- (h) **"City Financial Assistance Recipient"** means any person who receives from the City discrete financial assistance in the amount of One Hundred Thousand Dollars (\$100,000.00) or more for economic development or job growth expressly articulated and identified by the City, as contrasted with generalized financial assistance such as through tax legislation.

City staff assistance shall not be regarded as financial assistance for purposes of this article. A loan shall not be regarded as financial assistance. The forgiveness of a loan shall be regarded as financial assistance. A loan shall be regarded as financial assistance to the extent of any differential between the amount of the loan and the present value of the payments thereunder, discounted over the life of the loan by the applicable federal rate as used in 26 U.S.C. Sections 1274(d), 7872(f). A recipient shall not be deemed to include lessees and sublessees.

Los Angeles Administrative Code § 10.37.1

- (l) **"Public lease or license"**.

- (a) Except as provided in (l)(b), "Public lease or license" means a lease or license of City property on which services are rendered by employees of the public lessee or licensee or sublessee or sublicensee, or of a contractor or subcontractor, but only where any of the following applies:

 - (3) To qualify for this exemption, the lessee or licensee must provide proof of its gross revenues and number of people it employs in the company's entire workforce to the awarding authority as required by regulation;
 - (4) Whether annual gross revenues are less than three hundred fifty thousand dollars (\$350,000) shall be determined based on the gross revenues for the last tax year prior to application or such other period as may be established by regulation;
 - (5) The annual gross revenue threshold shall be adjusted annually at the same rate and at the same time as the living wage is adjusted under section 10.37.2 (a);
 - (6) A lessee or licensee shall be deemed to employ no more than seven (7) people if the company's entire workforce worked an average of no more than one thousand two-hundred fourteen (1,214) hours per month for at least three-fourths (3/4) of the time period that the revenue limitation is measured;

LIST OF SUBCONTRACTORS

Secondary Sewer Renewal Program (SSRP)
P08 Daly Street & Avenue 26
W.O. No. SZC12921

Use pages 1-6 and 1-7 to list subcontractors including manufacturers, truckers and equipment rental companies.
Use page 1-8 to list vendors and/or suppliers and brokers.

To be eligible for award of this project, the Board of Public Works requires the bidder to subcontract a minimum of its bid, as discussed in the Mandatory Subcontracting Minimum (MSM) Requirement paragraph on the important Notice page of the Proposal, to any qualified available Subcontractor(s). Failure to list subcontractors and subcontracting amounts on pages 1-6 through 1-8 with the bid sufficient to meet or exceed the MSM may cause the bid to be rejected by the Board of Public Works as non-responsive.

In accordance with provisions pertaining to the listing of Subcontractors, the bidder shall list herein each first tier Subcontractor to whom it proposes to subcontract portions of the work in an amount in excess of $\frac{1}{2}$ of 1% of the Contractor's total bid or \$10,000.00, whichever is greater, and the dollar value of each listed subcontract. However, the bidder must list any additional subcontractor and dollar value to the subcontract, regardless of amount, if the bidder wishes to have the subcontract amount credited toward meeting the MSM level of participation for this project. No MBE, WBE, SBE, EBE, or DVBE credit will be given unless the subcontractor and subcontracting amounts are listed on pages 1-6 through 1-8. Note the following when calculating the pledged levels of participation:

- MSM credit will not be given to a joint venture partner listed as a Subcontractor by a joint venture.
- Listed vendors and/or suppliers will be limited to 60% of their listed dollar value toward achieving both the MSM and the anticipated MBE, WBE, SBE, EBE, and DVBE levels of participation for this project, unless the vendor and/or supplier manufactures or substantially alters the materials/supplies.
- SBE, EBE, and/or DVBE certified bidders will receive applicable SBE, EBE, and/or DVBE credit for the value of the work to be performed by its own workforce as listed below.

Bidders are encouraged to use MBE, WBE, SBE, EBE, and DVBE firms whenever there is a need to subcontract portions of the work.
