Please cancel any public valentines day events in LA this year and forever. I am serious .It's offensive and i don't want to be reminded of it . Half of LA doesn't celebrate Valentines day and I will fight you legally on this (i got a lawyer). PLEASE. valentines day offends us Muslims (the only holiday to do so). Have compassion for us. Over 66 percent of people from Hispanic countries don't celebrate it and thus you will also be offending them if you LA to recognize that offensive senseless holiday. PLEASE. I don't want LA or California to do Valentines day ever. I want to enjoy LA and California but i can't if that damn holiday is done. PLEASE. this one thing, i am begging you. PLEASE
