Re: Notice of Non-Consent regarding violations to my Constitutional rights

Dear Ms. Wolcott,  
 Below are critically important questions, evidence, facts, and my NOTICE OF TERMS to you in your public and private capacities.

Transmission of this notice has been electronically recorded. Thank you for reading this notice, sent to you in good faith, and without ill-intent. Please respond ASAP.

In this current crisis, measures have been undertaken which are harming me against my consent. Further malicious actions are being threatened against me, and against the rule of law itself.

A central example is the TRACE Act (HR 6666), proposing \$100 BILLION in 2020 to create an industry of "contact tracers" – a ubiquitous, fascist surveillance network – to enforce testing and apparently to grant the "authority" to remove people from their dwellings. See: [bit.ly/bill6666](http://bit.ly/bill6666)

This action is egregious and, for federal officials, I ask you to immediately stop this bill. For all officials: stop all anti-Constitution legislation, and pass laws preserve all Constitutional rights and the rule of law in this country.

### PLAIN STATEMENT OF FACTS

A. I have unalienable rights recognized in the original U.S. Constitution that cannot be superseded by any agenda, nor be removed from me. I understand these laws of the land to be active and currently valid. If this is not the case, please send verification in writing within 72 hours.

B. My unalienable rights are being harmed by agendas implemented by oath-sworn elected officials, corporate executives and/or non-elected officials (collectively "Agents Of Harm"). These include, without limitation:  
 i. My free rights to speak, travel, do commerce, work, assemble, and be free of surveillance without warrant.  
 ii. A threat of medical procedures or experimentation without my consent.  
 iii. Threats of punitive detention, violence and or assault for non-compliance.

C. My unalienable rights are NOT conditional – i.e. subject to proving I am not contagious, nor submitting to surveillance, nor anything that would cause me harm – properly called "extortion".

### NOTICE OF TERMS

Effective immediately, and until each of the below questions are answered to my satisfaction, LET IT BE KNOWN throughout all jurisdictions and dimensions that:

A. I DO NOT CONSENT to being harmed by any imposition of quarantine, or restriction on my right to assemble, work, travel, speak or do commerce.

B. I DO NOT CONSENT to being told to live in fear, nor made to wear a mask, nor being mandated an allowable proximity to others.

C. I DO NOT CONSENT to any offer of forced medical experimentation or testing; nor forced medical procedure (i.e. vaccine, or substance delivered by air, water, or other means without my knowledge and consent); nor exposure to radiation from 4G/5G/wireless deployments; nor being tracked by any technology or biometric device on or adjacent to my body.

D. I HEREBY ACCEPT YOUR OATH OF OFFICE as your sworn statement that binds you to uphold my Constitutional rights, protect me from harm once noticed, and to liability when acting with negligence or without duty of care.

E. I RESERVE ALL OF MY RIGHTS, nunc pro tunc, to pursue remedy for ALL harm AND THREATS OF HARM, which may constitute CRIMINAL ASSAULT, and or tort, caused or contributed by Agents Of Harm. I intend to seek remedy and lawful justice unless and until the stated harmful actions cease and desist.

If you do not agree with my lawful ability to state and realize these claims and terms, please make your case in writing within 72 hours. If I receive no response from you, or if you offer any response that violates the supremacy of the original U.S. Constitution and you do not disprove my claim that the U.S. Constitution is active and valid, I will deem you to be in agreement and will proceed accordingly.

Re: Regarding my rights

Dear Ms. Wolcott,  
Below are critically important questions, evidence, facts, and my NOTICE OF TERMS to you in your public and private capacities.

Transmission of this notice has been electronically recorded. Thank you for reading this notice, sent to you in good faith, and without ill-intent. Please respond ASAP.

In this current crisis, measures have been undertaken which are harming me against my consent. Further malicious actions are being threatened against me, and against the rule of law itself.

A central example is the TRACE Act (HR 6666), proposing \$100 BILLION in 2020 to create an industry of "contact tracers" – a ubiquitous, fascist surveillance network – to enforce testing and apparently to grant the "authority" to remove people from their dwellings. See: [bit.ly/bill6666](http://bit.ly/bill6666)

This action is egregious and, for federal officials, I ask you to immediately stop this bill. For all officials: stop all anti-Constitution legislation, and pass laws preserve all Constitutional rights and the rule of law in this country.

### PLAIN STATEMENT OF FACTS

A. I have unalienable rights recognized in the original U.S. Constitution that cannot be superseded by any agenda, nor be removed from me. I understand these laws of the land to be active and currently valid. If this is not the case, please send verification in writing within 72 hours.

B. My unalienable rights are being harmed by agendas implemented by oath-sworn elected officials, corporate executives and/or non-elected officials (collectively "Agents Of Harm"). These include, without limitation:

- i. My free rights to speak, travel, do commerce, work, assemble, and be free of surveillance without warrant.
- ii. A threat of medical procedures or experimentation without my consent.
- iii. Threats of punitive detention, violence and or assault for non-compliance.

C. My unalienable rights are NOT conditional – i.e. subject to proving I am not contagious, nor submitting to surveillance, nor anything that would cause me harm – properly called "extortion".

### NOTICE OF TERMS

Effective immediately, and until each of the below questions are answered to my satisfaction, LET IT BE KNOWN throughout all jurisdictions and dimensions that:

A. I DO NOT CONSENT to being harmed by any imposition of quarantine, or restriction on my right to assemble, work, travel, speak or do commerce.

B. I DO NOT CONSENT to being told to live in fear, nor made to wear a mask, nor being mandated an allowable proximity to others.

C. I DO NOT CONSENT to any offer of forced medical experimentation or testing; nor forced medical procedure (i.e. vaccine, or substance delivered by air, water, or other means without my knowledge and consent); nor exposure to radiation from 4G/5G/wireless deployments; nor being tracked by any technology or biometric device on or adjacent to my body.

D. I HEREBY ACCEPT YOUR OATH OF OFFICE as your sworn statement that binds you to uphold my Constitutional rights, protect me from harm once noticed, and to liability when acting with negligence or without duty of care.

E. I RESERVE ALL OF MY RIGHTS, nunc pro tunc, to pursue remedy for ALL harm AND THREATS OF HARM, which may constitute CRIMINAL ASSAULT, and or tort, caused or contributed by Agents Of Harm. I intend to seek remedy and lawful justice unless and until the stated harmful actions cease and desist.

If you do not agree with my lawful ability to state and realize these claims and terms, please make your case in writing within 72 hours. If I receive no response from you, or if you offer any response that violates the supremacy of the original U.S. Constitution and you do not disprove my claim that the U.S. Constitution is active and valid, I will deem you to be in agreement and will proceed accordingly.

Re: Non consent for any and all "contact tracing"

Dear Ms. Wolcott,

Below are critically important questions, evidence, facts, and my NOTICE OF TERMS to you in your public and private capacities.

Transmission of this notice has been electronically recorded. Thank you for reading this notice, sent to you in good faith, and without ill-intent. Please respond ASAP.

In this current crisis, measures have been undertaken which are harming me against my consent. Further malicious actions are being threatened against me, and against the rule of law itself.

A central example is the TRACE Act (HR 6666), proposing \$100 BILLION in 2020 to create an industry of "contact tracers" – a ubiquitous, fascist surveillance network – to enforce testing and apparently to grant the "authority" to remove people from their dwellings. See: [bit.ly/bill6666](http://bit.ly/bill6666)

This action is egregious and, for federal officials, I ask you to immediately stop this bill. For all officials: stop all anti-Constitution legislation, and pass laws preserve all Constitutional rights and the rule of law in this country.

### PLAIN STATEMENT OF FACTS

A. I have unalienable rights recognized in the original U.S. Constitution that cannot be superseded by any agenda, nor be removed from me. I understand these laws of the land to be active and currently valid. If this is not the case, please send verification in writing within 72 hours.

B. My unalienable rights are being harmed by agendas implemented by oath-sworn elected officials, corporate executives and/or non-elected officials (collectively "Agents Of Harm"). These include, without limitation:

- i. My free rights to speak, travel, do commerce, work, assemble, and be free of surveillance without warrant.
- ii. A threat of medical procedures or experimentation without my consent.
- iii. Threats of punitive detention, violence and or assault for non-compliance.

C. My unalienable rights are NOT conditional – i.e. subject to proving I am not contagious, nor submitting to surveillance, nor anything that would cause me harm – properly called "extortion".

### NOTICE OF TERMS

Effective immediately, and until each of the below questions are answered to my satisfaction, LET IT BE KNOWN throughout all jurisdictions and dimensions that:

A. I DO NOT CONSENT to being harmed by any imposition of quarantine, or restriction on my right to assemble, work, travel, speak or do commerce.

B. I DO NOT CONSENT to being told to live in fear, nor made to wear a mask, nor being mandated an allowable proximity to others.

C. I DO NOT CONSENT to any offer of forced medical experimentation or testing; nor forced medical procedure (i.e. vaccine, or substance delivered by air, water, or other means without my knowledge and consent); nor exposure to radiation from 4G/5G/wireless deployments; nor being tracked by any technology or biometric device on or adjacent to my body.

D. I HEREBY ACCEPT YOUR OATH OF OFFICE as your sworn statement that binds you to uphold my Constitutional rights, protect me from harm once noticed, and to liability when acting with negligence or without duty of care.

E. I RESERVE ALL OF MY RIGHTS, nunc pro tunc, to pursue remedy for ALL harm AND THREATS OF HARM, which may constitute CRIMINAL ASSAULT, and or tort, caused or contributed by Agents Of Harm. I intend to seek remedy and lawful justice unless and until the stated harmful actions cease and desist.

If you do not agree with my lawful ability to state and realize these claims and terms, please make your case in writing within 72 hours. If I receive no response from you, or if you offer any response that violates the supremacy of the original U.S. Constitution and you do not disprove my claim that the U.S. Constitution is active and valid, I will deem you to be in agreement and will proceed accordingly.

Re: Notice of Non-Consent regarding violations to my Constitutional rights

Dear Ms. Wolcott,  
 Below are critically important questions, evidence, facts, and my NOTICE OF TERMS to you in your public and private capacities.

Transmission of this notice has been electronically recorded. Thank you for reading this notice, sent to you in good faith, and without ill-intent. Please respond ASAP.

In this current crisis, measures have been undertaken which are harming me against my consent. Further malicious actions are being threatened against me, and against the rule of law itself.

A central example is the TRACE Act (HR 6666), proposing \$100 BILLION in 2020 to create an industry of “contact tracers” – a ubiquitous, fascist surveillance network – to enforce testing and apparently to grant the “authority” to remove people from their dwellings. See: [bit.ly/bill6666](http://bit.ly/bill6666)

This action is egregious and, for federal officials, I ask you to immediately stop this bill. For all officials: stop all anti-Constitution legislation, and pass laws preserve all Constitutional rights and the rule of law in this country.

### PLAIN STATEMENT OF FACTS

A. I have unalienable rights recognized in the original U.S. Constitution that cannot be superseded by any agenda, nor be removed from me. I understand these laws of the land to be active and currently valid. If this is not the case, please send verification in writing within 72 hours.

B. My unalienable rights are being harmed by agendas implemented by oath-sworn elected officials, corporate executives and/or non-elected officials (collectively “Agents Of Harm”). These include, without limitation:  
 i. My free rights to speak, travel, do commerce, work, assemble, and be free of surveillance without warrant.  
 ii. A threat of medical procedures or experimentation without my consent.  
 iii. Threats of punitive detention, violence and or assault for non-compliance.

C. My unalienable rights are NOT conditional – i.e. subject to proving I am not contagious, nor submitting to surveillance, nor anything that would cause me harm – properly called “extortion”.

### NOTICE OF TERMS

Effective immediately, and until each of the below questions are answered to my satisfaction, LET IT BE KNOWN throughout all jurisdictions and dimensions that:

A. I DO NOT CONSENT to being harmed by any imposition of quarantine, or restriction on my right to assemble, work, travel, speak or do commerce.

B. I DO NOT CONSENT to being told to live in fear, nor made to wear a mask, nor being mandated an allowable proximity to others.

C. I DO NOT CONSENT to any offer of forced medical experimentation or testing; nor forced medical procedure (i.e. vaccine, or substance delivered by air, water, or other means without my knowledge and consent); nor exposure to radiation from 4G/5G/wireless deployments; nor being tracked by any technology or biometric device on or adjacent to my body.

D. I HEREBY ACCEPT YOUR OATH OF OFFICE as your sworn statement that binds you to uphold my Constitutional rights, protect me from harm once noticed, and to liability when acting with negligence or without duty of care.

E. I RESERVE ALL OF MY RIGHTS, nunc pro tunc, to pursue remedy for ALL harm AND THREATS OF HARM, which may constitute CRIMINAL ASSAULT, and or tort, caused or contributed by Agents Of Harm. I intend to seek remedy and lawful justice unless and until the stated harmful actions cease and desist.

If you do not agree with my lawful ability to state and realize these claims and terms, please make your case in writing within 72 hours. If I receive no response from you, or if you offer any response that violates the supremacy of the original U.S. Constitution and you do not disprove my claim that the U.S. Constitution is active and valid, I will deem you to be in agreement and will proceed accordingly.

Re: Notice regarding the Constitution and my rights

Dear Ms. Wolcott,  
 Below are critically important questions, evidence, facts, and my NOTICE OF TERMS to you in your public and private capacities.

Transmission of this notice has been electronically recorded. Thank you for reading this notice, sent to you in good faith, and without ill-intent. Please respond ASAP.

In this current crisis, measures have been undertaken which are harming me against my consent. Further malicious actions are being threatened against me, and against the rule of law itself.

A central example is the TRACE Act (HR 6666), proposing \$100 BILLION in 2020 to create an industry of “contact tracers” – a ubiquitous, fascist surveillance network – to enforce testing and apparently to grant the “authority” to remove people from their dwellings. See: [bit.ly/bill6666](http://bit.ly/bill6666)

This action is egregious and, for federal officials, I ask you to immediately stop this bill. For all officials: stop all anti-Constitution legislation, and pass laws preserve all Constitutional rights and the rule of law in this country.

### PLAIN STATEMENT OF FACTS

A. I have unalienable rights recognized in the original U.S. Constitution that cannot be superseded by any agenda, nor be removed from me. I understand these laws of the land to be active and currently valid. If this is not the case, please send verification in writing within 72 hours.

B. My unalienable rights are being harmed by agendas implemented by oath-sworn elected officials, corporate executives and/or non-elected officials (collectively “Agents Of Harm”). These include, without limitation:

- i. My free rights to speak, travel, do commerce, work, assemble, and be free of surveillance without warrant.
- ii. A threat of medical procedures or experimentation without my consent.
- iii. Threats of punitive detention, violence and or assault for non-compliance.

C. My unalienable rights are NOT conditional – i.e. subject to proving I am not contagious, nor submitting to surveillance, nor anything that would cause me harm – properly called “extortion”.

### NOTICE OF TERMS

Effective immediately, and until each of the below questions are answered to my satisfaction, LET IT BE KNOWN throughout all jurisdictions and dimensions that:

A. I DO NOT CONSENT to being harmed by any imposition of quarantine, or restriction on my right to assemble, work, travel, speak or do commerce.

B. I DO NOT CONSENT to being told to live in fear, nor made to wear a mask, nor being mandated an allowable proximity to others.

C. I DO NOT CONSENT to any offer of forced medical experimentation or testing; nor forced medical procedure (i.e. vaccine, or substance delivered by air, water, or other means without my knowledge and consent); nor exposure to radiation from 4G/5G/wireless deployments; nor being tracked by any technology or biometric device on or adjacent to my body.

D. I HEREBY ACCEPT YOUR OATH OF OFFICE as your sworn statement that binds you to uphold my Constitutional rights, protect me from harm once noticed, and to liability when acting with negligence or without duty of care.

E. I RESERVE ALL OF MY RIGHTS, nunc pro tunc, to pursue remedy for ALL harm AND THREATS OF HARM, which may constitute CRIMINAL ASSAULT, and or tort, caused or contributed by Agents Of Harm. I intend to seek remedy and lawful justice unless and until the stated harmful actions cease and desist.

If you do not agree with my lawful ability to state and realize these claims and terms, please make your case in writing within 72 hours. If I receive no response from you, or if you offer any response that violates the supremacy of the original U.S. Constitution and you do not disprove my claim that the U.S. Constitution is active and valid, I will deem you to be in agreement and will proceed accordingly.

Re: PLEASE READ (Notice)

Dear Ms. Wolcott,  
 Below are critically important questions, evidence, facts, and my NOTICE OF TERMS to you in your public and private capacities.

Transmission of this notice has been electronically recorded. Thank you for reading this notice, sent to you in good faith, and without ill-intent. Please respond ASAP.

In this current crisis, measures have been undertaken which are harming me against my consent. Further malicious actions are being threatened against me, and against the rule of law itself.

A central example is the TRACE Act (HR 6666), proposing \$100 BILLION in 2020 to create an industry of “contact tracers” – a ubiquitous, fascist surveillance network – to enforce testing and apparently to grant the “authority” to remove people from their dwellings. See: [bit.ly/bill6666](http://bit.ly/bill6666)

This action is egregious and, for federal officials, I ask you to immediately stop this bill. For all officials: stop all anti-Constitution legislation, and pass laws preserve all Constitutional rights and the rule of law in this country.

### PLAIN STATEMENT OF FACTS

A. I have unalienable rights recognized in the original U.S. Constitution that cannot be superseded by any agenda, nor be removed from me. I understand these laws of the land to be active and currently valid. If this is not the case, please send verification in writing within 72 hours.

B. My unalienable rights are being harmed by agendas implemented by oath-sworn elected officials, corporate executives and/or non-elected officials (collectively “Agents Of Harm”). These include, without limitation:  
 i. My free rights to speak, travel, do commerce, work, assemble, and be free of surveillance without warrant.  
 ii. A threat of medical procedures or experimentation without my consent.  
 iii. Threats of punitive detention, violence and or assault for non-compliance.

C. My unalienable rights are NOT conditional – i.e. subject to proving I am not contagious, nor submitting to surveillance, nor anything that would cause me harm – properly called “extortion”.

### NOTICE OF TERMS

Effective immediately, and until each of the below questions are answered to my satisfaction, LET IT BE KNOWN throughout all jurisdictions and dimensions that:

A. I DO NOT CONSENT to being harmed by any imposition of quarantine, or restriction on my right to assemble, work, travel, speak or do commerce.

B. I DO NOT CONSENT to being told to live in fear, nor made to wear a mask, nor being mandated an allowable proximity to others.

C. I DO NOT CONSENT to any offer of forced medical experimentation or testing; nor forced medical procedure (i.e. vaccine, or substance delivered by air, water, or other means without my knowledge and consent); nor exposure to radiation from 4G/5G/wireless deployments; nor being tracked by any technology or biometric device on or adjacent to my body.

D. I HEREBY ACCEPT YOUR OATH OF OFFICE as your sworn statement that binds you to uphold my Constitutional rights, protect me from harm once noticed, and to liability when acting with negligence or without duty of care.

E. I RESERVE ALL OF MY RIGHTS, nunc pro tunc, to pursue remedy for ALL harm AND THREATS OF HARM, which may constitute CRIMINAL ASSAULT, and or tort, caused or contributed by Agents Of Harm. I intend to seek remedy and lawful justice unless and until the stated harmful actions cease and desist.

Re: My Notice and Terms

Dear Ms. Wolcott,  
 Below are critically important questions, evidence, facts, and my NOTICE OF TERMS to you in your public and private capacities.

Transmission of this notice has been electronically recorded. Thank you for reading this notice, sent to you in good faith, and without ill-intent. Please respond ASAP.

In this current crisis, measures have been undertaken which are harming me against my consent. Further malicious actions are being threatened against me, and against the rule of law itself.

A central example is the TRACE Act (HR 6666), proposing \$100 BILLION in 2020 to create an industry of "contact tracers" – a ubiquitous, fascist surveillance network – to enforce testing and apparently to grant the "authority" to remove people from their dwellings. See: [bit.ly/bill6666](http://bit.ly/bill6666)

This action is egregious and, for federal officials, I ask you to immediately stop this bill. For all officials: stop all anti-Constitution legislation, and pass laws preserve all Constitutional rights and the rule of law in this country.

### PLAIN STATEMENT OF FACTS

A. I have unalienable rights recognized in the original U.S. Constitution that cannot be superseded by any agenda, nor be removed from me. I understand these laws of the land to be active and currently valid. If this is not the case, please send verification in writing within 72 hours.

B. My unalienable rights are being harmed by agendas implemented by oath-sworn elected officials, corporate executives and/or non-elected officials (collectively "Agents Of Harm"). These include, without limitation:  
 i. My free rights to speak, travel, do commerce, work, assemble, and be free of surveillance without warrant.  
 ii. A threat of medical procedures or experimentation without my consent.  
 iii. Threats of punitive detention, violence and or assault for non-compliance.

C. My unalienable rights are NOT conditional – i.e. subject to proving I am not contagious, nor submitting to surveillance, nor anything that would cause me harm – properly called "extortion".

### NOTICE OF TERMS

Effective immediately, and until each of the below questions are answered to my satisfaction, LET IT BE KNOWN throughout all jurisdictions and dimensions that:

A. I DO NOT CONSENT to being harmed by any imposition of quarantine, or restriction on my right to assemble, work, travel, speak or do commerce.

B. I DO NOT CONSENT to being told to live in fear, nor made to wear a mask, nor being mandated an allowable proximity to others.

C. I DO NOT CONSENT to any offer of forced medical experimentation or testing; nor forced medical procedure (i.e. vaccine, or substance delivered by air, water, or other means without my knowledge and consent); nor exposure to radiation from 4G/5G/wireless deployments; nor being tracked by any technology or biometric device on or adjacent to my body.

D. I HEREBY ACCEPT YOUR OATH OF OFFICE as your sworn statement that binds you to uphold my Constitutional rights, protect me from harm once noticed, and to liability when acting with negligence or without duty of care.

E. I RESERVE ALL OF MY RIGHTS, nunc pro tunc, to pursue remedy for ALL harm AND THREATS OF HARM, which may constitute CRIMINAL ASSAULT, and or tort, caused or contributed by Agents Of Harm. I intend to seek remedy and lawful justice unless and until the stated harmful actions cease and desist.

If you do not agree with my lawful ability to state and realize these claims and terms, please make your case in writing within 72 hours. If I receive no response from you, or if you offer any response that violates the supremacy of the original U.S. Constitution and you do not disprove my claim that the U.S. Constitution is active and valid, I will deem you to be in agreement and will proceed accordingly.

Re: Notice of Non-Consent regarding violations to my Constitutional rights

Dear Ms. Wolcott,  
 Below are critically important questions, evidence, facts, and my NOTICE OF TERMS to you in your public and private capacities.

Transmission of this notice has been electronically recorded. Thank you for reading this notice, sent to you in good faith, and without ill-intent. Please respond ASAP.

In this current crisis, measures have been undertaken which are harming me against my consent. Further malicious actions are being threatened against me, and against the rule of law itself.

A central example is the TRACE Act (HR 6666), proposing \$100 BILLION in 2020 to create an industry of "contact tracers" – a ubiquitous, fascist surveillance network – to enforce testing and apparently to grant the "authority" to remove people from their dwellings. See: [bit.ly/bill6666](http://bit.ly/bill6666)

This action is egregious and, for federal officials, I instruct you to immediately stop this bill. For all officials: you are ordered to stop and prevent all anti-Constitution legislation, and pass laws preserve all Constitutional rights and the rule of law in this country.

### PLAIN STATEMENT OF FACTS

A. I have unalienable rights recognized in the original U.S. Constitution that cannot be superseded by any agenda, nor be removed from me. I understand these laws of the land to be active and currently valid. If this is not the case, please send verification in writing within 72 hours.

B. My unalienable rights are being harmed by agendas implemented by oath-sworn elected officials, corporate executives and/or non-elected officials (collectively "Agents Of Harm"). These include, without limitation:

- i. My free rights to speak, travel, do commerce, work, assemble, and be free of surveillance without warrant.
- ii. A threat of medical procedures or experimentation without my consent.
- iii. Threats of punitive detention, violence and or assault for non-compliance.

C. My unalienable rights are NOT conditional – i.e. subject to proving I am not contagious, nor submitting to surveillance, nor anything that would cause me harm – properly called "extortion".

### NOTICE OF TERMS

Effective immediately, and until each of the below questions are answered to my satisfaction, LET IT BE KNOWN throughout all jurisdictions and dimensions that:

A. I DO NOT CONSENT to being harmed by any imposition of quarantine, or restriction on my right to assemble, work, travel, speak or do commerce.

B. I DO NOT CONSENT to being told to live in fear, nor made to wear a mask, nor being mandated an allowable

proximity to others.

C. I DO NOT CONSENT to any offer of forced medical experimentation or testing; nor forced medical procedure (i.e. vaccine, or substance delivered by air, water, or other means without my knowledge and consent); nor exposure to radiation from 4G/5G/wireless deployments; nor being tracked by any technology or biometric device on or adjacent to my body.

D. I HEREBY ACCEPT YOUR OATH OF OFFICE as your sworn statement that binds you to uphold my Constitutional rights, protect me from harm once noticed, and to liability when acting with negligence or without duty of care.

E. I RESERVE ALL OF MY RIGHTS, nunc pro tunc, to pursue remedy for ALL harm AND THREATS OF HARM, which may constitute CRIMINAL ASSAULT, and or tort, caused or contributed by Agents Of Harm. I intend to seek remedy and lawful justice unless and until the stated harmful actions cease and desist.

If you do not agree with my lawful ability to state and realize these claims and terms, please make your case in writing within 72 hours. If I receive no response from you, or if you offer any response that violates the supremacy of the original U.S. Constitution and you do not disprove my claim that the U.S. Constitution is active and valid, I will deem you to be in agreement and will proceed accordingly.

Re: Letter of non consent for harm

Dear Ms. Wolcott,  
 Below are critically important questions, evidence, facts, and my NOTICE OF TERMS to you in your public and private capacities.

Transmission of this notice has been electronically recorded. Thank you for reading this notice, sent to you in good faith, and without ill-intent. Please respond ASAP.

In this current crisis, measures have been undertaken which are harming me against my consent. Further malicious actions are being threatened against me, and against the rule of law itself.

A central example is the TRACE Act (HR 6666), proposing \$100 BILLION in 2020 to create an industry of "contact tracers" – a ubiquitous, fascist surveillance network – to enforce testing and apparently to grant the "authority" to remove people from their dwellings. See: [bit.ly/bill6666](http://bit.ly/bill6666)

This action is egregious and, for federal officials, I ask you to immediately stop this bill. For all officials: stop all anti-Constitution legislation, and pass laws preserve all Constitutional rights and the rule of law in this country.

### PLAIN STATEMENT OF FACTS

A. I have unalienable rights recognized in the original U.S. Constitution that cannot be superseded by any agenda, nor be removed from me. I understand these laws of the land to be active and currently valid. If this is not the case, please send verification in writing within 72 hours.

B. My unalienable rights are being harmed by agendas implemented by oath-sworn elected officials, corporate executives and/or non-elected officials (collectively "Agents Of Harm"). These include, without limitation:  
 i. My free rights to speak, travel, do commerce, work, assemble, and be free of surveillance without warrant.  
 ii. A threat of medical procedures or experimentation without my consent.  
 iii. Threats of punitive detention, violence and or assault for non-compliance.

C. My unalienable rights are NOT conditional – i.e. subject to proving I am not contagious, nor submitting to surveillance, nor anything that would cause me harm – properly called "extortion".

### NOTICE OF TERMS

Effective immediately, and until each of the below questions are answered to my satisfaction, LET IT BE KNOWN throughout all jurisdictions and dimensions that:

A. I DO NOT CONSENT to being harmed by any imposition of quarantine, or restriction on my right to assemble, work, travel, speak or do commerce.

B. I DO NOT CONSENT to being told to live in fear, nor made to wear a mask, nor being mandated an allowable proximity to others.

C. I DO NOT CONSENT to any offer of forced medical experimentation or testing; nor forced medical procedure (i.e. vaccine, or substance delivered by air, water, or other means without my knowledge and consent); nor exposure to radiation from 4G/5G/wireless deployments; nor being tracked by any technology or biometric device on or adjacent to my body.

D. I HEREBY ACCEPT YOUR OATH OF OFFICE as your sworn statement that binds you to uphold my Constitutional rights, protect me from harm once noticed, and to liability when acting with negligence or without duty of care.

E. I RESERVE ALL OF MY RIGHTS, nunc pro tunc, to pursue remedy for ALL harm AND THREATS OF HARM, which may constitute CRIMINAL ASSAULT, and or tort, caused or contributed by Agents Of Harm. I intend to seek remedy and lawful justice unless and until the stated harmful actions cease and desist.

If you do not agree with my lawful ability to state and realize these claims and terms, please make your case in writing within 72 hours. If I receive no response from you, or if you offer any response that violates the supremacy of the original U.S. Constitution and you do not disprove my claim that the U.S. Constitution is active and valid, I will deem you to be in agreement and will proceed accordingly.

Re: Notice of non consent

Dear Ms. Wolcott,  
 Below are critically important questions, evidence, facts, and my NOTICE OF TERMS to you in your public and private capacities.

Transmission of this notice has been electronically recorded. Thank you for reading this notice, sent to you in good faith, and without ill-intent. Please respond ASAP.

In this current crisis, measures have been undertaken which are harming me against my consent. Further malicious actions are being threatened against me, and against the rule of law itself.

A central example is the TRACE Act (HR 6666), proposing \$100 BILLION in 2020 to create an industry of “contact tracers” – a ubiquitous, fascist surveillance network – to enforce testing and apparently to grant the “authority” to remove people from their dwellings. See: [bit.ly/bill6666](http://bit.ly/bill6666)

This action is egregious and, for federal officials, I instruct you to immediately stop this bill. For all officials: you are ordered to stop and prevent all anti-Constitution legislation, and pass laws preserve all Constitutional rights and the rule of law in this country.

### PLAIN STATEMENT OF FACTS

A. I have unalienable rights recognized in the original U.S. Constitution that cannot be superseded by any agenda, nor be removed from me. I understand these laws of the land to be active and currently valid. If this is not the case, please send verification in writing within 72 hours.

B. My unalienable rights are being harmed by agendas implemented by oath-sworn elected officials, corporate executives and/or non-elected officials (collectively “Agents Of Harm”). These include, without limitation:  
 i. My free rights to speak, travel, do commerce, work, assemble, and be free of surveillance without warrant.  
 ii. A threat of medical procedures or experimentation without my consent.  
 iii. Threats of punitive detention, violence and or assault for non-compliance.

C. My unalienable rights are NOT conditional – i.e. subject to proving I am not contagious, nor submitting to surveillance, nor anything that would cause me harm – properly called “extortion”.

### NOTICE OF TERMS

Effective immediately, and until each of the below questions are answered to my satisfaction, LET IT BE KNOWN throughout all jurisdictions and dimensions that:

A. I DO NOT CONSENT to being harmed by any imposition of quarantine, or restriction on my right to assemble, work, travel, speak or do commerce.

B. I DO NOT CONSENT to being told to live in fear, nor made to wear a mask, nor being mandated an allowable

proximity to others.

C. I DO NOT CONSENT to any offer of forced medical experimentation or testing; nor forced medical procedure (i.e. vaccine, or substance delivered by air, water, or other means without my knowledge and consent); nor exposure to radiation from 4G/5G/wireless deployments; nor being tracked by any technology or biometric device on or adjacent to my body.

D. I HEREBY ACCEPT YOUR OATH OF OFFICE as your sworn statement that binds you to uphold my Constitutional rights, protect me from harm once noticed, and to liability when acting with negligence or without duty of care.

E. I RESERVE ALL OF MY RIGHTS, nunc pro tunc, to pursue remedy for ALL harm AND THREATS OF HARM, which may constitute CRIMINAL ASSAULT, and or tort, caused or contributed by Agents Of Harm. I intend to seek remedy and lawful justice unless and until the stated harmful actions cease and desist.

If you do not agree with my lawful ability to state and realize these claims and terms, please make your case in writing within 72 hours. If I receive no response from you, or if you offer any response that violates the supremacy of the original U.S. Constitution and you do not disprove my claim that the U.S. Constitution is active and valid, I will deem you to be in agreement and will proceed accordingly.
