2-3-88 - For Ccl

2-3-88 - Cont to 2-5-88 as a special order of business at 10:30 a.m. together with amending motion - Ferraro - Bernson

2-5-88 - P&E Comt rept adopted *as amended rec that subj RESOL to establish citizen community Planning Advisory Committees, BE ADOPTED which essentially sets forth the following measures as a guide in the forming of such committees:

1. That these Comts be referred to as Community Planning Advisory Comts (hereinafter referred to as CPACs), and that these Comts have an area of responsibility which corresponds to each community plan area
 2. That each Ccl office participate in the formation of CPACs to facilitate community input to plan revision process;
 3. That a CPAC be established in each of the City's 35 community planning areas;
 4. That a CPAC be formed at the time a community plan is initiated for revision, or sooner;
 5. That the CPAC play a continuing and on - going role in implementation of the adopted community plan;
 6. That a CPAC consist of approximately 15 members, and that Comt members be appointed by the Ccl member(s) of the particular community plan area;
 7. *
 8. That Ccl members reserve the right to broaden the agenda of the CPACs in their respective Districts to include key ongoing land use issues of community concern that are pending City review and action;
 9. That the Ccl supports funding for additional Planning Department personnel to staff such CPACs;
 10. That Ccl members reserve the right to create Citizen Advisory Comts in their respective Districts to provide on - going citizen involvement;
 11. That Ccl monitor the effectiveness of this program
- Resol adopted

2-5-88 - *Mo - Ferraro - Bernson 1988 - MOVE that point 7 be amended to read: "Members of the CPAC shall be representative of the community with consideration given to representation by homeowner associations, tenants, landlords, commercial property owners, small business tenants and urban planning professionals such as architects,

planners, traffic engineers and environmental specialists."
