A Neighborhood Council Community Impact Statement (CIS) has been successfully submitted to your Commission or City Council. We provided information below about CISs and attached a copy of the CIS.

We encourage you to reach out to the Community Impact Statement Filer to acknowledge receipt and if this Community Impact Statement will be scheduled at a future meeting. Neighborhood Council board members are volunteers and it would be helpful if they received confirmation that you received their CIS.

The CIS process was enabled by the Los Angeles Administrative Code §Section 22.819. It provides that, "a Neighborhood Council may take a formal position on a matter by way of a Community Impact Statement (CIS) or written resolution." NCs representatives also testify before City Boards and Commissions on the item related to their CIS. If the Neighborhood Council chooses to do so, the Neighborhood Council representative must provide the Commission with a copy of the CIS or resolution sufficiently in advance for review, possible inclusion on the agenda, and posting on the Commission's website. Any information you can provide related to your agenda setting schedule is helpful to share with the NC.

If the CIS or resolution pertains to a matter *listed on the Commission's agenda*, during the time the matter is heard, the designated Neighborhood Council representative should be given an opportunity to present the Neighborhood Council's formal position. We encourage becoming familiar with the City Council's rules on the subject. At the Chair's discretion, the Neighborhood Council representative may be asked to have a seat at the table (or equivalent for a virtual meeting) typically reserved for City staff and may provide the Neighborhood Council representative more time than allotted to members of the general public. They are also permitted up to five (5) minutes of time to address the legislative body. If the CIS or resolution pertains to a matter *not listed on the agenda*, the designated Neighborhood Council representative may speak during General Public Comments.

We share this information to assist you with the docketing neighborhood council items before your board/commission. If you have questions and/or concerns, please contact the Department of Neighborhood Empowerment at empowerla@lacity.org.

Summary: The North Hollywood Northeast Neighborhood Council strongly supports, if amended, Council File 23-1027. The NHNENC supports the recommendations put forth by the Los Angeles Neighborhood Council Coalition (LANCC) and the recommendations put forth by the Neighborhood Council Budget Advocates. The fact that the charter commission dismissed some of the recommendations without robust discussion is frustrating, and does not bode well for the coalition-building needed to make the much needed updates to our charter in the short amount of time available to make them. Additionally, we are extremely concerned with the conduct of the meetings of the charter commission thus far, including

continuous instances of not following the Brown Act. If our neighborhood councils are expected and required to follow the law, surely this commission, which has a paid staff who is well aware of the rules, can also follow the law. We continue to recommend that the councilmembers responsible for the oversight of this commission ask the commission to pause, reflect, and rededicate themselves to the important work at hand.
