**Comments for Public Posting:** As you can see in this document, the factory farming industry has been actively lobbying and actually succeeded in passing an amendment to a 150-year old law to exempt themselves. Here is a brief memo with our proposed legislation changes linked at the bottom of the memo:  
[https://docs.google.com/document/d/1mtCe1RCnZB5zP2HC\\_MOvcgvGWnGcLwXgt0TcAN9pfJY/](https://docs.google.com/document/d/1mtCe1RCnZB5zP2HC_MOvcgvGWnGcLwXgt0TcAN9pfJY/) A similar resolution was passed by a committee in the city of Berkeley and we are currently lobbying for support in San Francisco, San Diego, and Los Angeles. After we saw massive support to ban fur production, we do believe that California residents care deeply about animal welfare at all levels, both at grass roots and legislative bodies.
