffee with a Cop meeting was held at Café Café in Wilmington to discuss the homeless shelter. AGAIN NO ONE from Mr. Buscaino's office was present.
- On July 18th, the Wilmington Neighborhood Council held a Special Board Meeting. NO ONE from Mr. Buscaino's office was there but we were advised Mr. Buscaino, his Chief of Staff Jacob Haik and his Field Rep for Wilmington Fernando Navarrete were ALL ON VACATION.
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services(United Way Presentation and Daily Breeze Article)
- Safe Park is free overnight parking for RV's and those who live in their car.(Joe Buscaino SAFE PARKING YouTube Video)
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area (Daily Breeze Article 07/05/18)
- Mr. Busciano wants to build BOTH Safe Park and Bridge Housing in Wilmington (Daily Breeze Article 07/05/18)
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)
- Mr Buscaino he deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons: wants to finalize his choice by July 31st. In doing so Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what cities will benefit from the extra money.(CSPNC Meeting 07/09/18)
- United Way Presentation in San Pedro says that these facilities will help LESS THAN 1/3 of the homeless population. There is no Plan for the other 70%.(United Way Presentation 07/09/18)
- The Proposed Property has numerous environmental restrictions on it. If this would be any other developer the property would be subject to numerous soil and ground tests, Environmental impact reports. And Subject to the restrictions of the Mayor's own ordinance for clean up green up for heavily polluted areas. The property is in a Methane zone, as well as being less than a block away from a Coastal Zone. The property is also part of the Tidelands Trust. NONE of these guidelines are being followed as the city is EXEMPT from these restrictions. This poses serious environmental and health questions.(ZIMAS)
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- There is a conflict with regards to the type of security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures have been provided to insure that guidelines are being met.
- **I CAN NOT SUPPORT THIS WHEN I AM NOT GIVEN AN OPPORTUNITY TO ASK QUESTIONS, VOICE MY CONCERNSOR GIVE INPUT.**

I, the undersigned stakeholder of Wilmington am against the Safe Parking and Bridge Home Project as proposed and ask Councilman Joe Busciano, Mayor Garcetti; Gene Seroka, Executive Director Port of Los Angeles; Jamie L Lee, David Arian, Harbor Commission; Kristen Decas, California Port Authority; Michael Carley, Federal Marine Commission; Janice Hahn, LA County Supervisor; Mike Gipson, State Assemblyman; Nanette Barragon, Congresswoman; to reject this plan until the residents of Wilmington are treated in a fair, equitable and transparent manner.

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- On July 3, 2018 Councilman Joe Busciano volunteered the City of Wilmington as a potential location for Bridge Housing/Safe Parking(CF-180651) without prior community input from residents of Wilmington.
- On July 5th Mr. Busciano gave a press release of his intent. (Daily Breeze 07/05/18)
- On July 9th a meeting was held on that Monday morning at 10am in San Pedro to address this issue. A presentation was given by United Way detailing how the project will work but NOT A SINGLE REPRESENTATIVE was there from Mr. Buscaino's office.
- On July 12th, Coffee with a Cop meeting was held at Café Café in Wilmington to discuss the homeless shelter. AGAIN NO ONE from Mr. Buscaino's office was present.
- On July 18th, the Wilmington Neighborhood Council held a Special Board Meeting. NO ONE from Mr. Buscaino's office was there but we were advised Mr. Buscaino, his Chief of Staff Jacob Haik and his Field Rep for Wilmington Fernando Navarrete were ALL ON VACATION.
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services(United Way Presentation and Daily Breeze Article)
- Safe Park is free overnight parking for RV's and those who live in their car.(Joe Buscaino SAFE PARKING YouTube Video)
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area (Daily Breeze Article 07/05/18)
- Mr. Busciano wants to build BOTH Safe Park and Bridge Housing in Wilmington (Daily Breeze Article 07/05/18)
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)

If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons: wants to finalize his choice by July 31st. In doing so Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what cities will benefit from the extra money.(CSPNC Meeting 07/09/18)
- United Way Presentation in San Pedro says that these facilities will help LESS THAN 1/3 of the homeless population. There is no Plan for the other 70%.(United Way Presentation 07/09/18)
- The Proposed Property has numerous environmental restrictions on it. If this would be any other developer the property would be subject to numerous soil and ground tests, Environmental impact reports. And Subject to the restrictions of the Mayor's own ordinance for clean up green up for heavily polluted areas. The property is in a Methane zone, as well as being less than a block away from a Coastal Zone. The property is also part of the Tidelands Trust. NONE of these guidelines are being followed as the city is EXEMPT from these restrictions. This poses serious environmental and health questions.(ZIMAS)
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- There is a conflict with regards to the type of security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por los residentes de Wilmington que están tomando medidas, este proyecto los dejaría sin la debida notificación sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por los siguientes motivos.

- El 3 de julio de 2018, el concejal Joe Busciano ofreció voluntariamente a la Ciudad de Wilmington como una ubicación potencial para la Vivienda de Puente / Estacionamiento Seguro (CF-180651) sin la participación previa de la comunidad de los residentes de Wilmington.

- El 9 de julio se realizó una reunión ese lunes por la mañana a las 10 a.m. en San Pedro para tratar este tema. United Way hizo una presentación que detalla cómo funcionará el proyecto, pero NO HABÍA UN SOLO REPRESENTANTE de la oficina del Sr. Buscaino.
- El 12 de julio, se llevó a cabo una reunión de Coffee with a Cop en Café Café en Wilmington para hablar sobre el refugio para personas sin hogar. OTRA VEZ, nadie de la oficina del Sr. Buscaino estaba presente.
- El 18 de julio, el Consejo Vecinal de Wilmington celebró una reunión especial de la Junta. NADIE de la oficina del Sr. Buscaino estaba allí, pero se nos informó que el Sr. Buscaino, su Jefe de Estado Mayor Jacob Haik y su Representante de Campo para Wilmington Fernando Navarrete estaban TODOS VACANTES.

Si no fuera por los residentes de Wilmington que están tomando medidas, este proyecto los dejaría sin la debida notificación sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por los siguientes motivos.

- El 3 de julio de 2018, el concejal Joe Busciano ofreció voluntariamente a la Ciudad de Wilmington como una ubicación potencial para la Vivienda de Puente / Estacionamiento Seguro (CF-180651) sin la participación previa de la comunidad de los residentes de Wilmington.
- El 5 de julio, el Sr. Busciano dio un comunicado de prensa de su intención. (Daily Breeze 05/07/18)
- El 9 de julio se realizó una reunión ese lunes por la mañana a las 10 a.m. en San Pedro para tratar este tema. United Way hizo una presentación que detalla como funcionará el proyecto, pero NO HABÍA UN SOLO REPRESENTANTE de la oficina del Sr. Buscaino.
- El 12 de julio, se llevó a cabo una reunión de Coffee with a Cop en Café Café en Wilmington para hablar sobre el refugio para personas sin hogar. OTRA VEZ, nadie de la oficina del Sr. Buscaino estaba presente.
- El 18 de julio, el Consejo Vecinal de Wilmington celebró una reunión especial de la Junta. NADIE de la oficina del Sr. Buscaino estaba allí, pero se nos informó que el Sr. Buscaino, su Jefe de Estado Mayor Jacob Haik y su Representante de Campo para Wilmington Fernando Navarrete estaban TODOS VACANTES.
- Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad (United Way Presentation y Daily Breeze Article)

Si no fuera por los residentes de Wilmington que están tomando medidas, este proyecto los dejaría sin la debida notificación sin ningún aporte de la comunidad y de manera injusta y no transparente.Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones: quiere finalizar su elección antes del 31 de julio. Al hacerlo, el Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué ciudades se beneficiarán del dinero extra. (Reunión de CSPNC 07/09/18)
- La presentación de United Way en San Pedro dice que estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar. No hay un plan para el otro 70%. (Presentación United Way 07/09/18)
- La propiedad propuesta tiene numerosas restricciones medioambientales. Si este fuera cualquier otro desarrollador, la propiedad estaría sujeta a numerosas pruebas de suelo y suelo, informes de impacto ambiental. Y Sujeto a las restricciones de la ordenanza del Alcalde para limpiar zonas verdes con mucha contaminación. La propiedad está en una zona de metano, además de estar a menos de una cuadra de una zona costera. La propiedad también es parte de Tidelands Trust. NINGUNA de estas pautas se sigue ya que la ciudad está EXENTA de estas restricciones. Esto plantea serias preguntas ambientales y de salud. (ZIMAS)
- No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas
- Existe un conflicto con respecto al tipo de seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
- Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.
- No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas
- No se ha proporcionado una lista de medidas de seguridad para garantizar que se cumplan las directrices.

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- On July 3, 2018 Councilman Joe Busciano volunteered the City of Wilmington as a potential location for Bridge Housing/Safe Parking(CF-180651) without prior community input from residents of Wilmington.
- On July 5th Mr. Busciano gave a press release of his intent. (Daily Breeze 07/05/18)
- On July 9th a meeting was held on that Monday morning at 10am in San Pedro to address this issue. A presentation was given by United Way detailing how the project will work but NOT A SINGLE REPRESENTATIVE was there from Mr. Buscaino's office.
- On July 12th, Coffee with a Cop meeting was held at Café Café in Wilmington to discuss the homeless shelter. AGAIN NO ONE from Mr. Buscaino's office was present.
- On July 18th, the Wilmington Neighborhood Council held a Special Board Meeting. NO ONE from Mr. Buscaino's office was there but we were advised Mr. Buscaino, his Chief of Staff Jacob Haik and his Field Rep for Wilmington Fernando Navarrete were ALL ON VACATION.
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services(United Way Presentation and Daily Breeze Article)
- Safe Park is free overnight parking for RV's and those who live in their car.(Joe Buscaino SAFE PARKING YouTube Video)
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area (Daily Breeze Article 07/05/18)
- Mr. Busciano wants to build BOTH Safe Park and Bridge Housing in Wilmington (Daily Breeze Article 07/05/18)
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)
- Mr Buscaino he deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons: wants to finalize his choice by July 31st. In doing so Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what cities will benefit from the extra money.(CSPNC Meeting 07/09/18)
- United Way Presentation in San Pedro says that these facilities will help LESS THAN 1/3 of the homeless population. There is no Plan for the other 70%.(United Way Presentation 07/09/18)
- The Proposed Property has numerous environmental restrictions on it. If this would be any other developer the property would be subject to numerous soil and ground tests, Environmental impact reports. And Subject to the restrictions of the Mayor's own ordinance for clean up green up for heavily polluted areas. The property is in a Methane zone, as well as being less than a block away from a Coastal Zone. The property is also part of the Tidelands Trust. NONE of these guidelines are being followed as the city is EXEMPT from these restrictions. This poses serious environmental and health questions.(ZIMAS)
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- There is a conflict with regards to the type of security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures have been provided to insure that guidelines are being met.
- **I CAN NOT SUPPORT THIS WHEN I AM NOT GIVEN AN OPPORTUNITY TO ASK QUESTIONS, VOICE MY CONCERNSOR GIVE INPUT.**

I, the undersigned stakeholder of Wilmington am against the Safe Parking and Bridge Home Project as proposed and ask Councilman Joe Busciano, Mayor Garcetti; Gene Seroka, Executive Director Port of Los Angeles; Jamie L Lee, David Arian, Harbor Commission; Kristen Decas, California Port Authority; Michael Carley, Federal Marine Commission; Janice Hahn, LA County Supervisor; Mike Gipson, State Assemblyman; Nanette Barragon, Congresswoman; to reject this plan until the residents of Wilmington are treated in a fair, equitable and transparent manner.

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por los residentes de Wilmington que están tomando medidas, este proyecto los dejaría sin la debida notificación sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por los siguientes motivos.

- El 3 de julio de 2018, el concejal Joe Busciano ofreció voluntariamente a la Ciudad de Wilmington como una ubicación potencial para la Vivienda de Puente / Estacionamiento Seguro (CF-180651) sin la participación previa de la comunidad de los residentes de Wilmington.
- El 5 de julio, el Sr. Busciano dio un comunicado de prensa de su intención. (Daily Breeze 05/07/18)
- El 9 de julio se realizó una reunión ese lunes por la mañana a las 10 a.m. en San Pedro para tratar este tema. United Way hizo una presentación que detalla cómo funcionará el proyecto, pero NO HABÍA UN SOLO REPRESENTANTE de la oficina del Sr. Buscaino.
- El 12 de julio, se llevó a cabo una reunión de Coffee with a Cop en Café Café en Wilmington para hablar sobre el refugio para personas sin hogar. OTRA VEZ, nadie de la oficina del Sr. Buscaino estaba presente.
- El 18 de julio, el Consejo Vecinal de Wilmington celebró una reunión especial de la Junta. NADIE de la oficina del Sr. Buscaino estaba allí, pero se nos informó que el Sr. Buscaino, su Jefe de Estado Mayor Jacob Haik y su Representante de Campo para Wilmington Fernando Navarrete estaban TODOS VACANTES.
- Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad (United Way Presentation y Daily Breeze Article)
- Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil. (Video de YouTube de Joe Buscaino SAFE PARKING)
- El Sr. Busciano quiere construir un GRAN parque seguro que cubra TODA la zona del puerto (Daily Breeze Article 07/05/18)
- El Sr. Busciano quiere construir TANTO Safe Park y Bridge Housing en Wilmington (Daily Breeze Article 07/05/18)
- El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)

Al hacerlo, el Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué ciudades se beneficiarán del dinero extra. (Reunión de CSPNC 07/09/18)
- La presentación de United Way en San Pedro dice que estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar. No hay un plan para el otro 70%. (Presentación United Way 07/09/18)
- La propiedad propuesta tiene numerosas restricciones medioambientales. Si este fuera cualquier otro desarrollador, la propiedad estaría sujeta a numerosas pruebas de suelo y suelo, informes de impacto ambiental. Y Sujeto a las restricciones de la ordenanza del Alcalde para limpiar zonas verdes con mucha contaminación. La propiedad está en una zona de metano, además de estar a menos de una cuadra de una zona costera. La propiedad también es parte de Tidelands Trust. NINGUNA de estas pautas se sigue ya que la ciudad está EXENTA de estas restricciones. Esto plantea serias preguntas ambientales y de salud. (ZIMAS)
- No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas.
- Existe un conflicto con respecto al tipo de seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L.A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
- Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- On July 3, 2018 Councilman Joe Busciano volunteered the City of Wilmington as a potential location for Bridge Housing/Safe Parking(CF-180651) without prior community input from residents of Wilmington.
- On July 5th Mr. Busciano gave a press release of his intent. (Daily Breeze 07/05/18)
- On July 9th a meeting was held on that Monday morning at 10am in San Pedro to address this issue. A presentation was given by United Way detailing how the project will work but NOT A SINGLE REPRESENTATIVE was there from Mr. Buscaino's office.
- On July 12th, Coffee with a Cop meeting was held at Café Café in Wilmington to discuss the homeless shelter. AGAIN NO ONE from Mr. Buscaino's office was present.
- On July 18th, the Wilmington Neighborhood Council held a Special Board Meeting. NO ONE from Mr. Buscaino's office was there but we were advised Mr. Buscaino, his Chief of Staff Jacob Haik and his Field Rep for Wilmington Fernando Navarrete were ALL ON VACATION.
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services(United Way Presentation and Daily Breeze Article)
- Safe Park is free overnight parking for RV's and those who live in their car.(Joe Buscaino SAFE PARKING YouTube Video)
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area (Daily Breeze Article 07/05/18)
- Mr. Busciano wants to build BOTH Safe Park and Bridge Housing in Wilmington (Daily Breeze Article 07/05/18)
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)
- Mr Buscaino he deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons: wants to finalize his choice by July 31st. In doing so Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what cities will benefit from the extra money.(CSPNC Meeting 07/09/18)
- United Way Presentation in San Pedro says that these facilities will help LESS THAN 1/3 of the homeless population. There is no Plan for the other 70%.(United Way Presentation 07/09/18)
- The Proposed Property has numerous environmental restrictions on it. If this would be any other developer the property would be subject to numerous soil and ground tests, Environmental impact reports. And Subject to the restrictions of the Mayor's own ordinance for clean up green up for heavily polluted areas. The property is in a Methane zone, as well as being less than a block away from a Coastal Zone. The property is also part of the Tidelands Trust. NONE of these guidelines are being followed as the city is EXEMPT from these restrictions. This poses serious environmental and health questions.(ZIMAS)
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- There is a conflict with regards to the type of security to be provided. Council President Wesson states it will be L.A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures have been provided to insure that guidelines are being met.
- **I CAN NOT SUPPORT THIS WHEN I AM NOT GIVEN AN OPPORTUNITY TO ASK QUESTIONS, VOICE MY CONCERNSOR GIVE INPUT.**

I, the undersigned stakeholder of Wilmington am against the Safe Parking and Bridge Home Project as proposed and ask Councilman Joe Busciano, Mayor Garcetti; Gene Seroka, Executive Director Port of Los Angeles; Jamie L Lee, David Arian, Harbor Commission; Kristen Decas, California Port Authority; Michael Carley, Federal Marine Commission; Janice Hahn, LA County Supervisor; Mike Gipson, State Assemblyman; Nanette Barragon, Congresswoman; to reject this plan until the residents of Wilmington are treated in a fair, equitable and transparent manner.

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por los residentes de Wilmington que están tomando medidas, este proyecto los dejaría sin la debida notificación sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por los siguientes motivos.

- El 3 de julio de 2018, el concejal Joe Busciano ofreció voluntariamente a la Ciudad de Wilmington como una ubicación potencial para la Vivienda de Puente / Estacionamiento Seguro (CF-180651) sin la participación previa de la comunidad de los residentes de Wilmington.
- El 5 de julio, el Sr. Busciano dio un comunicado de prensa de su intención. (Daily Breeze 05/07/18)
- El 9 de julio se realizó una reunión ese lunes por la mañana a las 10 a.m. en San Pedro para tratar este tema. United Way hizo una presentación que detalla cómo funcionará el proyecto, pero NO HABÍA UN SOLO REPRESENTANTE de la oficina del Sr. Buscaino.
- El 12 de julio, se llevó a cabo una reunión de Coffee with a Cop en Café Café en Wilmington para hablar sobre el refugio para personas sin hogar. OTRA VEZ, nadie de la oficina del Sr. Buscaino estaba presente.
- El 18 de julio, el Consejo Vecinal de Wilmington celebró una reunión especial de la Junta. NADIE de la oficina del Sr. Buscaino estaba allí, pero se nos informó que el Sr. Buscaino, su Jefe de Estado Mayor Jacob Haik y su Representante de Campo para Wilmington Fernando Navarrete estaban TODOS VACANTES.
- Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad (United Way Presentation y Daily Breeze Article)
- Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil. (Video de YouTube de Joe Buscaino SAFE PARKING)
- El Sr. Busciano quiere construir un GRAN parque seguro que cubra TODA la zona del puerto (Daily Breeze Article 07/05/18)
- El Sr. Busciano quiere construir TANTO Safe Park y Bridge Housing en Wilmington (Daily Breeze Article 07/05/18)
- El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)

Al hacerlo, el Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué ciudades se beneficiarán del dinero extra. (Reunión de CSPNC 07/09/18)
- La presentación de United Way en San Pedro dice que estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar. No hay un plan para el otro 70%. (Presentación United Way 07/09/18)
- La propiedad propuesta tiene numerosas restricciones medioambientales. Si este fuera cualquier otro desarrollador, la propiedad estaría sujeta a numerosas pruebas de suelo y suelo, informes de impacto ambiental. Y Sujeto a las restricciones de la ordenanza del Alcalde para limpiar zonas verdes con mucha contaminación. La propiedad está en una zona de metano, además de estar a menos de una cuadra de una zona costera. La propiedad también es parte de Tidelands Trust. NINGUNA de estas pautas se sigue ya que la ciudad está EXENTA de estas restricciones. Esto plantea serias preguntas ambientales y de salud. (ZIMAS)
- No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas.
- Existe un conflicto con respecto al tipo de seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
- Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.
- No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. - Mr Buscaino he deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons: wants to finalize his choice by July 31st. In doing so Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what cities will benefit from the extra money.(CSPNC Meeting 07/09/18)
- United Way Presentation in San Pedro says that these facilities will help LESS THAN 1/3 of the homeless population. There is no Plan for the other 70%.(United Way Presentation 07/09/18)
- The Proposed Property has numerous environmental restrictions on it. If this would be any other developer the property would be subject to numerous soil and ground tests, Environmental impact reports. And Subject to the restrictions of the Mayor's own ordinance for clean up green up for heavily polluted areas. The property is in a Methane zone, as well as being less than a block away from a Coastal Zone. The property is also part of the Tidelands Trust. NONE of these guidelines are being followed as the city is EXEMPT from these restrictions. This poses serious environmental and health questions.(ZIMAS)
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- There is a conflict with regards to the type of security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.

I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- On July 3, 2018 Councilman Joe Busciano volunteered the City of Wilmington as a potential location for Bridge Housing/Safe Parking(CF-180651) without prior community input from residents of Wilmington.
- On July 5th Mr. Busciano gave a press release of his intent. (Daily Breeze 07/05/18)
- On July 9th a meeting was held on that Monday morning at 10am in San Pedro to address this issue. A presentation was given by United Way detailing how the project will work but NOT A SINGLE REPRESENTATIVE was there from Mr. Buscaino's office.
- On July 12th, Coffee with a Cop meeting was held at Café Café in Wilmington to discuss the homeless shelter. AGAIN NO ONE from Mr. Buscaino's office was present.
- On July 18th, the Wilmington Neighborhood Council held a Special Board Meeting. NO ONE from Mr. Buscaino's office was there but we were advised Mr. Buscaino, his Chief of Staff Jacob Haik and his Field Rep for Wilmington Fernando Navarrete were ALL ON VACATION.
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services(United Way Presentation and Daily Breeze Article)
- Safe Park is free overnight parking for RV's and those who live in their car.(Joe Buscaino SAFE PARKING YouTube Video)
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area (Daily Breeze Article 07/05/18)
- Mr. Busciano wants to build BOTH Safe Park and Bridge Housing in Wilmington (Daily Breeze Article 07/05/18)
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)
- Mr Buscaino he deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons: wants to finalize his choice by July 31st. In doing so Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what cities will benefit from the extra money.(CSPNC Meeting 07/09/18)
- United Way Presentation in San Pedro says that these facilities will help LESS THAN 1/3 of the homeless population. There is no Plan for the other 70%.(United Way Presentation 07/09/18)
- The Proposed Property has numerous environmental restrictions on it. If this would be any other developer the property would be subject to numerous soil and ground tests, Environmental impact reports. And Subject to the restrictions of the Mayor's own ordinance for clean up green up for heavily polluted areas. The property is in a Methane zone, as well as being less than a block away from a Coastal Zone. The property is also part of the Tidelands Trust. NONE of these guidelines are being followed as the city is EXEMPT from these restrictions. This poses serious environmental and health questions.(ZIMAS)
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- There is a conflict with regards to the type of security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures have been provided to insure that guidelines are being met.
- **I CAN NOT SUPPORT THIS WHEN I AM NOT GIVEN AN OPPORTUNITY TO ASK QUESTIONS, VOICE MY CONCERNSOR GIVE INPUT.**

I, the undersigned stakeholder of Wilmington am against the Safe Parking and Bridge Home Project as proposed and ask Councilman Joe Busciano, Mayor Garcetti; Gene Seroka, Executive Director Port of Los Angeles; Jamie L Lee, David Arian, Harbor Commission; Kristen Decas, California Port Authority; Michael Carley, Federal Marine Commission; Janice Hahn, LA County Supervisor; Mike Gipson, State Assemblyman; Nanette Barragon, Congresswoman; to reject this plan until the residents of Wilmington are treated in a fair, equitable and transparent manner.

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por los residentes de Wilmington que están tomando medidas, este proyecto los dejaría sin la debida notificación sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por los siguientes motivos.

- El 3 de julio de 2018, el concejal Joe Busciano ofreció voluntariamente a la Ciudad de Wilmington como una ubicación potencial para la Vivienda de Puente / Estacionamiento Seguro (CF-180651) sin la participación previa de la comunidad de los residentes de Wilmington.
- El 5 de julio, el Sr. Busciano dio un comunicado de prensa de su intención. (Daily Breeze 05/07/18)
- El 9 de julio se realizó una reunión ese lunes por la mañana a las 10 a.m. en San Pedro para tratar este tema. United Way hizo una presentación que detalla cómo funcionará el proyecto, pero NO HABÍA UN SOLO REPRESENTANTE de la oficina del Sr. Buscaino
- El 12 de julio, se llevó a cabo una reunión de Coffee with a Cop en Café Café en Wilmington para hablar sobre el refugio para personas sin hogar. OTRA VEZ, nadie de la oficina del Sr. Buscaino estaba presente.
- El 18 de julio, el Consejo Vecinal de Wilmington celebró una reunión especial de la Junta. NADIE de la oficina del Sr. Buscaino estaba allí, pero se nos informó que el Sr. Buscaino, su Jefe de Estado Mayor Jacob Haik y su Representante de Campo para Wilmington Fernando Navarrete estaban TODOS VACANTES.
- Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad (United Way Presentation y Daily Breeze Article)
- Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil. (Video de YouTube de Joe Buscaino SAFE PARKING)
- El Sr. Busciano quiere construir un GRAN parque seguro que cubra TODA la zona del puerto (Daily Breeze Article 07/05/18)
- El Sr. Busciano quiere construir TANTO Safe Park y Bridge Housing en Wilmington (Daily Breeze Article 07/05/18)
- El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)

- La propiedad propuesta tiene numerosas restricciones medioambientales. Si este fuera cualquier otro desarrollador, la propiedad estaría sujeta a numerosas pruebas de suelo y suelo, informes de impacto ambiental. Y Sujeto a las restricciones de la ordenanza del Alcalde para limpiar zonas verdes con mucha contaminación. La propiedad está en una zona de metano, además de estar a menos de una cuadra de una zona costera. La propiedad también es parte de Tidelands Trust. NINGUNA de estas pautas se sigue ya que la ciudad está EXENTA de estas restricciones. Esto plantea serias preguntas ambientales y de salud. (ZIMAS)
- No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas.
- Existe un conflicto con respecto al tipo de seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
- Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.

Si no fuera por los residentes de Wilmington que están tomando medidas, este proyecto los dejaría sin la debida notificación sin ningún aporte de la comunidad y de manera injusta y no transparente.Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones: quiere finalizar su elección antes del 31 de julio. Al hacerlo, el Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué ciudades se beneficiarán del dinero extra. (Reunión de CSPNC 07/09/18)
- La presentación de United Way en San Pedro dice que estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar. No hay un plan para el otro 70%. (Presentación United Way 07/09/18)
- La propiedad propuesta tiene numerosas restricciones medioambientales. Si este fuera cualquier otro desarrollador, la propiedad estaría sujeta a numerosas pruebas de suelo y suelo, informes de impacto ambiental. Y Sujeto a las restricciones de la ordenanza del Alcalde para limpiar zonas verdes con mucha contaminación. La propiedad está en una zona de metano, además de estar a menos de una cuadra de una zona costera. La propiedad también es parte de Tidelands Trust. NINGUNA de estas pautas se sigue ya que la ciudad está EXENTA de estas restricciones. Esto plantea serias preguntas ambientales y de salud. (ZIMAS)

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- On July 3, 2018 Councilman Joe Busciano volunteered the City of Wilmington as a potential location for Bridge Housing/Safe Parking(CF-180651) without prior community input from residents of Wilmington.
- On July 5th Mr. Busciano gave a press release of his intent. (Daily Breeze 07/05/18)
- On July 9th a meeting was held on that Monday morning at 10am in San Pedro to address this issue. A presentation was given by United Way detailing how the project will work but NOT A SINGLE REPRESENTATIVE was there from Mr. Buscaino's office.
- On July 12th, Coffee with a Cop meeting was held at Café Café in Wilmington to discuss the homeless shelter. AGAIN NO ONE from Mr. Buscaino's office was present.
- On July 18th, the Wilmington Neighborhood Council held a Special Board Meeting. NO ONE from Mr. Buscaino's office was there but we were advised Mr. Buscaino, his Chief of Staff Jacob Haik and his Field Rep for Wilmington Fernando Navarrete were ALL ON VACATION.
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services(United Way Presentation and Daily Breeze Article)
- Safe Park is free overnight parking for RV's and those who live in their car.(Joe Buscaino SAFE PARKING YouTube Video)

Petition Against Bridge Housing and Safe Parking in Wilmington As Approved

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- On July 3, 2018 Councilman Joe Busciano volunteered the City of Wilmington as a potential location for Bridge Housing/Safe Parking(CF-180651) without prior community input from residents of Wilmington.
- On July 5th Mr. Busciano gave a press release of his intent. (Daily Breeze 07/05/18)
- On July 9th a meeting was held on that Monday morning at 10am in San Pedro to address this issue. A presentation was given by United Way detailing how the project will work but NOT A SINGLE REPRESENTATIVE was there from Mr. Buscaino's office.
- On July 12th, Coffee with a Cop meeting was held at Café Café in Wilmington to discuss the homeless shelter. AGAIN NO ONE from Mr. Buscaino's office was present.
- On July 18th, the Wilmington Neighborhood Council held a Special Board Meeting. NO ONE from Mr. Buscaino's office was there but we were advised Mr. Buscaino, his Chief of Staff Jacob Haik and his Field Rep for Wilmington Fernando Navarrete were ALL ON VACATION.
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services(United Way Presentation and Daily Breeze Article)
- Safe Park is free overnight parking for RV's and those who live in their car.(Joe Buscaino SAFE PARKING YouTube Video)
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area (Daily Breeze Article 07/05/18)
- Mr. Busciano wants to build BOTH Safe Park and Bridge Housing in Wilmington (Daily Breeze Article 07/05/18)
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)
- Mr Buscaino he deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons: wants to finalize his choice by July 31st. In doing so Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what cities will benefit from the extra money.(CSPNC Meeting 07/09/18)
- United Way Presentation in San Pedro says that these facilities will help LESS THAN 1/3 of the homeless population. There is no Plan for the other 70%.(United Way Presentation 07/09/18)
- The Proposed Property has numerous environmental restrictions on it. If this would be any other developer the property would be subject to numerous soil and ground tests, Environmental impact reports. And Subject to the restrictions of the Mayor's own ordinance for clean up green up for heavily polluted areas. The property is in a Methane zone, as well as being less than a block away from a Coastal Zone. The property is also part of the Tidelands Trust. NONE of these guidelines are being followed as the city is EXEMPT from these restrictions. This poses serious environmental and health questions.(ZIMAS)

In doing so Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what cities will benefit from the extra money.(CSPNC Meeting 07/09/18)
- United Way Presentation in San Pedro says that these facilities will help LESS THAN 1/3 of the homeless population. There is no Plan for the other 70%.(United Way Presentation 07/09/18)
- The Proposed Property has numerous environmental restrictions on it. If this would be any other developer the property would be subject to numerous soil and ground tests, Environmental impact reports. And Subject to the restrictions of the Mayor's own ordinance for clean up green up for heavily polluted areas. The property is in a Methane zone, as well as being less than a block away from a Coastal Zone. The property is also part of the Tidelands Trust. NONE of these guidelines are being followed as the city is EXEMPT from these restrictions. This poses serious environmental and health questions.(ZIMAS)
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- On July 3, 2018 Councilman Joe Busciano volunteered the City of Wilmington as a potential location for Bridge Housing/Safe Parking(CF-180651) without prior community input from residents of Wilmington.
- On July 5th Mr. Busciano gave a press release of his intent. (Daily Breeze 07/05/18)
- On July 9th a meeting was held on that Monday morning at 10am in San Pedro to address this issue. A presentation was given by United Way detailing how the project will work but NOT A SINGLE REPRESENTATIVE was there from Mr. Buscaino's office.
- On July 12th, Coffee with a Cop meeting was held at Café Café in Wilmington to discuss the homeless shelter. AGAIN NO ONE from Mr. Buscaino's office was present.
- On July 18th, the Wilmington Neighborhood Council held a Special Board Meeting. NO ONE from Mr. Buscaino's office was there but we were advised Mr. Buscaino, his Chief of Staff Jacob Haik and his Field Rep for Wilmington Fernando Navarrete were ALL ON VACATION.
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services(United Way Presentation and Daily Breeze Article)

- Mr Buscaino he deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons: wants to finalize his choice by July 31st. In doing so Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what cities will benefit from the extra money.(CSPNC Meeting 07/09/18)
- United Way Presentation in San Pedro says that these facilities will help LESS THAN 1/3 of the homeless population. There is no Plan for the other 70%.(United Way Presentation 07/09/18)
- The Proposed Property has numerous environmental restrictions on it. If this would be any other developer the property would be subject to numerous soil and ground tests, Environmental impact reports. And Subject to the restrictions of the Mayor's own ordinance for clean up green up for heavily polluted areas. The property is in a Methane zone, as well as being less than a block away from a Coastal Zone. The property is also part of the Tidelands Trust. NONE of these guidelines are being followed as the city is EXEMPT from these restrictions. This poses serious environmental and health questions.(ZIMAS)
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- There is a conflict with regards to the type of security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.

- United Way Presentation in San Pedro says that these facilities will help LESS THAN 1/3 of the homeless population. There is no Plan for the other 70%.(United Way Presentation 07/09/18)
- The Proposed Property has numerous environmental restrictions on it. If this would be any other developer the property would be subject to numerous soil and ground tests, Environmental impact reports. And Subject to the restrictions of the Mayor's own ordinance for clean up green up for heavily polluted areas. The property is in a Methane zone, as well as being less than a block away from a Coastal Zone. The property is also part of the Tidelands Trust. NONE of these guidelines are being followed as the city is EXEMPT from these restrictions. This poses serious environmental and health questions.(ZIMAS)
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- There is a conflict with regards to the type of security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures have been provided to insure that guidelines are being met.

I, the undersigned stakeholder of Wilmington am against the Safe Parking and Bridge Home Project as proposed and ask Councilman Joe Busciano, Mayor Garcetti; Gene Seroka, Executive Director Port of Los Angeles; Jamie L Lee, David Arian, Harbor Commission; Kristen Decas, California Port Authority; Michael Carley, Federal Marine Commission; Janice Hahn, LA County Supervisor; Mike Gipson, State Assemblyman; Nanette Barragon, Congresswoman; to reject this plan until the residents of Wilmington are treated in a fair, equitable and transparent manner.

Petition Against Bridge Housing and Safe Parking in Wilmington As Approved

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- On July 3, 2018 Councilman Joe Busciano volunteered the City of Wilmington as a potential location for Bridge Housing/Safe Parking(CF-180651) without prior community input from residents of Wilmington.
- On July 5th Mr. Busciano gave a press release of his intent. (Daily Breeze 07/05/18)
- On July 9th a meeting was held on that Monday morning at 10am in San Pedro to address this issue. A presentation was given by United Way detailing how the project will work but NOT A SINGLE REPRESENTATIVE was there from Mr. Buscaino's office.
- On July 12th, Coffee with a Cop meeting was held at Café Café in Wilmington to discuss the homeless shelter. AGAIN NO ONE from Mr. Buscaino's office was present.
- On July 18th, the Wilmington Neighborhood Council held a Special Board Meeting. NO ONE from Mr. Buscaino's office was there but we were advised Mr. Buscaino, his Chief of Staff Jacob Haik and his Field Rep for Wilmington Fernando Navarrete were ALL ON VACATION.
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services(United Way Presentation and Daily Breeze Article)
- Safe Park is free overnight parking for RV's and those who live in their car.(Joe Buscaino SAFE PARKING YouTube Video)
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area (Daily Breeze Article 07/05/18)
- Mr. Busciano wants to build BOTH Safe Park and Bridge Housing in Wilmington (Daily Breeze Article 07/05/18)

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:.

- Mr. Busciano wants to build BOTH Safe Parking and Bridge Housing in Wilmington.[1]
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services[2]
- Safe Park is free overnight parking for RV's and those who live in their car.[3]
- Mr. Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area.
- Mr. Busciano volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)[4]
- Mr. Busciano will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what communities will benefit from the extra money.[5]
- These facilities will help LESS THAN 1/3 of the homeless population in Wilmington. There is no Plan for the other 70%[6]
- The Proposed Property has numerous environmental restrictions on it.(Methane Zone, Coastal Zone Tidelands Trust, CUGU) the City is EXEMPT from these restriction prompting several health and environmental concerns[7]

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por los residentes de Wilmington que están tomando medidas, este proyecto los dejaría sin la debida notificación sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por los siguientes motivos.

- El 3 de julio de 2018, el concejal Joe Busciano ofreció voluntariamente a la Ciudad de Wilmington como una ubicación potencial para la Vivienda de Puente / Estacionamiento Seguro (CF-180651) sin la participación previa de la comunidad de los residentes de Wilmington.
- El 5 de julio, el Sr. Busciano dio un comunicado de prensa de su intención. (Daily Breeze 05/07/18)
- El 9 de julio se realizó una reunión ese lunes por la mañana a las 10 a.m. en San Pedro para tratar este tema. United Way hizo una presentación que detalla cómo funcionará el proyecto, pero NO HABÍA UN SOLO REPRESENTANTE de la oficina del Sr. Buscaino.
- El 12 de julio, se llevó a cabo una reunión de Coffee with a Cop en Café Café en Wilmington para hablar sobre el refugio para personas sin hogar. OTRA VEZ, nadie de la oficina del Sr. Buscaino estaba presente.
- El 18 de julio, el Consejo Vecinal de Wilmington celebró una reunión especial de la Junta. NADIE de la oficina del Sr. Buscaino estaba allí, pero se nos informó que el Sr. Buscaino, su Jefe de Estado Mayor Jacob Haik y su Representante de Campo para Wilmington Fernando Navarrete estaban TODOS VACANTES.
- Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad (United Way Presentation y Daily Breeze Article)
- Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil. (Video de YouTube de Joe Buscaino SAFE PARKING)
- El Sr. Busciano quiere construir un GRAN parque seguro que cubra TODA la zona del puerto (Daily Breeze Article 07/05/18)
- El Sr. Busciano quiere construir TANTO Safe Park y Bridge Housing en Wilmington (Daily Breeze Article 07/05/18)
- El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)
- Sr. Buscaino las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por los residentes de Wilmington que están tomando medidas, este proyecto los dejaría sin la debida notificación sin ningún aporte de la comunidad y de manera injusta y no transparente.Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones: quiere finalizar su elección antes del 31 de julio. Al hacerlo, el Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué ciudades se beneficiarán del dinero extra. (Reunión de CSPNC 07/09/18)
- La presentación de United Way en San Pedro dice que estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar. No hay un plan para el otro 70%. (Presentación United Way 07/09/18)
- La propiedad propuesta tiene numerosas restricciones medioambientales. Si este fuera cualquier otro desarrollador, la propiedad estaría sujeta a numerosas pruebas de suelo y suelo, informes de impacto ambiental. Y Sujeto a las restricciones de la ordenanza del Alcalde para limpiar zonas verdes con mucha contaminación. La propiedad está en una zona de metano, además de estar a menos de una cuadra de una zona costera. La propiedad también es parte de Tidelands Trust. NINGUNA de estas pautas se sigue ya que la ciudad está EXENTA de estas restricciones. Esto plantea serias preguntas ambientales y de salud. (ZIMAS)
- No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas.
- Existe un conflicto con respecto al tipo de seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
- Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.
- No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas
- No se ha proporcionado una lista de medidas de seguridad para garantizar que se cumplan las directrices.

• NO PUEDO APOYAR ESTO CUANDO NO ME DAN UNA OPORTUNIDAD DE HACER PREGUNTAS, VOZ MIS PREOCUPACIONES O DAR ENTRADA

Yo, la parte interesada abajo firmante de Wilmington, estoy en contra del Proyecto de Estacionamiento Seguro y Puente a Casa propuesto y le pido al Concejal Joe Busciano, Alcalde Garcetti; Gene Seroka, Director Ejecutivo Puerto de Los Ángeles; Jamie L Lee, David Arian, Comisión del puerto; Kristen Decas, Autoridad Portuaria de California; Michael Carley, Comisión Federal de Marina; Janice Hahn, Supervisora del Condado de Los Ángeles; Mike Gipson, Asambleísta del Estado; Nanette Barragon, congresista; rechazar este plan hasta que los residentes de Wilmington sean tratados de manera justa, equitativa y transparente.

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por la acción de los residentes de Wilmington, este proyecto nos sorprendería sin la debida notificación, sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones:

• El Sr. Busciano quiere construir AMBOS Estacionamientos Seguros y Viviendas del Puente en Wilmington.
• Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad.
• Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil.
• El Sr. Busciano quiere construir un GRAN parque seguro que cubrirá TODA la zona del puerto.
• El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)
• El Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué comunidades se beneficiarán con el dinero extra.
• Estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar en Wilmington. No hay un plan para el otro 70%
La Propiedad Propuesta tiene numerosas restricciones medioambientales (Zona de Metano, Zona Costera, Fideicomiso Tidelands, CUGU). La Ciudad está EXENTA de estas restricciones que provocan varias preocupaciones de salud y medioambientales.
• No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas?
• Un conflicto con respecto a la seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
• Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.
• No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas
• No se ha proporcionado una lista de medidas de seguridad para garantizar que se cumplan las directrices.
• El Sr. Buscaino no asistió a las reuniones de la comunidad de hormigas o envió un representante para responder preguntas.

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por la acción de los residentes de Wilmington, este proyecto nos sorprendería sin la debida notificación, sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones:

• El Sr. Busciano quiere construir AMBOS Estacionamientos Seguros y Viviendas del Puente en Wilmington.
• Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad.
• Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil.
• El Sr. Busciano quiere construir un GRAN parque seguro que cubrirá TODA la zona del puerto.
• El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)
• El Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué comunidades se beneficiarán con el dinero extra.
• Estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar en Wilmington. No hay un plan para el otro 70%
La Propiedad Propuesta tiene numerosas restricciones medioambientales (Zona de Metano, Zona Costera, Fideicomiso Tidelands, CUGU). La Ciudad está EXENTA de estas restricciones que provocan varias preocupaciones de salud y medioambientales.
• No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas?
• Un conflicto con respecto a la seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
• Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.
• No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas
• No se ha proporcionado una lista de medidas de seguridad para garantizar que se cumplan las directrices.
• El Sr. Buscaino no asistió a las reuniones de la comunidad de hormigas o envió un representante para responder preguntas.
• NO PUEDO APOYAR ESTO CUANDO NO ME DAN LA OPORTUNIDAD DE HACER PREGUNTAS, VOZ MIS PREOCUPACIONES O DAR ENTRADA.

Yo, el interesado abajo firmante de Wilmington, estoy en contra del Proyecto Safe Parking and Bridge Home Project, tal como lo propuse y rechazo este plan hasta que los residentes de Wilmington reciban un trato justo, equitativo y transparente.

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- On July 3, 2018 Councilman Joe Busciano volunteered the City of Wilmington as a potential location for Bridge Housing/Safe Parking(CF-180651) without prior community input from residents of Wilmington.
- On July 5th Mr. Busciano gave a press release of his intent. (Daily Breeze 07/05/18)
- On July 9th a meeting was held on that Monday morning at 10am in San Pedro to address this issue. A presentation was given by United Way detailing how the project will work but NOT A SINGLE REPRESENTATIVE was there from Mr. Buscaino's office.
- On July 12th, Coffee with a Cop meeting was held at Café Café in Wilmington to discuss the homeless shelter. AGAIN NO ONE from Mr. Buscaino's office was present.
- On July 18th, the Wilmington Neighborhood Council held a Special Board Meeting. NO ONE from Mr. Buscaino's office was there but we were advised Mr. Buscaino, his Chief of Staff Jacob Haik and his Field Rep for Wilmington Fernando Navarrete were ALL ON VACATION.
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services(United Way Presentation and Daily Breeze Article)
- Safe Park is free overnight parking for RV's and those who live in their car.(Joe Buscaino SAFE PARKING YouTube Video)
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area (Daily Breeze Article 07/05/18)
- Mr. Busciano wants to build BOTH Safe Park and Bridge Housing in Wilmington (Daily Breeze Article 07/05/18)
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)
- Mr Buscaino he deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons: wants to finalize his choice by July 31st. In doing so Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what cities will benefit from the extra money.(CSPNC Meeting 07/09/18)
- United Way Presentation in San Pedro says that these facilities will help LESS THAN 1/3 of the homeless population. There is no Plan for the other 70%.(United Way Presentation 07/09/18)
- The Proposed Property has numerous environmental restrictions on it. If this would be any other developer the property would be subject to numerous soil and ground tests, Environmental impact reports. And Subject to the restrictions of the Mayor's own ordinance for clean up green up for heavily polluted areas. The property is in a Methane zone, as well as being less than a block away from a Coastal Zone. The property is also part of the Tidelands Trust. NONE of these guidelines are being followed as the city is EXEMPT from these restrictions. This poses serious environmental and health questions.(ZIMAS)
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- There is a conflict with regards to the type of security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures have been provided to insure that guidelines are being met.
- I CAN NOT SUPPORT THIS WHEN I AM NOT GIVEN AN OPPORTUNITY TO ASK QUESTIONS, VOICE MY CONCERNSOR GIVE INPUT.

I, the undersigned stakeholder of Wilmington am against the Safe Parking and Bridge Home Project as proposed and ask Councilman Joe Busciano, Mayor Garcetti; Gene Seroka, Executive Director Port of Los Angeles; Jamie L Lee, David Arian, Harbor Commission; Kristen Decas, California Port Authority; Michael Carley, Federal Marine Commission; Janice Hahn, LA County Supervisor; Mike Gipson, State Assemblyman; Nanette Barragon, Congresswoman; to reject this plan until the residents of Wilmington are treated in a fair, equitable and transparent manner.

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por los residentes de Wilmington que están tomando medidas, este proyecto los dejaría sin la debida notificación sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por los siguientes motivos.

- El 3 de julio de 2018, el concejal Joe Busciano ofreció voluntariamente a la Ciudad de Wilmington como una ubicación potencial para la Vivienda de Puente / Estacionamiento Seguro (CF-180651) sin la participación previa de la comunidad de los residentes de Wilmington.
- El 5 de julio, el Sr. Busciano dio un comunicado de prensa de su intención. (Daily Breeze 05/07/18)
- El 9 de julio se realizó una reunión ese lunes por la mañana a las 10 a.m. en San Pedro para tratar este tema. United Way hizo una presentación que detalla cómo funcionará el proyecto, pero NO HABÍA UN SOLO REPRESENTANTE de la oficina del Sr. Buscaino.
- El 12 de julio, se llevó a cabo una reunión de Coffee with a Cop en Café Café en Wilmington para hablar sobre el refugio para personas sin hogar. OTRA VEZ, nadie de la oficina del Sr. Buscaino estaba presente.
- El 18 de julio, el Consejo Vecinal de Wilmington celebró una reunión especial de la Junta. NADIE de la oficina del Sr. Buscaino estaba allí, pero se nos informó que el Sr. Buscaino, su Jefe de Estado Mayor Jacob Haik y su Representante de Campo para Wilmington Fernando Navarrete estaban TODOS VACANTES.
- Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad (United Way Presentation y Daily Breeze Article)
- Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil. (Video de YouTube de Joe Buscaino SAFE PARKING)
- El Sr. Busciano quiere construir un GRAN parque seguro que cubra TODA la zona del puerto (Daily Breeze Article 07/05/18)

- La propiedad propuesta tiene numerosas restricciones medioambientales. Si este fuera cualquier otro desarrollador, la propiedad estaría sujeta a numerosas pruebas de suelo y suelo, informes de impacto ambiental. Y Sujeto a las restricciones de la ordenanza del Alcalde para limpiar zonas verdes con mucha contaminación. La propiedad está en una zona de metano, además de estar a menos de una cuadra de una zona costera. La propiedad también es parte de Tidelands Trust. NINGUNA de estas pautas se sigue ya que la ciudad está EXENTA de estas restricciones. Esto plantea serias preguntas ambientales y de salud. (ZIMAS)

I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- On July 3, 2018 Councilman Joe Busciano volunteered the City of Wilmington as a potential location for Bridge Housing/Safe Parking(CF-180651) without prior community input from residents of Wilmington.
- On July 5th Mr. Busciano gave a press release of his intent. (Daily Breeze 07/05/18)
- On July 9th a meeting was held on that Monday morning at 10am in San Pedro to address this issue. A presentation was given by United Way detailing how the project will work but NOT A SINGLE REPRESENTATIVE was there from Mr. Buscaino's office.
- On July 12th, Coffee with a Cop meeting was held at Café Café in Wilmington to discuss the homeless shelter. AGAIN NO ONE from Mr. Buscaino's office was present.
- On July 18th, the Wilmington Neighborhood Council held a Special Board Meeting. NO ONE from Mr. Buscaino's office was there but we were advised Mr. Buscaino, his Chief of Staff Jacob Haik and his Field Rep for Wilmington Fernando Navarrete were ALL ON VACATION.
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services(United Way Presentation and Daily Breeze Article)
- Safe Park is free overnight parking for RV's and those who live in their car.(Joe Buscaino SAFE PARKING YouTube Video)
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area (Daily Breeze Article 07/05/18)
- Mr. Busciano wants to build BOTH Safe Park and Bridge Housing in Wilmington (Daily Breeze Article 07/05/18)
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)
- Mr Buscaino he deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons: wants to finalize his choice by July 31st. In doing so Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what cities will benefit from the extra money.(CSPNC Meeting 07/09/18)
- United Way Presentation in San Pedro says that these facilities will help LESS THAN 1/3 of the homeless population. There is no Plan for the other 70%.(United Way Presentation 07/09/18)
- The Proposed Property has numerous environmental restrictions on it. If this would be any other developer the property would be subject to numerous soil and ground tests, Environmental impact reports. And Subject to the restrictions of the Mayor's own ordinance for clean up green up for heavily polluted areas. The property is in a Methane zone, as well as being less than a block away from a Coastal Zone. The property is also part of the Tidelands Trust. NONE of these guidelines are being followed as the city is EXEMPT from these restrictions. This poses serious environmental and health questions.(ZIMAS)
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- There is a conflict with regards to the type of security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures have been provided to insure that guidelines are being met.
- **I CAN NOT SUPPORT THIS WHEN I AM NOT GIVEN AN OPPORTUNITY TO ASK QUESTIONS, VOICE MY CONCERNSOR GIVE INPUT.**

I, the undersigned stakeholder of Wilmington am against the Safe Parking and Bridge Home Project as proposed and ask Councilman Joe Busciano, Mayor Garcetti; Gene Seroka, Executive Director Port of Los Angeles; Jamie L Lee, David Arian, Harbor Commission; Kristen Decas, California Port Authority; Michael Carley, Federal Marine Commission; Janice Hahn, LA County Supervisor; Mike Gipson, State Assemblyman; Nanette Barragon, Congresswoman; to reject this plan until the residents of Wilmington are treated in a fair, equitable and transparent manner.

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por los residentes de Wilmington que están tomando medidas, este proyecto los dejaría sin la debida notificación sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por los siguientes motivos.

- El 3 de julio de 2018, el concejal Joe Busciano ofreció voluntariamente a la Ciudad de Wilmington como una ubicación potencial para la Vivienda de Puente / Estacionamiento Seguro (CF-180651) sin la participación previa de la comunidad de los residentes de Wilmington.
- El 5 de julio, el Sr. Busciano dio un comunicado de prensa de su intención. (Daily Breeze 05/07/18)
- El 9 de julio se realizó una reunión ese lunes por la mañana a las 10 a.m. en San Pedro para tratar este tema. United Way hizo una presentación que detalla cómo funcionará el proyecto, pero NO HABÍA UN SOLO REPRESENTANTE de la oficina del Sr. Buscaino.
- El 12 de julio, se llevó a cabo una reunión de Coffee with a Cop en Café Café en Wilmington para hablar sobre el refugio para personas sin hogar. OTRA VEZ, nadie de la oficina del Sr. Buscaino estaba presente.
- El 18 de julio, el Consejo Vecinal de Wilmington celebró una reunión especial de la Junta. NADIE de la oficina del Sr. Buscaino estaba allí, pero se nos informó que el Sr. Buscaino, su Jefe de Estado Mayor Jacob Haik y su Representante de Campo para Wilmington Fernando Navarrete estaban TODOS VACANTES.
- Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad (United Way Presentation y Daily Breeze Article)
- Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil. (Video de YouTube de Joe Buscaino SAFE PARKING)
- El Sr. Busciano quiere construir un GRAN parque seguro que cubra TODA la zona del puerto (Daily Breeze Article 07/05/18)
- El Sr. Busciano quiere construir TANTO Safe Park y Bridge Housing en Wilmington (Daily Breeze Article 07/05/18)

Al hacerlo, el Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué ciudades se beneficiarán del dinero extra. (Reunión de CSPNC 07/09/18)
- La presentación de United Way en San Pedro dice que estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar. No hay un plan para el otro 70%. (Presentación United Way 07/09/18)
- La propiedad propuesta tiene numerosas restricciones medioambientales. Si este fuera cualquier otro desarrollador, la propiedad estaría sujeta a numerosas pruebas de suelo y suelo, informes de impacto ambiental. Y Sujeto a las restricciones de la ordenanza del Alcalde para limpiar zonas verdes con mucha contaminación. La propiedad está en una zona de metano, además de estar a menos de una cuadra de una zona costera. La propiedad también es parte de Tidelands Trust. NINGUNA de estas pautas se sigue ya que la ciudad está EXENTA de estas restricciones. Esto plantea serias preguntas ambientales y de salud. (ZIMAS)
- No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas
- Existe un conflicto con respecto al tipo de seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
- Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.
- No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas
- No se ha proporcionado una lista de medidas de seguridad para garantizar que se cumplan las directrices.

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por los residentes de Wilmington que están tomando medidas, este proyecto los dejaría sin la debida notificación sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por los siguientes motivos.

- El 3 de julio de 2018, el concejal Joe Busciano ofreció voluntariamente a la Ciudad de Wilmington como una ubicación potencial para la Vivienda de Puente / Estacionamiento Seguro (CF-180651) sin la participación previa de la comunidad de los residentes de Wilmington.
- El 5 de julio, el Sr. Busciano dio un comunicado de prensa de su intención. (Daily Breeze 05/07/18)
- El 9 de julio se realizó una reunión ese lunes por la mañana a las 10 a.m. en San Pedro para tratar este tema. United Way hizo una presentación que detalla cómo funcionará el proyecto, pero NO HABÍA UN SOLO REPRESENTANTE de la oficina del Sr. Buscaino.
- El 12 de julio, se llevó a cabo una reunión de Coffee with a Cop en Café Café en Wilmington para hablar sobre el refugio para personas sin hogar. OTRA VEZ, nadie de la oficina del Sr. Buscaino estaba presente.
- El 18 de julio, el Consejo Vecinal de Wilmington celebró una reunión especial de la Junta. NADIE de la oficina del Sr. Buscaino estaba allí, pero se nos informó que el Sr. Buscaino, su Jefe de Estado Mayor Jacob Haik y su Representante de Campo para Wilmington Fernando Navarrete estaban TODOS VACANTES.
- Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad (United Way Presentation y Daily Breeze Article)
- Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil. (Video de YouTube de Joe Buscaino SAFE PARKING)

- Mr Buscaino he deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons: wants to finalize his choice by July 31st. In doing so Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what cities will benefit from the extra money.(CSPNC Meeting 07/09/18)
- United Way Presentation in San Pedro says that these facilities will help LESS THAN 1/3 of the homeless population. There is no Plan for the other 70%.(United Way Presentation 07/09/18)
- The Proposed Property has numerous environmental restrictions on it. If this would be any other developer the property would be subject to numerous soil and ground tests, Environmental impact reports. And Subject to the restrictions of the Mayor's own ordinance for clean up green up for heavily polluted areas. The property is in a Methane zone, as well as being less than a block away from a Coastal Zone. The property is also part of the Tidelands Trust. Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por la acción de los residentes de Wilmington, este proyecto nos sorprendería sin la debida notificación, sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones:

• El Sr. Busciano quiere construir AMBOS Estacionamientos Seguros y Viviendas del Puente en Wilmington.
• Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad.
• Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil.
• El Sr. Busciano quiere construir un GRAN parque seguro que cubrirá TODA la zona del puerto.
• El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)
• El Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué comunidades se beneficiarán con el dinero extra.
• Estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar en Wilmington. No hay un plan para el otro 70%
La Propiedad Propuesta tiene numerosas restricciones medioambientales (Zona de Metano, Zona Costera, Fideicomiso Tidelands, CUGU). La Ciudad está EXENTA de estas restricciones que provocan varias preocupaciones de salud y medioambientales.
• No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas?
• Un conflicto con respecto a la seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
• Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.
• No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas
• No se ha proporcionado una lista de medidas de seguridad para garantizar que se cumplan las directrices.
• El Sr. Buscaino no asistió a las reuniones de la comunidad de hormigas o envió un representante para responder preguntas.
• NO PUEDO APOYAR ESTO CUANDO NO ME DAN LA OPORTUNIDAD DE HACER PREGUNTAS, VOZ MIS PREOCUPACIONES O DAR ENTRADA.

Yo, el interesado abajo firmante de Wilmington, estoy en contra del Proyecto Safe Parking and Bridge Home Project, tal como lo propuse y rechazo este plan hasta que los residentes de Wilmington reciban un trato justo, equitativo y transparente.

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- Mr. Busciano wants to build BOTH Safe Parking and Bridge Housing in Wilmington.[1]
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services[2]
- Safe Park is free overnight parking for RV's and those who live in their car.[3]
- Mr. Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area.
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)[4]
- Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what communities will benefit from the extra money.[5]
- These facilities will help LESS THAN 1/3 of the homeless population in Wilmington. There is no Plan for the other 70%[6]
- The Proposed Property has numerous environmental restrictions on it.(Methane Zone, Coastal Zone Tidelands Trust, CUGU) the City is EXEMPT from these restriction prompting several health and environmental concerns[7]
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- A conflict with regards to security to be provided. Council President Wesson states it will be L.A.P.D. United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures has been provided to ensure that guidelines are being met.

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por los residentes de Wilmington que están tomando medidas, este proyecto los dejaría sin la debida notificación sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por los siguientes motivos.

- El 3 de julio de 2018, el concejal Joe Busciano ofreció voluntariamente a la Ciudad de Wilmington como una ubicación potencial para la Vivienda de Puente / Estacionamiento Seguro (CF-180651) sin la participación previa de la comunidad de los residentes de Wilmington.
- El 5 de julio, el Sr. Busciano dio un comunicado de prensa de su intención. (Daily Breeze 05/07/18)
- El 9 de julio se realizó una reunión ese lunes por la mañana a las 10 a.m. en San Pedro para tratar este tema. United Way hizo una presentación que detalla cómo funcionará el proyecto, pero NO HABÍA UN SOLO REPRESENTANTE de la oficina del Sr. Buscaino.
- El 12 de julio, se llevó a cabo una reunión de Coffee with a Cop en Café Café en Wilmington para hablar sobre el refugio para personas sin hogar. OTRA VEZ, nadie de la oficina del Sr. Buscaino estaba presente.
- El 18 de julio, el Consejo Vecinal de Wilmington celebró una reunión especial de la Junta. NADIE de la oficina del Sr. Buscaino estaba allí, pero se nos informó que el Sr. Buscaino, su Jefe de Estado Mayor Jacob Haik y su Representante de Campo para Wilmington Fernando Navarrete estaban TODOS VACANTES.
- Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad (United Way Presentation y Daily Breeze Article)
- Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil. (Video de YouTube de Joe Buscaino SAFE PARKING)
- El Sr. Busciano quiere construir un GRAN parque seguro que cubra TODA la zona del puerto (Daily Breeze Article 07/05/18)
- El Sr. Busciano quiere construir TANTO Safe Park y Bridge Housing en Wilmington (Daily Breeze Article 07/05/18)
- El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)
- Sr. Buscaino las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por los residentes de Wilmington que están tomando medidas, este proyecto los dejaría sin la debida notificación sin ningún aporte de la comunidad y de manera injusta y no transparente.Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones: quiere finalizar su elección antes del 31 de julio. Al hacerlo, el Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué ciudades se beneficiarán del dinero extra. (Reunión de CSPNC 07/09/18)
- La presentación de United Way en San Pedro dice que estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar. No hay un plan para el otro 70%. (Presentación United Way 07/09/18)
- La propiedad propuesta tiene numerosas restricciones medioambientales. Si este fuera cualquier otro desarrollador, la propiedad estaría sujeta a numerosas pruebas de suelo y suelo, informes de impacto ambiental. Y Sujeto a las restricciones de la ordenanza del Alcalde para limpiar zonas verdes con mucha contaminación. La propiedad está en una zona de metano, además de estar a menos de una cuadra de una zona costera. La propiedad también es parte de Tidelands Trust. NINGUNA de estas pautas se sigue ya que la ciudad está EXENTA de estas restricciones. Esto plantea serias preguntas ambientales y de salud. (ZIMAS)
- No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas.
- Existe un conflicto con respecto al tipo de seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
- Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.
- No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas
- No se ha proporcionado una lista de medidas de seguridad para garantizar que se cumplan las directrices.

- NO PUEDO APOYAR ESTO CUANDO NO ME DAN UNA OPORTUNIDAD DE HACER PREGUNTAS, VOZ MIS PREOCUPACIONES O DAR ENTRADA

Yo, la parte interesada abajo firmante de Wilmington, estoy en contra del Proyecto de Estacionamiento Seguro y Puente a Casa propuesto y le pido al Concejal Joe Busciano, Alcalde Garcetti; Gene Seroka, Director Ejecutivo Puerto de Los Ángeles; Jamie L Lee, David Arian, Comisión del puerto; Kristen Decas, Autoridad Portuaria de California; Michael Carley, Comisión Federal de Marina; Janice Hahn, Supervisora del Condado de Los Ángeles; Mike Gipson, Asambleísta del Estado; Nanette Barragon, congresista; rechazar este plan hasta que los residentes de Wilmington sean tratados de manera justa, equitativa y transparente.

If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- On July 3, 2018 Councilman Joe Busciano volunteered the City of Wilmington as a potential location for Bridge Housing/Safe Parking(CF-180651) without prior community input from residents of Wilmington.
- On July 5th Mr. Busciano gave a press release of his intent. (Daily Breeze 07/05/18)
- On July 9th a meeting was held on that Monday morning at 10am in San Pedro to address this issue. A presentation was given by United Way detailing how the project will work but NOT A SINGLE REPRESENTATIVE was there from Mr. Buscaino's office.
- On July 12th, Coffee with a Cop meeting was held at Café Café in Wilmington to discuss the homeless shelter. AGAIN NO ONE from Mr. Buscaino's office was present.
- On July 18th, the Wilmington Neighborhood Council held a Special Board Meeting. NO ONE from Mr. Buscaino's office was there but we were advised Mr. Buscaino, his Chief of Staff Jacob Haik and his Field Rep for Wilmington Fernando Navarrete were ALL ON VACATION.
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services(United Way Presentation and Daily Breeze Article)
- Safe Park is free overnight parking for RV's and those who live in their car.(Joe Buscaino SAFE PARKING YouTube Video)
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area (Daily Breeze Article 07/05/18)
- Mr. Busciano wants to build BOTH Safe Park and Bridge Housing in Wilmington (Daily Breeze Article 07/05/18)
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)
- Mr Buscaino he deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons: wants to finalize his choice by July 31st. In doing so Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what cities will benefit from the extra money.(CSPNC Meeting 07/09/18)
- United Way Presentation in San Pedro says that these facilities will help LESS THAN 1/3 of the homeless population. There is no Plan for the other 70%.(United Way Presentation 07/09/18)
- The Proposed Property has numerous environmental restrictions on it. If this would be any other developer the property would be subject to numerous soil and ground tests, Environmental impact reports. And Subject to the restrictions of the Mayor's own ordinance for clean up green up for heavily polluted areas. The property is in a Methane zone, as well as being less than a block away from a Coastal Zone. The property is also part of the Tidelands Trust. NONE of these guidelines are being followed as the city is EXEMPT from these restrictions. This poses serious environmental and health questions.(ZIMAS)
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- There is a conflict with regards to the type of security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures have been provided to insure that guidelines are being met.
- **I CAN NOT SUPPORT THIS WHEN I AM NOT GIVEN AN OPPORTUNITY TO ASK QUESTIONS, VOICE MY CONCERNSOR GIVE INPUT.**

I, the undersigned stakeholder of Wilmington am against the Safe Parking and Bridge Home Project as proposed and ask Councilman Joe Busciano, Mayor Garcetti; Gene Seroka, Executive Director Port of Los Angeles; Jamie L Lee, David Arian, Harbor Commission; Kristen Decas, California Port Authority; Michael Carley, Federal Marine Commission; Janice Hahn, LA County Supervisor; Mike Gipson, State Assemblyman; Nanette Barragon, Congresswoman; to reject this plan until the residents of Wilmington are treated in a fair, equitable and transparent manner.

- On July 12th, Coffee with a Cop meeting was held at Café Café in Wilmington to discuss the homeless shelter. AGAIN NO ONE from Mr. Buscaino's office was present.
- On July 18th, the Wilmington Neighborhood Council held a Special Board Meeting. NO ONE from Mr. Buscaino's office was there but we were advised Mr. Buscaino, his Chief of Staff Jacob Haik and his Field Rep for Wilmington Fernando Navarrete were ALL ON VACATION.
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services(United Way Presentation and Daily Breeze Article)
- Safe Park is free overnight parking for RV's and those who live in their car.(Joe Buscaino SAFE PARKING YouTube Video)
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area (Daily Breeze Article 07/05/18)
- Mr. Busciano wants to build BOTH Safe Park and Bridge Housing in Wilmington (Daily Breeze Article 07/05/18)
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)
- Mr Buscaino he deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons: wants to finalize his choice by July 31st. In doing so Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what cities will benefit from the extra money.(CSPNC Meeting 07/09/18)
- United Way Presentation in San Pedro says that these facilities will help LESS THAN 1/3 of the homeless population. There is no Plan for the other 70%.(United Way Presentation 07/09/18)
- The Proposed Property has numerous environmental restrictions on it. If this would be any other developer the property would be subject to numerous soil and ground tests, Environmental impact reports. And Subject to the restrictions of the Mayor's own ordinance for clean up green up for heavily polluted areas. The property is in a Methane zone, as well as being less than a block away from a Coastal Zone. The property is also part of the Tidelands Trust. NONE of these guidelines are being followed as the city is EXEMPT from these restrictions. This poses serious environmental and health questions.(ZIMAS)
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- There is a conflict with regards to the type of security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por los residentes de Wilmington que están tomando medidas, este proyecto los dejaría sin la debida notificación sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por los siguientes motivos.

- El 3 de julio de 2018, el concejal Joe Busciano ofreció voluntariamente a la Ciudad de Wilmington como una ubicación potencial para la Vivienda de Puente / Estacionamiento Seguro (CF-180651) sin la participación previa de la comunidad de los residentes de Wilmington.
- El 5 de julio, el Sr. Busciano dio un comunicado de prensa de su intención. (Daily Breeze 05/07/18)
- El 9 de julio se realizó una reunión ese lunes por la mañana a las 10 a.m. en San Pedro para tratar este tema. United Way hizo una presentación que detalla cómo funcionará el proyecto, pero NO HABÍA UN SOLO REPRESENTANTE de la oficina del Sr. Buscaino.
- El 12 de julio, se llevó a cabo una reunión de Coffee with a Cop en Café Café en Wilmington para hablar sobre el refugio para personas sin hogar. OTRA VEZ, nadie de la oficina del Sr. Buscaino estaba presente.
- El 18 de julio, el Consejo Vecinal de Wilmington celebró una reunión especial de la Junta. NADIE de la oficina del Sr. Buscaino estaba allí, pero se nos informó que el Sr. Buscaino, su Jefe de Estado Mayor Jacob Haik y su Representante de Campo para Wilmington Fernando Navarrete estaban TODOS VACANTES.
- Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad (United Way Presentation y Daily Breeze Article)
- Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil. (Video de YouTube de Joe Buscaino SAFE PARKING)

- Sr. Buscaino las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por los residentes de Wilmington que están tomando medidas, este proyecto los dejaría sin la debida notificación sin ningún aporte de la comunidad y de manera injusta y no transparente.Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones: quiere finalizar su elección antes del 31 de julio. Al hacerlo, el Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué ciudades se beneficiarán del dinero extra. (Reunión de CSPNC 07/09/18)
- La presentación de United Way en San Pedro dice que estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar. No hay un plan para el otro 70%. (Presentación United Way 07/09/18)
- La propiedad propuesta tiene numerosas restricciones medioambientales. Si este fuera cualquier otro desarrollador, la propiedad estaría sujeta a numerosas pruebas de suelo y suelo, informes de impacto ambiental. Y Sujeto a las restricciones de la ordenanza del Alcalde para limpiar zonas verdes con mucha contaminación. La propiedad está en una zona de metano, además de estar a menos de una cuadra de una zona costera. La propiedad también es parte de Tidelands Trust. NINGUNA de estas pautas se sigue ya que la ciudad está EXENTA de estas restricciones. Esto plantea serias preguntas ambientales y de salud. (ZIMAS)
- No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas.
- Existe un conflicto con respecto al tipo de seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
- Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.
- No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas
- No se ha proporcionado una lista de medidas de seguridad para garantizar que se cumplan las directrices.

Yo, la parte interesada abajo firmante de Wilmington, estoy en contra del Proyecto de Estacionamiento Seguro y Puente a Casa propuesto y le pido al Concejal Joe Busciano, Alcalde Garcetti; Gene Seroka, Director Ejecutivo Puerto de Los Ángeles; Jamie L Lee, David Arian, Comisión del puerto; Kristen Decas, Autoridad Portuaria de California; Michael Carley, Comisión Federal de Marina; Janice Hahn, Supervisora del Condado de Los Ángeles; Mike Gipson, Asambleísta del Estado; Nanette Barragon, congresista; rechazar este plan hasta que los residentes de Wilmington sean tratados de manera justa, equitativa y transparente.

- El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)
- Sr. Buscaino las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por los residentes de Wilmington que están tomando medidas, este proyecto los dejaría sin la debida notificación sin ningún aporte de la comunidad y de manera injusta y no transparente.Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones: quiere finalizar su elección antes del 31 de julio. Al hacerlo, el Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué ciudades se beneficiarán del dinero extra. (Reunión de CSPNC 07/09/18)
- La presentación de United Way en San Pedro dice que estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar. No hay un plan para el otro 70%. (Presentación United Way 07/09/18)
- La propiedad propuesta tiene numerosas restricciones medioambientales. Si este fuera cualquier otro desarrollador, la propiedad estaría sujeta a numerosas pruebas de suelo y suelo, informes de impacto ambiental. Y Sujeto a las restricciones de la ordenanza del Alcalde para limpiar zonas verdes con mucha contaminación. La propiedad está en una zona de metano, además de estar a menos de una cuadra de una zona costera. La propiedad también es parte de Tidelands Trust. NINGUNA de estas pautas se sigue ya que la ciudad está EXENTA de estas restricciones. Esto plantea serias preguntas ambientales y de salud. (ZIMAS)
- No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas.
- Existe un conflicto con respecto al tipo de seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
- Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.
- No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas
- No se ha proporcionado una lista de medidas de seguridad para garantizar que se cumplan las directrices.

- NO PUEDO APOYAR ESTO CUANDO NO ME DAN UNA OPORTUNIDAD DE HACER PREGUNTAS, VOZ MIS PREOCUPACIONES O DAR ENTRADA

Yo, la parte interesada abajo firmante de Wilmington, estoy en contra del Proyecto de Estacionamiento Seguro y Puente a Casa propuesto y le pido al Concejal Joe Busciano, Alcalde Garcetti; Gene Seroka, Director Ejecutivo Puerto de Los Ángeles; Jamie L Lee, David Arian, Comisión del puerto; Kristen Decas, Autoridad Portuaria de California; Michael Carley, Comisión Federal de Marina; Janice Hahn, Supervisora del Condado de Los Ángeles; Mike Gipson, Asambleísta del Estado; Nanette Barragon, congresista; rechazar este plan hasta que los residentes de Wilmington sean tratados de manera justa, equitativa y transparente.

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- On July 3, 2018 Councilman Joe Busciano volunteered the City of Wilmington as a potential location for Bridge Housing/Safe Parking(CF-180651) without prior community input from residents of Wilmington.
- On July 5th Mr. Busciano gave a press release of his intent. (Daily Breeze 07/05/18)
- On July 9th a meeting was held on that Monday morning at 10am in San Pedro to address this issue. A presentation was given by United Way detailing how the project will work but NOT A SINGLE REPRESENTATIVE was there from Mr. Buscaino's office.
- On July 12th, Coffee with a Cop meeting was held at Café Café in Wilmington to discuss the homeless shelter. AGAIN NO ONE from Mr. Buscaino's office was present.
- On July 18th, the Wilmington Neighborhood Council held a Special Board Meeting. NO ONE from Mr. Buscaino's office was there but we were advised Mr. Buscaino, his Chief of Staff Jacob Haik and his Field Rep for Wilmington Fernando Navarrete were ALL ON VACATION.
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services(United Way Presentation and Daily Breeze Article)
- Safe Park is free overnight parking for RV's and those who live in their car.(Joe Buscaino SAFE PARKING YouTube Video)
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area (Daily Breeze Article 07/05/18)
- Mr. Busciano wants to build BOTH Safe Park and Bridge Housing in Wilmington (Daily Breeze Article 07/05/18)
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)

If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons: wants to finalize his choice by July 31st. In doing so Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what cities will benefit from the extra money.(CSPNC Meeting 07/09/18)
- United Way Presentation in San Pedro says that these facilities will help LESS THAN 1/3 of the homeless population. There is no Plan for the other 70%.(United Way Presentation 07/09/18)
- The Proposed Property has numerous environmental restrictions on it. If this would be any other developer the property would be subject to numerous soil and ground tests, Environmental impact reports. And Subject to the restrictions of the Mayor's own ordinance for clean up green up for heavily polluted areas. The property is in a Methane zone, as well as being less than a block away from a Coastal Zone. The property is also part of the Tidelands Trust. NONE of these guidelines are being followed as the city is EXEMPT from these restrictions. This poses serious environmental and health questions.(ZIMAS)
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- There is a conflict with regards to the type of security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- On July 3, 2018 Councilman Joe Busciano volunteered the City of Wilmington as a potential location for Bridge Housing/Safe Parking(CF-180651) without prior community input from residents of Wilmington.
- On July 5th Mr. Busciano gave a press release of his intent. (Daily Breeze 07/05/18)
- On July 9th a meeting was held on that Monday morning at 10am in San Pedro to address this issue. A presentation was given by United Way detailing how the project will work but NOT A SINGLE REPRESENTATIVE was there from Mr. Buscaino's office.
- On July 12th, Coffee with a Cop meeting was held at Café Café in Wilmington to discuss the homeless shelter. AGAIN NO ONE from Mr. Buscaino's office was present.
- On July 18th, the Wilmington Neighborhood Council held a Special Board Meeting. NO ONE from Mr. Buscaino's office was there but we were advised Mr. Buscaino, his Chief of Staff Jacob Haik and his Field Rep for Wilmington Fernando Navarrete were ALL ON VACATION.
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services(United Way Presentation and Daily Breeze Article)
- Safe Park is free overnight parking for RV's and those who live in their car.(Joe Buscaino SAFE PARKING YouTube Video)
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area (Daily Breeze Article 07/05/18)
- Mr. Busciano wants to build BOTH Safe Park and Bridge Housing in Wilmington (Daily Breeze Article 07/05/18)

If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons: wants to finalize his choice by July 31st. In doing so Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what cities will benefit from the extra money.(CSPNC Meeting 07/09/18)
- United Way Presentation in San Pedro says that these facilities will help LESS THAN 1/3 of the homeless population. There is no Plan for the other 70%.(United Way Presentation 07/09/18)
- The Proposed Property has numerous environmental restrictions on it. If this would be any other developer the property would be subject to numerous soil and ground tests, Environmental impact reports. And Subject to the restrictions of the Mayor's own ordinance for clean up green up for heavily polluted areas. The property is in a Methane zone, as well as being less than a block away from a Coastal Zone. The property is also part of the Tidelands Trust. NONE of these guidelines are being followed as the city is EXEMPT from these restrictions. This poses serious environmental and health questions.(ZIMAS)
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- There is a conflict with regards to the type of security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por la acción de los residentes de Wilmington, este proyecto nos sorprendería sin la debida notificación, sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones:

• El Sr. Busciano quiere construir AMBOS Estacionamientos Seguros y Viviendas del Puente en Wilmington.
• Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad.
• Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil.
• El Sr. Busciano quiere construir un GRAN parque seguro que cubrirá TODA la zona del puerto.
• El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)
• El Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué comunidades se beneficiarán con el dinero extra.
• Estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar en Wilmington. No hay un plan para el otro 70%
La Propiedad Propuesta tiene numerosas restricciones medioambientales (Zona de Metano, Zona Costera, Fideicomiso Tidelands, CUGU). La Ciudad está EXENTA de estas restricciones que provocan varias preocupaciones de salud y medioambientales.
• No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas?
• Un conflicto con respecto a la seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
• Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.
• No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas
• No se ha proporcionado una lista de medidas de seguridad para garantizar que se cumplan las directrices.
• El Sr. Buscaino no asistió a las reuniones de la comunidad de hormigas o envió un representante para responder preguntas.
• NO PUEDO APOYAR ESTO CUANDO NO ME DAN LA OPORTUNIDAD DE HACER PREGUNTAS, VOZ MIS PREOCUPACIONES O DAR ENTRADA.

Yo, el interesado abajo firmante de Wilmington, estoy en contra del Proyecto Safe Parking and Bridge Home Project, tal como lo propuse y rechazo este plan hasta que los residentes de Wilmington reciban un trato justo, equitativo y transparente.

- These facilities will help LESS THAN 1/3 of the homeless population in Wilmington. There is no Plan for the other 70%[6]
- The Proposed Property has numerous environmental restrictions on it.(Methane Zone, Coastal Zone Tidelands Trust, CUGU) the City is EXEMPT from these restriction prompting several health and environmental concerns[7]
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- A conflict with regards to security to be provided. Council President Wesson states it will be L.A.P.D. United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures has been provided to ensure that guidelines are being met.
- Mr. Buscaino has failed to attend ant community meetings or send a representative to answer questions.
- **I CAN NOT SUPPORT THIS WHEN I AM NOT GIVEN AN OPPORTUNITY TO ASK QUESTIONS, VOICE MY CONCERNS OR GIVE INPUT.**

I, the undersigned stakeholder of Wilmington am against the Safe Parking and Bridge Home Project as proposed and reject this plan until the residents of Wilmington are treated in a fair, equitable and transparent manner.

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- On July 3, 2018 Councilman Joe Busciano volunteered the City of Wilmington as a potential location for Bridge Housing/Safe Parking(CF-180651) without prior community input from residents of Wilmington.
- On July 5th Mr. Busciano gave a press release of his intent. (Daily Breeze 07/05/18)
- On July 9th a meeting was held on that Monday morning at 10am in San Pedro to address this issue. A presentation was given by United Way detailing how the project will work but NOT A SINGLE REPRESENTATIVE was there from Mr. Buscaino's office.
- On July 12th, Coffee with a Cop meeting was held at Café Café in Wilmington to discuss the homeless shelter. AGAIN NO ONE from Mr. Buscaino's office was present.
- On July 18th, the Wilmington Neighborhood Council held a Special Board Meeting. NO ONE from Mr. Buscaino's office was there but we were advised Mr. Buscaino, his Chief of Staff Jacob Haik and his Field Rep for Wilmington Fernando Navarrete were ALL ON VACATION.
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services(United Way Presentation and Daily Breeze Article)
- Safe Park is free overnight parking for RV's and those who live in their car.(Joe Buscaino SAFE PARKING YouTube Video)

- On July 3, 2018 Councilman Joe Busciano volunteered the City of Wilmington as a potential location for Bridge Housing/Safe Parking(CF-180651) without prior community input from residents of Wilmington.
- On July 5th Mr. Busciano gave a press release of his intent. (Daily Breeze 07/05/18)
- On July 9th a meeting was held on that Monday morning at 10am in San Pedro to address this issue. A presentation was given by United Way detailing how the project will work but NOT A SINGLE REPRESENTATIVE was there from Mr. Buscaino's office.
- On July 12th, Coffee with a Cop meeting was held at Café Café in Wilmington to discuss the homeless shelter. AGAIN NO ONE from Mr. Buscaino's office was present.
- On July 18th, the Wilmington Neighborhood Council held a Special Board Meeting. NO ONE from Mr. Buscaino's office was there but we were advised Mr. Buscaino, his Chief of Staff Jacob Haik and his Field Rep for Wilmington Fernando Navarrete were ALL ON VACATION.
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services(United Way Presentation and Daily Breeze Article)
- Safe Park is free overnight parking for RV's and those who live in their car.(Joe Buscaino SAFE PARKING YouTube Video)
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area (Daily Breeze Article 07/05/18)
- Mr. Busciano wants to build BOTH Safe Park and Bridge Housing in Wilmington (Daily Breeze Article 07/05/18)
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)
- Mr Buscaino he deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons: wants to finalize his choice by July 31st. In doing so Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what cities will benefit from the extra money.(CSPNC Meeting 07/09/18)
- United Way Presentation in San Pedro says that these facilities will help LESS THAN 1/3 of the homeless population. There is no Plan for the other 70%.(United Way Presentation 07/09/18)
- The Proposed Property has numerous environmental restrictions on it. If this would be any other developer the property would be subject to numerous soil and ground tests, Environmental impact reports. And Subject to the restrictions of the Mayor's own ordinance for clean up green up for heavily polluted areas. The property is in a Methane zone, as well as being less than a block away from a Coastal Zone. The property is also part of the Tidelands Trust. NONE of these guidelines are being followed as the city is EXEMPT from these restrictions. This poses serious environmental and health questions.(ZIMAS)
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- There is a conflict with regards to the type of security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures have been provided to insure that guidelines are being met.

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- On July 3, 2018 Councilman Joe Busciano volunteered the City of Wilmington as a potential location for Bridge Housing/Safe Parking(CF-180651) without prior community input from residents of Wilmington.
- On July 5th Mr. Busciano gave a press release of his intent. (Daily Breeze 07/05/18)
- On July 9th a meeting was held on that Monday morning at 10am in San Pedro to address this issue. A presentation was given by United Way detailing how the project will work but NOT A SINGLE REPRESENTATIVE was there from Mr. Buscaino's office.
- On July 12th, Coffee with a Cop meeting was held at Café Café in Wilmington to discuss the homeless shelter. AGAIN NO ONE from Mr. Buscaino's office was present.
- On July 18th, the Wilmington Neighborhood Council held a Special Board Meeting. NO ONE from Mr. Buscaino's office was there but we were advised Mr. Buscaino, his Chief of Staff Jacob Haik and his Field Rep for Wilmington Fernando Navarrete were ALL ON VACATION.
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services(United Way Presentation and Daily Breeze Article)
- Safe Park is free overnight parking for RV's and those who live in their car.(Joe Buscaino SAFE PARKING YouTube Video)
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area (Daily Breeze Article 07/05/18)
- Mr. Busciano wants to build BOTH Safe Park and Bridge Housing in Wilmington (Daily Breeze Article 07/05/18)
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)
- Mr Buscaino he deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons: wants to finalize his choice by July 31st. In doing so Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what cities will benefit from the extra money.(CSPNC Meeting 07/09/18)
- United Way Presentation in San Pedro says that these facilities will help LESS THAN 1/3 of the homeless population. There is no Plan for the other 70%.(United Way Presentation 07/09/18)
- The Proposed Property has numerous environmental restrictions on it. If this would be any other developer the property would be subject to numerous soil and ground tests, Environmental impact reports. And Subject to the restrictions of the Mayor's own ordinance for clean up green up for heavily polluted areas. The property is in a Methane zone, as well as being less than a block away from a Coastal Zone. The property is also part of the Tidelands Trust. NONE of these guidelines are being followed as the city is EXEMPT from these restrictions. This poses serious environmental and health questions.(ZIMAS)
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- There is a conflict with regards to the type of security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures have been provided to insure that guidelines are being met.

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por la acción de los residentes de Wilmington, este proyecto nos sorprendería sin la debida notificación, sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones:

• El Sr. Busciano quiere construir AMBOS Estacionamientos Seguros y Viviendas del Puente en Wilmington.
• Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad.
• Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil.
• El Sr. Busciano quiere construir un GRAN parque seguro que cubrirá TODA la zona del puerto.
• El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)
• El Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué comunidades se beneficiarán con el dinero extra.
• Estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar en Wilmington. No hay un plan para el otro 70%
La Propiedad Propuesta tiene numerosas restricciones medioambientales (Zona de Metano, Zona Costera, Fideicomiso Tidelands, CUGU). La Ciudad está EXENTA de estas restricciones que provocan varias preocupaciones de salud y medioambientales.
• No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas?
• Un conflicto con respecto a la seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
• Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.
• No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas
• No se ha proporcionado una lista de medidas de seguridad para garantizar que se cumplan las directrices.
• El Sr. Buscaino no asistió a las reuniones de la comunidad de hormigas o envió un representante para responder preguntas.
• NO PUEDO APOYAR ESTO CUANDO NO ME DAN LA OPORTUNIDAD DE HACER PREGUNTAS, VOZ MIS PREOCUPACIONES O DAR ENTRADA.

Yo, el interesado abajo firmante de Wilmington, estoy en contra del Proyecto Safe Parking and Bridge Home Project, tal como lo propuse y rechazo este plan hasta que los residentes de Wilmington reciban un trato justo, equitativo y transparente.

• El Sr. Busciano quiere construir un GRAN parque seguro que cubrirá TODA la zona del puerto.
• El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)
• El Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué comunidades se beneficiarán con el dinero extra.
• Estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar en Wilmington. No hay un plan para el otro 70%
La Propiedad Propuesta tiene numerosas restricciones medioambientales (Zona de Metano, Zona Costera, Fideicomiso Tidelands, CUGU). La Ciudad está EXENTA de estas restricciones que provocan varias preocupaciones de salud y medioambientales.
• No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas?
• Un conflicto con respecto a la seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
• Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.
• No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas
• No se ha proporcionado una lista de medidas de seguridad para garantizar que se cumplan las directrices.
• El Sr. Buscaino no asistió a las reuniones de la comunidad de hormigas o envió un representante para responder preguntas.
• NO PUEDO APOYAR ESTO CUANDO NO ME DAN LA OPORTUNIDAD DE HACER PREGUNTAS, VOZ MIS PREOCUPACIONES O DAR ENTRADA.

Yo, el interesado abajo firmante de Wilmington, estoy en contra del Proyecto Safe Parking and Bridge Home Project, tal como lo propuse y rechazo este plan hasta que los residentes de Wilmington reciban un trato justo, equitativo y transparente.

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- On July 3, 2018 Councilman Joe Busciano volunteered the City of Wilmington as a potential location for Bridge Housing/Safe Parking(CF-180651) without prior community input from residents of Wilmington.
- On July 5th Mr. Busciano gave a press release of his intent. (Daily Breeze 07/05/18)
- On July 9th a meeting was held on that Monday morning at 10am in San Pedro to address this issue. A presentation was given by United Way detailing how the project will work but NOT A SINGLE REPRESENTATIVE was there from Mr. Buscaino's office.
- On July 12th, Coffee with a Cop meeting was held at Café Café in Wilmington to discuss the homeless shelter. AGAIN NO ONE from Mr. Buscaino's office was present.
- On July 18th, the Wilmington Neighborhood Council held a Special Board Meeting. NO ONE from Mr. Buscaino's office was there but we were advised Mr. Buscaino, his Chief of Staff Jacob Haik and his Field Rep for Wilmington Fernando Navarrete were ALL ON VACATION.
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services(United Way Presentation and Daily Breeze Article)
- Safe Park is free overnight parking for RV's and those who live in their car.(Joe Buscaino SAFE PARKING YouTube Video)
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area (Daily Breeze Article 07/05/18)
- Mr. Busciano wants to build BOTH Safe Park and Bridge Housing in Wilmington (Daily Breeze Article 07/05/18)
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)

If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons: wants to finalize his choice by July 31st. In doing so Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what cities will benefit from the extra money.(CSPNC Meeting 07/09/18)
- United Way Presentation in San Pedro says that these facilities will help LESS THAN 1/3 of the homeless population. There is no Plan for the other 70%.(United Way Presentation 07/09/18)
- The Proposed Property has numerous environmental restrictions on it. If this would be any other developer the property would be subject to numerous soil and ground tests, Environmental impact reports. And Subject to the restrictions of the Mayor's own ordinance for clean up green up for heavily polluted areas. The property is in a Methane zone, as well as being less than a block away from a Coastal Zone. The property is also part of the Tidelands Trust. NONE of these guidelines are being followed as the city is EXEMPT from these restrictions. This poses serious environmental and health questions.(ZIMAS)
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- There is a conflict with regards to the type of security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures have been provided to insure that guidelines are being met.
- **I CAN NOT SUPPORT THIS WHEN I AM NOT GIVEN AN OPPORTUNITY TO ASK QUESTIONS, VOICE MY CONCERNSOR GIVE INPUT.**

I, the undersigned stakeholder of Wilmington am against the Safe Parking and Bridge Home Project as proposed and ask Councilman Joe Busciano, Mayor Garcetti; Gene Seroka, Executive Director Port of Los Angeles; Jamie L Lee, David Arian, Harbor Commission; Kristen Decas, California Port Authority; Michael Carley, Federal Marine Commission; Janice Hahn, LA County Supervisor; Mike Gipson, State Assemblyman; Nanette Barragon, Congresswoman; to reject this plan until the residents of Wilmington are treated in a fair, equitable and transparent manner.

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por la acción de los residentes de Wilmington, este proyecto nos sorprendería sin la debida notificación, sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones:

- **El Sr. Busciano quiere construir AMBOS Estacionamientos Seguros y Viviendas del Puente en Wilmington.**
- **Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad.**
- **Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil.**
- **El Sr. Busciano quiere construir un GRAN parque seguro que cubrirá TODA la zona del puerto.**

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- Mr. Busciano wants to build BOTH Safe Parking and Bridge Housing in Wilmington.[1]
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services[2]
- Safe Park is free overnight parking for RV's and those who live in their car.[3]
- Mr. Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area.
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)[4]
- Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what communities will benefit from the extra money.[5]
- These facilities will help LESS THAN 1/3 of the homeless population in Wilmington. There is no Plan for the other 70%[6]
- The Proposed Property has numerous environmental restrictions on it.(Methane Zone, Coastal Zone Tidelands Trust, CUGU) the City is EXEMPT from these restriction prompting several health and environmental concerns[7]
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por la acción de los residentes de Wilmington, este proyecto nos sorprendería sin la debida notificación, sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones:

• El Sr. Busciano quiere construir AMBOS Estacionamientos Seguros y Viviendas del Puente en Wilmington.
• Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad.
• Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil.
• El Sr. Busciano quiere construir un GRAN parque seguro que cubrirá TODA la zona del puerto.
• El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)
• El Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué comunidades se beneficiarán con el dinero extra.
• Estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar en Wilmington. No hay un plan para el otro 70%
La Propiedad Propuesta tiene numerosas restricciones medioambientales (Zona de Metano, Zona Costera, Fideicomiso Tidelands, CUGU). La Ciudad está EXENTA de estas restricciones que provocan varias preocupaciones de salud y medioambientales.
• No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas?
• Un conflicto con respecto a la seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
• Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.
• No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas
• No se ha proporcionado una lista de medidas de seguridad para garantizar que se cumplan las directrices.
• El Sr. Buscaino no asistió a las reuniones de la comunidad de hormigas o envió un representante para responder preguntas.
• NO PUEDO APOYAR ESTO CUANDO NO ME DAN LA OPORTUNIDAD DE HACER PREGUNTAS, VOZ MIS PREOCUPACIONES O DAR ENTRADA.

Yo, el interesado abajo firmante de Wilmington, estoy en contra del Proyecto Safe Parking and Bridge Home Project, tal como lo propuse y rechazo este plan hasta que los residentes de Wilmington reciban un trato justo, equitativo y transparente.

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por la acción de los residentes de Wilmington, este proyecto nos sorprendería sin la debida notificación, sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones:

• El Sr. Busciano quiere construir AMBOS Estacionamientos Seguros y Viviendas del Puente en Wilmington.
• Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad.
• Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil.
• El Sr. Busciano quiere construir un GRAN parque seguro que cubrirá TODA la zona del puerto.
• El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)
• El Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué comunidades se beneficiarán con el dinero extra.
• Estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar en Wilmington. No hay un plan para el otro 70%
La Propiedad Propuesta tiene numerosas restricciones medioambientales (Zona de Metano, Zona Costera, Fideicomiso Tidelands, CUGU). La Ciudad está EXENTA de estas restricciones que provocan varias preocupaciones de salud y medioambientales.
• No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas?
• Un conflicto con respecto a la seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
• Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.
• No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas
• No se ha proporcionado una lista de medidas de seguridad para garantizar que se cumplan las directrices.
• El Sr. Buscaino no asistió a las reuniones de la comunidad de hormigas o envió un representante para responder preguntas.
• NO PUEDO APOYAR ESTO CUANDO NO ME DAN LA OPORTUNIDAD DE HACER PREGUNTAS, VOZ MIS PREOCUPACIONES O DAR ENTRADA.

Yo, el interesado abajo firmante de Wilmington, estoy en contra del Proyecto Safe Parking and Bridge Home Project, tal como lo propuse y rechazo este plan hasta que los residentes de Wilmington reciban un trato justo, equitativo y transparente.

Petition Against Bridge Housing and Safe Parking in Wilmington As Approved

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- On July 3, 2018 Councilman Joe Busciano volunteered the City of Wilmington as a potential location for Bridge Housing/Safe Parking(CF-180651) without prior community input from residents of Wilmington.
- On July 5th Mr. Busciano gave a press release of his intent. (Daily Breeze 07/05/18)
- On July 9th a meeting was held on that Monday morning at 10am in San Pedro to address this issue. A presentation was given by United Way detailing how the project will work but NOT A SINGLE REPRESENTATIVE was there from Mr. Buscaino's office.
- On July 12th, Coffee with a Cop meeting was held at Café Café in Wilmington to discuss the homeless shelter. AGAIN NO ONE from Mr. Buscaino's office was present.
- On July 18th, the Wilmington Neighborhood Council held a Special Board Meeting. NO ONE from Mr. Buscaino's office was there but we were advised Mr. Buscaino, his Chief of Staff Jacob Haik and his Field Rep for Wilmington Fernando Navarrete were ALL ON VACATION.
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services(United Way Presentation and Daily Breeze Article)
- Safe Park is free overnight parking for RV's and those who live in their car.(Joe Buscaino SAFE PARKING YouTube Video)
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area (Daily Breeze Article 07/05/18)
- Mr. Busciano wants to build BOTH Safe Park and Bridge Housing in Wilmington (Daily Breeze Article 07/05/18)
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)

If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons: wants to finalize his choice by July 31st. In doing so Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what cities will benefit from the extra money.(CSPNC Meeting 07/09/18)
- United Way Presentation in San Pedro says that these facilities will help LESS THAN 1/3 of the homeless population. There is no Plan for the other 70%.(United Way Presentation 07/09/18)
- The Proposed Property has numerous environmental restrictions on it. If this would be any other developer the property would be subject to numerous soil and ground tests, Environmental impact reports. And Subject to the restrictions of the Mayor's own ordinance for clean up green up for heavily polluted areas. The property is in a Methane zone, as well as being less than a block away from a Coastal Zone. The property is also part of the Tidelands Trust. Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por la acción de los residentes de Wilmington, este proyecto nos sorprendería sin la debida notificación, sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones:

• El Sr. Busciano quiere construir AMBOS Estacionamientos Seguros y Viviendas del Puente en Wilmington.
• Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad.
• Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil.
• El Sr. Busciano quiere construir un GRAN parque seguro que cubrirá TODA la zona del puerto.
• El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)
• El Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué comunidades se beneficiarán con el dinero extra.
• Estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar en Wilmington. No hay un plan para el otro 70%
La Propiedad Propuesta tiene numerosas restricciones medioambientales (Zona de Metano, Zona Costera, Fideicomiso Tidelands, CUGU). La Ciudad está EXENTA de estas restricciones que provocan varias preocupaciones de salud y medioambientales.
• No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas?
• Un conflicto con respecto a la seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
• Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.
• No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas
• No se ha proporcionado una lista de medidas de seguridad para garantizar que se cumplan las directrices.
• El Sr. Buscaino no asistió a las reuniones de la comunidad de hormigas o envió un representante para responder preguntas.
• NO PUEDO APOYAR ESTO CUANDO NO ME DAN LA OPORTUNIDAD DE HACER PREGUNTAS, VOZ MIS PREOCUPACIONES O DAR ENTRADA.

Yo, el interesado abajo firmante de Wilmington, estoy en contra del Proyecto Safe Parking and Bridge Home Project, tal como lo propuse y rechazo este plan hasta que los residentes de Wilmington reciban un trato justo, equitativo y transparente.

- Safe Park is free overnight parking for RV's and those who live in their car.[3]
- Mr. Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area.
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)[4]
- Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what communities will benefit from the extra money.[5]
- These facilities will help LESS THAN 1/3 of the homeless population in Wilmington. There is no Plan for the other 70%[6]
- The Proposed Property has numerous environmental restrictions on it.(Methane Zone, Coastal Zone Tidelands Trust, CUGU) the City is EXEMPT from these restriction prompting several health and environmental concerns[7]

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- On July 3, 2018 Councilman Joe Busciano volunteered the City of Wilmington as a potential location for Bridge Housing/Safe Parking(CF-180651) without prior community input from residents of Wilmington.
- On July 5th Mr. Busciano gave a press release of his intent. (Daily Breeze 07/05/18)
- On July 9th a meeting was held on that Monday morning at 10am in San Pedro to address this issue. A presentation was given by United Way detailing how the project will work but NOT A SINGLE REPRESENTATIVE was there from Mr. Buscaino's office.
- On July 12th, Coffee with a Cop meeting was held at Café Café in Wilmington to discuss the homeless shelter. AGAIN NO ONE from Mr. Buscaino's office was present.

If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- On July 3, 2018 Councilman Joe Busciano volunteered the City of Wilmington as a potential location for Bridge Housing/Safe Parking(CF-180651) without prior community input from residents of Wilmington.
- On July 5th Mr. Busciano gave a press release of his intent. (Daily Breeze 07/05/18)
- On July 9th a meeting was held on that Monday morning at 10am in San Pedro to address this issue. A presentation was given by United Way detailing how the project will work but NOT A SINGLE REPRESENTATIVE was there from Mr. Buscaino's office.
- On July 12th, Coffee with a Cop meeting was held at Café Café in Wilmington to discuss the homeless shelter. AGAIN NO ONE from Mr. Buscaino's office was present.
- On July 18th, the Wilmington Neighborhood Council held a Special Board Meeting. NO ONE from Mr. Buscaino's office was there but we were advised Mr. Buscaino, his Chief of Staff Jacob Haik and his Field Rep for Wilmington Fernando Navarrete were ALL ON VACATION.
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services(United Way Presentation and Daily Breeze Article)
- Safe Park is free overnight parking for RV's and those who live in their car.(Joe Buscaino SAFE PARKING YouTube Video)
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area (Daily Breeze Article 07/05/18)
- Mr. Busciano wants to build BOTH Safe Park and Bridge Housing in Wilmington (Daily Breeze Article 07/05/18)
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)
- Mr Buscaino he deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons: wants to finalize his choice by July 31st. In doing so Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what cities will benefit from the extra money.(CSPNC Meeting 07/09/18)
- United Way Presentation in San Pedro says that these facilities will help LESS THAN 1/3 of the homeless population. There is no Plan for the other 70%.(United Way Presentation 07/09/18)
- The Proposed Property has numerous environmental restrictions on it. If this would be any other developer the property would be subject to numerous soil and ground tests, Environmental impact reports. And Subject to the restrictions of the Mayor's own ordinance for clean up green up for heavily polluted areas. The property is in a Methane zone, as well as being less than a block away from a Coastal Zone. The property is also part of the Tidelands Trust. NONE of these guidelines are being followed as the city is EXEMPT from these restrictions. This poses serious environmental and health questions.(ZIMAS)
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- There is a conflict with regards to the type of security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures have been provided to insure that guidelines are being met.

- These facilities will help LESS THAN 1/3 of the homeless population in Wilmington. There is no Plan for the other 70%[6]
- The Proposed Property has numerous environmental restrictions on it.(Methane Zone, Coastal Zone Tidelands Trust, CUGU) the City is EXEMPT from these restriction prompting several health and environmental concerns[7]
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- A conflict with regards to security to be provided. Council President Wesson states it will be L.A.P.D. United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures has been provided to ensure that guidelines are being met.
- Mr. Buscaino has failed to attend ant community meetings or send a representative to answer questions.
- **I CAN NOT SUPPORT THIS WHEN I AM NOT GIVEN AN OPPORTUNITY TO ASK QUESTIONS, VOICE MY CONCERNS OR GIVE INPUT.**

I, the undersigned stakeholder of Wilmington am against the Safe Parking and Bridge Home Project as proposed and reject this plan until the residents of Wilmington are treated in a fair, equitable and transparent manner.

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- Mr. Busciano wants to build BOTH Safe Parking and Bridge Housing in Wilmington.[1]
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services[2]
- Safe Park is free overnight parking for RV's and those who live in their car.[3]
- Mr. Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area.
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)[4]

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por la acción de los residentes de Wilmington, este proyecto nos sorprendería sin la debida notificación, sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones:

• El Sr. Busciano quiere construir AMBOS Estacionamientos Seguros y Viviendas del Puente en Wilmington.
• Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad.
• Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil.
• El Sr. Busciano quiere construir un GRAN parque seguro que cubrirá TODA la zona del puerto.
• El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)
• El Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué comunidades se beneficiarán con el dinero extra.
• Estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar en Wilmington. No hay un plan para el otro 70%
La Propiedad Propuesta tiene numerosas restricciones medioambientales (Zona de Metano, Zona Costera, Fideicomiso Tidelands, CUGU). La Ciudad está EXENTA de estas restricciones que provocan varias preocupaciones de salud y medioambientales.
• No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas?
• Un conflicto con respecto a la seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
• Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.
• No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas
• No se ha proporcionado una lista de medidas de seguridad para garantizar que se cumplan las directrices.
• El Sr. Buscaino no asistió a las reuniones de la comunidad de hormigas o envió un representante para responder preguntas.
• NO PUEDO APOYAR ESTO CUANDO NO ME DAN LA OPORTUNIDAD DE HACER PREGUNTAS, VOZ MIS PREOCUPACIONES O DAR ENTRADA.

Yo, el interesado abajo firmante de Wilmington, estoy en contra del Proyecto Safe Parking and Bridge Home Project, tal como lo propuse y rechazo este plan hasta que los residentes de Wilmington reciban un trato justo, equitativo y transparente.

Petition Against Bridge Housing and Safe Parking in Wilmington As Approved

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- On July 3, 2018 Councilman Joe Busciano volunteered the City of Wilmington as a potential location for Bridge Housing/Safe Parking(CF-180651) without prior community input from residents of Wilmington.
- On July 5th Mr. Busciano gave a press release of his intent. (Daily Breeze 07/05/18)
- On July 9th a meeting was held on that Monday morning at 10am in San Pedro to address this issue. A presentation was given by United Way detailing how the project will work but NOT A SINGLE REPRESENTATIVE was there from Mr. Buscaino's office.
- On July 12th, Coffee with a Cop meeting was held at Café Café in Wilmington to discuss the homeless shelter. AGAIN NO ONE from Mr. Buscaino's office was present.
- On July 18th, the Wilmington Neighborhood Council held a Special Board Meeting. NO ONE from Mr. Buscaino's office was there but we were advised Mr. Buscaino, his Chief of Staff Jacob Haik and his Field Rep for Wilmington Fernando Navarrete were ALL ON VACATION.
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services(United Way Presentation and Daily Breeze Article)
- Safe Park is free overnight parking for RV's and those who live in their car.(Joe Buscaino SAFE PARKING YouTube Video)
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area (Daily Breeze Article 07/05/18)
- Mr. Busciano wants to build BOTH Safe Park and Bridge Housing in Wilmington (Daily Breeze Article 07/05/18)
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)
- Mr Buscaino he deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons: wants to finalize his choice by July 31st. In doing so Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what cities will benefit from the extra money.(CSPNC Meeting 07/09/18)
- United Way Presentation in San Pedro says that these facilities will help LESS THAN 1/3 of the homeless population. There is no Plan for the other 70%.(United Way Presentation 07/09/18)
- The Proposed Property has numerous environmental restrictions on it. If this would be any other developer the property would be subject to numerous soil and ground tests, Environmental impact reports. And Subject to the restrictions of the Mayor's own ordinance for clean up green up for heavily polluted areas. The property is in a Methane zone, as well as being less than a block away from a Coastal Zone. The property is also part of the Tidelands Trust. NONE of these guidelines are being followed as the city is EXEMPT from these restrictions. This poses serious environmental and health questions.(ZIMAS)
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- There is a conflict with regards to the type of security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures have been provided to insure that guidelines are being met.

- The Proposed Property has numerous environmental restrictions on it. If this would be any other developer the property would be subject to numerous soil and ground tests, Environmental impact reports. And Subject to the restrictions of the Mayor's own ordinance for clean up green up for heavily polluted areas. The property is in a Methane zone, as well as being less than a block away from a Coastal Zone. The property is also part of the Tidelands Trust. NONE of these guidelines are being followed as the city is EXEMPT from these restrictions. This poses serious environmental and health questions.(ZIMAS)
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- There is a conflict with regards to the type of security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.

Petition Against Bridge Housing and Safe Parking in Wilmington As Approved

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- On July 3, 2018 Councilman Joe Busciano volunteered the City of Wilmington as a potential location for Bridge Housing/Safe Parking(CF-180651) without prior community input from residents of Wilmington.
- On July 5th Mr. Busciano gave a press release of his intent. (Daily Breeze 07/05/18)
- On July 9th a meeting was held on that Monday morning at 10am in San Pedro to address this issue. A presentation was given by United Way detailing how the project will work but NOT A SINGLE REPRESENTATIVE was there from Mr. Buscaino's office.
- On July 12th, Coffee with a Cop meeting was held at Café Café in Wilmington to discuss the homeless shelter. AGAIN NO ONE from Mr. Buscaino's office was present.
- On July 18th, the Wilmington Neighborhood Council held a Special Board Meeting. NO ONE from Mr. Buscaino's office was there but we were advised Mr. Buscaino, his Chief of Staff Jacob Haik and his Field Rep for Wilmington Fernando Navarrete were ALL ON VACATION.
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services(United Way Presentation and Daily Breeze Article)
- Safe Park is free overnight parking for RV's and those who live in their car.(Joe Buscaino SAFE PARKING YouTube Video)
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area (Daily Breeze Article 07/05/18)
- Mr. Busciano wants to build BOTH Safe Park and Bridge Housing in Wilmington (Daily Breeze Article 07/05/18)
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)

I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons: wants to finalize his choice by July 31st. In doing so Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what cities will benefit from the extra money.(CSPNC Meeting 07/09/18)
- United Way Presentation in San Pedro says that these facilities will help LESS THAN 1/3 of the homeless population. There is no Plan for the other 70%.(United Way Presentation 07/09/18)

- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)
- Mr Buscaino he deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons: wants to finalize his choice by July 31st. In doing so Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what cities will benefit from the extra money.(CSPNC Meeting 07/09/18)
- United Way Presentation in San Pedro says that these facilities will help LESS THAN 1/3 of the homeless population. There is no Plan for the other 70%.(United Way Presentation 07/09/18)
- The Proposed Property has numerous environmental restrictions on it. If this would be any other developer the property would be subject to numerous soil and ground tests, Environmental impact reports. And Subject to the restrictions of the Mayor's own ordinance for clean up green up for heavily polluted areas. The property is in a Methane zone, as well as being less than a block away from a Coastal Zone. The property is also part of the Tidelands Trust. NONE of these guidelines are being followed as the city is EXEMPT from these restrictions. This poses serious environmental and health questions.(ZIMAS)
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- There is a conflict with regards to the type of security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures have been provided to insure that guidelines are being met.

I, the undersigned stakeholder of Wilmington am against the Safe Parking and Bridge Home Project as proposed and ask Councilman Joe Busciano, Mayor Garcetti; Gene Seroka, Executive Director Port of Los Angeles; Jamie L Lee, David Arian, Harbor Commission; Kristen Decas, California Port Authority; Michael Carley, Federal Marine Commission; Janice Hahn, LA County Supervisor; Mike Gipson, State Assemblyman; Nanette Barragon, Congresswoman; to reject this plan until the residents of Wilmington are treated in a fair, equitable and transparent manner.

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por la acción de los residentes de Wilmington, este proyecto nos sorprendería sin la debida notificación, sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones:

• El Sr. Busciano quiere construir AMBOS Estacionamientos Seguros y Viviendas del Puente en Wilmington.
• Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad.
• Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil.
• El Sr. Busciano quiere construir un GRAN parque seguro que cubrirá TODA la zona del puerto.
• El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)
• El Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué comunidades se beneficiarán con el dinero extra.
• Estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar en Wilmington. No hay un plan para el otro 70%
La Propiedad Propuesta tiene numerosas restricciones medioambientales (Zona de Metano, Zona Costera, Fideicomiso Tidelands, CUGU). La Ciudad está EXENTA de estas restricciones que provocan varias preocupaciones de salud y medioambientales.
• No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas?
• Un conflicto con respecto a la seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
• Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.
• No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas
• No se ha proporcionado una lista de medidas de seguridad para garantizar que se cumplan las directrices.
• El Sr. Buscaino no asistió a las reuniones de la comunidad de hormigas o envió un representante para responder preguntas.
• NO PUEDO APOYAR ESTO CUANDO NO ME DAN LA OPORTUNIDAD DE HACER PREGUNTAS, VOZ MIS PREOCUPACIONES O DAR ENTRADA.

Yo, el interesado abajo firmante de Wilmington, estoy en contra del Proyecto Safe Parking and Bridge Home Project, tal como lo propuse y rechazo este plan hasta que los residentes de Wilmington reciban un trato justo, equitativo y transparente.

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:.

- Mr. Busciano wants to build BOTH Safe Parking and Bridge Housing in Wilmington.[1]
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services[2]
- Safe Park is free overnight parking for RV's and those who live in their car.[3]
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area.
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)[4]
- Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what communities will benefit from the extra money.[5]
- These facilities will help LESS THAN 1/3 of the homeless population in Wilmington. There is no Plan for the other 70%[6]
- The Proposed Property has numerous environmental restrictions on it.(Methane Zone, Coastal Zone Tidelands Trust, CUGU) the City is EXEMPT from these restriction prompting several health and environmental concerns[7]
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- A conflict with regards to security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures have been provided to insure that guidelines are being met.
- Mr. Buscaino has failed to attend ant community meetings or send a representative to answer questions.
- **I CAN NOT SUPPORT THIS WHEN I AM NOT GIVEN AN OPPORTUNITY TO ASK QUESTIONS, VOICE MY CONCERNS OR GIVE INPUT.**

I, the undersigned stakeholder of Wilmington am against the Safe Parking and Bridge Home Project as proposed and reject this plan until the residents of Wilmington are treated in a fair, equitable and transparent manner.

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:.

- Mr. Busciano wants to build BOTH Safe Parking and Bridge Housing in Wilmington.[1]
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services[2]
- Safe Park is free overnight parking for RV's and those who live in their car.[3]
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area.
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)[4]
- Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what communities will benefit from the extra money.[5]
- These facilities will help LESS THAN 1/3 of the homeless population in Wilmington. There is no Plan for the other 70%[6]
- The Proposed Property has numerous environmental restrictions on it.(Methane Zone, Coastal Zone Tidelands Trust, CUGU) the City is EXEMPT from these restriction prompting several health and environmental concerns[7]
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- A conflict with regards to security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures have been provided to insure that guidelines are being met.
- Mr. Buscaino has failed to attend ant community meetings or send a representative to answer questions.
- **I CAN NOT SUPPORT THIS WHEN I AM NOT GIVEN AN OPPORTUNITY TO ASK QUESTIONS, VOICE MY CONCERNS OR GIVE INPUT.**

I, the undersigned stakeholder of Wilmington am against the Safe Parking and Bridge Home Project as proposed and reject this plan until the residents of Wilmington are treated in a fair, equitable and transparent manner.

If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:.

- Mr. Busciano wants to build BOTH Safe Parking and Bridge Housing in Wilmington.[1]
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services[2]
- Safe Park is free overnight parking for RV's and those who live in their car.[3]
- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area.
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)[4]
- Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what communities will benefit from the extra money.[5]
- These facilities will help LESS THAN 1/3 of the homeless population in Wilmington. There is no Plan for the other 70%[6]
- The Proposed Property has numerous environmental restrictions on it.(Methane Zone, Coastal Zone Tidelands Trust, CUGU) the City is EXEMPT from these restriction prompting several health and environmental concerns[7]
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- A conflict with regards to security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures have been provided to insure that guidelines are being met.
- Mr. Buscaino has failed to attend ant community meetings or send a representative to answer questions.
- **I CAN NOT SUPPORT THIS WHEN I AM NOT GIVEN AN OPPORTUNITY TO ASK QUESTIONS, VOICE MY CONCERNS OR GIVE INPUT.**

I, the undersigned stakeholder of Wilmington am against the Safe Parking and Bridge Home Project as proposed and reject this plan until the residents of Wilmington are treated in a fair, equitable and transparent manner.

Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones:

• El Sr. Busciano quiere construir AMBOS Estacionamientos Seguros y Viviendas del Puente en Wilmington.
• Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad.
• Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil.
• El Sr. Busciano quiere construir un GRAN parque seguro que cubrirá TODA la zona del puerto.
• El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)
• El Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué comunidades se beneficiarán con el dinero extra.
• Estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar en Wilmington. No hay un plan para el otro 70%
La Propiedad Propuesta tiene numerosas restricciones medioambientales (Zona de Metano, Zona Costera, Fideicomiso Tidelands, CUGU). La Ciudad está EXENTA de estas restricciones que provocan varias preocupaciones de salud y medioambientales.
• No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas?
• Un conflicto con respecto a la seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
• Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.
• No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas
• No se ha proporcionado una lista de medidas de seguridad para garantizar que se cumplan las directrices.
• El Sr. Buscaino no asistió a las reuniones de la comunidad de hormigas o envió un representante para responder preguntas.
• NO PUEDO APOYAR ESTO CUANDO NO ME DAN LA OPORTUNIDAD DE HACER PREGUNTAS, VOZ MIS PREOCUPACIONES O DAR ENTRADA.

Yo, el interesado abajo firmante de Wilmington, estoy en contra del Proyecto Safe Parking and Bridge Home Project, tal como lo propuse y rechazo este plan hasta que los residentes de Wilmington reciban un trato justo, equitativo y transparente.

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- Mr. Busciano wants to build BOTH Safe Parking and Bridge Housing in Wilmington.[1]
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services[2]
- Safe Park is free overnight parking for RV's and those who live in their car.[3]
- Mr. Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area.
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)[4]
- Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what communities will benefit from the extra money.[5]

- Mr Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area.
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)[4]
- Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what communities will benefit from the extra money.[5]
- These facilities will help LESS THAN 1/3 of the homeless population in Wilmington. There is no Plan for the other 70%[6]
- The Proposed Property has numerous environmental restrictions on it.(Methane Zone, Coastal Zone Tidelands Trust, CUGU) the City is EXEMPT from these restriction prompting several health and environmental concerns[7]
- No details have been provided to detail, the size, scope or length of this program. How many people? How many cars? How many pets?
- A conflict with regards to security to be provided. Council President Wesson states it will be L..A.P.D, United Way says it will be Private Security. This is Port Property will it be the Port Police?
- Residents have had no say whatsoever and haven't even been given the opportunity to discuss alternate locations that might be better suited.
- No guidelines have been provided to detail what the qualifications are to participate in these programs
- No list of Security Measures have been provided to insure that guidelines are being met.
- Mr. Buscaino has failed to attend ant community meetings or send a representative to answer questions.
- **I CAN NOT SUPPORT THIS WHEN I AM NOT GIVEN AN OPPORTUNITY TO ASK QUESTIONS, VOICE MY CONCERNS OR GIVE INPUT.**

I, the undersigned stakeholder of Wilmington am against the Safe Parking and Bridge Home Project as proposed and reject this plan until the residents of Wilmington are treated in a fair, equitable and transparent manner.

Las acciones engañosas tomadas por el concejal Joe Busciano para construir un complejo para personas sin hogar en 828 Eubank Ave., en Wilmington, han indignado a muchos residentes locales. Si no fuera por la acción de los residentes de Wilmington, este proyecto nos sorprendería sin la debida notificación, sin ningún aporte de la comunidad y de manera injusta y no transparente. Rechazo CF-180651 (Safe Parking / Bridge Home) por las siguientes razones:

• El Sr. Busciano quiere construir AMBOS Estacionamientos Seguros y Viviendas del Puente en Wilmington.
• Bridge Housing es una vivienda temporal para personas sin hogar. Incluye servicios de habitación, comida, cuidado de mascotas, almacenamiento, salud dental y psiquiátrica, así como otros servicios de la ciudad.
• Safe Park es un estacionamiento nocturno gratuito para vehículos recreativos y para quienes viven en su automóvil.
• El Sr. Busciano quiere construir un GRAN parque seguro que cubrirá TODA la zona del puerto.
• El Sr. Buscaino fue voluntario de Wilmington y está decidido a ubicar estas instalaciones para personas sin hogar en Wilmington sin la participación o notificación adecuada a la comunidad (CF-180651)
• El Sr. Buscaino recibirá fondos adicionales para City Services para el Distrito 15. Esto no significa que Wilmington reciba el dinero extra. El Sr. Busciano decidirá qué comunidades se beneficiarán con el dinero extra.
• Estas instalaciones ayudarán a MENOS DE 1/3 de la población sin hogar en Wilmington. No hay un plan para el otro 70%
La Propiedad Propuesta tiene numerosas restricciones medioambientales (Zona de Metano, Zona Costera, Fideicomiso Tidelands, CUGU). La Ciudad está EXENTA de estas restricciones que provocan varias preocupaciones de salud y medioambientales.
• No se han proporcionado detalles sobre los detalles, el tamaño, el alcance o la duración de este programa. ¿Cuanta gente? ¿Cuántos carros? ¿Cuántas mascotas?
• Un conflicto con respecto a la seguridad que se proporcionará. El Presidente del Consejo Wesson declara que será L..A.P.D, United Way dice que será Seguridad Privada. Esta es propiedad del puerto ¿será la policía del puerto?
• Los residentes no han tenido voz en absoluto y ni siquiera se les ha dado la oportunidad de analizar ubicaciones alternativas que podrían ser más adecuadas.
• No se han proporcionado pautas para detallar cuáles son las calificaciones para participar en estos programas
• No se ha proporcionado una lista de medidas de seguridad para garantizar que se cumplan las directrices.
• El Sr. Buscaino no asistió a las reuniones de la comunidad de hormigas o envió un representante para responder preguntas.
• NO PUEDO APOYAR ESTO CUANDO NO ME DAN LA OPORTUNIDAD DE HACER PREGUNTAS, VOZ MIS PREOCUPACIONES O DAR ENTRADA.

Yo, el interesado abajo firmante de Wilmington, estoy en contra del Proyecto Safe Parking and Bridge Home Project, tal como lo propuse y rechazo este plan hasta que los residentes de Wilmington reciban un trato justo, equitativo y transparente.

The deceptive actions taken by Councilman Joe Busciano to build a homeless compound at 828 Eubank Ave., in Wilmington have outraged many local residents. If not for the residents of Wilmington taking action we would be blindsided by this project without proper notification, without any community input and in an unfair and non-transparent manner. I Reject CF-180651(Safe Parking/Bridge Home) for the following reasons:

- Mr. Busciano wants to build BOTH Safe Parking and Bridge Housing in Wilmington.[1]
- Bridge Housing is temporary housing for the homeless. It includes room, board, pet care, storage, medical dental health and Psychiatric services as well as other city Services[2]
- Safe Park is free overnight parking for RV's and those who live in their car.[3]
- Mr. Busciano wants to build a LARGE Safe Park that will cover the ENTIRE Harbor area.
- Mr. Buscaino volunteered Wilmington and is determined to place these homeless facilities in Wilmington without proper input or notification to the community.(CF-180651)[4]
- Mr. Buscaino will receive additional funding for City Services for District 15. This does not mean Wilmington gets the extra money. Mr. Busciano will decide what communities will benefit from the extra money.[5]
