Comments for Public Posting: Public comment on current society in City of LA, Alright, you got people who don't know the language, don't have any skills, no education, no knowledge, just being a woman and having a womb is making you 18 years to 23 years guaranteed income, just because you are a worker in DTLA and making \$400/hour which is an attorney rate who went to school, passed the LSAT, got a JD and worked so hard to be able to charge the clients \$400/hour, yet in DTLA you got wombs getting laid, making innocent kids not eligible parents to take care of, no dad, moms are just walking womb with 18 years of income coming and not even spending that money from the idiot who got them present for the actual kid, that kid is now forced by two selfish idiot animals who had no dignity for being a human to live this life and survive, how messed up is liberalism, this is what you get people, woman going around being proud of just having a womb. all the rights go to them and kids are treated as an object in your court system as if they are personal belongings who have a dollar amount of value to be divided between those two idiot irresponsible parents. that kid ends up being kidnapped by human trafficker and gets sold and works as a sex worker in a strip club following that path in which her dumb parents made, that kid doesn't understand what does it mean to live its just surviving life on alcohol, drug, sex and medication not to feel anything the extensive pain, the damage that this society is giving these people to bring an innocent soul to this world and destroy them with every cell they got, go homeless, addicts, personality disorders, where does this liberation end, in prison, yet intellect's and scholars don't have a platform to make a change and bring their ideas to this corruption. you are such a disappointed, LA city has no quality of life with the highest inflation and highest taxes in the USA, sham on you and all your followers who dig this shithole deeper and deeper and one day the reality shows, the silver lining gets bolder and brighter.
