I was fortunate enough to purchase my first home in 2007. Finding the right house also meant finding a neighborhood that felt like a community where I would belong and could call home. The Olympic Park Neighborhood Council district embodies a rich and diverse population of hard working people striving to achieve a comfortable, safe and enriched environment. My participation on the board would be to encourage neighbors to support and get involved in helping to create a better place for us all to live, work, learn, play and shop.

Yo tuve la suerte de comprar mi primera casa en 2007. Encontrar la casa correcta también significaba encontrar un barrio que se sentía como una comunidad en la que yo pertenezco y podría llamar a casa. El Parque Olímpico del Consejo Vecinal del distrito representa una población rica y diversa de las personas que trabajan duro tratando de lograr un ambiente cómodo, seguro y enriquecido. Mi participación en el consejo sería animar a los vecinos para apoyar y participar en la creación de un lugar mejor para todos nosotros para vivir, trabajar, aprender, jugar y comprar.
