Dear Elected Officials,

I hope you are well during these challenging times.

I'm reaching out today with the following recommended actions to help the anti-racism movement.

- Reduce mandatory minimum sentences for non-violent drug crime
- Require a racial impact statement for all criminal justice bills (similar to fiscal and environmental impact statements).
- End solitary confinement for more than 15 days
- Implement affirmative action practices
- End cash bail

Thank you for your time and consideration,  
Annalisa Shoemaker
