English

My name is Jesse Rosas, I am running for district number one. I am a family man and husband, I have 25 years in this community; I am an activist and a businessman. The three points I want to highlight to improve our community are:

Bring more police officers to our corridors.

Create after school programs for our youth.

Work with small businesses to improve our corridors.

Therefore I urge you to support Jesse Rosas on March 3, because working together we can make a difference. Remember Jesse Rosas March 3.
