12-19-07 - This day's Council session - Reyes Mover 2007/Rosendahl - Motion - That the Council instruct the Planning Department, in collaboration with LADOT, and in consultation with Council District 1, on the following bicycling and land use policy directives, as part of the new Bicycle Plan, a section of the Transportation Element of the General Plan, that is currently being prepared:

1. Identify Council District 1 as a pilot project to implement the bicycle improvements enumerated in the text of the Motion.

2. Plan a public workshop in Council District 1 in early 2008 to gather input from residents, bicyclists, businesses, and all other stakeholders to map out where the above mentioned bicycle improvements would work in their communities. The workshops should be accessible to people of all ethnic backgrounds and abilities.

3. The inclusion of street designations for bicycling within Community Plans.

4. The feasibility of replicating the City of San Diego, CA TRANSNET Extension Ordinance as a model to accommodate the transportation needs of bicyclists and pedestrians.
