Sir/Ma'am, you are all leaders in your field and anaminity is best served.

I'm a retired career combat officer with a Purple Heart. I earned my Purple Heart so others may live, but the heavens chose otherwise, hence why I am still here. As with any injured veteran with survivors remorse, opioids, alcohol, and the taste of cold blue steel is the treatment of choice. Again, a different course of action was chosen for me when a shelter pitbull saved me from myself. In 2016, I founded www.WPP.dog and we have evolved since then to become the "Voice to the Voiceless" with chapters nationwide.

Animal abuse is a precursor for Uvalde, Texas and many more in the past and unfortunately in the future. I am advocating and insisting that animal welfare be included in all politicians platform. Wounded Paw's motto is "Saving A Paw, to Save A Life" – Giving Rescues | Shelters A Second Tail.

Our core competencies are:

Protect – Be the "Voice to the Voiceless". If you see animal abuse report it, our someone you love will become a causality.

Advocate – Ending/Exposing Dog Fighting. Where there is dog fighting, there are thugs, drugs, illegal weapons, prostitution-human trafficking with the average age of 13 in the U.S. alone. End BSL, Animal Sacrifices in the name of freedom of religion ...

Wagployment* - Giving Them A Second Tail in some role.

Thank YOU for your time and I wish you continued success in all your endeavors. I kindly ask if you or someone you know would like to assist in any way please email or call me directly on my personal cell 210.269.4448

Respectfully,

“E”
