

Fellow Voters of the Los Angeles Community College District:

My name is Mike Rives and I am running for Seat 5 of the Los Angeles Community College District Board of Trustees.

First of all, what are my qualifications? I have graduated from Los Angeles City College, Cal State University and Boston University. I have worked for the federal government for almost 13 years, the Los Angeles County Office of Education for 2 years, and for the City of Los Angeles for ten years as a reserve police officer. I am coordinator for the Cancer Center for the VA Greater Los Angeles Healthcare System at present.

I have been involved in politics for over 40 years both as a campaigner and as a participant. I have run for the U.S. Congress and I have run for the California State Assembly Previously. I am familiar with our political system and I know I can make it work better for all of us.

I intend to promote positive changes in the Community College District if I am elected. First of all, I want all of you to know that I will be accessible for your complaints and concerns at all times. Secondly, I want to promote the creation and expansion of healthcare training in the District. Thirdly, I want to improve the District's physical facilities by expanding parking and making certain that all future buildings serve a dual purpose such provide parking and learning space together. Finally, I want the District to

provide grants to students who pursue careers that benefit our community such as nurses, police officers and teachers as examples.

The Los Angeles Community College District is the largest in the nation. Our goals and achievements will lead the nation and change our nation. I want to be part of the future as your Member of the Board of Trustees.

Thank-you and please vote on March 6th for Mike Rives.
