I am a retired engineering manager and I have been the president of the Hidden lake Homeowners Association for the past two years.

I formed the Neighborhood Preservation Committee which achieved favorable changes in the Corporate Pointe project. We eliminated retail stores and reduced the future impact of the project design details on the surrounding communities. This effort took two years.

For the past eight months I have been a member of the West Hills Neighborhood Council and I am the Chairman of the Emergency Preparedness Committee. Recently I also became the Chairman of the Santa Susana Mountain Area Committee.

My goal is to improve the quality of life for residents in West Hills.
