8-24-88 - This days Ccl session - Mo - Galanter / Woo 1988 - Crenshaw Redevelopment Plan was adopted by Ccl on 5-9-84 & resulted in construction of new Baldwin Hills Crenshaw Plaza that is now nearing completion. For community to obtain full benefits of redevelopment efforts now underway, there is a need to examine revitalization needs of area outside existing boundaries of Crenshaw Redevelopment Proj particularly for Santa Barbara Plaza. THEREFORE MOVE that CRA initiate appropriate study consistent with requirements of California Community Redevelopment Law (Health & Safety Code, Sec 33000 et seq), to examine feasibility of how redevelopment can continue to benefit Crenshaw area, that this study be conducted in close coordination with office of 6th Ccl District & include active participation of citizens from community. FURTHER MOVE that feasibility study be completed by Agency within 9 months after its initiation (at cost of approx \$150,000 - 150000 dollars) & include specific recs for consideration by Ccl
