I have lived in the Sun Valley area for more than 68 years and have owned businesses in the area for more than 25 years. During that time I have witnessed the change from a rural farming community to a suburban community to now an intercity community with homeless people living in the parks, gangs selling drugs and graffitiing everything, trash being dumped on the streets and prostitutes walking the boulevards. It's time the good citizens of this community come to the aid of fellow residents of this community and restore values and make this neighborhood a safe and respectful place to work and live. If elected I will do everything within my power to achieve those goals and improve the community. Live and working

I DECLARE UNDER PENALTY OF PERJURY THAT THE ABOVE STATEMENTS ARE TRUE AND CORRECT.
