Comments for Public Posting: Commissioners an all council members of the Los Angeles City Council I'm asking as a Black 5th Generation resident of the Venice Oakwood a YouTuber who goes by the name of to support and vote to make First Baptist Church of Venice a historical monument in recognition of all the people of color in the Venice community that help build and preserve this wonderful community as constituents and supportive members of our councilman Michael Bonin we asked that you support him in making Our First Baptist Church of Venice a Historical Monument, the church is over 100 years old and it recognizes our Black Culture in the History of the Venice Ctb ommunity the only nationality that is not recognized in our diverse community.
Sincerely , Mrs Pamela Anderson
