Comments for Public Posting: Hi! We live on Mulholland drive between Woodcliff and Beverly Glen. We have no peace. We have planes flying over us all day from BOTH directions. SMALL JETS LARGE PLANES HELICOPTERS All of them. Some of them fly so low our house shakes and it is frightening. Planes fly over us all day and sometimes even late at night. I am tired of waking up at 11:30 pm or 12:00 am to sounds of planes and helicopters. Don't they realize we live here and we are 1,000 feet above sea level so when they fly at 2,000 feet they are actually only 1000 feet above us. And to top it all they make their turn right above us so the sound of the engine becomes louder at the turn. I can't enjoy my peaceful home anymore because these planes don't stop. PLEASE HELP.
