Comments for Public Posting: Shame on you for letting people get arrested on New Years Eve for this Coronavirus hoax. Absolutely disgusting. This is a free country, and if people choose to not live in fear and gather with their friends, so be it. This has crossed the line. You are acting like a communist country. Absolutely Disgusting! This virus had a 99.8% survival rate! Less people are dying this year than previous years with the flu; an absolute sham! Open up the businesses, and the schools, and STOP enforcing these draconian laws on your taxpayers!
