LOAN AGREEMENT
(THE SIX PROJECT)
(\$4,277,100)

This Loan Agreement is made and entered into by and between the City of Los Angeles, a municipal corporation ("Lender" or "City"), and The Six Veterans Housing LP, a California limited partnership ("Borrower").

RECITALS

A. The City wishes to promote the construction of multifamily rental housing within the City of Los Angeles.

B. The City created the Affordable Housing Trust Fund, as contained in Los Angeles Ordinance 173346, adopted on May 23, 2000, Los Angeles Council File 99-1753; chapter title amended by ordinance 174,035, effective July 30, 2001, as Los Angeles Administrative Code Section 5.522 ("AHTF")

C. The funds provided by the AHTF are through the 2013 Round 1 Affordable Housing Trust Fund Program, Los Angeles Council File 13-0303 and consist of the Home Investment Partnership Program Funds ("HOME Funds") from the United States Department of Housing and Urban Development ("HUD") pursuant to the Cranston-Gonzales National Housing Act of 1990 for the purpose of expanding the supply of decent, safe, sanitary and affordable housing; and the General Fund ("GENERAL Funds") of the AHTF.

D. Under the AHTF, the City issued a loan to the Borrower in the amount of Four Million Two Hundred Seventy Seven Thousand One Hundred Dollars (\$4,277,100) from the City's HOME Funds and GENERAL Funds, loaned to support acquisition, predevelopment, construction and permanent costs.

E. Borrower shall acquire the real property located at 811 South Carondelet Street, Los Angeles, California 90057 (as more particularly described in Exhibit A) (the "Property") for the new construction of an apartment building resulting in fifty two (52) housing units, of which Forty Nine Percent (49%) of fifty (50) units shall be rented at prices affordable to 30% Income, 45% Income and 60% Income Households and two (2) one bedroom managers' unit, as defined in this City Loan Agreement for the project ("Project", as more particularly described in Exhibit A1)).

F. As a condition of this Loan, Borrower shall execute, among other things, the City Note, the City Deed of Trust and the Regulatory Agreement, in which the City Deed of Trust, and the Regulatory Agreement shall be recorded against the Property. These instruments are intended to secure Lender's continuing interest in the affordability and habitability of the Project, as well as to secure performance of other covenants contained in these agreements.

NOW THEREFORE, IN CONSIDERATION of the mutual agreements, obligations, and representations, and in further consideration for the making of this Loan, Borrower and Lender hereby agree as follows:

The definitions of this City Loan Agreement are attached as Exhibit B, Definitions. Exhibit B is hereby incorporated into this City Loan Agreement by this reference.

ARTICLE 1. TERMS OF LOAN

1.1 **CITY BUSINESS TAX REGISTRATION CERTIFICATE.** The Borrower represents that it has obtained and presently holds the Business Tax Registration Certificate(s) required by the City's Business Tax Ordinance (Article 1, Chapter 2, section 21.00 et seq. of the Los Angeles Municipal Code). For the term covered by this Loan Agreement, Borrower shall maintain, or obtain as necessary, all such Certificates required of it under the Business Tax Ordinance and shall not allow any such Business Tax Registration Certificate to be revoked or suspended.

1.2 **LOAN.** Lender agrees to provide a loan of funds to Borrower under the terms and conditions of the Loan Documents.

1.3 **AMOUNT OF LOAN.** On and subject to the terms and conditions of the Loan Documents, Lender agrees to make and Borrower agrees to accept a loan in an amount not to exceed Four Million Two Hundred Seventy Seven Thousand One Hundred Dollars (\$4,277,100), evidenced by a promissory note, (the "City Note"), in this amount and secured by the City Deed of Trust recorded against the Property. The City Note is attached as Exhibit C. The City Deed of Trust is attached as Exhibit D. The terms of Exhibit C and Exhibit D are hereby incorporated into this City Loan Agreement by this reference. Property is described in Exhibit A, which is hereby incorporated into this City Loan Agreement by this reference.

Upon the date of closing, Escrow Holder shall record the Regulatory Agreement, and City Deed of Trust with the Recorder for the County of Los Angeles, and shall deliver conformed copies of the recorded documents to the Lender and Borrower.

1.4 **INTEREST.** The City Note shall bear simple interest at the rate of four percent (4%) per annum on the principal amount outstanding from the date of the warrant (Los Angeles City check), until paid. Interest shall be computed based upon a three hundred sixty (360) day year, and a thirty (30) day month.

Notwithstanding the foregoing, and without limiting any other remedy of Lender, amounts not paid by Borrower when due shall bear interest from the date due to the date paid at the rate of fifteen percent (15%) per annum ("Late Payment Rate").

1.5 **TERM OF LOAN.** This Loan Agreement shall commence on the date of execution and remain in full force and effect throughout the term of this Loan.

Unless sooner due pursuant to the City Note, the principal of the Loan and all accrued interest thereon shall be due and payable on the earliest of (a) fifty five (55) years from the date of the execution of the City Note, (b) the date the Property is sold, assigned, transferred, or refinanced without City approval, or (c) an Event of Default by Borrower which has not been cured as provided for in this Loan Agreement.

1.7 **SOURCES OF FUNDS AND COMPLIANCE WITH FUNDING REQUIREMENTS.** The funds are from the 2013 Round 1 Affordable Housing Trust Fund - High Leverage Program ("AHTF"), Los Angeles Council File 13-0303. The Affordable Housing Trust Fund is contained in Los Angeles Ordinance 173346, adopted on May 23, 2000, Los Angeles Council File 99-1753; chapter title amended by ordinance 174,035, effective July 30, 2001, as Los Angeles Administrative Code Section 5.522. Borrower must comply with all the requirements imposed on properties assisted under the applicable sources of funds:

- A. HOME Funds through the HOME Investment Partnership program as contained in 42 U.S.C. Sections 12701, et seq., 24 C.F.R. Part 92,
 - B. General Funds of the 2013 AHTF,
 - C. Any other implementing rules and regulations are incorporated by this reference.
-
- D. In the event of any conflict between this Loan Agreement and the regulations of the applicable source of funds, the most restrictive requirement shall govern.

1.8 **USE OF FUNDS.** Borrower shall use and/or show proof that it used Loan proceeds only for the Eligible Costs and in the amount specified in the Budget as well as any revisions to the Budget or Eligible Costs authorized by this Loan Agreement or approved in writing by Lender. In its sole discretion, HCIDLA may approve changes in the budget by the execution of an approval letter stating the reasons for the changes which shall include an attached modified budget. Borrower shall adhere to the modified budget. Any line item increases are to be first funded from the contingency line item, then from any costs savings in any one

line item. The Budget is attached as Exhibit E, which is hereby incorporated into this City Loan Agreement by this reference. The Eligible Costs are specified in Exhibit E, which is hereby incorporated into this City Loan Agreement by this reference. The Method of Financing is specified in Exhibit F, which is hereby incorporated into this City Loan Agreement by this reference.

1.9 LOAN DISBURSEMENT. Lender shall not be obligated to disburse any of the Loan proceeds or take any other action under the Loan Documents unless all of the conditions precedent contained in Exhibit G, are satisfied. Borrower may only request disbursement of funds when the funds are needed to pay Eligible Costs as contained in Exhibit E, Budget and Eligible Costs. The required environmental review must be completed before Borrower incurs costs. Exhibit G is hereby incorporated into this City Loan Agreement by this reference.

Prior to any Loan disbursements, Borrower shall submit a fully executed Certification and Disclosure Regarding Lobbying, as required by 24 CFR 87.110, attached as Exhibit H, which is hereby incorporated into this City Loan Agreement by this reference. Borrower shall comply with all provisions of 31 USC §1352 et seq., 29 CFR Part 93, and all City lobbying policies. Borrower shall also submit an executed Certification Regarding Ineligibility, Suspension and Debarment, as required by Executive Order 12549, attached as Exhibit I, which is hereby incorporated into this City Loan Agreement by this reference.

1.10 LOAN IN BALANCE. The Loan is "in balance" whenever the amount of the undisbursed Loan funds (exclusive of the contingency amount(s) in the Budget), plus any other funds in the Budget are sufficient in Lender's reasonable judgment to pay all of the following sums: (i) all costs of construction, marketing, ownership, maintenance and sale or leasing of the Land and Improvements; (ii) all moneys owing or owed third party consultants, suppliers, or constructors; and (iii) all interest and sums accruing or payable under the Loan Documents. The Budget refers to the Budget most recently approved by the Lender.

Other funds include funds to be provided by Borrower or any other party as shown in the Budget. The Loan must remain "in balance" through lien-free completion of the Improvements and occupancy of ninety percent (90%) of the restricted units in full compliance with all applicable restrictions.

The Loan is "out of balance" when Lender, in its reasonable judgment, determines the funds (including all undisbursed Loan funds and any sums provided and to be provided by Borrower or any other party) are insufficient to pay for all such costs and sums payable under the Loan Documents. An out of balance Loan is a default under this loan agreement.

(a) Borrower acknowledges that the Loan may become "out of balance" in numerous and unforeseen ways. Borrower further acknowledges that the Loan may become "out of balance" from a shortage of funds in any single line item or category of the Budget, even if there are undisbursed Loan funds in the other line items or categories. Undisbursed Loan funds in one category or line item (e.g., insurance costs) may not be applied to another category or line item (e.g., interest reserve) unless the Budget expressly and specifically allows such use or Lender consents to the specific use in writing.

(b) Whenever the Loan is "out of balance", Lender may make written demand on Borrower to open an escrow account requiring both the Lender and Borrower as signatories for cash disbursements and to deposit Borrower's own funds into said escrow account in an amount sufficient in Lender's reasonable judgment to cause the Loan to be "in balance". Borrower shall deposit, within five (5) business days, all funds required by Lender's demand. Also, if required by Lender, Borrower shall submit, for Lender's approval, a revised Budget within fifteen (15) days after any such demand. ~~Disbursement of funds from~~ the escrow account shall be made through the Escrow Holder pursuant to the Lender's instructions based on the Loan being "out of balance".

Unless otherwise shown in the Budget, all funds provided by Borrower, pursuant to Section 1.10(b), must be on deposit with the Escrow Holder ("Escrow Account"). These funds in the Escrow Account shall remain with the Escrow Holder until either of the following occurs: 1) the Lender is satisfied that the City Loan is in balance; or 2) the Notice of Completion is recorded in the Official Records in the Office of the County Recorder of Los Angeles County, State of California. Borrower hereby pledges and grants a security interest to Lender in and to, the Escrow Account and all funds therein. That pledge and security interest shall secure Borrower's performance of the obligations under this

Loan Agreement, the City Note and the other Loan Documents. Lender shall have available to it, all rights available to a secured party under the Uniform Commercial Code of the State of California in connection with such security interest. Borrower agrees to execute and deliver to Lender such additional documents as Lender may reasonably require from time to time in order to further evidence or perfect such pledge and security interest. All funds on deposited with the Escrow Holder are herein referred to as "Escrow Funds".

The disbursement procedures described in this Agreement shall apply to the Loan funds and also to any Borrower's funds which may be on deposit in the Escrow Account. Any such Borrower's funds shall be fully disbursed until they are exhausted prior to any Loan funds being disbursed.

1.11 **COLLATERAL.** As collateral for the Loan, the Borrower shall provide the Lender an executed City Deed of Trust in the form attached as Exhibit D giving the Lender a security interest in the Property. The Borrower shall deliver concurrently with the execution of the City Deed of Trust, the original executed City Note in the form attached as Exhibit C, which Lender shall hold until the City Note is paid in full.

Lender shall file a UCC-1 with the California Secretary of State, a copy of which is attached as Exhibit J, giving Lender a security interest in the Improvements, personal property, and Plans and Specifications. Exhibit J is hereby incorporated into this Loan Agreement by this reference.

Concurrent with the recordation of the City Deed of Trust and the Regulatory Agreement, the Lender shall cause all previous deeds of trust to be respectively reconveyed. All of the previous promissory notes shall be canceled and returned to the Borrower. All of the previous UCC-1's shall likewise be terminated. The Regulatory Agreement is attached as Exhibit K, which is hereby incorporated into this City Loan Agreement by this reference.

As further security, Borrower agrees to assign and transfer to the City, subject to the rights of prior lien holders, its successors or assigns, all of (1) Borrower's rights in and to the Plans and Specifications, together with all amendments, modifications, supplements, general conditions and addenda thereto relating to the Project, and (2) Borrower's right, title and interest in the agreement between the Borrower and the Architect relating to the development of the Project, in the form

attached as Exhibit L, which is hereby incorporated into this Loan Agreement by this reference.

1.12 **PREPAYMENT OF LOAN.** No prepayment penalty will be charged to Borrower for payment of all or any portion of the Loan amount prior to the end of the Loan term described herein, except in the event of a default. However, prepayment of the Loan shall not affect Borrower's obligations under the Regulatory Agreement, all of which shall remain in full force and effect for the entire term of that Regulatory Agreement.

1.13 **REPAYMENT OF LOAN.** On or before each Payment Date, the Borrower shall submit its audited Annual Financial Statements to the City for the preceding fiscal year together with, if any, the City's Share. Failure to do so will result in a default under this Loan Agreement. Once received on a timely basis, the City shall review and approve such financial statements and share of residual receipts, or request revisions, within ninety (90) days after receipt. In the event that the City determines as the result of its review that there is an understatement in the amount and payment of Residual Receipts due to the City, Borrower shall promptly pay to the City its share of such understatement, but in any event, within thirty (30) days of notice of such understatement. In the event that the City determines that there is an overstatement, the City shall promptly refund the amount to Borrower within thirty (30) days of such determination.

If contested, Borrower is required to pay under protest. Borrower shall have thirty (30) days from notice of obligation to submit, in writing, any contentions to the City. If the City receives contentions in writing, the City will have thirty (30) ~~days upon receipt to respond.~~ If no written contentions are received by the City within the thirty (30) days, Borrower is deemed to concur with the obligation.

1.14 **MAINTENANCE OF RECORDS, RIGHT TO INSPECT AND COPY.**

- A. The Borrower agrees to keep and maintain books, accounts, reports, files, records (including records pertaining to race, color, creed, sex and national origin of tenants and applicants; and books of original entry, source documents supporting accounting transactions, service records, general ledger, and canceled checks), and other documents relating to the receipt and disbursement of all funds and performance under this Loan Agreement and in accordance with any other implementing laws, rules and regulations,

including but not limited to the applicable requirements under HOME Funds contained in 24 CFR 92.508 and CDBG Funds contained in 24 CFR 570.490 and 24 CFR 570.493. Borrower shall maintain copies of such books and records in a location that is within twenty five (25) miles of the Site.

10. Tenant Income

D. The Borrower shall furnish such statements, records, reports, including litigation reports, data and other information as the City may from time to time reasonably request.

E. Records, in their original form, shall be maintained in accordance with requirements prescribed by the City with respect to all matters covered on file for all documents specified in this Loan Agreement. Original forms are to be maintained on file for all documents

specified in this Loan Agreement. Such records shall be retained for a period of five (5) years after termination of this Agreement and after final disposition of all pending matters. "Pending matters" include, but are not limited to, an audit, litigation or other actions involving records. The City may, at its discretion take possession of, retain and audit said records. Records, in their original form, pertaining to matters covered by this Agreement, shall at all times be retained within the County of Los Angeles unless authorization to remove this is granted in writing by the City.

1.15 AUDITS & INSPECTIONS.

- A. Borrower shall make available for examination at reasonable intervals and during normal business hours to Lender all books, accounts, reports, files, and other papers or property with respect to all matters covered by these Loan Documents, and shall permit Lender to audit, examine, and make excerpts or transcripts from such records.  - 1. The audit is to be conducted annually on an organization wide basis to test the fiscal

integrity of financial transactions as well as compliance with the terms and conditions of the Federal grant and this Loan Agreement.

2. If this Loan Agreement is terminated sooner than the close of Borrower's fiscal year, either by completion of Borrower's obligations under this Loan Agreement or because of default of either party, the audit shall be immediately conducted and submitted to the City within ninety (90) days after such termination.
3. The Borrower, no later than fifteen (15) days after receipt of the final audit report and within one hundred twenty (120) days after the close of Borrower's fiscal year, shall submit three (3) copies of the report to the Portfolio Management Section of the HCIDLA.

The plan shall address all deficiencies and provide specific details on corrective actions to be taken along with the date the action was or will be implemented. The total development costs, developer fee and contractor's overhead and profit shall not differ by more than 10% from the amount in the Borrower's application for financing without prior HCIDLA/HCIDLA approval.

2.14 LEAD-BASED PAINT AND ASBESTOS REMOVAL. Borrower and its contractors and subcontractors shall remove, encapsulate, or enclose lead and asbestos hazardous materials as provided for by Federal Regulations 24 C.F.R., 29 C.F.R., 40 C.F.R., Title X, California O.S.H.A., California health codes, and all city standards; and shall not use lead-based paint and asbestos in its rehabilitated or reconstructed units and shall not use lead-based paint or asbestos in the construction or maintenance of the Property. Borrower shall incorporate or cause to be incorporated this provision in all contracts and subcontracts for work performed on the Property which involve the application of paint or removal of asbestos.

A. Any owner of a pre-1978 building who receives HCIDLA assistance for demolition and/or rehabilitation will be given a list of trained, certified lead-based paint and asbestos contractors from which to select a firm for assessment of the hazardous materials in the building.

B. A qualified contractor certified by the State of California and properly licensed will be hired to do the assessment. If lead-based paint and/or asbestos is found, the contractor will prepare an abatement plan. Said plan, upon review and approval, shall be implemented. The hazardous material testing process, test results and the abatement plan will be monitored and enforced through HCIDLA inspection during the course of work. The actual rehabilitation activity (Improvements) regarding hazardous materials may only be done by State of California certified supervisors and workers. All such work must be completed, required documentation provided, and pass clearance testing before any progress payments can be released.

2.15 BARRIERS TO THE DISABLED. The Project shall be developed and the Property shall be maintained to comply with all applicable federal, state, and local requirements for access for disabled persons, including but not limited to Americans with Disabilities Act, 42 USC §12101 et seq., and its implementing regulations (ADA), the Americans with Disabilities Amendments Act of 2008, Pub. L. 110-325 (ADAAA) and all subsequent amendments (including 28 CFR parts 35 and 36), Section 504 of the Rehabilitation Act of 1973, as amended, 29 USC 794 and 24 CFR Parts 8 and 9 (Rehab Act), the Uniform Federal Accessibility Standards (UFAS), 24 CFR, Part 40, and the Fair Housing Act, 42 U.S.C. 3601, et seq; 24 CFR Parts 100, 103, and 104 (FHA) and all implementing regulations.

2.16 FAITH-BASED ORGANIZATIONS. Any organization that engages in inherently religious activities must allocate its costs so that HOME funds are used only for eligible HOME activities. Faith-based organizations may retain its independence to carry out its mission, including the definition, practice, and expression of its religious beliefs, provided that HOME Funds are not used to financially support inherently religious activities. Faith-based organizations must follow all requirements of 24 CFR Part 92, including 24 CFR 92.257 and HUD CPD Notice 04-10.

A. HOME funds may not be used to acquire or improve sanctuaries, chapels, or any other room that faith-based entities, receiving HUD funds, use as their principal places of worship.

B. Borrower and any of Borrower's agents must serve all beneficiaries and potential beneficiaries without regard to religion, may not restrict HOME-assisted housing to people of a particular religion or religious denomination, and may not impose an eligibility requirement relying on the applicant's participation in religious activities or programs supported by the religious organization.

2.17 INSPECTIONS. Borrower shall permit and facilitate, and require its contractors to permit and facilitate, observation and inspection at the job site by Lender and by public authorities during reasonable business hours for the purposes of determining compliance with this Loan Agreement.

2.18 ADDITIONS OR CHANGES IN WORK. Lender must be notified in a timely manner of any changes in the work required to be performed under this Loan Agreement, including any additions, changes, or deletions to the approved Plans and Specifications. A written change order authorized by Lender must be obtained before any changes, additions, or deletions in work for the Project are performed. Consent to any additions, changes, or deletions to the work shall not relieve or release Borrower from any other obligations in the Loan Documents, or relieve or release Borrower or its surety from any surety bond.

2.19 MECHANICS LIENS AND STOP NOTICES. If any claim of lien is filed against the Property or a stop notice affecting the Loan is served on Lender or any other lender or other third party in connection with the Project, Borrower shall, within twenty five (25) days of such filing or service, either pay and fully discharge the lien or stop notice, effect the release of such lien or stop notice by delivering to Lender a surety bond in

sufficient form and amount, or provide Lender with other assurance reasonably satisfactory to Lender that the claim of lien or stop notice will be paid or discharged.

If Borrower fails to discharge any lien, encumbrance, charge, or claim referred to herein, then in addition to any other right or remedy, Lender may, but shall be under no obligation to, discharge such lien, encumbrance, charge, or claim at Borrower's expense. Alternatively, Lender may require Borrower to immediately deposit with Lender, or title company, the amount necessary to satisfy such lien or claim and any costs, pending resolution thereof. Lender may use such deposit to satisfy any claim or lien that is adversely determined against Borrower.

Borrower shall file a valid notice of cessation or notice of completion upon cessation of construction on the Project for a continuous period of thirty (30) days or more, and take all other reasonable steps to forestall the assertion of claims of lien against the Property. Borrower authorizes Lender, but without any obligation, to record any notices of completion or cessation of labor, or any other notice that Lender deems necessary or desirable to protect its interest in the Project and Property.

2.20 COMPLETION OF CONSTRUCTION AND IN-SERVICE DATE.

Following commencement of construction, Borrower shall diligently perform construction of the Project to completion as evidenced by the recording of the Notice of Completion.

Borrower shall submit within sixty (60) days after issuance of the Certificate of Occupancy, a complete audit of the ~~construction costs by an independent certified public accountant.~~

2.21 SCHEDULING AND EXTENSIONS OF TIME. Borrower shall coordinate and schedule the work to be performed according to the Schedule of Performance, attached as Exhibit M, so that commencement and completion of construction will take place in accordance with the provisions of this Loan Agreement. Lender may extend the time for completion in writing in its sole and absolute discretion. Any time extension granted to Borrower to enable Borrower to complete the work shall not constitute a waiver of any other rights Lender has under the Loan Documents.

2.22 EXCUSABLE DELAYS. In the event that performance on the part of any party hereto is delayed or suspended as a result of circumstances beyond the reasonable control and without the fault and negligence of said party, none of the parties shall incur any

liability to the other parties as a result of such delay or suspension. Circumstances deemed to be beyond the control of the parties hereunder include, but are not limited to, acts of God or of the public enemy; insurrection; acts of the Federal Government or any unit of State or Local Government in either sovereign or contractual capacity; fires; floods; earthquakes; epidemics; quarantine restrictions; strikes; freight embargoes or delays in transportation, to the extent that they are not caused by the party's willful or negligent acts or omissions, and to the extent that they are beyond the party's reasonable control.

The time for performance of provisions of this Loan Agreement by either party shall be extended for a period equal to the period of any delay directly affecting the Project or this Loan Agreement which is caused by circumstances deemed to be beyond the control of the parties as defined in the previous paragraph. An extension of time for any of the above specified circumstances will be deemed granted only if written notice by the party claiming such extension is sent to the other party within ten (10) calendar days from the commencement of the cause, and such extension of time is either accepted by the other party in writing, or is not rejected in writing by the other party within ten (10) calendar days of receipt of the notice. In any event, construction of the Project must be completed no later than ninety (90) calendar days after the scheduled completion date specified herein, any excusable delay notwithstanding. Times of performance under this Loan Agreement may also be extended for any cause and for any period of time by the mutual written agreement of Lender and Borrower.

2.23 NOTICE OF COMPLETION. Upon completion of development of the Project or any phase of development of the Project, Borrower shall submit a certification from the architect for the Project stating that the Improvements to the Property have been made in substantial accordance with the Plans and Specifications and/or work write-up, and the terms of the Loan Documents including but not limited to certification that the Improvements to the Property comply with all conditions imposed by the Americans with Disabilities Act, 42 USC §12101 et seq., and its implementing regulations (ADA), the Americans with Disabilities Amendments Act of 2008, Pub. L. 110-325 (ADAAA) and all subsequent amendments (including 28 CFR parts 35 and 36), Section 504 of the Rehabilitation Act of 1973, as amended, 29 USC 794 and 24 CFR Parts 8 and 9 (Rehab Act), the Uniform Federal Accessibility Standards (UFAS), 24 CFR, Part 40, and the Fair Housing Act, 42 U.S.C. 3601, et seq; 24 CFR Parts 100, 103, and 104 (FHA) and all implementing regulations. Borrower shall furnish Lender a copy of the Notice of Completion for the full

Project or a phase of the project, as the case may be, no later than ten (10) days after recordation with the County of Los Angeles, upon the occurrence of any of the following, (1) final approval on all City and other governmental permits; (2) a determination by Lender that Borrower has completed the Project in substantial conformance with industry standards and the Plans and Specifications and/or work write-up; (3) completion of a cost certification reviewed and approved by an independent Certified Public Accountant ("CPA"); and (4) a determination by Lender that Borrower has satisfied all of Borrower's development obligations under this Loan Agreement. The Notice of Completion shall be in a recordable form acceptable to Lender. If Borrower fails to provide the Notice of Completion within the specified time, it shall provide Lender with a written statement indicating in what respects Borrower has failed to complete the construction of the Project in conformance with this Loan Agreement or is otherwise in violation of the terms of the Loan Documents, and what measures Borrower will need to take or what standards it will need to meet in order to obtain the Notice of Completion. If and when Borrower has taken the specified measures or met the specified standards, and is not otherwise in violation under the Loan Documents, Borrower shall deliver the Notice of Completion to Lender.

2.24 QUALITY OF WORK. Borrower shall construct and maintain the Project in conformance with the City's construction standards and shall employ building materials of a quality suitable for the requirements of the Project. Borrower shall develop the Project in full conformance with applicable local, state, and federal statutes, regulations, and building and housing codes.

2.25 RECORDS. ~~Borrower shall be accountable to Lender for~~ all funds disbursed to Borrower pursuant to the Loan Documents. Borrower agrees to maintain records that accurately and fully show the date, amount, purpose, and payee of all expenditures drawn from Loan funds, and to keep all invoices, receipts, and other documents related to expenditures from said Loan funds for not less than five (5) years after completion of the Project as evidenced by the recording of a Notice of Completion. Records must be kept accurate and current. Lender shall notify Borrower of any records it deems insufficient. Borrower shall have fifteen (15) calendar days from the date of said notice to correct any deficiency in the records specified by Lender in said notice, or, if more than fifteen (15) days shall be reasonably necessary to correct the deficiency, Borrower shall begin to correct the deficiency within fifteen (15) days and correct the deficiency as soon as reasonably possible.

Borrower shall promptly comply with all requirements or conditions of the Loan Documents relating to notices, extensions, and other events required to be reported or requested. Borrower shall promptly supply, upon the request of Lender, any and all information and documentation which involves the Project and cooperate with Lender in the development of the Project.

ARTICLE 3. PROJECT OPERATION

3.1 FEES, TAXES, AND OTHER LEVIES. Borrower shall be responsible for payment of all fees, assessments, taxes, charges, and levies imposed by any public authority or utility company with respect to the Property or the Project, and shall pay such charges prior to delinquency. However, Borrower shall not be required to pay and discharge any such charge so long as (a) the legality thereof is being contested diligently and in good faith and by appropriate proceedings, and (b) if requested by Lender, Borrower deposits with Lender any funds or other forms of assurance Lender in good faith from time to time determines appropriate to protect Lender from the consequences of the contest being unsuccessful.

3.2 OBLIGATION TO REFRAIN FROM DISCRIMINATION. There shall be no discrimination against or segregation of any person, or group of persons, on account of race, color, religion, creed, sex, sexual preference or orientation, national origin, ancestry, physical handicap, medical condition, age, marital status, mental condition, blindness or other physical disability, acquired immune deficiency (AIDS), acquired or perceived, familial status and handicap, pregnancy, childbirth or related medical condition, in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the Project, or any part therefor, nor shall the Borrower or any person claiming under or through, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, licenses or vendees of the Project.

3.3 MANAGEMENT OF PROJECT. Borrower and Borrower's agents shall lease, operate and manage the Project after completion in full conformance with the terms of the Regulatory Agreement and the following:

- A. The City shall have the right to review, modify and approve Borrower's Management Plan for the development

and compliance with the restrictive covenants of this Loan Agreement and Regulatory Agreement.

- B. At all reasonable times and following reasonable notice to the Borrower, the City shall have the right to review the performance of Borrower's management of the Project.
- C. Except where a delegation of duties is specifically permitted by this Loan Agreement, Borrower shall not delegate any or all of its management duties on the Project without the prior written approval of the City, which approval shall not be unreasonably withheld.
- D. If Borrower is permitted to delegate its management duties, Borrower shall be responsible to:
 - 1. Immediately submit information regarding any change in the structure of the management company that was approved by the City;
 - 2. Annually submit financial statements (such as K1 forms) of the management company to the City;
 - 3. Maintain annual compliance with this Loan Agreement; and
 - 4. Upon request by City, immediately produce current tenant information for compliance with Exhibit N, which is hereby incorporated into this City Loan Agreement by this reference.

-
- E. Any authorized delegation of management duties for the Project, shall not be deemed to relieve the Borrower from any obligations under this Loan Agreement or Regulatory Agreement.

3.4 OPERATION OF PROJECT. Borrower and Borrower's agents shall lease, operate and manage the Project after completion in full conformance with the terms of the Regulatory Agreement.

Borrower shall agree to: (1) maintain and operate the Assisted Units so as to provide decent, safe, and sanitary housing; and (2) provide the Assisted Units with the same level of services (including security), amenities, and maintenance as are applied to the other dwelling units on the Project. Amenities that are provided to non-assisted unit households

include, but are not limited to, access to recreational facilities, parking, cable TV, and interior amenities. Optional services provided must be available to all residents under the same terms and conditions. All incentives such as rent specials must be offered to all new residents, not only residents of non-assisted units. Borrower is prohibited from charging fees that are not customarily charged in rental housing in that housing area. Borrower must ensure that any fee charged to a tenant or prospective tenant is reasonable, customary, and complies with 24 CFR 92.504(c)(3)(xi).

Borrower agrees that during the term of the Regulatory Agreement, HCIDLA shall have the right to review, approve and request changes to the Property Management Plan, operation of the building and Property management entity, in order to preserve the affordability, physical appearance and condition of the Project.

3.5 DESIGNATED ASSISTED UNITS. Borrower must comply with all rules and regulations of each funding source. In compliance with 24 CFR 92.252(j), at the time of the execution of this agreement, the borrower must designate the HOME assisted units as fixed or floating HOME units. The address or unit number of the HOME-restricted units must be specified and reported to the Lender at the time of initial occupancy. Fixed units remain as the same unit throughout the period of affordability. Floating units may change from comparable unit to comparable unit in order to maintain conformity with HOME Regulations Section 92.252. If the rental housing project has floating HOME units, the Borrower must provide the Lender with information regarding unit substitution. The designated Assisted Units on the Project shall meet the following standards:

-
- A. Generally reflect the average number of bedrooms per dwelling unit and average square footage of non-assisted units on the Project;
 - B. Be similarly constructed and of comparable quality to all other units on the Project;
 - C. Be dispersed throughout the Project; and
 - D. Provide tenants access and enjoyment of all common areas and facilities of the Project on the same basis as tenants of other units.

3.6 TENANT SELECTION. Before leasing the Project, Borrower shall provide Lender for its review and approval Borrower's

written tenant selection plan. Prior to leasing any unit, Borrower's tenant selection plan must, at a minimum, meet the requirements for tenant selection set out in 24 C.F.R. 92.253(d) and any modifications thereto.

Borrower shall rent the Assisted Units to any Eligible Household according to the tenant selection plan. Borrower shall verify the prospective tenant's eligibility and require from each tenant documentation that such household's income from all sources does not exceed allowable limits as described in Exhibit N.

Borrower shall maintain and select tenants from a written waiting list in the chronological order of their application, insofar as is practicable. Said waiting list shall also include information indicating the applicants who requested an accessible unit. Borrower shall provide said waiting list to any subsequent owner and/or property manager.

Borrower shall give priority for Assisted Units to Qualified Households who have been displaced as a result of the City of Los Angeles' public projects.

Borrower shall require each prospective tenant to certify under penalty of perjury that they are not (a) an owner, developer or sponsor of the project; (b) an officer, employee, agent, consultant or elected or appointed official of the owner, developer or sponsor; or (c) a member of the Immediate Family of such person described in subsections (a) and (b). Borrower shall not rent any unit of the Project to any of said individuals. Any exceptions shall be requested in writing and subject to ~~consideration in accordance with applicable policies, procedures~~ and regulations.

3.7 INCOME CERTIFICATION. Borrower shall limit for the full term of the Regulatory Agreement the rental of Assisted Units to Qualifying Households according to the schedule contained in Exhibit N. The income levels and other qualifications of applicants for Assisted Units shall be certified within ten (10) business days prior to the household's expected occupancy of one (1) of the units. No tenant shall occupy an Assisted Unit prior to income eligibility determination and certification by Borrower.

Upon the closing of the initial occupancy, and annually thereafter, Borrower shall provide Lender with an occupancy summary report showing the name of each tenant, unit occupied by

each tenant, tenant income, rent paid, and any other information which the Lender requests and which relates to the eligibility of these households. The income will be calculated using part 5 (Section 8) definition of Income and adhere to section 24 CFR 92.252. If the household size of an Eligible Household changes, Borrower shall provide the Lender with the additional income documentation to determine eligibility. If HCLDLA determines that the Eligible Household is no longer an Eligible Household, such Unit will continue to be treated as an Assisted Unit until the next available unit of comparable size on the Project is rented to a person who qualifies for an Assisted Unit; or, if HOME Funds are used and the Eligible Household is found to no longer qualify as 30% Income, 45% Income and 60% Income, the household must pay thirty percent (30%) of their Family Income for rent and Utilities or the maximum increase allowed under the City's Rent Stabilization Ordinance, whichever is less. Notwithstanding the previous sentence, tenants of HOME-assisted units that have been allocated low-income housing tax credits by a housing credit agency pursuant to section 42 of the Internal Revenue Code of 1986 (26 U.S.C. 42) must pay rent according to the requirements of section 42 which must be in compliance with HUD requirements pursuant 24 CFR 92.252.

The City may require the Borrower, at any time, to re-examine for compliance with the Affordability Restrictions and Maximum Rents (Exhibit N), the income of each tenant household and immediately submit its findings to the City.

3.8 PROJECT RENTS. Rents for Restricted Units shall be limited to Qualifying Rents as set forth in Exhibit N. Qualifying Households shall be given at least thirty (30) days written notice prior to any rent increase.

The maximum allowable rent that may be charged for a Restricted Unit may change from time to time when there are changes in the Area Median Income as published by HUD, or when there are changes made to the allowances deducted for tenant paid Utilities as calculated by the City of Los Angeles subject to HUD rules and regulations. In no event, however, will the resulting maximum allowable rent for a Restricted Unit Exceed the HUD fair market rents set for rental housing units of the same number of bedrooms for the area.

For projects subject to the City's Rent Stabilization Ordinance, the maximum rent increase allowed by that ordinance may be less or more than that allowed by changes in the Area Median Income. In such instances, the rents on restricted units

may only be raised to the lesser of the two (2) allowed increases.

If the Project is receiving necessary rental assistance from the Section 8 Rental Assistance Program through the Los Angeles Housing Authority ("Rental Assistance") and said Rental Assistance is withdrawn or terminated due to reasons not attributable to the actions or inactions of the Borrower, the Borrower may petition HCIDLA to modify the affordability restrictions and maximum rental charges designated in Exhibit N and Exhibit K(B), if the following circumstances exist: (a) alternative funding is unavailable, (b) the project is otherwise in full compliance with all the terms of the funding for the Project, and (c) more restrictive funding requirements do not apply to the Project. Any modification shall be only to the minimum extent required for project feasibility, as determined by HCIDLA. In addition, the affordability restrictions and maximum rental charges designated in Exhibit N and Exhibit K(B) which are restricted to households with incomes not exceeding a specified percentage of area median income shall not in any event be increased to an amount in excess of thirty percent (30%) of sixty percent (60%) of the area median income for Los Angeles.

3.9 FORM OF NONDISCRIMINATION AND NONSEGREGATION CLAUSES.

A. The Borrower shall refrain from restricting the rental, sale or lease of the property on the basis of race, color, religion, creed, sex, sexual preference or orientation, national origin, ancestry, physical handicap, medical condition, age, marital status, mental condition, blindness or other physical ~~disability, acquired immune deficiency (AIDS), acquired~~ or perceived, familial status and handicap, pregnancy, childbirth or related medical condition. All such deeds, leases or contracts shall contain or be subject to substantially the following nondiscrimination or nonsegregation clauses:

1. In deeds: "The Grantee herein covenants by and for himself/herself, his/her heirs, executors, administrators and assigns, and all persons claiming under or through him/her, that there shall be no discrimination against or segregation of, any person or group of persons on account of race, color, religion, creed, sex, sexual preference or orientation, national origin, ancestry, physical handicap, medical condition,

age, marital status, mental condition, blindness or other physical disability, acquired immune deficiency (AIDS), acquired or perceived, familial status and handicap, pregnancy, childbirth or related medical condition in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the land herein conveyed, nor shall the grantee himself/herself or any person claiming under or through him/her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, licenses or vendees of the land herein conveyed. The foregoing covenants shall run with the land."

2. In leases: "The lessee herein covenants by and for himself/herself, his/her heirs, executors, administrators and assigns, and all persons claiming under or through him/her, and this lease is made and accepted upon and subject to the following conditions: That there shall be no discrimination against or segregation of any person, or group of persons, on account of race, color, religion, creed, sex, sexual preference or orientation, national origin, ancestry, physical handicap, medical condition, age, marital status, mental condition, blindness or other physical disability, acquired immune deficiency (AIDS), acquired or perceived, familial status and handicap, pregnancy, childbirth or related medical condition in the leasing, subleasing, transferring, use, occupancy, tenure or enjoyment of the land herein leased nor shall the lessee himself/herself or any person claiming under or through him/her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees, or vendees in the land herein leased."
3. In contracts: "There shall be no discrimination against or segregation of any person or group of persons on account of race, color, religion, creed, sex, sexual preference or orientation, national origin, ancestry, physical handicap,

medical condition, age, marital status, mental condition, blindness or other physical disability, acquired immune deficiency (AIDS), acquired or perceived, familial status and handicap, pregnancy, childbirth or related medical condition in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the land, nor shall the transferee himself/herself or any person claiming under or through him/her, establish or permit any such practice or practices of discrimination or segregation with reference to the lessees, subtenants, sublessees, or licenses vendees of the land."

3.10 **LEASING THE PROJECT.** Before leasing any portion of the Project, Borrower shall submit its proposed form of lease for Lender's review and approval. The term of the written Lease shall be for no less than one (1) year unless mutually agreed upon by Borrower and tenant, which shall not be for less than thirty (30) days, and shall not contain any provision nor subsequent modification thereto, which is prohibited by 24 C.F.R. Section 92.253(b) or any State or City tenant-landlord laws. Any termination of the Lease or refusal to renew must be in conformance with 24 C.F.R. 92.253(c) and any other applicable laws and must be preceded by not less than thirty (30) days written notice to the tenant by the Borrower specifying the grounds for the action.

A. Assisted Units

1. All Assisted Units shall be leased and shall not be withdrawn from the market. ~~Assisted Units~~ shall be rented in a manner consistent with the Space and Occupancy Standards set forth in Chapter 5, of the Uniform Housing Code (1997) and any subsequent amendments, and in such a manner that there is no under-utilization of the floor space of Assisted Units.
2. If one (1) of the Assisted Units becomes vacated, Borrower shall make reasonable attempts to rent that particular Assisted Unit, or identify another unit as an Assisted Unit.
3. During the initial lease up, and upon vacancies of an Assisted Unit, Borrower shall make reasonable efforts to advertise to Eligible Households. For

reference purposes, the eligibility income requirements are specified in Exhibit N, which is hereby incorporated into this Loan Agreement by this reference. The affirmative marketing requirements and procedures adopted must meet the requirements of federal fair housing laws and the City's affirmative marketing policy. Borrower shall obtain and comply with the City's affirmative marketing guidelines contained within the Property Management Plan Packet from HCIDLAHCID. All affirmative marketing requirements must be followed throughout the affordability period.

B. The Borrower shall provide to each tenant, the following: (1) a signed copy of the lease and/or rental agreement; and (2) a signed copy of the supplemental agreement to the lease or rental agreement ("Mandatory Addendum").

C. Borrower must submit evidence of marketing efforts and a marketing plan to the City if all restricted units are not occupied by eligible tenants within six (6) months following the date of the Temporary Certificate of Occupancy. Borrower will be in default of this Agreement if any restricted unit has not been rented to eligible tenants within twelve (12) months after the date of the Temporary Certificate of Occupancy.

D. Borrower must develop procedures to inform eligible persons with disabilities regarding available accessible units pursuant to the Rehabilitation Act of 1973 [29 U.S.C. 794, with implementing regulations at 24 CFR Part 8] and ensure that ~~reasonable, nondiscriminatory measures are implemented to ensure~~ available accessible units are first offered to persons with disabilities requiring the accessibility features.

3.11 NOTICE TO TENANTS. There are four (4) points in time when the Borrower is required to give written notice to all tenants of Restricted Units:

A. Upon initial move-in/lease execution, Borrower shall give written notice, to all tenants of Restricted Units, of the duration of the rent restrictions under the Regulatory Agreement. Borrower must maintain, in its files, a copy of each notice containing each tenant's signed acknowledgment of the notice required hereunder. The notice shall, at the least, contain language that the rent restrictions under the

Regulatory Agreement shall be in effect for twenty (20) year period required by HOME Funds Program regulations at 24 CFR 92.252(e) which shall commence upon the date of Project Completion ("HOME Term") and renewed into a City extended use period of thirty five (35) years ("City Extended Affordability Term"), resulting in an aggregate term of fifty five (55) years, and shall terminate fifty five (55) years from the date of Project Completion. Upon termination of the rent restriction period under the Regulatory Agreement, rents may be set at market rates unless otherwise restricted by some other legal, regulatory, or contractual requirement.

- B. Twelve (12) months prior to the termination of the rent restriction period under the Regulatory Agreement, Borrower must give written notice to its tenants of the termination of the restrictions on the Restricted Units before their rents may be raised to market rent levels. Borrower must also give written notice, pursuant to California Government Code Section 65863.10, to the Mayor of the City of Los Angeles, the Housing Authority of the City of Los Angeles, and the Department of Housing and Community Development.
- C. Six (6) months prior to the termination of the rent restriction period under the Regulatory Agreement, Borrower must give written notice to its tenants of the termination of the restrictions on the Restricted Units before their rents may be raised to market rent levels. ~~Borrower must also give written notice, pursuant to California Government Code Section 65863.10, to the Mayor of the City of Los Angeles, the Housing Authority of the City of Los Angeles, and the Department of Housing and Community Development.~~
- D. Ninety (90) days prior to the termination of the rent restriction period under the Regulatory Agreement, Borrower must again give written notice to its tenants of the termination of the restrictions on the Restricted Units before their rents may be raised to market rent levels.

3.12 AFFORDABILITY RESTRICTIONS AND MAXIMUM RENTAL CHARGES.

The affordability of the Project and the maximum rental charges shall be maintained as designated in Exhibit N, which is hereby incorporated into this City Loan Agreement by this reference. If

HOME Funds are used, Borrower must comply with the affordability requirements contained in 24 CFR 92.252.

3.13 COMPLIANCE WITH REGULATORY AGREEMENT. As a material inducement to Lender making the Loan to Borrower, Borrower covenants to comply with the Regulatory Agreement in the use and operation of the Property.

3.14 CONFLICTS BETWEEN COVENANTS OR RESTRICTIONS AFFECTING THE PROPERTY. Any conflicts between the restrictive provisions contained in this Loan Agreement, City Note, City Deed of Trust, and Regulatory Agreement, and any other agreements in connection with the Loan or any other loan which affect the Property, are to be resolved by applying the more restrictive covenants or restrictions which affect the Property.

ARTICLE 4. EMPLOYMENT

4.1 NONDISCRIMINATION.

- A. No person shall on the grounds of race, color, religion, creed, sex, sexual preference or orientation, national origin, ancestry, physical handicap, medical condition, age, marital status, mental condition, blindness or other physical disability, familial status, pregnancy, childbirth or related medical condition, acquired immune deficiency syndrome (AIDS), acquired or perceived, be excluded from participation in, be denied the benefit of, or be subjected to discrimination under this Project. For purposes of this Section, Title 24 Code of Federal Regulations Section 570.601(b) defines specific discriminatory actions which are prohibited and corrective action which shall be taken in situations as defined.
-
- B. The Borrower shall comply with the nondiscrimination and affirmative action provisions of the laws of the United States of America, the State of California, and the City. In performing this Loan Agreement, the Borrower shall not discriminate in its employment practices against any employee, or applicant for employment because of such person's race, color, religion, creed, sex, sexual preference or orientation, national origin, ancestry, physical handicap, medical condition, age, marital status, mental condition, blindness or other physical disability, acquired immune

Borrower further agrees to cooperate with authorized staff and officials of Lender in any Lender-generated

publicity or promotional activities undertaken with respect to the Project.

8.22 NONRECOURSE. This Loan is a nonrecourse obligation of Borrower. Neither Borrower nor any other party shall have any personal liability for repayment of this Loan. The sole recourse of Lender for repayment of the principal and interest shall be the exercise of Lender's rights against the Property. However, nothing contained in the foregoing limitation of liability shall (a) limit or impair the enforcement of all the rights and remedies of the Lender against all such security for the City Note, or (b) be deemed in any way to impair the right of the Lender to assert the unpaid principal amount of the City Note as demand for money within the meaning of the California Code of Civil Procedure.

PROJECT INFORMATION

A. Project Overview

The Six Apartment Project will be an infill project located near the intersection of 8th and Carondelet Streets and will occupy a vacant 15,678 square foot lot. The new 5-story, 46,000 square foot building will provide 52 residential units including 2 managers units along with social service and office spaces on the ground floor. Each of the units will include a bathroom, kitchen, appliances and furnishings. The ground level will include approximately 1,000 square feet of cultural/community space that can be used to hold group therapy meetings and will be shared with the larger veteran community in the area. In addition to the above-described indoor community space, there will also be a courtyard and community gardens which offer residents therapeutic and rehabilitative open spaces. Twenty four parking spaces will be located on-site.

B. Number of Market Rate and Affordable Units

Of the 52 units, two will be for resident managers and subject to the receipt of available funding, including project-based rental subsidy, it is the intent of the Borrower that at least 39 will be for chronically homeless individuals and that the remaining units will be reserved for formerly homeless seniors with special needs of which at least 35% will be reserved for formerly homeless veterans. All units with the exception of the managers units will be rent restricted in accordance with the limits shown on Exhibit N of the Loan agreement.

C. Accessible Units

Of the 50 rental units, 4 (8%) will be made available to mobility-impaired tenants and 2 (4%) will be made available to sensor impaired tenants.

D. Current Site Description

The site is currently vacant, having been most recently used as a paved parking lot.

E. Land Assembly, Sub-division and Remediation Requirements

The borrowing limited partnership acquired title to the property in August 2013. While there are no known environmental issues on the site which would require remediation during development, the developer will be responsible for all site preparation work as well as on and off site infrastructure improvements that may be required.

F. Use of City's HOME and Other Funds

City HOME funds will be used to pay for the direct and indirect costs incurred in the project's development as detailed in the budget attached as Exhibit E to the Loan Agreement.

WHEREAS, the funds provided by the AHTF are through the 2013 Affordable Housing Trust Fund Program, Los Angeles Council File 13-0303 and consists of; the Home Investment Partnership Program Funds ("HOME Funds") from the United States Department of Housing and Urban Development ("HUD") pursuant to the Cranston-Gonzales National Housing Act of 1990 for the purpose of expanding the supply of decent, safe, sanitary and affordable housing; and the General Fund ("GENERAL Funds") of the AHTF.

WHEREAS, under the AHTF, the City issued a loan to the Borrower in the amount of Four Million Two Hundred Seventy Seven Thousand One Hundred Dollars (\$4,277,100) from the City's HOME Funds and GENERAL Funds, loaned to support acquisition, predevelopment, construction and permanent costs ([City Loan Agreement]).

WHEREAS, Borrower shall acquire the real property located at 811 South Carondelet Street, Los Angeles, California 90057 (as more particularly described in Exhibit A) (the "Property") for the new construction of an apartment building resulting in fifty two (52) housing units, of which Forty Nine Percent (49%) of the fifty (50) units shall be rented at prices affordable to 30% Income, 45% Income and 60% Income Households and two (2) one bedroom managers'

WHEREAS, part of the consideration for the City Loan from Lender to Borrower shall be this Note secured by the City Deed of Trust in the amount of Four Million Two Hundred Seventy Seven Thousand One Hundred Dollars (\$4,277,100), and compliance with the City Loan Agreement and the Regulatory Agreement.

1. NOW, THEREFORE, FOR VALUE RECEIVED, The Six Veterans Housing LP, a California limited partnership (the "Borrower"), promises to pay to the order of City of Los Angeles, a municipal corporation ("Lender"), a total principal amount of Four Million Two Hundred Seventy Seven Thousand One Hundred Dollars (\$4,277,100) and all accrued interest thereon or so much as may be advanced to the Borrower pursuant to the City Loan Agreement, dated MARCH 20, 2014, between the Borrower and Lender.
2. The obligation of the Borrower is subject to the terms of the City Loan Agreement, the City Deed of Trust, the Regulatory Agreement, and this Note, executed by the Borrower for the purpose of securing this Note. Said documents are public records on file in the office of the City Clerk, and the provisions of said documents are incorporated herein by this reference.
3. All initially capitalized terms in this Note shall have the definition ascribed to such term in the City Loan Agreement. The following terms are defined in the City Loan Agreement and repeated here for convenience of reference:

 - a. "Annual Financial Statement" means the financial statement of Operating Expenses and Revenues, prepared at the Borrower's expense, by an independent certified public accountant reasonably acceptable to the City, which shall form the basis for determining the Residual Receipts.
 - b. "Operating Expenses" shall mean actual, approved reasonable and customary costs, fees and expenses directly attributable to the operation, recordkeeping, maintenance, taxes and management of the Project, including but not limited to a commercially reasonable property management fee,

taxes and assessments; payroll and payroll taxes for property employees; insurance; security; painting, cleaning, repairs, and alterations; landscaping; sewer charges; utility charges; advertising, promotion and publicity; cable television, satellite and other similar services; office, janitorial, cleaning and building supplies; approved recreational amenities and supplies; purchase, repair, servicing and installation of appliances, equipment, fixtures and furnishing; fire alarm monitoring; fees and expenses of accountants, attorneys, consultants and other professionals, and social service cost for supportive services coordination not to exceed One Hundred Fifty Six Thousand Dollars (\$156,000) annually. The Operating Expenses shall be reported in the Annual Financial Statement. Expenses for the purpose of calculating residual receipts are subject to HCIDLA approval and shall be calculated on a cash basis.

- c. "Payment Date" shall mean March 1, 2017 for the first payment, and annually thereafter until the City Loan is paid in full or otherwise terminated.
- d. "Residual Receipts" shall mean Revenues reduced in the following order: (1) Operating Expenses calculated on a cash basis; (2) debt service on senior project debt secured by the senior position deed of trust; (3) mandatory payments to the State of California such as the standard annual debt service payment equal to forty two hundredth percent (0.42%) of the loan principal, if applicable; (4) payments to the Operating Reserve Fund; (5) payments to the Replacement Reserve Fund; (6) repayment of general partner loans; (7) deferred developer fees; and (8) related or third party transactions, which includes but is not limited to partnership management fee, investor service fee, asset management fee, annual partnership review fee, administrative fee, incentive supervisor fee, and/or facility administration fee. The combined total amount of related or third party transactions shall not exceed fifteen thousand dollars (\$15,000) annually or Portfolio Management Guidelines, whichever is

greater. Deferred developer fees shall be drawn from project cash flow over the first ten (10) years of project operation.

e. "Revenue" shall mean all income derived from the Project, including but not limited to rent from the units, laundry operations, and parking fees. Syndication proceeds or interest earned on reserves shall not be deemed Revenue.

4. This Note evidences the obligation of the Borrower to Lender to repay funds loaned to the Borrower to finance a portion of the cost of permanent financing for the Project.
5. This Note is payable in lawful money of the United States at the office of City of Los Angeles Housing and Community Investment Department, 1200 W. 7th Street, 9th Floor, Los Angeles, California 90017, or at such other place as the holder hereof may inform the Borrower in writing.
6. This Note shall bear simple interest at the rate of four percent (4%) per annum on the principal amount outstanding from the date of the warrant (Los Angeles City check), until paid. Interest shall be computed based upon a three hundred sixty (360) day year, and a thirty (30) day month.
7. Unless sooner due pursuant to this Note, the combined principal of the City Loan and all accrued interest thereon shall be due and payable on the earliest of (a) fifty five (55) years from the date of the execution of this Note, (b) the date the Property is sold or refinanced without City approval, or (c) an Event of Default by Borrower which has not been cured as provided for in the City Loan Agreement. The termination date may be extended at the sole discretion of Lender provided the Borrower agrees to extend the Project Term of the Restricted Units.
8. Interest shall be due and payable to Lender for the preceding calendar year on the Payment Date. Interest due and unpaid in any given year shall accrue and be cumulative and shall be paid to Lender from City's Share received in subsequent years.

9. Any amounts (including but not limited to amounts of principal and interest on the Loan) which Borrower does not pay when due under the terms of the Loan Agreement or this Note shall bear the simple interest rate of fifteen percent (15%) ("Default Rate") per annum, from the date due until the date paid.
10. On or before each Payment Date, the Borrower shall submit its audited Annual Financial Statements to the City for the preceding fiscal year together with, if any, the City's Share. Failure to do so will result in a default of the loan agreement. Once received on a timely basis, the City shall review and approve such financial statements and share of residual receipts, or request revisions, within ninety (90) days after receipt. In the event that the City determines as the result of its review that there is an understatement in the amount and payment of Residual Receipts due to the City, Borrower shall promptly pay to the City its share of such understatement, but in any event, within thirty (30) days of notice of such understatement. In the event that the City determines that there is an overstatement, the City shall promptly refund the amount to Borrower within thirty (30) days of such determination.

If contested, Borrower is required to pay under protest. Borrower shall have thirty (30) days from notice of obligation to submit, in writing, any contentions to the City. If the City receives contentions in writing, the City will have thirty (30) days upon receipt to respond.

If no written contentions are received by the City within the thirty (30) days, Borrower is deemed to concur with the obligation.

11. Residual Receipts shall be distributed as follows:
- a. City shall receive an amount equal to fifty percent (50%) of Residual Receipts of the Project,
 - b. Borrower shall receive an amount equal to fifty percent (50%) of Residual Receipts of the Project.
12. City's share of Residual Receipts shall be applied first to pay current annual interest due, then the cumulative interest owed, and then to reduce the principal amount of

the City Loan. Upon payment in full of the City Loan, Lender shall have no further right to payment of any portion of Residual Receipts.

13. The City Loan and all current and accrued interest thereon shall be due and payable immediately if the Project, or any portion thereof or interest therein, is sold, transferred, assigned or refinanced otherwise than in accordance with the City Loan Agreement. Leases in accordance with the City Loan Agreement shall not be in violation of the City Loan Agreement. However, upon Lender's approval of purchaser, the City Loan will be fully assumable by said purchaser.
14. The City Loan is a nonrecourse obligation of Borrower. Except for misappropriation of funds, neither the Borrower nor any other party shall have any personal liability for repayment of the City Loan. The sole recourse of Lender under this Note for repayment of the City Loan shall be the exercise of its rights against the Project and related security thereunder. However, nothing contained in the foregoing limitation of liability shall (a) limit or impair the enforcement of all the rights and remedies of the Lender against all such security for the Notes, or (b) be deemed in any way to impair the right of the Lender to assert the unpaid principal amount of the Notes as demand for money within the meaning of the California Code of Civil Procedure.

The foregoing limitation of liability is intended to apply only to the obligation for the repayment of the principal of, and payment of interest on the Notes; except nothing contained in the foregoing is intended to relieve the Borrower of personal liability for (1) fraud or willful misrepresentation; (2) failure to pay taxes, assessments or other charges (which are not contested by Borrower in good faith) which may create liens on the Property that are payable or applicable prior to any foreclosure under the Deed of Trust (to the full extent of such taxes, assessments or other charges); (3) the Borrower's indemnification obligations under the Loan Agreement; (4) misappropriation of any rents, security deposits, insurance proceeds, condemnation awards or any other proceeds derived from the collateral security; and (5) payment to the Lender of any rental income or other income arising with respect to the Property received by

the Borrower after the Lender has given notice to the Borrower of the occurrence of an Event of Default, subject to the rights of any lender providing a loan secured by the Property to which the Lender has subordinated the Deed of Trust.

15. The Borrower shall have the right to prepay without penalty the obligation evidenced by this Note, or any part thereof, at any time and from time to time.
 16. Subject to City Loan Agreement, Lender, at its option, may declare the City Loan immediately due and payable, together with any accrued interest thereon, if the Borrower fails to fulfill its obligations to Lender under the City Loan Agreement, this Note, City Deed of Trust, or any agreement or instrument executed in connection therewith.
 17. All covenants, conditions and agreements contained in the City Deed of Trust, City Loan Agreement, and any Loan Documents in connection to the Project, are hereby made a part of this Note. Upon any Event of Default, as defined in the City Loan Agreement, Lender may exercise any other right or remedy permitted under the Loan Documents.
 18. Upon an Event of Default, the outstanding principal and (to the extent permitted by law) interest and any other sums outstanding in connection with the Loan shall thereafter bear interest at the Default Rate of fifteen percent (15%), payable from the date of such declaration until paid in full.
-

19. Upon an Event of Default, Lender is entitled to its equity share upon the sale of the property. HCIDLA will be entitled to a share in any appreciation that has occurred between the acquisition and the time of sale. HCIDLA's share in the appreciation will be equal to the proportion of the HCIDLA loan funds used in the purchase of the property or the amount of HCIDLA loan funds used to repay an acquisition bridge loan. This section 19 shall apply until construction has been completed and a Notice of Completion has been issued.
20. In the event that any monetary provisions of the City Loan Agreement, City Regulatory Agreement, City Deed of Trust, and/or City Note conflict, the terms of the City

Note and City Deed of Trust shall control. In the event that any monetary provisions of the City Note and City Deed of Trust conflict or in the event that any non-monetary provisions of the City Loan Agreement, City Regulatory Agreement, City Deed of Trust, and/or City Note conflict, the strictest provision shall control.

ABSOLUTE ASSIGNMENT OF RENTS AND RIGHT TO POSSESSION

3. **ASSIGNMENT.** As additional security, Trustor hereby assigns to Beneficiary: (a) all of the rents, revenues, profits, and income from the Security, any deposits now or hereafter in Trustor's possession which have been collected with respect to the Security, and any reserve or capital funds now or hereafter held by Trustor with respect to construction or operation of the Security (collectively, the "Rents"); and (b) the right to enter, take possession of, and manage the Security; provided however that Trustor shall have, before an Event of Default, the exclusive right to possess the Security and to collect Rents and use them in accordance with the Loan Documents. This assignment is intended to be an absolute and present transfer of Trustor's interest in existing and future Rents, effective as of the date of this Deed of Trust.

4. **ENFORCEMENT.** Upon the happening of an Event of Default which remains uncured after expiration of the applicable cure period pursuant to the terms of the Loan Agreement or other Loan Documents, and written notice to Trustor, Beneficiary may, in addition to other rights and remedies permitted by the Loan Agreement, this Deed of Trust, or applicable law, (a) enter upon, take possession of, and manage the Security, either in person as a mortgagee-in-possession, by agent, or by a receiver appointed by a court, and do any acts which it deems necessary or desirable to preserve the value, marketability or rentability of the Security, (b) collect all Rents, including those past due and unpaid, and

apply the same to pay for the costs and expenses of operation of the Security, including attorneys' fees, and pay off any indebtedness secured by this Deed of Trust, all in such order as Beneficiary may determine, (c) enter upon and take possession of the Security, and complete construction of any improvements on the Security as provided for in the Plans and Specifications approved under the Loan Agreement or any modifications to the Plans and Specifications or the Project that Beneficiary in its sole discretion believes is appropriate, and/or (d) Beneficiary may make, cancel, enforce, and modify leases and rental agreements, obtain and evict tenants, set and modify rent terms, sue for rents due, enter into, modify, or terminate any contracts or agreements, or take any legal action, as it deems necessary with respect to the Rents or to development or operation of the Security.

6. **NO WAIVER OF POWER OF SALE.** The entering upon and taking possession of the Security and the collection of Rents shall not cure or waive any default or notice of default hereunder or invalidate any act done in response to such default or notice of default and, notwithstanding the continuance in possession of the Security or the collection and application of Rents, Beneficiary shall be entitled to exercise every right provided for in this Deed of Trust or by law upon occurrence of any Event of Default, including the right to exercise the power of sale.

Beneficiary may file a copy of this Deed of Trust in the real estate records or other appropriate index as a financing statement for any of the

items specified as part of the Security. Trustor shall execute and deliver to Beneficiary at Beneficiary's request any financing statements, as well as extensions, renewals, and amendments thereof, and copies of this instrument in such form as Beneficiary may require to perfect a security interest with respect to said items. Trustor shall pay all costs of filing such financing statements and shall pay all reasonable costs of any record searches for financing statements and releases. Without the prior written consent of Beneficiary, Trustor shall not create or permit any other security interest in said items.

8. **REMEDIES.** Upon occurrence of an Event of Default by Trustor on any obligation or agreement in the Loan Documents, Beneficiary shall have the remedies of a secured party under the Commercial Code and at Beneficiary's option may also invoke the remedies provided for elsewhere in this Deed of Trust with respect to said items. Beneficiary may proceed against the items of real property and personal property specified above separately or together and in any order whatsoever.

RIGHTS AND OBLIGATIONS OF TRUSTOR

9. **PERFORMANCE OF SECURED OBLIGATION.** Trustor shall promptly perform each obligation secured by this Deed of Trust.

10. **PAYMENT OF PRINCIPAL AND INTEREST.** Trustor shall promptly pay when due the principal and interest on the indebtedness evidenced by the Note.

11. **MAINTENANCE OF THE SECURITY.** Trustor shall, at the Trustor's own expense, maintain and preserve the Security or cause the Security to be maintained and preserved in good condition, in good repair, and in a decent, safe, sanitary, habitable and tenantable condition. Trustor shall not cause or permit any violations of any laws, ordinances, regulations, covenants, conditions, restrictions, or equitable servitudes as they pertain to improvements, alterations, maintenance or demolition on the Security. Trustor shall not commit or permit waste on or to the Security. Trustor shall not abandon the Security. Beneficiary shall have no responsibility over maintenance of the Security. In the event Trustor fails to maintain the Security in accordance with the standards in this Deed of Trust, the Loan Agreement, or the Regulatory Agreement, Beneficiary, after at least seven (7) calendar days prior written notice to Trustor and after any applicable cure periods, may, but shall be under no obligation to, make such repairs or replacements as are necessary and provide for

payment thereof. Any amount so advanced by Beneficiary, together with interest thereon from the date of such advance at the same rate of indebtedness as specified in the Note (unless payment of such an interest rate would be contrary to applicable law, in which event such sums shall bear interest at the highest rate then allowed by applicable law), shall become an additional obligation of Trustor to Beneficiary and shall be secured by this Deed of Trust..

12. **INSPECTION OF THE SECURITY.** Trustor shall permit Beneficiary to enter and inspect the Security for compliance with these obligations upon twenty four (24) hours advance notice of such visit by Beneficiary to Trustor or Trustor's management agent.

13. **LIENS, ENCUMBRANCES, AND CHARGES.** Trustor shall discharge any lien or encumbrance not approved by Beneficiary in writing that may attain priority over this Deed of Trust, as provided for in the Loan Agreement.

14. **DEFENSE AND NOTICE OF CLAIMS AND ACTIONS.** Trustor shall appear in and defend, at its own expense, any action or proceeding purporting to affect the Security and/or the rights of Beneficiary. Trustor shall give Beneficiary and Trustee prompt notice in writing of the assertion of any claim, of the filing of any action or proceeding and of any condemnation offer or action with respect to the Security.

15. **SUITS TO PROTECT THE SECURITY.** Following reasonable notice to Trustor, Beneficiary shall have power to institute and maintain such suits and proceedings as it may deem expedient (a) to prevent any impairment of the Security or the rights of Beneficiary, (b) to preserve or protect its interest in the Security and in the Rents, and (c) to restrain the enforcement of or compliance with any governmental legislation, regulation, or order, if the enforcement of or compliance with such legislation, regulation, or order would impair the Security or be prejudicial to the interest of Beneficiary.

16. **DAMAGE TO SECURITY.** Trustor shall give Beneficiary and Trustee prompt notice in writing of any damage to the Security. If any building or improvements erected on the Property is damaged or destroyed by an insurable cause, Trustor shall, at its cost and expense, repair or restore said buildings and improvements consistent with the original plans and specifications. Such work or repair shall be commenced within one hundred twenty (120) days after the damage or loss occurs and shall be complete within one (1) year thereafter. All insurance proceeds collected for such

damage or destruction shall be applied to the cost of such repairs or restoration and, if such insurance proceeds shall be insufficient for such purpose, Trustor shall make up the deficiency.

17. **TITLE.** Trustor warrants that Trustor lawfully has legal title to the Security without any limitation on the right to encumber.

18. **GRANTING OF EASEMENTS.** Trustor may not grant easements, licenses, rights-of-way or other rights or privileges in the nature of easements with respect to the Security except those required or desirable for installation and maintenance of public utilities including water, gas, electricity, sewer, cable television, telephone, or those required by law.

19. **TAXES AND LEVIES.** Trustor shall pay prior to delinquency, all taxes, fees, assessments, charges and levies imposed by any public authority or utility company which are or may become a lien affecting the Security. However, Trustor shall not be required to pay and discharge any such tax, assessment, charge or levy so long as (a) the legality thereof shall be promptly and actively contested in good faith and by appropriate proceedings, and (b) Trustor maintains reserves adequate to pay any contested liabilities. In the event that Trustor fails to pay any of the foregoing items, Beneficiary may, but shall be under no obligation to, pay the same, after Beneficiary has given written notice to Trustor of such failure to pay and Trustor fails to fully pay such items within seven (7) business days after receipt of such notice.

Any amount so advanced by Beneficiary, together with interest thereon from the date of such advance at the same rate of indebtedness as specified in the Note (unless payment of such an interest rate would be contrary to applicable law, in which event such sums shall bear interest at the highest rate then allowed by applicable law), shall become an additional obligation of Trustor to Beneficiary and shall be secured by this Deed of Trust.

20. **INSURANCE.** Trustor shall provide such insurance as required under the Loan Agreement and the Regulatory Agreement. In the event Trustor fails to maintain the full insurance coverage required by this Deed of Trust, Beneficiary, after at least seven (7) business days prior written notice to Trustor, may, but shall be under no obligation to, take out the required policies of insurance and pay the premiums on such policies. Any amount so advanced by Beneficiary, together with interest thereon from the date of such advance at the same rate of indebtedness as specified in the Note (unless payment of such an interest rate would be

contrary to applicable law, in which event such sums shall bear interest at the highest rate then allowed by applicable law), shall become an additional obligation of Trustor to Beneficiary and shall be secured by this Deed of Trust.

21. **CONDEMNATION.** All judgments, awards of damages, settlements and compensation made in connection with or in lieu of taking all or any part of or interest in the Security under assertion of the power of eminent domain ("Funds") are hereby assigned to and shall be paid to Beneficiary. Beneficiary is authorized (but not required) to collect and receive any Funds and is authorized to apply them in whole or in part upon any indebtedness or obligation secured hereby, in such order and manner as Beneficiary shall determine at its sole option. All or any part of the amounts so collected and recovered by Beneficiary may be released to Trustor upon such conditions as Beneficiary may impose for its disposition. Application of all or any part of the Funds collected and received by Beneficiary or the release thereof shall not cure or waive any default under this Deed of Trust.

Notwithstanding anything to the contrary set forth herein, Beneficiary shall, prior to the application of the Funds or any portion thereof to the indebtedness or other obligations, apply such portion of the Funds as is reasonable and necessary to repair and preserve the value, marketability and rentability of the Security.

22. **ACCELERATION ON TRANSFER OF SECURITY; ASSUMPTION.** In the event that Trustor, without the prior written consent of the Beneficiary, sells, agrees to sell, transfers, or conveys its interest in the Security or any part thereof or interest therein, Beneficiary may at its option declare all sums secured by this Deed of Trust to be immediately due and payable. This option shall not apply in case of:

- A. the grant of a tenant, leasehold, or fee interest to qualifying households who will occupy Project units as provided for under the Loan Documents and the Regulatory Agreement; or
- B. sale or transfer of fixtures or personal property pursuant to the grant provisions in this Deed of Trust; Consent to one (1) sale or transfer shall not be deemed to be a waiver of the right to require such consent to future or successive transactions.

23. RECONVEYANCE BY TRUSTEE. This trust is intended to continue for the entire term of the Loan Documents. Upon written request of Beneficiary stating that all obligations secured by this Deed of Trust have been paid and performed, and upon surrender of this Deed of Trust to Trustee for cancellation and retention, and upon payment by Trustor of Trustee's reasonable fees, Trustee shall reconvey the Security to Trustor, or to the person or persons legally entitled thereto.

DEFAULT AND REMEDIES

24. EVENTS OF DEFAULT. Any of the events listed in the Loan Agreement as an Event of Default shall also constitute an Event of Default under this Deed of Trust, including, but not limited to, (1) Trustor's failure to pay when due any sums payable under this Deed of Trust, the Note, or the Loan Agreement; (2) Trustor's failure to observe or to perform any of its other covenants, agreements or obligations under this Deed of Trust, the Note, or the Loan Agreement; or (3) Trustor's failure to make any payment or perform any of its other covenants, agreements, or obligations under any other agreement with respect to financing for the Project or the Security, whether or not Beneficiary is a party to such agreement.

Notwithstanding anything to the contrary set forth herein, any "Event of Default" described hereinabove shall not constitute an "Event of Default" for the purposes of this Deed of Trust or any other Loan Document if the defaulting party cures, corrects or remedies the Event of Default within (a) thirty (30) calendar days (~~ten (10)~~ calendar days if the Event of Default is monetary) from receipt from the non-defaulting party of notice pursuant to the terms of the Loan Agreement, or (b) solely in the event of a non-monetary Event of Default, if such non-monetary default cannot be reasonably cured within thirty (30) days, such longer period as is necessary to cure such default, provided the defaulting party commences the cure within the thirty (30) day period from receipt of the aforementioned notice and diligently prosecutes such cure to completion.

Notwithstanding anything to the contrary contained herein, the Beneficiary hereby agrees that any cure of any default made or tendered by one or more of Trustor's limited partners shall be deemed to be a cure by Trustor and shall be accepted or rejected on the same basis as if made or tendered by Trustor.

25. ACCELERATION OF MATURITY. Upon the happening of an Event of Default which has not been cured within the times and in the

manner provided in the Loan Agreement, Beneficiary may declare all sums advanced to Trustor under the Note and this Deed of Trust immediately due and payable.

26. **BENEFICIARY'S REMEDIES.** Upon the happening of an Event of Default which has not been cured within the times and in the manner provided in the Loan Agreement, Beneficiary may, in addition to other rights and remedies permitted by the Loan Agreement, the Note, or applicable law, proceed with any or all of the following remedies:

- A. Enforce the assignment of rents and right to possession as provided for in this Deed of Trust, and/or seek appointment of a receiver to take over possession of the Security and collect Rents;
- B. Enter the Security and take any actions necessary in its judgment to complete construction on the Security as permitted under the Assignment of Development Rights executed by Trustor (on file with Beneficiary) and the assignment of rents and right to possession in this Deed of Trust, either in person or through a receiver appointed by a court;
- C. Disburse from Loan proceeds any amount necessary to cure any Monetary Default under this Deed of Trust, the Loan Agreement, or the Note;
- D. Commence an action to foreclose this Deed of Trust pursuant to California Code of Civil Procedure Sections 725a, et seq., and/or seek appointment of a receiver from a court of competent jurisdiction with the authority to protect Beneficiary's interests in the Security, including the authority to complete construction of improvements;
- E. Deliver to Trustee a written declaration of Default and demand for sale, and a written Notice of Default and election to cause Trustor's interest in the Security to be sold, which notice Trustee or Beneficiary shall duly file for record in the Official Records of Los Angeles County, and exercise its power of sale as provided for below; or
- F. Pursue any other rights and remedies allow at law or in equity.

27. **FORECLOSURE BY POWER OF SALE.** Should Beneficiary elect to foreclose by exercise of the power of sale contained in this Deed of Trust, Beneficiary shall notify Trustee and shall deposit with Trustee this Deed of Trust (the deposit of which shall be deemed to constitute evidence that the unpaid sums disbursed under the Note are immediately due and payable), and such receipts and evidence of any expenditures made that are additionally secured hereby as Trustee may require.

Upon receipt of such notice from Beneficiary, Trustee shall cause to be recorded, published and delivered to Trustor such Notice of Default and Election to Sell as then required by law and by this Deed of Trust. Trustee shall, without demand on Trustor, after lapse of such time as may then be required by law and after recordation of such Notice of Default and after Notice of Sale having been given as required by law, sell the Security, at the time and place of sale fixed by it in said Notice of Sale, whether as a whole or in separate lots or parcels or items as Trustee shall deem expedient and in such order as it may determine unless specified otherwise by Trustor, at public auction to the highest bidder for cash in lawful money of the United States payable at the time of sale. Trustee shall deliver to the purchaser its deed or deeds conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in such deed of any matters of facts shall be conclusive proof of the truthfulness thereof. Any person, including, without limitation, Trustor, Trustee, or Beneficiary, may purchase at the sale.

Trustee may postpone sale of all or any portion of the Property by public announcement at such time and place of sale, and from time to time thereafter, and without further notice make such sale at the time fixed by the last postponement, or may, in its discretion, give a new Notice of Sale.

After deducting all reasonable costs, fees and expenses of Trustee, including costs of evidence of title in connection with such sale, Trustee shall apply the proceeds of sale as follows: (i) first, to the payment of all sums then secured by this Deed of Trust, in such order and amounts as Beneficiary in its sole discretion determines, and (ii) the remainder, if any, to the person or persons legally entitled thereto.

28. **REMEDIES CUMULATIVE.** No right, power or remedy conferred upon or reserved to Beneficiary by this Deed of Trust is intended to be exclusive of any other rights, powers or remedies, but each such right, power and remedy shall be cumulative and concurrent and

shall be in addition to any other right, power and remedy given hereunder or now or hereafter existing at law or in equity.

GENERAL PROVISIONS

29. **GOVERNING LAW.** This Deed of Trust shall be interpreted under and governed by the laws of the State of California, except for those provisions relating to choice of law and those provisions preempted by federal law.

30. **STATEMENT OF OBLIGATION.** Beneficiary may collect a fee not to exceed the maximum allowable under applicable law for furnishing a statement of obligations as provided in the California Civil Code.

31. **CONSENTS AND APPROVALS.** Any consent or approval of Beneficiary required under this Deed of Trust shall not be unreasonably withheld.

32. **TIME.** Time is of the essence in this Deed of Trust.

33. **NOTICES, DEMANDS AND COMMUNICATIONS.** Formal notices, demands and communications between Trustor and Beneficiary shall be sufficiently given and shall not be deemed given unless dispatched by registered or certified mail, postage prepaid, return receipt requested, or delivered personally, to the principal offices of Trustor and Beneficiary as follows:

34. **BINDING UPON SUCCESSORS.** All provisions of this Deed of Trust shall be binding upon and inure to the benefit of the heirs, administrators, executors, successors-in-interest, transferees, and assigns of Trustor, Trustee, and Beneficiary.

35. **WAIVER.** Any waiver by Beneficiary of any obligation of Trustor in this Deed of Trust must be in writing. No waiver will be implied from any delay or failure by Beneficiary to take action on any breach or default of Trustor or to pursue any remedy allowed under the Deed of Trust or applicable law. Any extension of time granted to Trustor to perform any obligation under this Deed of Trust shall not operate as a waiver or release Trustor from any of its obligations under this Deed of Trust. Consent by Beneficiary to any act or omission by Trustor shall not be construed to be a consent to any other or subsequent act or omission or to waive the requirement for Beneficiary's written consent to future waivers.

36. **AMENDMENTS AND MODIFICATIONS.** Any amendments or modifications to this Deed of Trust must be in writing, and shall be made only if mutually agreed upon by Beneficiary and Trustor.

37. **CONFLICTS BETWEEN CITY DOCUMENTS.** In the event that any monetary provisions of the City Loan Agreement, City Regulatory Agreement, City Deed of Trust, and/or City Note conflict, the terms of the City Note and City Deed of Trust shall control. In the event that any monetary provisions of the City Note and City Deed of Trust conflict or in the event that any non-monetary provisions of the City Loan Agreement, City Regulatory Agreement, City Deed of Trust, and/or City Note conflict, the strictest provision shall control, except that Trustor shall have no defense or claim that this instrument does not establish a valid lien on the Property or Security.

38. **DEFINITIONS.** Capitalized terms not otherwise defined in this Deed of Trust shall have the same meaning as defined terms in the Loan Agreement.

39. **PROOFS OF CLAIM.** In the case of any receivership, insolvency, bankruptcy, reorganization, arrangement, adjustment, recomposition or other proceedings affecting Trustor, its creditors or its property, Trustee, to the extent permitted by law, shall be

entitled to file such proofs of claim and other documents as may be necessary or advisable in order to have the claims of Beneficiary allowed in such proceedings and for any additional amount which may become due and payable by Trustor hereunder after such date.

40. **SEVERABILITY.** Every provision of this Deed of Trust is intended to be severable. If any term or provision of this Deed of Trust is declared to be illegal, invalid, or unenforceable by a court of competent jurisdiction, the legality, validity, and enforceability of the remaining provisions shall not be affected. If the lien of this Deed of Trust is invalid or unenforceable as to any part of the debt, or if the lien is invalid or unenforceable as to any part of the Security, the unsecured or partially secured portion of the debt and all payments made on the debt (whether voluntary or under foreclosure or other enforcement action or procedure) shall be considered to have been first paid or applied to the payment of that portion of the debt which is not secured or partially secured by the lien of this Deed of Trust.

41. **SUBSTITUTION OF TRUSTEES.** Beneficiary may from time to time appoint another trustee to act in the place and stead of Trustee or any successor. Upon such appointment and without conveyance, the successor trustee shall be vested with all title, powers, and duties conferred upon Trustee. Each such appointment and substitution shall be made by a written instrument executed by Beneficiary containing reference to this Deed of Trust and its place of record, which when duly recorded in the Los Angeles County Office of the Recorder shall be conclusive proof of proper appointment of the successor trustee.

42. **ACCEPTANCE BY TRUSTEE.** Trustee accepts this Trust when this Deed of Trust, duly executed and acknowledged, is made public record as provided by law. Except as otherwise provided by law, the Trustee is not obligated to notify any party hereto of pending sale under this Deed of Trust or of any action or proceeding in which Trustor, Beneficiary, or Trustee shall be a party unless brought by Trustee.

43. **NONRECOURSE.** The loan secured by this Deed of Trust is a nonrecourse obligation of Trustor. Neither Trustor nor any other party shall have any personal liability for repayment of the Loan. The sole recourse of Beneficiary for repayment of the Principal and interest shall be the exercise of Beneficiary's rights against the Property. However, nothing contained in the foregoing limitation of liability shall (a) limit or impair the enforcement of all the rights and remedies of the Beneficiary against all such security for the City Notes, or (b) be deemed in any way to impair

the right of the Beneficiary to assert the unpaid principal amount of the City Notes as demand for money within the meaning of the California Code of Civil Procedure.

The foregoing limitation of liability is intended to apply only to the obligation for the repayment of the principal of, and payment of interest on the Notes; except nothing contained in the foregoing is intended to relieve the Trustor of personal liability for (1) fraud or willful misrepresentation; (2) failure to pay taxes, assessments or other charges (which are not contested by Trustor in good faith) which may create liens on the Property that are payable or applicable prior to any foreclosure under the Deed of Trust (to the full extent of such taxes, assessments or other charges); (3) the Trustor's indemnification obligations under the Loan Agreement; (4) misappropriation of any rents, security deposits, insurance proceeds, condemnation awards or any other proceeds derived from the collateral security; and (5) failure to pay to the Beneficiary any rental income or other income arising with respect to the Property received by the Trustor after the Beneficiary has given notice to the Trustor of the occurrence of an Event of Default, subject to the rights of any lender providing a loan secured by the Property to which the Beneficiary has subordinated the City Deed of Trust.

Any costs above this amount necessary for the completion of the Project shall be the sole responsibility of Borrower.

G. PERFORMANCE RETENTION.

Lender shall withhold final disbursement of the Loan proceeds budgeted for direct costs of the construction costs as set out in the intercreditor agreement, which amount shall be at least ten percent (10%) of each disbursement for construction costs, until all of the following conditions precedent are satisfied:

Any obligations incurred in connection with the Project must be reported to Lender within one hundred twenty (120) days following the recording of a valid Notice of Completion. No claims submitted after the one hundred twenty (120) day period shall be binding on Lender for reimbursement. Any obligations and/or debts incurred by Borrower or its agents and not reported to Lender within the one hundred twenty (120) day period shall be the sole liability of the party who incurred the liability and/or debt. 72. **NONRECOURSE.** The City Loan is a nonrecourse obligation of Owner. Neither Owner nor any other party shall have any personal liability for repayment of the City Loan. The sole recourse of the City for repayment of the principal and interest shall be the exercise of the City's rights against the Property. However, nothing contained in the foregoing limitation of liability shall (a) limit or impair the enforcement of all the rights and remedies of the City against all such security for the City Note, or (b) be deemed in any way to impair the right of the City to assert the unpaid principal amount of the City Note as demand for money within the meaning of the California Code of Civil Procedure.

The foregoing limitation of liability is intended to apply only to the obligation for the repayment of the principal of, and payment of interest on the City Note; except nothing contained in the foregoing is intended to relieve the Owner of personal liability for (1) fraud or willful misrepresentation; (2) failure to pay taxes, assessments or other charges (which are not contested by Owner in good faith) which may create liens on the Property that are payable or applicable prior to any foreclosure under the Deed of Trust (to the full extent of such taxes, assessments or other charges); (3) the Owner's indemnification obligations under the Loan Agreement; (4) misappropriation of any rents, security deposits, insurance proceeds, condemnation awards or any other proceeds derived from the collateral security; and (5) failure to pay to the City any rental income or other income arising with respect to the Property received by the Owner after the City has given notice to the Owner of the occurrence of an Event of Default, subject to the rights of any lender providing a loan secured by the Property to which the lender has subordinated the Deed of Trust.

I. INSURANCE COVERAGE.

1. General Conditions. During the term of this Loan Agreement and Regulatory Agreement and without limiting Owner's indemnification of the CITY, Owner shall provide and maintain, as well as and ensure that any contractor or subcontractor provide and maintain, at its own expense a program of insurance having the coverages and limits not less than the amounts and types listed on the Required Insurance and Minimum Limits Sheet (Form Gen 146 in Exhibit Q of the City Loan Agreement), covering its operations hereunder. Such insurance shall also conform to CITY requirements established by Charter, ordinance or policy, shall comply with the Insurance Contractual Requirements (Form General 133) and with the conditions set forth on the applicable City Special Endorsement form(s), copies of which are included in Exhibit Q, and shall otherwise be in a form acceptable to the City Administrative Officer, Risk Management. Specifically, such insurance shall: 1) protect CITY as a Loss Payee on a Lender's Loss Payable endorsement, As Its Interests May Appear, respectively, when such status is appropriate and available depending on the nature of the applicable coverages; 2) provide CITY at least thirty (30) days advance written notice of cancellation (ten (10) days for nonpayment of premium),.

2. Modification of Coverage. CITY reserves the right at any time during the term of this Loan Agreement and Regulatory Agreement to change the amounts and types of insurance required hereunder by giving Owner and any contractor and subcontractor ninety (90) days advance written notice of such change. If such change should result in substantial additional cost to the Owner and any contractor and subcontractor, CITY agrees to negotiate additional compensation proportional to the increased benefit to CITY.
3. Failure to Procure Insurance. All required insurance must be submitted and approved by the City of the Administrative Officer, Risk Management prior to the commencement of any work, inception of any operations, or tenancy by Owner and any contractor and subcontractor.

Owner's and any contractor's and subcontractor's failure to procure or maintain required insurance during the entire term of this Loan Agreement and Regulatory Agreement shall constitute a material breach of this Loan Agreement under which CITY may immediately suspend or terminate this Loan Agreement or, at its discretion, procure or renew such insurance to protect CITY'S interests and pay any and all premiums in connection therewith and shall become an additional obligation of Owner to Lender and shall be secured by the Deed of Trust.

5. Proceeds All proceeds of insurance with respect to loss or damage to the Project during the term of the Loan shall be payable, under the provisions of the policy of insurance, jointly to the, Owner, the City, construction lender[s], permanent lenders and any other lender permitted by the City, and said proceeds shall constitute a trust fund to be used for the restoration, repair or rebuilding of the Project in accordance with plans and specifications approved in writing by the City. To the extent that such proceeds exceed the cost of such restoration, repair or rebuilding, such proceeds shall be applied first to repay the approved secured senior lenders and then to repay the City Loan. In the event of any fire or other casualty to the project or any part thereof, the Owner shall have the right to rebuild the improvements, and to use all available insurance proceeds therefor, provided that (a) such proceeds are sufficient to keep the City Loan in balance and rebuild the improvements in a manner that provides adequate security to the City for repayment of the City Loan or if such proceeds are insufficient then the Owner shall have funded any deficiency, (b) the City shall have the right to approve plans and specifications for any major rebuilding and the right to approve disbursements of insurance proceeds for rebuilding under a construction escrow or similar arrangement, and (c) no material default then exists under the City Loan. If the casualty affects only part of the improvements and total rebuilding is infeasible, then proceeds may be used for partial rebuilding and partial repayment of the City Loan in a manner that provides adequate security to the City for repayment of the remaining balance of the City Loans.

5. Underlying Insurance

Owner shall be responsible for requiring indemnification and insurance as it deems appropriate from its employees receiving mileage allowance and from its consultants, agents and subcontractors, if any, to protect Owner's and City's interests and for ensuring that such persons comply with any applicable insurance statutes. Owner is encouraged to seek professional advice in this regard.

6. Worker's Compensation. By signing this Loan Agreement, Owner hereby certifies that it is aware and shall make any contractor and subcontractor aware of the provisions of Section 3700 et seq., of the Labor Code which require every employer to be insured against liability for Workers' Compensation in accordance with the provisions of that Code, and that it will comply with such provisions at all such times as they may apply during the performance of the work pursuant to this Loan Agreement.

A Waiver of Subrogation in favor of CITY will be required when work is performed on CITY premises under hazardous conditions.

§ 4.6.2 Evaluations of the Work

§ 4.6.2.1 The Architect shall visit the site at intervals appropriate to the stage of construction, or as otherwise required in Section 5.3.3, to become generally familiar with the progress and quality of the portion of the Work completed, and to determine, in general, if the Work observed is being performed in a manner indicating that the Work, when fully completed, will be in accordance with the Contract Documents. However, the Architect shall not be required to make exhaustive or continuous on-site inspections to check the quality or quantity of the Work. On the basis of the site visits, the Architect shall keep the Owner reasonably informed about the progress and quality of the portion of the Work completed, and report to the Owner (1) known deviations from the Contract Documents and from the most recent construction schedule, and (2) defects and deficiencies observed in the Work.

§ 4.6.2.2 The Architect has the authority to reject Work that does not conform to the Contract Documents. Whenever the Architect considers it necessary or advisable, the Architect shall have the authority to require inspection or testing of the Work in accordance with the provisions of the Contract Documents, whether or not such Work is fabricated, installed or completed. However, neither this authority of the Architect nor a decision made in good faith either to exercise or not to exercise such authority shall give rise to a duty or responsibility of the Architect to the Contractor, Subcontractors, material and equipment suppliers, their agents or employees or other persons or entities performing portions of the Work.

§ 4.6.2.3 The Architect shall interpret and decide matters concerning performance under, and requirements of, the Contract Documents on written request of either the Owner or Contractor. The Architect's response to such requests shall be made in writing within any time limits agreed upon or otherwise with reasonable promptness.

§ 4.6.2.4 Interpretations and decisions of the Architect shall be consistent with the intent of and reasonably inferable from the Contract Documents and shall be in writing or in the form of drawings. When making such interpretations and decisions, the Architect shall endeavor to secure faithful performance by both Owner and Contractor, shall not show partiality to either, and shall not be liable for results of interpretations or decisions rendered in good faith. The Architect's decisions on matters relating to aesthetic effect shall be final if consistent with the intent expressed in the Contract Documents.

§ 4.6.2.5 Unless the Owner and Contractor designate another person to serve as an Initial Decision Maker, as that term is defined in AIA Document A201-2007, the Architect shall render initial decisions on Claims between the Owner and Contractor as provided in the Contract Documents.

§ 4.6.3 Certificates for Payment to Contractor

§ 4.6.3.1 The Architect shall review and certify the amounts due the Contractor and shall issue certificates in such amounts. The Architect's certification for payment shall constitute a representation to the Owner, based on the Architect's evaluation of the Work as provided in Section 4.6.2 and on the data comprising the Contractor's Application for Payment, that, to the best of the Architect's knowledge, information and belief, the Work has progressed to the point indicated and that the quality of the Work is in accordance with the Contract Documents. The foregoing representations are subject (1) to an evaluation of the Work for conformance with the Contract Documents upon Substantial Completion, (2) to results of subsequent tests and inspections, (3) to correction of minor deviations from the Contract Documents prior to completion, and (4) to specific qualifications expressed by the Architect.

Init.

§ 4.6.3.2 The issuance of a Certificate for Payment shall not be a representation that the Architect has (1) made exhaustive or continuous on-site inspections to check the quality or quantity of the Work, (2) reviewed construction means, methods, techniques, sequences or procedures, (3) reviewed copies of requisitions received from Subcontractors and material suppliers and other data requested by the Owner to substantiate the Contractor's right to payment, or (4) ascertained how or for what purpose the Contractor has used money previously paid on account of the Contract Sum.

§ 4.6.3.3 The Architect shall maintain a record of the Applications and Certificates for Payment.

§ 4.6.4 Submittals

§ 4.6.4.1 The Architect shall review the Contractor's submittal schedule and shall not unreasonably delay or withhold approval. The Architect's action in reviewing submittals shall be taken in accordance with the approved submittal schedule or, in the absence of an approved submittal schedule, with reasonable promptness while allowing sufficient time in the Architect's professional judgment to permit adequate review. Adequate review shall be 15 working days for first review and 10 days for second review, if consultant or third-party input is required (for instance, hardware submittal, structural steel or framing submittal). If third-party input is not required, adequate review is 10 working days for first review and 5 days for second review. If a third review is required, this shall be performed under an additional service.

§ 4.6.4.2 In accordance with the Architect-approved submittal schedule, the Architect shall review and approve or take other appropriate action upon the Contractor's submittals such as Shop Drawings, Product Data and Samples, but only for the limited purpose of checking for conformance with information given and the design concept expressed in the Contract Documents. Review of such submittals is not for the purpose of determining the accuracy and completeness of other information such as dimensions, quantities, and installation or performance of equipment or systems, which are the Contractor's responsibility. The Architect's review shall not constitute approval of safety precautions or, unless otherwise specifically stated by the Architect, of any construction means, methods, techniques, sequences or procedures. The Architect's approval of a specific item shall not indicate approval of an assembly of which the item is a component.

§ 4.6.4.3 If the Contract Documents specifically require the Contractor to provide professional design services or certifications by a design professional related to systems, materials or equipment, the Architect shall specify the appropriate performance and design criteria that such services must satisfy. The Architect shall review shop drawings and other submittals related to the Work designed or certified by the design professional retained by the Contractor that bear such professional's seal and signature when submitted to the Architect. The Architect shall be entitled to rely upon the adequacy, accuracy and completeness of the services, certifications and approvals performed or provided by such design professionals.

§ 4.6.4.4 Subject to the provisions of Section 5.3, the Architect shall review and respond to requests for information about the Contract Documents. The Architect shall set forth in the Contract Documents the requirements for requests for information. Requests for information shall include, at a minimum, a detailed written statement that indicates the specific Drawings or Specifications in need of clarification and the nature of the clarification requested. The Architect's response to such requests shall be made in writing within any time limits agreed upon, or otherwise with reasonable promptness. If appropriate, the Architect shall prepare and issue supplemental Drawings and Specifications in response to requests for information. Architect shall have 5 working days within which to respond to RFIs.

§ 4.6.4.5 The Architect shall maintain a record of submittals and copies of submittals supplied by the Contractor in accordance with the requirements of the Contract Documents.

§ 4.6.5 Changes in the Work

§ 4.6.5.1 The Architect may authorize minor changes in the Work that are consistent with the intent of the Contract Documents and do not involve an adjustment in the Contract Sum or an extension of the Contract Time. Subject to the provisions of Section 5.3, the Architect shall prepare Change Orders and Construction Change Directives for the Owner's approval and execution in accordance with the Contract Documents.

§ 4.6.5.2 The Architect shall maintain records relative to changes in the Work.

Init.

§ 4.6.6 Project Completion

§ 4.6.6.1 The Architect shall conduct inspections to determine the date or dates of Substantial Completion and the date of final completion; issue Certificates of Substantial Completion and final completion (including reviewing the correction of all punch-list items, until all punch-list items have been corrected to Owner's satisfaction); receive from the Contractor and forward to the Owner, for the Owner's review and records, written warranties and related documents required by the Contract Documents and assembled by the Contractor; and issue a final Certificate for Payment based upon a final inspection indicating the Work complies with the requirements of the Contract Documents. Architect shall also be responsible for receiving from Contractor all manuals for operation of mechanical, electrical and other equipment which are required by the Contract Documents, and shall deliver to Owner copies of same as such mechanical, electrical or other system is completed. Architect shall prepare for Owner a list of observed items, materials or systems that require replacement or additional Work by Contractor.

§ 4.6.6.2 The Architect's inspections shall be conducted with the Owner to check conformance of the Work with the requirements of the Contract Documents and to verify the accuracy and completeness of the list submitted by the Contractor of Work to be completed or corrected.

§ 4.6.6.3 When the Work is found to be substantially complete, the Architect shall inform the Owner about the balance of the Contract Sum remaining to be paid the Contractor, including the amount to be retained from the Contract Sum, if any, for final completion or correction of the Work.

§ 4.6.6.4 The Architect shall forward to the Owner the following information received from the Contractor: (1) consent of surety or sureties, if any, to reduction in or partial release of retainage or the making of final payment; (2) affidavits, receipts, releases and waivers of liens or bonds indemnifying the Owner against liens; and (3) any other documentation required of the Contractor under the Contract Documents.

§ 4.6.6.5 Upon request of the Owner, and prior to the expiration of one year from the date of Substantial Completion, the Architect shall, without additional compensation, conduct a meeting with the Owner to review the facility operations and performance.

§ 5.2 Insert a description of each Additional Service designated in Section 5.1 as the Architect's responsibility, if not further described in an exhibit attached to this document.

§ 5.3 Additional Services may be provided after execution of this Agreement, without invalidating the Agreement. Except for services required due to the fault of the Architect, any Additional Services provided in accordance with this Section 5.3 shall entitle the Architect to compensation pursuant to Section 12.4 and an appropriate adjustment in the Architect's schedule.

§ 5.3.1 Upon recognizing the need to perform the following Additional Services, the Architect shall notify the Owner with reasonable promptness and explain the facts and circumstances giving rise to the need. Notwithstanding anything to the contrary in this Agreement, the Architect shall not be entitled to perform any Additional Services or receive any compensation for any Additional Services unless and until the Architect has received the Owner's prior written approval of the scope and projected cost of such Additional Services. "Additional Services" shall include, but are not limited to, the following:

- .1 Services necessitated by a change in the Initial Information, previous instructions or approvals given by the Owner, or a material change in the Project including, but not limited to, size, quality, complexity, the Owner's schedule or budget for Cost of the Work, or procurement or delivery method, or bid packages in addition to those listed in Section 1.1.6;
- .2 Services necessitated by the Owner's request for extensive environmentally responsible design alternatives, such as unique system designs, in-depth material research, energy modeling, or LEED® certification;
- .3 Changing or editing previously prepared Instruments of Service necessitated by the enactment or revision of codes, laws or regulations or official interpretations;
- .4 Services necessitated by decisions of the Owner not rendered in a timely manner or any other failure of performance on the part of the Owner or the Owner's consultants or contractors;

.11 Assistance to the Initial Decision Maker, if other than the Architect.

§ 5.3.2 To avoid delay in the Construction Phase, the Architect shall provide the following Additional Services, notify the Owner with reasonable promptness, and explain the facts and circumstances giving rise to the need. If the Owner subsequently determines that all or parts of those services are not required, the Owner shall give prompt written notice to the Architect, and the Owner shall have no further obligation to compensate the Architect for those services:

- .1 Reviewing a Contractor's submittal out of sequence from the submittal schedule agreed to by the Architect;
- .2 Responding to the Contractor's requests for information that are not prepared in accordance with the Contract Documents or where such information is available to the Contractor from a careful study and comparison of the Contract Documents, field conditions, other Owner-provided information, Contractor-prepared coordination drawings, or prior Project correspondence or documentation;
- .3 Preparing Change Orders, and Construction Change Directives that require evaluation of Contractor's proposals and supporting data, or the preparation or revision of Instruments of Service;
- .4 Evaluating an extensive number of Claims as the Initial Decision Maker;
- .5 Evaluating substitutions proposed by the Owner or Contractor and making subsequent revisions to Instruments of Service resulting therefrom; or
- .6 To the extent the Architect's Basic Services are affected, providing Construction Phase Services 90 days after (1) the date of Substantial Completion of the Work or (2) the anticipated date of Substantial Completion, identified in Initial Information, whichever is earlier.

§ 5.3.3 The Architect shall provide Construction Phase Services exceeding the limits set forth below as Additional Services. When the limits below are reached, the Architect shall notify the Owner:

- .1 2 (two) reviews of each Shop Drawing, Product Data item, sample and similar submittals of the Contractor
- .2 70 (seventy) visits to the site by the Architect over the duration of the Project during construction
- .3 2 (two) inspections for any portion of the Work to determine whether such portion of the Work is substantially complete in accordance with the requirements of the Contract Documents
- .4 2 (two) inspections for any portion of the Work to determine final completion

(Paragraph deleted)

ARTICLE 6 OWNER'S RESPONSIBILITIES

§ 6.1 Unless otherwise provided for under this Agreement, the Owner shall provide information in a timely manner regarding requirements for and limitations on the Project, including a written program which shall set forth the Owner's objectives, schedule, constraints and criteria, including space requirements and relationships, flexibility, expandability, special equipment, systems and site requirements. Within 15 business days after receipt of a written request from the Architect, the Owner shall furnish the requested information as necessary and relevant for the Architect to evaluate, give notice of or enforce lien rights.

§ 6.2 OMITTED

§ 6.3 The Owner shall establish and periodically update the Owner's budget for the Project, including (1) the budget for the Cost of the Work as defined in Section 7.1; (2) the Owner's other costs; and, (3) reasonable contingencies related to all of these costs. If the Owner significantly increases or decreases the Owner's budget for the Cost of the Work, the Owner shall notify the Architect. The Owner and the Architect shall thereafter agree to a corresponding change in the budget for the Cost of the Work or in the Project's scope and quality.

§ 6.3.1 The Owner acknowledges that accelerated, phased or fast-track scheduling provides a benefit, but also carries with it associated risks. Such risks include the Owner incurring costs for the Architect to coordinate and redesign portions of the Project affected by procuring or installing elements of the Project prior to the completion of all relevant Construction Documents, and costs for the Contractor to remove and replace previously installed Work. If the Owner selects accelerated, phased or fast-track scheduling, the Owner agrees to include in the budget for the Project sufficient contingencies to cover such costs.

Init.

§ 6.4 The Owner shall identify a representative authorized to act on the Owner's behalf with respect to the Project. The Owner shall render decisions and approve the Architect's submittals in a timely manner in order to avoid unreasonable delay in the orderly and sequential progress of the Architect's services.

§ 6.5 The Owner shall provide the ALTA survey, which shall be used for Title and lender purposes. The Architect shall furnish surveys and legal information which shall include, as applicable, grades and lines of streets, alleys, pavements and adjoining property and structures; adjacent drainage; rights-of-way, easements, boundaries and contours of the site; locations, dimensions and necessary data with respect to existing buildings, other improvements and trees; and information concerning available utility services and lines, both public and private, above and below grade, including inverts and depths, and any additional information necessary for the design of the Project. The survey provided by the Architect will not include designated wetlands, restrictions, encroachments, zoning, or deed restrictions.

§ 6.6 The Owner shall furnish services of geotechnical engineers, which may include but are not limited to test borings, test pits, determinations of soil bearing values, percolation tests, evaluations of hazardous materials, seismic evaluation, ground corrosion tests and resistivity tests, including necessary operations for anticipating subsoil conditions, with written reports and appropriate recommendations.

§ 6.7 The Owner shall coordinate the services of its own consultants with those services provided by the Architect. Upon the Architect's request, the Owner shall furnish copies of the scope of services in the contracts between the Owner and the Owner's consultants. The Owner shall furnish the services of consultants other than those designated in this Agreement, or authorize the Architect to furnish them as an Additional Service, when the Owner determines such services are reasonably required by the scope of the Project. The Owner shall require that its consultants maintain professional liability insurance and other liability insurance as appropriate to the services provided.

§ 6.8 The Owner shall furnish or cause its consultants to furnish tests, inspections and reports required by law or the Contract Documents, such as structural, mechanical, and chemical tests, tests for air and water pollution, and tests for hazardous materials.

§ 6.9 OMITTED

§ 6.10 The Owner shall furnish all legal, insurance and accounting services, including auditing services, that may be reasonably necessary at any time for the Project to meet the Owner's needs and interests.

§ 6.11 The Owner shall provide prompt written notice to the Architect if the Owner becomes aware of any fault or defect in the Project, including errors, omissions or inconsistencies in the Architect's Instruments of Service.

§ 6.12 Except as otherwise provided in this Agreement, or when direct communications have been specially authorized, the Owner shall endeavor to communicate with the Architect's consultants through the Architect about matters arising out of or relating to the Contract Documents. The Owner shall promptly notify the Architect of any direct communications that may affect the Architect's services.

§ 6.13 The Owner shall provide the Architect a copy of the executed agreement between the Owner and Contractor, including the General Conditions of the Contract for Construction.

§ 6.14 The Owner shall provide the Architect access to the Project site prior to commencement of the Work and shall obligate the Contractor to provide the Architect access to the Work as reasonably necessary wherever it is in preparation or progress.

§ 6.15 OMITTED

ARTICLE 7 COST OF THE WORK

§ 7.1 For purposes of this Agreement, the Cost of the Work shall be the total cost to the Owner to construct all elements of the Project designed or specified by the Architect and shall include contractors' general conditions costs, overhead and profit. The Cost of the Work does not include the compensation of the Architect, the costs of the land, rights-of-way, financing, contingencies for changes in the Work or other costs that are the responsibility of the Owner.

§ 7.2 The Owner's budget for the Cost of the Work is provided in Initial Information, and may be adjusted throughout the Project as required under Sections 6.3 and 7.4. Evaluations of the Owner's budget for the Cost of the Work represent the Architect's judgment as a design professional. It is understood and agreed, however, that the Architect has no control over material cost escalations and labor cost increases, and does not warrant or represent that actual costs will not exceed any estimates.

§ 7.3 The Owner shall require the Cost Consultant to include appropriate contingencies for design, bidding or negotiating, price escalation, and market conditions in estimates of the Cost of the Work. The Architect shall be entitled to rely on the accuracy and completeness of estimates of the Cost of the Work the Cost Consultant prepares as the Architect progresses with the Construction Documents Phase. The Architect shall prepare, as an Additional Service, revisions to the Drawings, Specifications or other documents required due to the Cost Consultant's inaccuracies or incompleteness in preparing cost estimates. The Architect may review the Cost Consultant's estimates solely for the Architect's guidance in completion of its services, however, the Architect shall report to the Owner any material inaccuracies and inconsistencies noted during any such review.

§ 7.4 If, prior to the initiation of the Construction Documents Phase, the Cost Consultant's estimate of the Cost of the Work exceeds the Owner's budget for the Cost of the Work, the Architect in consultation with the Cost Consultant, shall make appropriate recommendations to the Owner to adjust the Project's size, quality or budget, and the Owner shall make such adjustments as determined by the Owner.

§ 7.5 If the estimate of the Cost of the Work or the lowest bona fide bid or negotiated proposal from a Contractor at the conclusion of any Phase prior to Construction Documents exceeds the Owner's budget for the Cost of the Work, the Owner shall

- .1 give written approval of an increase in the budget for the Cost of the Work;
- .2 authorize rebidding or renegotiating of the Project within a reasonable time (if such excess has been determined after receipt of bona fide bids or a negotiated proposal);
- .3 in consultation with the Architect, revise the Project program, scope, or quality as required to reduce the Cost of the Work and the Architect will revise the drawings as part of Basic Services;
- .4 terminate in accordance with Section 10.5; or
- .5 implement any other mutually acceptable alternative.
- .6 It is acknowledged by the Architect that the cost estimate, as well as the Owner's comments, for the conclusion of the Design Development phase will be provided after the initiation of the Construction Document phase and that the Architect will make revisions based on that information as part of Basic Services. Owner comments and the cost estimate will be provided as soon as possible but in no event later than December 15, 2013.

§ 7.6 If the Owner chooses to proceed under Section 7.5.3, the Architect, without additional compensation, shall incorporate the required modifications in the applicable Phase as necessary to comply with the Owner's budget for the Cost of the Work at the conclusion of such Phase Services, or the budget as adjusted under Section 7.5.1. The Architect's modification of the Construction Documents shall be the limit of the Architect's responsibility as a Basic Service under this Article 7.

§ 7.7 After incorporation of modifications under Section 7.6, the Architect shall, as an Additional Service, make any required revisions to the Drawings, Specifications or other documents necessitated by subsequent cost estimates that exceed the Owner's budget for the Cost of the Work, except when the excess is due to changes initiated by the Architect in scope, basic systems, or the kinds and quality of materials, finishes or equipment.

ARTICLE 8 COPYRIGHTS AND LICENSES

§ 8.1 The Architect and the Owner warrant that in transmitting Instruments of Service, or any other information, the transmitting party is the copyright owner of such information or has permission from the copyright owner to transmit such information for its use on the Project. If the Owner and Architect intend to transmit Instruments of Service or any other information or documentation in digital form, they shall endeavor to establish necessary protocols governing such transmissions.

§ 8.2 The Architect and the Architect's consultants shall be deemed the authors and owners of their respective Instruments of Service, including the Drawings and Specifications, and shall retain all common law, statutory and other reserved rights, including copyrights. Submission or distribution of Instruments of Service to meet official

Init.

regulatory requirements or for similar purposes in connection with the Project is not to be construed as publication in derogation of the reserved rights of the Architect and the Architect's consultants.

§ 8.3 Upon execution of this Agreement, the Architect grants to the Owner a nonexclusive license to use the Architect's Instruments of Service solely and exclusively for purposes of constructing, using, maintaining, altering and adding to the Project, provided that the Owner substantially performs its obligations, including prompt payment of all sums when due, under this Agreement. The Architect shall obtain similar nonexclusive licenses from the Architect's consultants consistent with this Agreement. The license granted under this Section permits the Owner to authorize the Contractor, Subcontractors, Sub-subcontractors, and material or equipment suppliers, as well as the Owner's consultants and separate contractors, to reproduce applicable portions of the Instruments of Service solely and exclusively for use in performing services or construction for the Project. If the Architect rightfully terminates this Agreement for cause as provided in Section 10.4, the license granted in this Section 8.3 shall terminate.

§ 8.3.1 In the event the Owner uses the Instruments of Service (including without limitation any future additions or alterations to the Project) without retaining and maintaining the retention of the authors of the Instruments of Service, the Owner releases the Architect and Architect's consultant(s) from all claims and causes of action arising from such uses. The Owner, to the extent permitted by law, further agrees to defend, indemnify and hold harmless the Architect and its consultants from all costs and expenses, including the cost of defense, related to claims and causes of action asserted by any third person or entity to the extent such costs and expenses arise from the Owner's use of the Instruments of Service under this Section 8.3.1. The terms of this Section 8.3.1 shall not apply if the Owner rightfully terminates this Agreement for cause under Section 10.4.

(Paragraph deleted)

§ 8.4 The Owner shall be permitted to retain and reproduce copies of the Instruments of Service of the Architect and the Architect's consultants for the purposes of constructing, using, maintaining, altering and adding to the Project, provided the Owner shall comply with all obligations, including prompt payment of all sums when due, under this Agreement.

§ 8.5 In the event that this Agreement is terminated by the Owner under Section 10.4 or Section 10.5, the Architect shall deliver to Owner copies of all of the Instruments of Service prepared by the Architect and the Architect's consultants for this Project up to the date of termination, , provided Owner has fully paid Architect all sums due under this Agreement as a percentage of work completed as of the effective date of termination, less any damages incurred, or which may be incurred, by Owner as a result of the Architect's conduct and/or breach of this agreement. The Instruments of Service shall then become the property of the Owner, and may be reproduced and used or altered by Owner or any other person(s) or consultant(s) employed by Owner for purposes of completing, using and maintaining the Project in whatever reasonable manner Owner may deem expedient; provided such use shall be at the sole risk of the Owner and Architect shall have no responsibility or liability for such use of the Instruments of Service by Owner. At the Owner's request, and provided Architect has been fully paid for services rendered, the Architect will provide electronic files in a format that can be used by another architect continuing work on the Project without any further payment from the Owner to the Architect. The Owner recognizes that data, plans, specifications, reports, documents or other information recorded on or transmitted as electronic media are subject to undetectable alteration, either intentional or unintentional due to, among other causes, transmission, conversion, media degradation, software error, or human alteration. Accordingly, the electronic documents provided to the Owner are for informational purposes only and are not intended as an end-product. The Architect makes no warranties, either expressed or implied, regarding the fitness or suitability of the electronic documents. Accordingly, the Owner agrees to waive any and all claims against the Architect and the Architect's consultants relating in any way to the unauthorized use, reuse or alteration of the electronic documents.

§ 8.6 Except for the licenses granted in this Article 8, no other license or right shall be deemed granted or implied under this Agreement. The Owner shall not assign, delegate, sublicense, pledge or otherwise transfer any license granted herein to another party without the prior written agreement of the Architect. Any unauthorized use of the Instruments of Service shall be at the Owner's sole risk and without liability to the Architect and the Architect's consultants.

ARTICLE 9 CLAIMS AND DISPUTES

§ 9.1 General

§ 9.1.1 The Owner and Architect shall commence all claims and causes of action, whether in contract, tort, or otherwise, against the other arising out of or related to this Agreement in accordance with the requirements of the method of binding dispute resolution selected in this Agreement within the period specified by applicable law, but in any case not more than 10 years after the date of Substantial Completion of the Work. The Owner and Architect waive all claims and causes of action not commenced in accordance with this Section 9.1.1.

§ 9.1.2 If any dispute shall arise between Owner and Contractor in connection with this Agreement or the carrying out of the Work, including any dispute as to Architect's issuance of certificates, interpretations of the Drawings and Specifications, instructions regarding changes in the Work, or rejection of the Work, then Architect shall examine all the circumstances pertaining to such dispute and shall take account of any writing to Owner and Contractor in accordance with Architect's interpretation of the true purpose, intent and meaning of the Contract for Construction, but such recommendation shall not be binding on the parties and shall be without prejudice to their rights under the Contract for Construction, or in litigation or any other dispute resolution proceeding, as the case may be, and shall not affect or impair the rights of Owner and Architect concerning their respective obligations to each other.

§ 9.1.3 To the extent damages are covered by property insurance, the Owner and Architect waive all rights against each other and against the contractors, consultants, agents and employees of the other for damages, except such rights as they may have to the proceeds of such insurance as set forth in AIA Document A201-2007, General Conditions of the Contract for Construction. The Owner or the Architect, as appropriate, shall require of the contractors, consultants, agents and employees of any of them similar waivers in favor of the other parties enumerated herein.

§ 9.1.4 The Architect shall indemnify and hold the Owner and the Owner's officers and employees, the Project lenders and investors, harmless from and against damages, losses and judgments arising from claims by third parties, including the reimbursement of reasonable attorneys' fees and expenses recoverable under applicable law, but only to the extent they are caused by the negligent acts or omissions of the Architect, its employees and its consultants in the performance of professional services under this Agreement. The parties expressly agree that this indemnity provision does not include, and in no event shall the Architect be required to assume, any obligation or duty to defend any claims, causes of action, demands, or lawsuits in connection with or arising out of this Project or the services rendered by the Architect.

§ 9.1.5 The Owner shall indemnify and hold the Architect, its officers, employees and consultants harmless from and against damages, losses and judgments arising from claims by third parties, including reasonable attorneys' fees and expenses recoverable under applicable law, but only to the extent they are caused by the negligent acts or omissions of the Owner and its employees and consultants. The parties expressly agree that this indemnity provision does not include, and in no event shall the Owner be required to assume, any obligation or duty to defend any claims, causes of action, demands, or lawsuits in connection with or arising out of this Project or the acts or omissions of the Owner.

§ 9.1.6 [Omitted]

§ 9.1.7 If the Owner authorizes deviations, recorded or unrecorded, from the Instruments of Service prepared by the Architect or its consultants without the Architect's prior consent, the Owner shall indemnify and hold harmless the Architect, the Architect's consultants and agents and employees of any of them from and against claims, damages, losses and expenses, including but not limited to attorneys' fees, arising out of or resulting in whole or in part from such deviations.

§ 9.1.8 In the event either party to this Agreement shall institute any action or proceeding against the other party in this Agreement, which action or proceeding concerns a controversy arising out of this Agreement, the prevailing party in such action or proceeding shall be entitled to reimbursement from the unsuccessful party for costs and attorneys' fees arising out of such action or proceeding. In addition to the foregoing award of attorneys' fees and costs, the prevailing party shall be entitled to its attorneys' fees and costs incurred in any post judgment proceedings to enforce any judgment in connection with this Agreement. This provision is separate and several and shall survive the merger of this provision into any judgment. If the prevailing party's reasonable attorney fee payment is not covered by insurance, the maximum payment shall not be greater than \$5,000.

§ 9.1.9 Architect agrees that no limited partner, member, officer, director, stockholder, sponsor, lender, employee, agent, servant or other representative of Owner (each an "individual") shall have any personal liability for the performance of any obligations of Owner under this Agreement, nor shall any individual be responsible for any liabilities resulting from this Agreement, and no recourse shall be had against the assets of any individual for payment of any services due, or enforcement of any other relief, based upon any claim made by Architect for breach of any term of this Agreement or for any liabilities resulting from this Agreement.

§ 9.2 Mediation

§ 9.2.1 Any claim, dispute or other matter in question arising out of or related to this Agreement shall be subject to mediation as a condition precedent to binding dispute resolution. If such matter relates to or is the subject of a lien arising out of the Architect's services, the Architect may proceed in accordance with applicable law to comply with the lien notice or filing deadlines prior to resolution of the matter by mediation or by binding dispute resolution.

§ 9.2.2 The Owner and Architect shall endeavor to resolve claims, disputes and other matters in question between them by mediation which, unless the parties mutually agree otherwise, shall be administered by the American Arbitration Association in accordance with its Construction Industry Mediation Procedures in effect on the date of the Agreement. A request for mediation shall be made in writing, delivered to the other party to the Agreement, and filed with the person or entity administering the mediation. The request may be made concurrently with the filing of a complaint or other appropriate demand for binding dispute resolution but, in such event, mediation shall proceed in advance of binding dispute resolution proceedings, which shall be stayed pending mediation for a period of 60 days from the date of filing, unless stayed for a longer period by agreement of the parties or court order. If an arbitration proceeding is stayed pursuant to this section, the parties may nonetheless proceed to the selection of the arbitrator(s) and agree upon a schedule for later proceedings.

§ 9.2.3 The parties shall share the mediator's fee and any filing fees equally. The mediation shall be held in the place where the Project is located, unless another location is mutually agreed upon. Agreements reached in mediation shall be enforceable as settlement agreements in any court having jurisdiction thereof.

§ 9.2.4 If the parties do not resolve a dispute through mediation pursuant to this Section 9.2, the method of binding dispute resolution shall be the following:

(Check the appropriate box. If the Owner and Architect do not select a method of binding dispute resolution below, or do not subsequently agree in writing to a binding dispute resolution method other than litigation, the dispute will be resolved in a court of competent jurisdiction.)

☐ Arbitration pursuant to Section 9.3 of this Agreement

☒ Litigation in a court of competent jurisdiction

☐ Other: *(Specify)*

§ 9.3 Arbitration

§ 9.3.1 If the parties have selected arbitration as the method for binding dispute resolution in this Agreement any claim, dispute or other matter in question arising out of or related to this Agreement subject to, but not resolved by, mediation shall be subject to arbitration which, unless the parties mutually agree otherwise, shall be administered by the American Arbitration Association in accordance with its Construction Industry Arbitration Rules in effect on the date of the Agreement. A demand for arbitration shall be made in writing, delivered to the other party to this Agreement, and filed with the person or entity administering the arbitration.

§ 9.3.1.1 A demand for arbitration shall be made no earlier than concurrently with the filing of a request for mediation, but in no event shall it be made after the date when the institution of legal or equitable proceedings based on the claim, dispute or other matter in question would be barred by the applicable statute of limitations. For statute of limitations purposes, receipt of a written demand for arbitration by the person or entity administering the arbitration shall constitute the institution of legal or equitable proceedings based on the claim, dispute or other matter in question.

§ 9.3.2 The foregoing agreement to arbitrate and other agreements to arbitrate with an additional person or entity duly consented to by parties to this Agreement shall be specifically enforceable in accordance with applicable law in any court having jurisdiction thereof.

§ 9.3.3 The award rendered by the arbitrator(s) shall be final, and judgment may be entered upon it in accordance with applicable law in any court having jurisdiction thereof.

§ 9.3.4 Consolidation or Joinder

§ 9.3.4.1 Either party, at its sole discretion, may consolidate an arbitration conducted under this Agreement with any other arbitration to which it is a party provided that (1) the arbitration agreement governing the other arbitration permits consolidation; (2) the arbitrations to be consolidated substantially involve common questions of law or fact; and (3) the arbitrations employ materially similar procedural rules and methods for selecting arbitrator(s).

§ 9.3.4.2 Either party, at its sole discretion, may include by joinder persons or entities substantially involved in a common question of law or fact whose presence is required if complete relief is to be accorded in arbitration, provided that the party sought to be joined consents in writing to such joinder. Consent to arbitration involving an additional person or entity shall not constitute consent to arbitration of any claim, dispute or other matter in question not described in the written consent.

§ 9.3.4.3 The Owner and Architect grant to any person or entity made a party to an arbitration conducted under this Section 9.3, whether by joinder or consolidation, the same rights of joinder and consolidation as the Owner and Architect under this Agreement.

ARTICLE 10 TERMINATION OR SUSPENSION

§ 10.1 If the Owner fails to make payments to the Architect in accordance with this Agreement, such failure shall be considered substantial nonperformance and cause for termination or, at the Architect's option, cause for suspension of performance of services under this Agreement. If the Architect elects to suspend services, the Architect shall give seven days' written notice to the Owner before suspending services. In the event of a suspension of services, the Architect shall have no liability to the Owner for delay or damage caused the Owner because of such suspension of services. Before resuming services, the Architect shall be paid all sums due prior to suspension and any expenses incurred in the interruption and resumption of the Architect's services. The Architect's fees for the remaining services and the time schedules shall be equitably adjusted.

§ 10.2 If the Owner suspends the Project, the Architect shall be compensated for services performed prior to notice of such suspension. The Architect's fees for the remaining services and the time schedules may be equitably adjusted, subject to agreement by the parties.

§ 10.3 If the Owner suspends the Project for more than 180 cumulative days for reasons other than the fault of the Architect, the Architect may terminate this Agreement by giving not less than seven days' written notice.

§ 10.4 Either party may terminate this Agreement upon not less than seven days' written notice should the other party fail substantially to perform in accordance with the terms of this Agreement through no fault of the party initiating the termination, and such failure is not cured within such seven-day period.

§ 10.5 The Owner may terminate this Agreement upon not less than seven days' written notice to the Architect for the Owner's convenience and without cause.

§ 10.6 In the event of termination not the fault of the Architect, the Architect shall be compensated for services performed prior to termination, together with Reimbursable Expenses then due.

(Paragraph deleted)

§ 10.7 [Omitted]

§ 10.8 The Owner's rights to use the Architect's Instruments of Service in the event of a termination of this Agreement are set forth in Article 8 and Section 12.10.

ARTICLE 11 MISCELLANEOUS PROVISIONS

§ 11.1 This Agreement shall be governed by the law of the place where the Project is located, except that if the parties have selected arbitration as the method of binding dispute resolution, the Federal Arbitration Act shall govern Section 9.3.

§ 11.2 Terms in this Agreement shall have the same meaning as those in AIA Document A201-2007, General Conditions of the Contract for Construction.

§ 11.3 The Owner and Architect, respectively, bind themselves, their agents, successors, assigns and legal representatives to this Agreement. Neither the Owner nor the Architect shall assign this Agreement without the written consent of the other, except that the Owner may assign this Agreement and grant a security interest in the Instruments of Service to a lender providing financing for the Project, and may assign this Agreement to a nonprofit public benefit corporation affiliated with the Owner, or a limited partnership of which Owner or an affiliated nonprofit public benefit corporation or limited liability company is the general partner, if the lender or other assignee agrees to assume the Owner's rights and obligations under this Agreement arising from and after the effective date of such assignment. The Architect agrees to execute any consent reasonably required for any such assignment or grant of security interest. Notwithstanding the foregoing, The Architect shall not, in connection with any such assignment by the Owner, be required to execute any documents that in any way might, in the reasonable judgment of the Architect, increase the Architect's contractual or legal obligations or risks, or the availability or costs of its professional or general liability insurance.

§ 11.4 If the Owner requests the Architect to execute certificates, the proposed language of such certificates shall be submitted to the Architect for review at least 14 days prior to the requested dates of execution. If the Owner requests the Architect to execute consents reasonably required to facilitate assignment to a lender, the Architect shall execute all such consents that are consistent with this Agreement, provided the proposed consent is submitted to the Architect for review at least 14 days prior to execution. The Architect shall not be required to execute certificates or consents that would require knowledge, services or responsibilities beyond the scope of this Agreement.

§ 11.5 Nothing contained in this Agreement shall create a contractual relationship with or a cause of action in favor of a third party against either the Owner or Architect.

§ 11.6 Unless otherwise required in this Agreement, the Architect shall have no responsibility for the discovery, presence, handling, removal or disposal of, or exposure of persons to, hazardous materials or toxic substances in any form at the Project site.

§ 11.7 The Architect shall have the right to include photographic or artistic representations of the design of the Project among the Architect's promotional and professional materials. The Architect shall be given reasonable access to the completed Project to make such representations. However, the Architect's materials shall not include the Owner's confidential or proprietary information if the Owner has previously advised the Architect in writing of the specific information considered by the Owner to be confidential or proprietary. The Owner shall provide professional credit for the Architect in the Owner's promotional materials for the Project.

§ 11.8 If the Architect or Owner receives information specifically designated by the other party as "confidential" or "business proprietary," the receiving party shall keep such information strictly confidential and shall not disclose it to any other person except to (1) its employees, (2) those who need to know the content of such information in order to perform services or construction solely and exclusively for the Project, or (3) its consultants and contractors whose contracts include similar restrictions on the use of confidential information. In the event of any violation of this provision, either party shall be entitled to seek injunctive relief as well as any other remedies available at law or in equity. This section shall not apply to information in whatever form that comes into the public domain, nor shall it restrict the Architect or Owner from giving notices required by law or complying with an order to provide information or data when such order is issued by a court, administrative agency or other authority with proper jurisdiction, or if it is reasonably necessary for the Architect or Owner to defend itself from any suit or claim.

§ 11.9 Architect represents and warrants that Architect holds a license to perform the services included in this Agreement, as required by law, or employs or works under the general supervision of the holder of such license and that Architect shall keep and maintain such license in good standing and in full force and effect at all times while Architect is performing services included in this Agreement.

Init.

§ 11.10 The Architect shall perform all services under this Agreement in a manner consistent with the degree of care and skill usually exercised by architects experienced in projects of a scope similar to the Project.

§ 11.11 The Architect shall be responsible for the quality, technical accuracy, timely completion and coordination of all services provided by the Architect under this Agreement. The Architect shall, without additional compensation, correct or revise any errors, omissions or other deficiencies in the Instruments of Service.

4.6.4.1 Submittals: Contractor shall be responsible for submitting a Submittal Schedule based on the Architect's Specifications.

6.3.1 This project is on an accelerated schedule and Owner agrees to include in the budget sufficient contingencies to cover potential additional costs such as change orders.

Cost of the Work: The Architect cannot and does not warrant or represent that bids or negotiated prices will not vary from the client's budget for the Project or from any estimate of the Cost of the Work or evaluation prepared or agreed to by the Architect. The Architect cannot and does not warrant or represent that the project schedule or negotiated schedule will not vary from the client's time frame for the Project or from any estimated time for completion of the Project and/or the Services of the Architect. This includes pre-construction and construction schedules. Should the client require cost estimates and time schedules that are reliable it is the responsibility of the client to employ the services of an independent consultant or contractor for such purposes.

It is understood and agreed that the Architect shall perform its services in accordance with the generally accepted standard of professional skill and care. This standard of care shall apply to all services performed by Architect, including but not limited to, the Architect's efforts to provide services to meet the Owner's expressed goals. The Owner acknowledges and understands that LEED is subject to interpretation, and achieving levels of compliance involves factors beyond the control of the Architect, including, but not limited to, the Owner's use, operation and maintenance of the completed project. In addressing LEED, the Architect shall perform its services in a manner consistent with that degree of skill and care ordinarily exercised by design professionals performing similar services in the same locality, and under the same or similar circumstances and conditions. The Architect will use reasonable care consistent with the foregoing standard in interpreting LEED and designing in accordance with LEED. The Architect shall not be responsible for any environmental or energy issues arising out of the Owner's use and operation of the completed project. Neither the Owner nor the Architect shall be liable to the other or shall make any claim for any incidental, indirect or consequential damages arising out of, or connected in any way to the Project or this Agreement. This mutual waiver includes, but is not limited to, damages related to loss of use, loss of profits, loss of income, loss of reputation, unrealized savings or diminution of property value and shall apply to any cause of action including negligence, strict liability, breach of contract and breach of warranty.

Project construction duration is 16 months, and begins after the 10 day mobilization period from the Notice to Proceed. If construction exceeds this time period, additional services shall be required and are noted in Section 12.1.1.

This contract shall terminate 2.5 years from the date of this Agreement.

The Work shall be invoiced monthly at a percentage of completion. All bills are payable within thirty days of receipt of invoice. CITY OF LOS ANGELES

OFFICE OF THE MAYOR

RICHARD J. RIORDAN
MAYOR

EXECUTIVE DIRECTIVE NO. 2001-26

February 8, 2001

**TO: THE HEADS OF ALL DEPARTMENTS, OFFICES
AND COMMISSIONS OF CITY GOVERNMENT**

**SUBJECT: CITY OF LOS ANGELES MINORITY, WOMEN
AND OTHER BUSINESS ENTERPRISE PROGRAM**

Effective immediately, each department (Awarding Authority) which issues invitations for bids or requests for proposals (RFPs) for work to be performed under contracts awarded by the City of Los Angeles shall implement this directive by utilizing the outreach program set forth herein.

It is the policy of the City of Los Angeles to provide Minority Business Enterprises (MBEs)¹, Women Business Enterprises (WBEs) and all Other Business Enterprises (OBEs) an equal opportunity to participate in the performance of all city contracts. This policy applies to all City Departments, Proprietary Departments, and Boards and Commissions, which may, by their authority, award construction, procurement, and personal service contracts.

The Mayor's Office of Economic Development (MOED) shall have the primary responsibility for coordinating and managing city business development and outreach efforts designed to enhance business opportunities for minority, women, and other business enterprises, including small local businesses.

In coordination with the Mayor's Office of Economic Development, the heads of all departments of city government shall be responsible for developing, managing, and implementing the MBE, WBE, and OBE policy and program. Departments are required

¹ For the purposes of this Executive Directive, "minority group member" shall be synonymous with "minority person" as defined in the code of Federal Regulations, 49CFR, Part 26.

to submit a quarterly report covering the activities and their outcomes relating to the efforts undertaken by the respective Departments to implement the minority, women, and other business enterprise program outlined in this Directive.

All Awarding Authorities which issue invitations for bids or RFPs for work to be performed under contracts valued at \$100,000 or more shall require bidders or proposers to conduct the City's "Good Faith Effort," unless otherwise determined by MOED. The aforementioned policy shall be implemented as outlined in the City of Los Angeles Minority, Women and Other Business Enterprise Program.

**CITY OF LOS ANGELES MINORITY, WOMEN AND
OTHER BUSINESS ENTERPRISE PROGRAM**

Departmental Responsibilities

The department heads will assign to the Purchasing Agent, Contract Administrators, Contract Compliance Officers and/or Affirmative Action Officers the responsibility for developing, managing, and implementing the MBE, WBE and OBE policy and program on a day-to-day basis. In order to implement effectively this policy the following program areas will be incorporated within the body of each individual departmental plan:

1. Development of information and communication outreach programs on contracting and bidding procedures, along with the timely dissemination of contract and bid information to both public and private business assistance centers, Chambers of Commerce, Minority and Women Business and Trade Associations.
2. Development of effective vendor databases and directories, which will include but not be limited to, qualified minority, women-owned, and other businesses, business assistance agencies, capital providers, bonding and insurance providers, and certification providers, which will be made available to all buyers, storekeepers with purchasing authority, and all other departmental personnel with authority to solicit bids and enter into negotiated personal service contracts.
3. Development and maintenance of listings of MBEs, WBEs, and OBEs to be made available to all prime contractors, vendors, and suppliers who seek to comply with contract requirements and/or subcontracts and joint venture opportunities. The listing shall include, but not limited to: the name, address, telephone number, ethnicity and gender of owner, and the service, commodity or goods provided, sold or manufactured.
4. Participation in minority trade fairs and other outside activities related to the development of minority, women and other vendors.

5. Provide information to MBE, WBEs and OBEs on projected department contractual needs, conduct pre-bid and post conferences, permit MBEs, WBEs, and OBEs to review and evaluate successful bid documents of similar contracting or procurement opportunities.
6. Evaluate and verify, as necessary, the eligibility of all firms and joint ventures who claim to be minority or women-owned in coordination with the City of Los Angeles' certification entity and/or any other certification entity that has a reciprocal certification agreement with the City of Los Angeles.
7. Develop and implement workshops for buyers, storekeepers, and any departmental personnel with authority to negotiate construction, procurement, and personal service contracts, on how to do business with minority, women-owned and other business enterprises.
8. All bids, RFPs, and construction notices, whenever possible, be published in widely circulated newspapers, trade associations and business publications, including those which focus on minority and women business communities, and through the utilization of radio and any other electronic media.
9. The Small, Local Business Program (10% Preference) shall be utilized to further encourage and strengthen the bidding opportunities for small local businesses.
10. All purchasing authorities and/or department designees, with the authority to negotiate contracts, shall maintain such records, and provide such reports as are necessary to ensure full compliance with this policy.
11. All bids and RFPs will give notice that the City requires a good faith outreach effort by contractors, suppliers, and vendors to subcontract with minority, women and other contractors, suppliers, and vendors in their performance of City contracts.
12. The "Good Faith Effort" requirement shall be applied in all city procurement, personal services and construction contracts valued in excess of \$100,000, unless otherwise determined by MOED. All Awarding Authorities shall notify MOED of the anticipated levels of MBE and WBE participation for each contract.
13. Other government entities may not have Good Faith Effort programs that meet the city's standards for business development or outreach. In the event that the city participates ("piggybacks") onto an existing contract of another government entity or association of government entities, the city shall first evaluate the host contract to determine the extent and effect of

the other entity's outreach and business development requirements. The results of the required evaluation shall be communicated to the Mayor's Office of Economic Development as part of the request for approval of any resulting contract by the Mayor's Office.

Mayor's Office of Economic Development Responsibilities

Departments shall seek assistance from the Mayor's Office of Economic Development to implement the previously stated departmental responsibilities. MOED has the responsibility of providing the respective Departments, covered by this directive, with the following services, including but not limited to:

1. Strategic implementation of City MBE, WBE, OBE and small local business outreach and business development efforts.
2. Technical expertise in the areas of MBE, WBE and OBE outreach program design, development and implementation.
3. Information relating to compliance with Federal and State business outreach regulations.
4. Technical expertise in coordinating outreach efforts with minority, women, and other professional associations, trade groups, business assistance centers and related organizations.
5. Technical expertise in the development of the necessary databases, directories, and reports relating to MBE, WBE and OBE program compliance.
6. The Good Faith Effort requirement does not apply to contracts valued at \$100,000 or less, but that fact shall not prevent MOED from providing to departments, at its discretion, outreach and other services authorized under this directive, with respect to such contracts.
7. Such other assistance as may be necessary in connection with the implementation of this directive by the Departments.

Quarterly Reports

Departments shall submit a Quarterly Report to MOED covering the activities relating to the efforts undertaken by the Departments to implement the MBE, WBE and OBE outreach program. The Report shall include data on construction, procurement and personal services contracts and be due 15 calendar days after the close of each calendar quarter, commencing with the quarter ending March 31, 2001. The Report shall include, but not be limited to:

1. A summary of all contract dollars and number of contracts awarded during the quarter to prime contractors and subcontractors, with a breakdown of awards to MBE, WBE and OBE firms. The data shall be further summarized by ethnic categories as determined by MOED.
2. A list of all contracts awarded or contract amendments awarded during the quarter. Each contract shall list the name of the prime contractor and each subcontractor on the project and include award date, contract term, contract type, award amount, contact person, ethnicity, gender, city, state, zip, telephone and fax number.
3. The number of business and contracting opportunity seminars, conferences, and other related events participated in by the Department.
4. All significant efforts undertaken to implement the various elements of the MBE, WBE and OBE Program outlined in this Directive.
5. Any and all other data or Departmental information relating to business development or business outreach as may be requested by MOED to further program development.

Good Faith Effort Policy and Documentation

Bidders and proposers shall assist the city in implementing this policy by taking all reasonable steps to ensure that all available business enterprises, including MBEs, WBEs, and OBEs have an equal opportunity to compete for and participate in city contracts. As outlined below, the following indicators and point scale will be used to determine the bidder's and proposer's compliance with the Good Faith Effort requirements:

- (1) The bidder's or proposer's efforts to obtain participation by MBEs, WBEs, and OBEs can reasonably be expected by the Awarding Authority to produce a level of participation by interested subcontractors, including _____ percent MBE and _____ percent WBE as established by the Awarding Authority.

0 Points

- (2) The bidder or proposer attended pre-solicitation or pre-bid meetings, if any, scheduled by the Awarding Authority to inform all bidders or proposers of the requirements for the project for which the contract will be awarded. The Awarding Authority may waive this requirement if the bidder or proposer certifies it is informed as to those project requirements.

10 Points

- (3) The bidder or proposer identified and selected specific items of the project for which the contract will be awarded to be performed by subcontractors

to provide an opportunity for participation by MBEs, WBEs, and OBEs. The bidder or proposer shall, when economically feasible, divide total contract requirements into small portions or quantities to permit maximum participation of MBEs, WBEs, and OBEs.

10 Points

- (4) The bidder or proposer advertised for bids or proposals from interested business enterprises no less than 10 calendar days prior to the submission of bids or proposals, in one or more daily or weekly newspapers, trade association publications, minority or trade oriented publications, trade journals, or other media specified by the Awarding Authority.

9 Points

- (5) The bidder or proposer provided written notice of its interest in bidding on the contract to those business enterprises, including MBEs and WBEs, having an interest in participating in such contracts. All notices of interest shall be provided not less than 10 calendar days prior to the date the bids or proposals were required to be submitted. In all instances, the bidder or proposer must document that invitations for subcontracting bids were sent to available MBEs, WBEs, and OBEs for each item of work to be performed. The Mayor's Office of Economic Development shall be available to help identify interested MBEs, WBEs, and OBEs.

15 Points

- (6) The bidder or proposer documented efforts to follow-up initial solicitations of interest by contacting business enterprises to determine with certainty whether the enterprises were interested in performing specific portions of the project not less than three calendar days prior to the date the bids or proposals were required to be submitted.

10 Points

- (7) The bidder or proposer provided interested business enterprises with information about the plans, specifications and requirements for the selected subcontracting work.

5 Points

- (8) The bidder or proposer requested assistance from organizations that provide assistance in the recruitment and placement of MBEs, WBEs, and OBEs not less than 15 calendar days prior to the submission of bids or proposals.

10 Points

- (9) The bidder or proposer negotiated in good faith with interested MBEs, WBEs, and OBEs and did not unjustifiably reject as unsatisfactory bids or proposals prepared by a business enterprise, as determined by the Awarding Authority. As documentation the bidder or proposer must submit a list of all sub-bidders for each item of work solicited, including dollar amounts of potential work for MBEs, WBEs and OBEs.

26 Points

- (10) The bidder or proposer documented efforts to advise and assist interested MBEs, WBEs, and OBEs in obtaining bonds, lines of credit, or insurance required by the Awarding Authority or contractor.

5 Points

An Awarding Authority's determination of the adequacy of a bidder's or proposer's Good Faith Effort must be based on due consideration of all indicators of good faith as set forth above. Achievement of anticipated levels of participation in indicator (1), above, may only be used as one of the ten indicia of whether a bidder or proposer has met the Good Faith Effort to recruit MBEs, WBEs, and OBEs. If the Awarding Authority has established anticipated levels of participation for MBE and WBE subcontractors, failure to meet those levels shall not by itself be the basis for disqualification of the bidder or proposer.

Each indicator is to be graded on a Pass/Fail basis. Either full credit or no credit will be awarded. No partial credit is to be given. A minimum of 75 of 100 evaluation points are required to establish compliance with the Good Faith Effort requirements. The Good Faith Effort is required even if the bidder has achieved the anticipated MBE and WBE participation levels. The Good Faith Effort also is required even if the bidder is a certified Minority or Woman Business Enterprise.

In the event that an Awarding Authority is considering awarding to other than the lowest bidder, or not awarding a contract to a proposer, because the bidder or proposer is determined to be non-responsive for failure to comply with the Good Faith Effort requirements set forth above, the Awarding Authority shall, if requested, and prior to the award of the contract, afford the bidder or proposer the opportunity to present evidence to the Awarding Authority in a public hearing of the bidder's or proposer's compliance with the Good Faith Efforts in making its outreach. In no case shall an Awarding Authority deny award of a contract to a bidder or proposer pursuant to this program, if the bidder or proposer complies with the Good Faith Effort but fails to meet the anticipated levels of participation.

Nothing herein restricts the discretion of the Awarding Authority to reject all bids or proposals in accordance with provisions of the City Charter or Administrative Code.

The directions set forth herein shall take effect immediately, and all Awarding Authorities, including the city's proprietary departments, shall modify their implementation programs to the extent such programs are inconsistent with this Executive Directive.

The CITY has the option to specify the minimum acceptable aggregate limit for each line of coverage required. No substantial reductions in scope of coverage which may affect the CITY'S protection are allowed without the CITY'S prior written consent.

9. **Commencement of Work.** For purposes of insurance coverage only, this Contract will be deemed to have been executed immediately upon any party hereto taking any steps that can be considered to be in furtherance of or towards performance of this Contract. Borrower has executed, among other things, a loan agreement dated March __, 2014, between the City and Borrower (the "City Loan Agreement"), a Regulatory Agreement dated March __, 2014, to be recorded concurrently herewith in the Official Records of the County of Los Angeles (the "City Regulatory Agreement") and a Financing Statement, filed with the Secretary of State of California (the "City Financing Statement").

C. The City Loan Agreement, the City Note, the City Deed of Trust, the City Regulatory Agreement, the City Financing Statement, and all other documents executed by Borrower in connection with the City Loan are hereafter referred to collectively as the "City Loan Documents."

D. Borrower and Lender have executed a Building Loan Agreement ("Lender Loan Agreement") of even date herewith, wherein Lender has agreed to make a loan ("Lender Loan") in the original principal amount of Eight Million Six Hundred Ninety-Nine Thousand Seven Hundred Seventy-Eight and No/100th Dollars (\$8,699,778). Borrower has executed, among other things, a Promissory Note Secured by Deed of Trust in favor of Lender of even date herewith, in the principal amount of the Loan (the "Lender Note"), which Note will be secured by that certain Construction Deed of Trust With Assignment of Leases and Rents, Security Agreement and Fixture Filing, dated as of even date herewith, to be recorded concurrently herewith in the Official Records of the County of Los Angeles, encumbering Borrower's interest in the Property and Improvements, which will be recorded in the Official Records of Los Angeles County, California (the "Lender Deed of Trust") and a Financing Statement, to be filed with the Secretary of State of California (the "Lender Financing Statement").

E. The Lender Loan Agreement, the Lender Note, the Lender Deed of Trust, the Lender Financing Statement and all other documents executed by Borrower in connection with the Lender Loan, as the same are amended to the date hereof, are hereafter referred to collectively herein as the "Lender Loan Documents."

F. As a condition precedent to Lender making the Lender Loan, Lender requires that the Lender Deed of Trust, the repayment of the Lender Loan, and the other Lender Loan Documents unconditionally and at all times remain a lien or charge upon the Property and Improvements, as applicable, prior and superior to all the rights of City under the City Loan Documents, and that City specifically and unconditionally subordinates the City Deed of Trust, City Regulatory Agreement, and the City Financing Statement to the lien or charge of the Lender Deed of Trust, the repayment of the Lender Loan and the other Lender Loan Documents.

G. It is to the mutual benefit of the parties hereto that Lender make the Lender Loan to Borrower.

NOW THEREFORE, in consideration of the mutual benefits accruing to the parties hereto and other valuable consideration, the receipt and sufficiency of which consideration is hereby acknowledged, it is hereby declared, understood and agreed as follows:

1. The Lender Deed of Trust securing the Lender Note, and any renewals or extensions thereof and all amendments and modifications together with Lender's right to repayment of the Lender Loan and Lender's rights under any other Lender Loan Documents (including all sums advanced for the purposes of protecting or further securing the lien of the Lender Deed of Trust or curing defaults by Borrower under the Lender Loan Documents), shall unconditionally be and at all times remain a lien or charge on the Property and Improvements, as applicable, prior and superior to the City Deed of Trust, and all obligations secured thereby, the City Regulatory Agreement and the other City Loan Documents. Lender agrees that there shall be no "Material Modification" of the Lender Loan Documents in a manner that creates an adverse effect upon the

City under the City Loan Documents without the prior written consent of City, which consent shall not be unreasonably withheld or delayed. Lender agrees that a "Material Modification" of the Lender Loan Documents shall mean any modification of the Lender Loan Documents in a manner that creates an adverse effect upon the City under the City Loan Documents and includes, but is not limited to, any modification which (a) increases the principal amount of the Lender Loan, (b) increases the interest rate on the Lender Loan (except as contemplated in the Lender Loan Documents as of the Effective Date), (c) decreases the term of the Lender Loan, or (d) permits the substitution of the security collateral for the Lender Loan without the prior written consent of City which shall not be unreasonably withheld or delayed.

2. Lender would not have made the Lender Loan without City's commitment to execute this Agreement.

3. This Agreement shall be the whole and only agreement with regard to the subordination of the City Loan Documents, and shall supersede and cancel any prior agreements as to such subordination of the City Deed of Trust, the City Regulatory Agreement, the other City Loan Documents and all indebtedness secured thereby to the Lender's Deed of Trust.

4. City declares, agrees and acknowledges for the benefit of Lender, that:

a. Lender, in making disbursements pursuant to the terms of the Lender Loan Agreement or any other Lender Loan Document, is under no obligation or duty to, nor has Lender represented that it will, see to the application of such proceeds by the person or persons to whom Lender disburses such proceeds, and any application or use of such proceeds for purposes other than those provided for in such agreement or agreements shall not defeat the subordination herein made in whole or in part; and

b. City represents and warrants as of the date of this Agreement and the date of recordation of this Agreement that: (i) the City Deed of Trust and other City Loan Documents are in full force and effect; and (ii) there is no breach or event of default (or conditions or events which, with notice or the passage of time or both, would constitute a breach or default), known to City, under the City Loan Documents; and

c. City intentionally and unconditionally waives and relinquishes the priority of the City Loan Documents and subordinates the liens and charges of the City Deed of Trust, the City Regulatory Agreement and the other City Loan Documents to the lien or charge of the Lender Deed of Trust upon the Property and Improvements, the repayment of the Lender Loan and the other Lender Loan Documents; and

d. City understands that in reliance upon, and in consideration of, the waiver, relinquishment and subordination, specific loans and advances as set forth in the Lender Loan Agreement are being and will be made by Lender and, as part and parcel thereof, specific monetary and other obligations are being and will be entered into which would not be made or entered into but for said reliance upon this waiver, relinquishment and subordination; and

e. City agrees to notify the holder of the Lender Note within thirty (30) days after City has knowledge of a breach, default or event of default under any of the City Loan Documents. City shall not, under any circumstances, incur any liability for any failure to provide

such notice to Lender; provided, however, City shall correct any such failure to provide such notice required under this paragraph by promptly giving notice to Lender following the discovery of such failure.

5. Lender may, without affecting the subordination provided herein: (a) release or compromise any obligation of any nature with respect to the Lender Loan Documents; (b) release its security interest in, or surrender, release all or any part of any properties securing the Lender Note; or (c) retain or obtain a security interest in any property to secure payment of the Lender Note. Notwithstanding the foregoing, Lender agrees that it will not modify the Lender Loan Documents in a material way to (i) increase the principal amount of the Lender Loan, (ii) increase the interest rate under the Lender Note, or (iii) decrease the term of the Lender Loan or (iv) permit substitution of the security collateral without the prior written consent of City, which consent shall not be unreasonably withheld, conditioned or delayed. Notwithstanding the foregoing, Lender may substitute deposit accounts held as security into which proceeds of the Loan or other funds of Borrower are deposited.

6. City hereby confirms to and agrees with Lender as to the following:

a. City has delivered to Lender true and complete copies of the City Loan Documents, and such documents have not been amended, modified or supplemented in any way, except as disclosed therein; and

b. City hereby acknowledges the Lender Loan and the execution and delivery by Borrower to Lender of the Lender Loan Documents and acknowledges the provisions of the Lender Loan Documents, including, without limitation, all terms of the Lender Note; provided, however, such acknowledgement of the Lender Loan Documents does not constitute a legal opinion as to the validity of such documents under applicable law; and

c. City and Borrower agree not to enter into any agreement to amend or modify the City Loan Documents in any material way to (a) increase the principal amount of the City Loan; (b) increase the interest rate under the City Note; or (c) decrease the term of the City Loan without the prior written consent of Lender; provided, however, in no event shall this Agreement be deemed to waive or modify any obligation of Borrower under the Loan Agreement to obtain the consent of Lender pursuant to Section 9.18 thereof.

7. Borrower acknowledges and agrees that in no event shall this Agreement be deemed to have waived (a) as between Borrower and City, any term or provision of the City Loan Documents, or (b) as between Borrower and Lender, any term or provision of the Loan Documents.

8. This Agreement shall be binding on and inure to the benefit of the legal representatives, heirs, successors and assigns of the parties. This Agreement shall be governed and construed in accordance with the laws of the State of California.

9. The individual or individuals executing this Agreement on behalf of each party represents and warrants that (a) it has been duly and validly authorized to do so on behalf of such party with the full right and authority to execute this Agreement and to bind such party with respect to all of its obligations hereunder, (b) this Agreement is a valid, binding and enforceable

obligation of such party, and (c) no consent of a third party is required to enter into this Agreement.

10. If any provision of this Agreement shall be determined by a court of competent jurisdiction to be invalid, illegal or unenforceable, that portion shall be deemed severed from this Agreement and the remaining parts shall remain in full force as though the invalid, illegal, or unenforceable portion had never been part of this Agreement.

11. This Agreement is one of the Loan Documents as that term is defined in the Lender Loan Agreement.

12. 13. Right to Cure.

a. Lender and Borrower shall deliver to City, at the address indicated in Section 12 above, copies of any notices of default delivered to Borrower in connection with the Lender Loan Documents concurrently with the delivery of notice of default to Borrower. City shall have the right (but not the obligation) to cure any default by Borrower under the terms and conditions of the Lender Loan Documents, and Lender shall accept performance by City as if such performance were tendered by Borrower, so long as City cures any (i) monetary default within thirty (30) days after receipt of notice that such monetary default is past due, or (ii) any non-monetary default within thirty (30) days after Lender has mailed or delivered (whichever is earlier if mailed in accordance with Section 12 above) to City written notice of such failure. If such failure can ultimately be cured, but is not susceptible to being cured within the applicable period, City shall have the greater of an additional thirty (30) days or such additional time as is determined by Lender in its reasonable discretion to cure such default, provided: (aa) City has commenced curing and is diligently pursuing a cure of such failure with such thirty (30) day period; and (bb) such failure is completely cured within sixty (60) days from the date that Lender's original notice was mailed or delivered to City. Provided City cures the default within the applicable cure period set forth above, Lender shall not accelerate the Lender Loan. All amounts paid by the City to the Lender to cure a default under the Lender Loan Documents shall be deemed to have been advanced by the City pursuant to, and shall be secured by the lien of, the City Deed of Trust.

b. Notwithstanding City's cure rights described in Section 13(a) above, as applicable, if Borrower fails to make a payment or perform any obligation when due and if Lender reasonably determines that there is an imminent danger that its security will be materially impaired or that action is necessary to prevent future deterioration of its security, Lender may, upon delivery of written notice of such determination to City, immediately take such actions as are reasonably necessary to cure said default and preserve Lender's security, including, but not limited to, filing a judicial foreclosure action and seeking the appointment of a receiver. Lender shall not, under any circumstances, incur any liability for any failure to provide any notice to City under this Section 13; provided, however, Lender shall correct any such failure to provide such notice required under this Agreement, if so requested, and permit the cure of such default within the time periods set forth in this Section 13 commencing from the date of mailing or delivering of such corrected notice to City. It shall be the obligation of City to provide and update its address for notice purposes hereunder and Lender shall have no duty to verify the accuracy or completeness of such information.

c. After the expiration of the cure periods as specified in Section 13(a) above, and if any default remains uncured, Lender may record a Notice of Default at the Los Angeles County Recorder's Office. City's right to cure a default under the Lender Loan Documents pursuant to this Section 13 shall not operate to waive, impair or delay the exercise of Lender's rights or remedies under the Lender Loan Documents or applicable law with respect to such Event of Default after the expiration of any cure period specified under Section 13(a), as applicable. Lender reserves the right to exercise all its remedies pursuant to the Lender Loan

Documents upon the occurrence of any subsequent Event of Default under the Lender Loan Documents that remains uncured.

14. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original and all of which together shall constitute and be construed as one and the same instrument.

Exhibit A is attached hereto and incorporated herein by this reference.
