Thursday, April 8, 2021 Where are the housing choice vouchers from the American rescue plan? Many unhoused residents are self-sufficient and can pass a background check on their own. They need to be able to access these vouchers so they can get themselves housed. I've called and emailed many of the so called luxury apartments that are vacant, many of them DO accept vouchers. Please QUICKLY provide a resolution for the HCV's so residents that need them can get themselves housed. Each sub city/neighborhood should get vouchers to use!
