My name is Robert Lim and I am a prospective candidate for the Sun Valley Area Neighborhood Council. As a Sun Valley residence and business member for over 20 years, the needs of this city are second nature to me. As a computer programmer by occupation, I want to apply my technical background towards paving the way to the digital era. If I am elected, I plan to hold computer workshop events to educate members of the community in hopes of bridging the widening gap between people and technology. I would also push for initiatives that will provide technology access for all residents in this neighborhood, including city-wide wireless Internet access and more computers in public dwellings. Let me be your voice in this community.

VOTE FOR ROBERT LIM!

I DECLARE UNDER PENALTY OF PERJURY THAT THE ABOVE STATEMENTS ARE TRUE AND CORRECT:
