Comments for Public Posting: I want to write a complain about terrible road conditions on the main street of Los Angeles city! Especially Hollywood Boulevard and Highland, I think it's the most visited place where roads must be excellent conditioned that will attract lot of tourism and will fix traffic issues! Every day I'm driving on Hollywood Boulevard and on Highland Street, those two streets are very important roads for the city that allows people to transfer from different parts of the city, but ditches and bumpy surfaces are pleasuring to slow down and to create emergency situation for other cars and pedestrians! More my car is being ruined because of this road conditions! I want to ask city to fix Hollywood where welcome of fame is located, Highland Street starting from Hollywood bowl all the way until mid city
