As a long time resident of our community I've seen many changes and challenges come to our community. The economic crisis with its impending cuts in city services is another challenge we are facing now as well as the educational problems in our local schools.

I feel that the way for us to weather these and other problems down the line, is to forge strong ties, with participation and communication between community members.

I am willing to do all I can to forge a stronger community, with your help we can build a solid foundation with a bright future and a secure present.

I DECLARE UNDER PENALTY OF PERJURY THAT THE ABOVE STATEMENTS ARE TRUE AND CORRECT:
