

DAVID R. HERNANEZ  
CANDIDATE FOR MAYOR

Hello Los Angeles, this is David R. Hernandez, Candidate for Mayor.

Thank you taking such an active role in improving the Quality of Life in our City.

As President of the Los Angeles Mission College Foundation Board, I have invested five years in providing the opportunity for young people to receive an education.

As a Board member of an organization which provides shelter and care for abused boys, I know the value and need of resources to provide for those victims of abuse and neglect.

As a Board member of an organization working with the homeless for several years, I have worked to provide a new life for those who have fallen on hard times.

As the Executive Director of the San Fernando Chamber of Commerce, I know too well the challenges facing small business today. I have also witnessed the result of non-responsive government in dealing with small business when making decisions on issues such as traffic and parking, without including the business community.

As a former Board Member of three Neighborhood Councils, I know how local issues can be addressed with the right resources.

In my 20 years as a Community Advocate and Civic Leader, I have found that no matter what issue, three things must be present.

Transparency, Accountability and Empowerment .

Transparency, where are your tax dollars being spent?

Accountability, are you getting your money's worth?

Empowerment, could someone else do a better job and how do we support them?

This is David Hernandez Candidate for Mayor of Los Angeles, asking for your vote on March 3rd.
