Comments for Public Posting: once again the venice beach lifeguards are endangering children
11-13-2025 - 1230pm - for over 1 hour - lifeguard tower 18 there were 2
people illegally fishing close to children swimmers/surfers the venice
lifeguards do this on purpose as a way to keep the ocean empty. if the
ocean is empty, then venice lifeguards can get a paycheck for doing
nothing 11-30-2025 - 12pm - for many hours - venice pier there were
hispanics using illegal fishing tactics at the venice pier. i could not get the
lifeguard's attention (located on the venice pier) because the lifeguard was
blasting loud music in his tower. the music was so loud that i could not
yell over it. this is a tactic used by lifeguards to avoid taxpayers.

----- if
you don't know where venice beach is, just look for the dog feces there's
so many illegal off leash dogs DAILY at this beach (another tactic by the
lifeguards to ensure the ocean is empty). no child will leave their parent's
side if they see so many out of control off-leash dogs at dog feces beach
(thats what taxpayers call venice beach) all of the tactics used by the
corrupt lifeguards are to ensure the ocean is empty. if the ocean is empty
then the the lazy lifeguards can just sit in their tower blasting loud music,
and collect a check for doing nothing. can i call the venice beach
lifeguards to speak to a supervisor? nope. the venice beach lifeguards do
not have a phone number. another tactic used by corrupt lifeguards to
avoid taxpayers. here's the other corrupt government employees i always
see at the beach not doing their job; 1. city - black and white police truck
who didn't care about the illegal fisherman nor off leash dogs 2. county -
blue beaches & harbors trucks - probably operated by illegal immigrants.
they don't speak english so they weren't going to report it. when (NOT IF)
an off leash dog bites a child, or a child swimming/surfing gets caught in
fishing line, or a child gets ringworm have fun dealing with a lawsuit :) all
departments will be sued. if any of the useless departments try to lie about
one thing i said - i recorded it :) see you in court

once again the venice beach lifeguards are endangering children
