Los Angeles Administrative Code § 10.40.1

- (h) **"City Financial Assistance Recipient"** means any person who receives from the City discrete financial assistance in the amount of One Hundred Thousand Dollars (\$100,000.00) or more for economic development or job growth expressly articulated and identified by the City, as contrasted with generalized financial assistance such as through tax legislation.

Categories of such assistance shall include, but are not limited to, bond financing, planning assistance, tax increment financing exclusively by the City, and tax credits, and shall not include assistance provided by the Community Development Bank. City staff assistance shall not be regarded as financial assistance for purposes of this article. A loan shall not be regarded as financial assistance. The forgiveness of a loan shall be regarded as financial assistance. A loan shall be regarded as financial assistance to the extent of any differential between the amount of the loan and the present value of the payments thereunder, discounted over the life of the loan by the applicable federal rate as used in 26 U.S.C. Sections 1274(d), 7872(f). A recipient shall not be deemed to include lessees and sublessees.

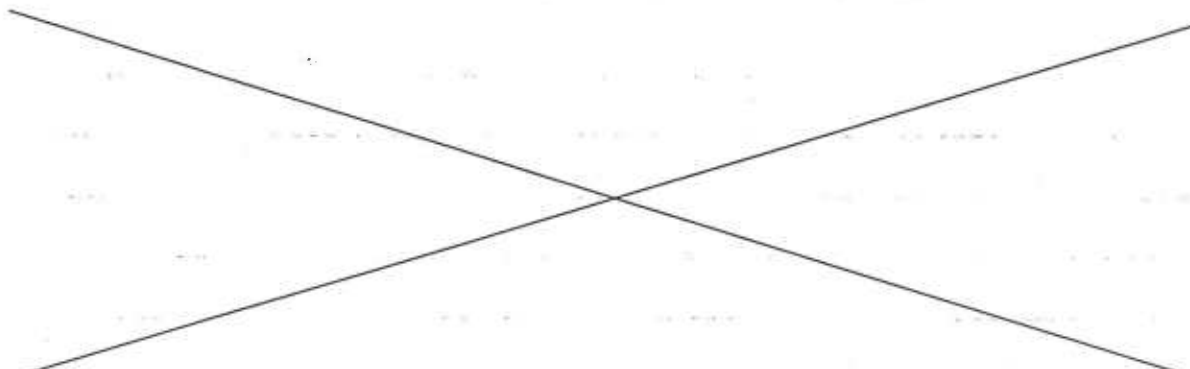

Los Angeles Administrative Code § 10.37.1

- (l) **"Public lease or license"**.

- (a) Except as provided in (l)(b), "Public lease or license" means a lease or license of City property on which services are rendered by employees of the public lessee or licensee or sublessee or sublicensee, or of a contractor or subcontractor, but only where any of the following applies:

 - (3) The DAA has determined in writing that coverage would further the proprietary interests of the City.
- (b) A public lessee or licensee will be exempt from the requirements of this article subject to the following limitations:
- (1) The lessee or licensee has annual gross revenues of less than the annual gross revenue threshold, three hundred fifty thousand dollars (\$350,000), from business conducted on City property;
 - (2) The lessee or licensee employs no more than seven (7) people total in the company on and off City property;
 - (3) To qualify for this exemption, the lessee or licensee must provide proof of its gross revenues and number of people it employs in the company's entire workforce to the awarding authority as required by regulation;
 - (4) Whether annual gross revenues are less than three hundred fifty thousand dollars (\$350,000) shall be determined based on the gross revenues for the last tax year prior to application or such other period as may be established by regulation;

 - (6) A lessee or licensee shall be deemed to employ no more than seven (7) people if the company's entire workforce worked an average of no more than one thousand two-hundred fourteen (1,214) hours per month for at least three-fourths (3/4) of the time period that the revenue limitation is measured;

LIST OF SUBCONTRACTORS

Santa Monica Freeway Corridor (ATCS) – Phase 2 W.O. L1302798

Use pages 1-6 and 1-7 to list subcontractors including manufacturers, truckers and equipment rental companies.

Use page 1-8 to list vendors and/or suppliers and brokers.

To be eligible for award of this project, the Board of Public Works requires the bidder to subcontract a minimum of its bid, as discussed in the Mandatory Subcontracting Minimum (MSM) Requirement paragraph on the important Notice page of the Proposal, to any qualified available Subcontractor(s). Failure to list subcontractors and subcontracting amounts on pages 1-6 through 1-8 with the bid sufficient to meet or exceed the MSM may cause the bid to be rejected by the Board of Public Works as non-responsive.

In accordance with provisions pertaining to the listing of Subcontractors, the bidder shall list herein each first tier Subcontractor to whom it proposes to subcontract portions of the work in an amount in excess of $\frac{1}{2}$ of 1% of the Contractor's total bid or \$10,000.00, whichever is greater, and the dollar value of each listed subcontract. However, the bidder must list any additional subcontractor and dollar value to the subcontract, regardless of amount, if the bidder wishes to have the subcontract amount credited toward meeting the MSM level of participation for this project. No MBE, WBE, SBE, EBE, or DVBE credit will be given unless the subcontractor and subcontracting amounts are listed on pages 1-6 through 1-8. Note the following when calculating the pledged levels of participation:

- MSM credit will not be given to a joint venture partner listed as a Subcontractor by a joint venture.
- Listed vendors and/or suppliers will be limited to 60% of their listed dollar value toward achieving both the MSM and the anticipated MBE, WBE, SBE, EBE, and DVBE levels of participation for this project, unless the vendor and/or supplier manufactures or substantially alters the materials/supplies.
- SBE, EBE, and/or DVBE certified bidders will receive applicable SBE, EBE, and/or DVBE credit for the value of the work to be performed by its own workforce as listed below.

Bidders are encouraged to use MBE, WBE, SBE, EBE, and DVBE firms whenever there is a need to subcontract portions of the work.

The Iran Contracting Act prohibits bidders engaged in investment activities in Iran from bidding on, submitting proposals for, or entering into or renewing contracts with public entities for goods and services of one million dollars (\$1,000,000) or more (PCC § 2203(a)). A bidder who "engages in investment activities in Iran" is defined as either:

1. A bidder providing goods or services of twenty million dollars (\$20,000,000) or more in the energy sector of Iran, including provision of oil or liquefied natural gas tankers, or products used to construct or maintain pipelines used to transport oil or liquefied natural gas, for the energy sector of Iran; **or**
2. A bidder that is a financial institution (as that term is defined in 50 U.S.C. § 1701) that extends twenty million dollars (\$20,000,000) or more in credit to another person, for 45 days or more, if that person will use the credit to provide goods or services in the energy sector in Iran and is identified on a list created by the California Department of General Services (DGS) pursuant to PCC § 2203(b) as a person engaging in the investment activities in Iran.

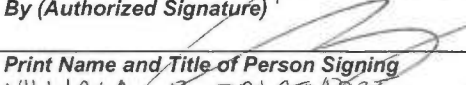

The bidder shall certify that at the time of submitting a bid for new contract or renewal of an existing contract, the bidder is **not** identified on the DGS list of ineligible businesses or persons and that the bidder is **not** engaged in investment activities in Iran in violation of the Iran Contracting Act of 2010.

California law establishes penalties for providing false certifications, including civil penalties equal to the greater of \$250,000 or twice the amount of the contract for which the false certification was made; contract termination; and three-year ineligibility to bid on contracts (PCC § 2205).
