**Comments for Public Posting:** Dear Honorable PLUM Committee: I urge the PLUM Committee adopt the nomination by the Cultural Heritage Commission on April 15th, 2021, without any revisions, for Studio City Golf and Tennis Club to be included in the list of Historical-Cultural Monuments according to the CHC staff findings as written. The CHC determined " that the property conforms with the definition of a Monument pursuant to Section 22.171.7 of the Los Angeles Administrative Code. As a property that for generations has been open to everyone regardless of age, gender, and ethnicity for an affordable price without membership dues, Weddington Golf and Tennis is in a unique position between a public, municipal course and a private country club. Weddington Golf & Tennis complemented and supported surrounding suburban development in Studio City. Weddington Golf & Tennis stands out for is planned landscape, specifically, the number and application of over 350 palm, eucalyptus, and pine trees, to define the fairways. Any proposed demolition of this excellent example of a post WW II Era recreational facility will result in a significant loss to the heritage of Studio City. I urge you to protect this iconic Studio City landmark for future generations. Sincerely, Christian Shirm

**Comments for Public Posting:** At the freeway underpass at Beverlywood Avenue and Garth Street, huge amounts are dumped each week. The Sanitation Department occasionally removes the trash, but the next day more trash is dumped. I recommend that a camera be installed so that the persons doing the illegal dumping can be recognized. Illegal activity by persons in the homeless encampment under the freeway. Stolen bikes dismantled, catalytic converters removed from Prius cars, stolen items in pick-up trucks. Children walk to Shenandoah Elementary School through this freeway underpass. Many children walk in the street as there is no room for them to pass on the pavement. Homeless persons not wearing masks endanger these children with Covid.
