Comments for Public Posting: One billion to help the homeless and the problem is not solved. A lot of them don't need or want Social Workers, Counselors or Psychiatrists (Save money on that). All they want is a place to put their vans or rv's with public restrooms and trash pick up. I also learned the other day (from a homeless woman) that they cannot buy cooked food with the EBT card, like a roasted chicken or a cup of coffee, that didn't make sense to me, they are homeless !!! No place to cook. Thank you for reading my note.
