**Comments for Public Posting:** I write to express my strong support for ITEM #40, Councilmember Lee, O'Farrell, and Blumenfield's resolution committing to support artists and creative workers with federal stimulus dollars. Arts workers in LA have been devastated by the pandemic - over 100,000 creative sector jobs have been lost in the region. The #ArtsMake LA the creative capital of the world. We must invest in the small businesses and arts workers that keep our communities healthy, equitable, and sustainable.

**Comments for Public Posting:** I endorse ITEM #40, Councilmember Lee, O'Farrell, and Blumenfield's resolution to support artists and creatives with federal stimulus funds. Creatives in LA, like myself, have been devastated by the pandemic - over 100,000 jobs have been lost in this area. LA is one of the arts hubs of the world. We must invest in the small businesses and arts workers who keep our communities healthy, diverse, and inspired. Thank you. Glennis

**Comments for Public Posting:** Public comment 4/14/21. City Council meeting 10AM: remove police from traffic stops in the name of Daunte Wright. Same story, different city. Let's not be the next headline. Protect Angelenos from police violence

**Comments for Public Posting:** Please RE-INSTATE LAMC 85.02 ASAP. Un-housed people living in public spaces 24/7 has become a PUBLIC & SAFETY HEALTH ISSUE for ALL involved, including the un-housed, local businesses, residents, homes, apartment, and more. I am a resident and stakeholder from the CD12 area.

**Comments for Public Posting:** I am writing to you to IMMEDIATELY re-instate LAMC 56.11 in it's original form ASAP. I am a resident in CD12 and we are experiencing a very high volume of "items" and people blocking side walks and streets. My friend has an amputated leg and amputated foot on the other side. He can not even walk (with his fake leg) or use a wheel chair on local city sidewalks, and has to swerve into the street to avoid the "trash" and un-housed who have taken over. YOU, the CITY, are in complete VIOLATION of the ADA. SAVE OUR STREETS & SIDE WALKS AND DO THE RIGHT THING FOR DISABLED PEOPLE. THANK YOU

**Comments for Public Posting:** LAMC 647 (e) needs to be enforced and reinstated IMMEDIATELY. Several local property and business owners have had many people trespassing or living on their property without the owner's permission. It costs the city and tax payers too much time and too much money for business owners to "go through the steps" in order to remove squatters.
