I roll alone, NO shacking up NOR breeding & housed again or not, doesn't really matter anymore. I've been working with Neal Glasgow - email: [nglasgow@harborinterfaith.org](mailto:nglasgow@harborinterfaith.org) & Ramon Rendon - email: [rrendon@harborinterfaith.org](mailto:rrendon@harborinterfaith.org), of Harbor Interfaith, 670 W. 9th St, San Pedro, CA. 90731, (310) 831-0603, Fax: (310) 831-0791 though Coordinated Entry System for Individual's (dept?): 599 West 9th St, San Pedro, CA. 90731, (424) 276-3602, Fax (310)-684-4031. As I have an existing emergency voucher application in with LA County housing authority via the help of Neal (above). Have majority of my belonging's in my 12 year Hermosa Beach 5' x 9' self storage unit, have monthly SSI & SSDI self budgeted income. And I've tried to ask Neal & Ramone WHY they can't try & get me in temporary hotel housing (room alone) so I can shower & sleep on a bed while my application works through LA County housing authority's system = haven't heard back from them - cricket's. I'm only homeless because once a good decent tenant - got eventually (naive) wrapped up with a later found out about - slumlord, & even THAT of corruption local code (so called - enforcement) agencies, that, well, good person ruined & 'reduced' unto Local (Los Angeles County, California, USA) so - called homeless helper (s) actual & factually exhibited USA federal \$ financial crime (s) - \$ racketeering ring (s) careless & senseless committing \$ nonprofit's, agencies & organization's (web keyword search them ALL, TOP - down). And sadly even to date there's good tenant's out there going through the same SELF exhausting of local resource's only to come to the eventual SAME as I & vast other's went through. me - nightly sleep (8pm - 8 am) & then amidst day at either local library or coffee shop via their wi - fi web access to web research & misc; but in AREA of 530 6th Street, Hermosa Beach, CA 90254 between Cypress & Valley, near Beach Cities Self Storage BIG dock door thereof & a nearby from THAT door way of a closed furniture store.
