Dear Stella:

I am a resident in the GGPNC area, and am a present board member of the Greater Griffith Park Neighborhood Council. Since I planned to be out of the country in Turkey on June 21, I and my family (Marc Marmaro and Morgan Marmaro) and two friends, Dana Goldinger and Brandon Taylor all requested ballots by mail. I gathered the five completed applications and mailed them to the City on June 9. None of us received the requested ballots. Because my family was in Turkey on vacation, we were deprived of an opportunity to vote.

Stella:

I consider this email, together with my earlier email identifying myself, my qualifications and shareholder stake, my grounds and my requested relief, a formal challenge. I got no response from you as to what additional information was required, so I assume you will accept the challenge.

 Stella:

Perhaps you can let me know how my challenge was insufficient because I identified myself, the basis of the challenge, my contact information, etc. As to the remedy, I presume that I and others denied mail in ballots should be allowed to vote.
