------------	--

05/31/2019	Document(s) submitted by Chief Legislative Analyst, as follows:
------------	---

Chief Legislative Analyst report 19-05-0559, dated May 31, 2019, relative to Resolution (Wesson - Rodriguez) to include in the City's 2019-20 State Legislative Program its position on AB 1400 (Kamlager-Dove), which would allow civilian public employees who participate in firefighting operations to receive worker's compensation payments if they develop cancer as a result of carcinogen exposure during their duties under the presumption that cancer is a work-related condition.

05/31/2019	Resolution referred to Council (tentatively scheduled for June 5, 2019).
