Re: DLANC Election Challenge

This is the basis for my Challenge. Violation of the 100 foot distance required from the polls when campaigning during an election voting process.

In this case both Candidates were clearly within 100 feet of the polls on election day. I witnessed this violation along with Don Garza who was in line just ahead of me. I did in fact tell both Candidates that they were in violation of the rules and regulations governing the voting process. Antoinette Falice was told of her violation by others closer to her at the time of violation. All violations started just outside the entrance to the Los Angeles Theater not more than 10 to 15 feet from the entrance to the theater.

The individuals involved in the illegal campaigning were:

1. General Jeff - Elected
Should have been Elected - Jessyka Quintero-Mora
2. Wendell Blassingame - Elected
Should have been Elected - Shannon Parker
3. Antoinette Falice - Not Elected

The remedy I seek is simple and right. The individuals who obeyed the Law, Rules and Regulations should be awarded

the positions they ran for on the DLANC Board Of Directors.
