

COUNCIL AND PUBLIC SERVICES DIVISION

Translation Services Section

City Council & Council Committee Meeting Translation

The City Clerk's Office provides translation services for City Council and Committee meetings. If an individual requires translation services for one of these meetings, please contact the Council and Public Services, Translation Services Section, at (213) 978-1051, at least 72 hours prior to the meeting you wish to attend. Please specify the language for which you require translation. For quicker service, send your email request to: Clerk.Translations@lacity.org

OTHER TRANSLATION RESOURCES

City elected officials, Departments and other City entities can utilize one of the following two options to secure translation services. It is important to consider the level of proficiency needed for the desired activity when making a decision about using a contract service vs. the bilingual City employee Interpreter program.

Contract Translation Service Providers

The City Clerk Office maintains contracts with four professional translation service providers, which can be utilized by any City entity wishing to provide translation services at their own meetings. Please contact Ruben Viramontes, Administrative Services Division, at (213) 978-1083, or via email: Ruben.Viramontes@lacity.org for additional contract information. For translation equipment, please contact Council Audio at (213) 978-2000. The four providers are:

Continental Interpreting Service, Inc. (www.cis-inc.com)

Languages 4 You (www.languages4you@aol.com)

Paragon Language Service (www.paragonls.com)

Inline Translation Services Inc. (www.info@inlinla.com)

Bilingual City Employees After-hours Translation Services

The City Clerk has compiled a database of current, full-time City employees who are certified by the City Personnel Department for bilingual bonuses and who have expressed an interest in providing translation services, after regular working hours, and on an as-needed basis, for City elected officials, departments and other City entities. These individuals were grandfathered into the **Interpreter** classification and the attached database lists these employees according to their language proficiency.

When translation services are required, the City entity can review the entire database or sorted lists (by language), make a selection and contact the employee directly to make logistical arrangements. Additionally, please notify the Translation Unit of the selected employee at Clerk.Translations@lacity.org, so that payment can be facilitated when services have been rendered.

The employee will be compensated by the City Clerk at the rate of \$35.00 per hour upon completion and verification that the services have been provided (See Verification of Bilingual Services Form.) Each user department will then be required to reimburse the City Clerk's office through inter-departmental fund transfer.

Again, if there are any questions about utilizing these or other translation services, please contact the Translation Services Section at 213-978-1051 or via email at Clerk.Translations@lacity.org
