Comments for Public Posting: Hello, I am an LA constituent who opposes this egregious attempt at illegal action to prevent affordable housing projects when LA is collapsing and falling apart at the seams. We will vote in the local elections as a community and remember every action that is taken for greed that harms residents or endangers them by not building the necessity of shelter that accessible is unacceptable. I with so many others choose empathy and community and kindness over cruel policies based on thin arguments and red herrings to distract from our human decency. Thank you for your time and may you trust your heart and intuition so love can overcome fear.
