Sec. 2. Upon approval from the Office of the City Administrative Officer, or City Council if required pursuant to Council instruction, substitute authority positions may be filled using any class of position specified in Schedule "A" of the Los Angeles Administrative Code or approved Memoranda of Understanding (MOU). The approval shall specify the period during which the position shall be filled. The Office of the City Administrative Officer shall maintain a record of the positions approved for filling. Whenever the Office of the City Administrative Officer requires as a condition to the filling of a substitute position that a regular position be left vacant and the vacant regular position is authorized by the Council to receive adjusted compensation provided by the Notes of Schedule "A" of Los Angeles Administrative Code Sections 4.61 and 4.72 or an approved MOU, payment of the adjusted compensation may then be made to the person employed in the substitute position if he/she is otherwise qualified to receive adjusted compensation.

Sec. 3. The appointing authority may employ persons and assign duties appropriate to the employee's classification and pay grade in any class of position specified in Schedule "A" of Los Angeles Administrative Code Section 4.61 in lieu of vacant positions in a related occupational class series, including related training classes, which have been authorized in the appropriate department personnel ordinance or by resolution of the City Council. If the employee's classification is not in the related occupational class series of the vacant position, then approval is required from the Office of the City Administrative Officer and the Personnel Department prior to such in-lieu filling. The vacant positions into which employees are to be hired on an in-lieu basis, whether or not in a related occupational series, must have a salary or salary range equal to or higher than the salary or salary range for the classification and pay grade in which the persons are to be employed. At no time shall the total number of persons employed in the department, office or bureau exceed the total number of positions authorized. Whenever a vacant position used for the in-lieu filling of a classification provided under this section qualifies to receive adjusted compensation in accordance with the Los Angeles Administrative Code Section 4.61 Salary Notes of Schedule "A" and Section 4.72, payment of the adjusted compensation may then be made to the person employed in lieu if that person otherwise qualified to receive such adjusted compensation.

Sec. 4. The personnel authority contained in this ordinance shall be limited by the amount of money available on the records of the Controller for the payment of salaries and wages in the appropriate departmental account.
