I am 28 years old and have my own financial services business. One of my best skills is to present information to people and motivate them to act on it. I have been a resident of this neighborhood for the last 20 years and I had never heard of the OPNC until a couple of months ago. My goal is to raise the awareness of the existence of the OPNC and to make it a staple of our community. There are many smaller groups that hold meetings regarding neighborhood issues that would benefit greatly with the help of the OPNC. Bringing these groups together will only benefit this neighborhood; this is one of my main goals if elected.
