Alright ,since this is the right timing ,I have a public comment on racism baggage .You idiots ,who came of with this stupid idea of labelling individuals with their first nationality ,thats non of your business ,what does African American mean!!!! what the hell you idiots ?should I teach you basic science that every human being regardless of skin color is evolved from black people ,what the hell, whats this shitty labeling ?who cares about African American skin color and if you DONT CARE why are you labeling them with skin color ?????WTF!!!! they are Americans like Americans and nothing else can you stop this public manipulation you idiots ?????? Also like if you dont like them or you guys are being jealousy of this men achievements in All Sports areas why!!!!basic science ,they are genetically more capable of developing muscle and gaining muscle mass more than white men under the same training and nutrition regime .so what !!!! its in their DNA ,what the F, there is no need to label people like any of this shitty terms ,you see they achieve the best ranks in all sports team ,the gain more muscle ,they have more testosterone ,again basic science ,they are genetically developed to be more resilient ,thats it ,what's this shitty label and then making all this non sense DRAMA!you people just like drama. what's Asian American even mean idiots ? basic science ,Asians are smarter than any other race and they have the longest living individuals with healthier hair and skin ,like Korean beauty ,have you seen anything like Korean beauty !No idiot ,thats what the country is famous for ,can you stop this nonsense ,you idiots are so intimidated by the IQ and discipline Asians have in their heritage ,hardworking people who never give up have so much discipline ,you are scared of smart people who cares about the labeling ,you are intimidated from strong people ,so what ???that doesn't mean labeling African American or Asian American will help us understand different cultures and make more peace .this is shit show .Can you ignore your scholars in this Universities from international countries ,Of course not ,they are in top ranked majors with best GPAs becoming Lawyers, Doctors and R&D teams ,who's helping this country to level up with technology ,all of immigrants .whats the point of labeling individuals with their dual citizen name ,thats none of your business ,why do you even care !cause you get intimidated .can you ignore 7000 years of culture ,of course nit its every where ,who made LA a huge deal ,All of Us you idiots without any labels ,every individual who came here, worked hard, brought the family ,money the magnificent culture and knowledge to this country ,they are all scholars and business owners running the most elite, prestigious industries in this town, who are you to label any of us with our nationality thats nonsense ,mid you own business and stay in your lane ,its USA citizens ,regardless of anything ,labeling individuals with their skin color or nationality is the most racist baggage ever, stop this shit show .being jealous of some communities high achievers in any field doesn't take you anywhere go water you own lawn and stop being jealous of US, if you are intimidated by our power its your problem its not our problem ,go solve your issues with a mental health professional and get a mental health evaluation ,we don't care about this babes because everyone deserves a right and we are all humans and should be treated the same

by law unless ITS PROVED WRONG, like council members in CITY hall who proofed wrong with all the scams and frauds needs to pay the hefty price .No one care about your background unless you proof wrong ,stop being the black sheep of your community, jealousy with make you choke it wont take anything from US. make your own community proud and stop being a Dick and shit hole
