Cleaner and safer streets at The Olympic Park Neighborhood (OPN) will benefit families and business respectively. Picking up garbage and installing garbage deposits are essential.

Patrol police on foot or bicycle is vital to get familiar with who is who in the neighborhood. Traffic signals, in main roads, are crucial in preventing pedestrians' accidents.

Recreational areas, such parks and botanical gardens, and a resource center are needed. This can serve as a focal point for people to help one another with legal matters.

As a member of the OPN, I would like to work with business owners so that there is an amicable relationship between businesses and community, based on mutual respect. Open communication with all parties that comprise OPN to evolve together with the sole mission of improving the neighborhood will be beneficial for all.

Getting to know our neighbors can only lead to a strong united community.

I DECLARE UNDER PENALTY OF PERJURY THAT THE ABOVE STATEMENTS ARE TRUE AND CORRECT:
