My name is Sharon Lake and I am running for a seat on the MidCityWest Community Council (MCWCC) as the Zone 1 Representative. I am a second generation Angeleno and have lived for over 10 years within the Zone 1 boundaries. I am familiar with the range of concerns affecting our community and as a MCWCC Board Member I hope to contribute to solutions that fit the community.

Currently, I am a returning student and attend California State University, Los Angeles majoring in computer science. This background gives me an objective and analytical approach when examining community issues and to carefully consider what has been tried, what has worked, what has not worked, and what should be done.

I believe, and hope that you will agree, that I can be an asset as the elected MCWCC Zone 1 Representative. I understand our community and certainly welcome the challenge.
