Comments for Public Posting: This is for PERSONNEL AND ANIMAL WELFARE COMMITTEE on Wednesday, August 19, 2020 at 2 pm in Room 1060 City Hall. Please DO NOT close West Valley Animal Shelter, it is one of the very few places left to take care of animals in need of shelter, animals that are hurt and need help, animals that with their help and care may hopefully find a good forever home. We pay good taxes and we want those taxes to go toward the West Valley Animal Shelter to ensure it continues doing the great job it is doing today. Thank you. Comments for Public Posting: Hello, my name is Lionel Mares, from Council District 6. I would like to make a General Comment regarding Police Funding. I don't agree with other members of the public who are demanding to "defund" the police. The correct terminology is to divert funding to other essential services and programs that would help the less fortunate, and the working people of Los Angeles. I also would like to comment on the trash and pollution in my city and around Los Angeles. There is a lot of trash and plastics on city parks, Rivers, mountains, and so on. We have to clean up the mess left by homeless people and the General population. And finally, I would like to see more parks and open spaces. There are too many buildings and not enough open spaces. Thank you for your time and consideration.
