05/21/2018 Document(s) submitted by Council, as follows:

Instruct the Bureau of Street Lighting, in consultation with the Department of Water and Power, to report to the Energy, Climate Change, and Environmental Justice Committee on any plans to increase the number of electric vehicle chargers to match the demand planned by the auto industry for the early 2020s. The report should include the City's plans and innovative ways to greatly increase and fund these efforts, including partnering with the private sector.
