

WELCOME TO THE CITYWIDE BUSINESS IMPROVEMENT DISTRICT (BID) PROGRAM WEBSITE

This site is new and we hope you find it informative. Additional materials, including detailed maps of all existing City Business Improvement Districts, are being constructed for posting on this site. Please review the descriptions of the site's current contents and click on the areas of the Citywide BID Program which you find of interest.

----- CONTENTS -----

[Frequently Asked Questions and Answers About the Citywide Business Improvement District Program](#)

This document offers answers to the questions most frequently asked by other City employees, staff of elected officials and the general public.

[Geographic Listing of Existing Business Improvement Districts](#)

[Geographic Listing of Proposed Business Improvement Districts](#)

This document contains the district name, the type of BID (merchant or property based membership), the respective City Council District, and the City Council File Number which was assigned to the project. Both established and active proposed BIDs are included. Website visitors may link to the City's Council File Index (CFI) system from the City Homepage in order to access additional legislative information including ordinance numbers and public hearing dates regarding establishment of each BID.

[Service Operations Summary: The Role of the Los Angeles City Clerk](#)

This document contains a summary of the role and responsibilities of the Office of the City Clerk as related to the Citywide BID Program. It provides a preamble which explains to Website visitors how the Department facilitates establishment and administration of the Program, as well as a description of key issues, procedures and operations.

[Detail of Service Operations](#)

This document contains an expanded description of the operation and support elements summarized in the "Service Operations Summary" document.

[Business Improvement District Program Library](#)

This document contains information related to the City Clerk's BID Resource Library, including location address, types of materials available and procedures for acquiring the materials. A partial listing is also provided which offers a sample of the various pamphlets, articles, pertinent legislation, management plans and other types of information available to interested parties.

[Citywide Business Improvement District Links](#)

This document contains the name, address, telephone/fax number, director or contact name and Internet address, as available, of the established BIDs in the City of Los Angeles. Also referred to as "Network Summary Sheet".

[Business Improvement District Formation Activity Guidelines](#)

This document explains in summary format the procedures normally involved in the three components of a business improvement district: formation, establishment and administration. The document is presented from a municipal perspective in a format designed for use by private sector persons or organizations to provide a conceptual overview of the BID process in the City.

[Business Improvement District Consultant Rating Profile](#)

This document provides a framework for the review and evaluation of business improvement district consultants. It is designed to serve as a supplement to other location-specific materials when interviewing prospective consultants to perform tasks related to business improvement district formation.
