

# Attention Parents!

Your Student has expressed interest in participating in our  
Student Ambassador Program

Your student will become a civic engagement student ambassador  
in their high school campus by participating in:

Voter  
registration  
trainings

Help coordinate  
voter registration  
drives on campus

Help other students  
to register or  
pre-register to vote

Help coordinate  
on-campus mock  
elections and  
presentations

Volunteer with our office to do  
voter registration in their  
community with our staff during  
weekend community events

All participating students will receive community service hours to  
help them fulfill their graduation requirements.

### Parent/Guardian Form

1. Please completely fill out the Parent portion of the Application and carefully read each disclaimer before initialing.
2. You must designate an Emergency Contact and provide full contact information for that person.
3. Students may be placed within a 3-mile radius around their high school or up to a 15-minute driving distance.
4. Students must arrange their own transportation to and from their assigned community event or polling place if participating in Neighborhood Council Elections.
5. Students must work the entire duration of the event. Hours will vary per event. Notice in advance will be provided to the student before assignment.

#### Parental Approval:

Your child is interested in becoming a Civic Engagement Student Ambassador on their campus and volunteers in voter registration efforts with the City of Los Angeles, Office of the City Clerk and is required to submit this application. Please complete the Parent/Guardian portion below to approve the student's application and initial each acknowledgement statement.
