**Comments for Public Posting:** I do not agree with the high density RV park proposed in lemona. This is a quiet neighborhood, working class family, who lives peacefully. Please do not ruin this community. Please let us stay on this neighborhood and our kids enjoy the park safely. Find a different place that is suitable for this

**Comments for Public Posting:** I disagree with this high density RV park project in a quiet and small neighborhood of Mission hills. We chose this place for our family and kids because of its safety good neighborhood. The government should listen and hear us. This will bring panic to the home owners because of the risk it might bring to us. We know for a fact that this RV park project can bring chaos.
