Nikki Ober lost her life February 4th 2021 because of the dangerous 2 and 210 fwy split. Many have lost their lives there. When are you going to do something to make it safe? She was 28 years old. She had a future she was my best friend my family everything to me. Fix the fucking freeway so more lives aren't lost because of negligence on your part. I won't go unheard either. I'll send this email every day to everyone till it gets fixed.
