Dear Madame,

I represent the Sisters of the
Company of Mary, Sister Sharron
Marie Lamprecht, O.D.N. We have
a pre-school/Kindergarten building
which we hope to have occupied
in the not-too-distant future.

We still would like our
opinion to weigh-in. We, also,
have a residence right across
Adams Blvd. 1124 Adams Blvd.

The permit for the dispensing
of beer and wine from 7AM-11PM daily
(again, we state: beer and wine must
be consumed at the meal, not be allow.

ed to be dispersed and taken outside the building. I do not believe that it needs to be dispersed throughout these hours. (The lunch-dinner hours only.) Is there anyone to regulate (on-site) its actual dispersing with the meal only and not taken outside?

We agree with our constituents that a restaurant is not absolutely necessary and we still stand with our neighbors in this.

Mrs. Jacqueline Dupont Walker will speak on our behalf, but I want you to know that the Sisters are still weighing in on this issue.

Most respectfully and

Sincerely,

Sister Sharon Maria Lemprecht
Sister of the Company of Mary, O.S.B.
