Comments for Public Posting: Freeze rent and mortgages now! There is relief for landlords. And the big companies made enough money off of people for years. How come huge companies get bailouts from our tax money. But the people don't get help. This is gonna start a riot for a new government. Freeze rent now. This is not right. And the taxpayers don't choose to pay money for those companies but for the people.

Comments for Public Posting: We demand another presidential election. Due to the corona virus a lot of people couldn't go out and vote. It's not fair. And it's our right. The people choose the government. And we decide. And we want another election round. It can all be on the same day in all states. We just need a voting day.

Comments for Public Posting: There's is no parking for people in their neighborhoods. East Hollywood neighborhood next to the college doesn't have any parking. So fee parking on the street should happen. I had to park on the street and got a ticket because of 5 minutes after the 8am clock started. Where am I supposed to park? You should change it 10am for the corona virus. Or make it free altogether right now.
